Right to attend, speak and vote at the Annual General Meeting

Shareholders of the Company have the right to attend, speak and vote at the AGM. The right to vote is subject to the voting exclusions detailed in the Notice of Meeting.

As determined by the Board, for the purposes of the AGM, Shareholders will be those persons who are registered as Shareholders at 7.00pm (AEDT) on Wednesday, 27 November 2024. Accordingly, transfers registered after that time will be disregarded in determining entitlements to attend and vote at the AGM.

Voting on resolutions

As required under recent amendments to the *Corporations Act 2001* (Cth) (**Corporations Act**), all voting on the resolutions proposed and stated in the Notice of Meeting will be by way of a poll and not a show of hands.

Appointing a Proxy

A shareholder who is entitled to attend and vote at the AGM may appoint up to two proxies to attend and vote on behalf of that shareholder. If you require an additional proxy form, please contact the Company's Share Registrar qualitas@linkmarketservices.com.au or you may copy the enclosed proxy form.

If a shareholder appoints two proxies, the appointment of the proxies may specify the proportion or the number of that shareholder's votes that each proxy may exercise. If the appointment does not so specify, each proxy may exercise half of the votes. Fractions of votes will be disregarded.

A proxy need not be a shareholder of the Company and may be an individual or a body corporate. You can direct your proxy how to vote (i.e., to vote 'for' or 'against' or to 'abstain' from voting on, each resolution) by following the instructions on the voting form. If you appoint a proxy, the Company encourages you to consider directing your proxy how to vote.

If a body corporate is appointed a proxy, it must appoint a corporate representative in accordance with section 250D of the Corporations Act to exercise its powers as proxy at the AGM – see corporate representatives on page 4.

Chairman as Proxy

If you appoint the Chairman of the AGM as your proxy (or the Chairman becomes your proxy by default) and you do not direct your proxy how to vote on a resolution, you will be authorising the Chairman to vote as he decides on the relevant resolution (even though the resolution may be connected with the remuneration of one or more members of the key management personnel (**KMP**)).

If you do not want the Chairman of the AGM to vote as your proxy in favour of any resolution, you need to direct your proxy to vote against, or to abstain from voting on, the resolution by marking the appropriate box on the proxy form.

Corporate representatives

A body corporate which is a shareholder, or which has been appointed as a proxy, may appoint an individual to act as its corporate representative at the meeting in accordance with section 250D of the Corporations Act. The appropriate appointment document must be produced prior to admission. A form of appointment may be obtained by contacting the Company's share registry on 1800 628 703 or by downloading the form [online](#).

November 2024. Any proxy appointment received after that time will not be a valid appointment for the AGM.

Maria Trinci and Luke Sullivan (or another representative) of the Company's auditors, KPMG, will attend the AGM. During the consideration of the Reports, the Chairman of the AGM will allow a reasonable opportunity for shareholders and proxies at the physical venue of the meeting or participating online to ask the auditors' representative questions relevant to the:

- conduct of the audit;
- preparation and content of the auditors' report for the financial year ended 30 June 2024;
- accounting policies adopted by the Company in relation to the preparation of the financial statements contained in the financial report for that year; and
- independence of the auditors in relation to the conduct of the audit.

Shareholders may also submit a written question to the Company's auditors if the question is relevant to the content of the auditors' report or the conduct of the audit.

If you wish to submit a question in advance of the AGM, you may do so by sending your question to one of the places below by no later than 5.00pm (AEDT) on Friday, 22 November 2024:

By email	qualitas@linkmarketservices.com.au

The Company and the auditors' representative will attempt to respond to as many of the more frequently asked questions as possible. Due however to the large number of questions that may be received, the Company and the auditors' representative may not be replying on an individual basis.

Explanatory notes

These Explanatory notes form part of the Notice of Meeting. These Explanatory Notes include its Schedules.

1. Financial statements and reports

The *Corporations Act 2001* (Cth) (**Corporations Act**) requires the financial report (which includes the financial statements and directors' declaration), the directors' report and auditor's report to be laid before the annual general meeting.

There is no requirement for shareholders to vote on these reports. Accordingly, no formal resolution to adopt the reports will be put to the shareholders at the AGM.

However, shareholders will be given a reasonable opportunity at the meeting to ask questions and make comments on these reports and the management of the Company.

2. Adoption of the remuneration report

The Corporations Act requires that a resolution for the adoption of the remuneration report be put to the vote at the Company's AGM. Details in relation to the remuneration arrangements relevant to the Company's KMP are set out in the remuneration report on pages 11 to 22 of the 2024 Annual Financial Report, which may be accessed by visiting the [Investor Centre](#).

The vote on this resolution is advisory only and does not bind the directors or the Company. However, the board will take the outcome of this vote into consideration when considering the Company's future remuneration arrangements for its Directors and executives.

The remuneration report forms part of the directors' report which was made in accordance with a unanimous resolution of the directors of the Company.

Note that voting restrictions apply to this resolution, as described in the voting exclusion statements on pages 6 to 7.

The Board unanimously recommends that shareholders vote in favour of adoption of the remuneration report.

Nil.

The Board (with Mr. Steinberg not voting) recommends that shareholders vote in favour of this resolution.

4. Approval of allocation of loan shares to the Group Managing Director

4.1 Introduction

The Board is seeking approval of Shareholders of the allocation of loan shares to the Group Managing Director, Mr. Andrew Schwartz, under the Company's Long Term Incentive Loan Plan (**Loan Plan**) for the purposes of ASX Listing Rule 10.14.1.

No director of the Company other than Mr. Schwartz or any associate of any such other Director is eligible to participate in the Loan Plan.

4.2 Why shareholder approval is being sought

ASX Listing Rule 10.14 requires Shareholder approval for a director or associate of a director of a listed company to acquire equity securities under an employee incentive scheme. Accordingly, Resolution 4 seeks approval from Shareholders under ASX Listing Rule 10.14 for the acquisition of Loan Shares by Mr. Schwartz under the Loan Plan, as Mr. Schwartz is a Director of the Company.

The Board has determined that the Loan Shares and loan under the Loan Plan are reasonable remuneration for the purposes of Chapter 2E of the Corporations Act, which deals with the provision of financial benefits to related parties. Shareholder approval of the Loan Plan, the provision of the loan and the delivery of Loan Shares is not being sought for the purposes of Chapter 2E of the Corporations Act, in reliance on the reasonable remuneration exception to the requirement for such approval.

4.3 Proposed award of Loan Shares

The Company proposes to grant Loan Shares to Mr. Schwartz, Group Managing Director, as a long-term incentive (**LTI**) under the Loan Plan. The LTI opportunity for the Group Managing Director is \$1,560,000. Since the loan will need to be repaid under the terms of the grant, the arrangement will be valued (by an independent valuer) to determine the size of the loan being provided. The loan will then be used to acquire shares for their market value determined at the time of grant. The value of the Loan Shares will be determined by an independent valuer disregarding any performance conditions. The key terms of the Loan Plan are summarised in Schedule 1.

Shortly prior to the lodgement of this Notice of Annual General Meeting, an independent valuer was engaged to provide an indicative valuation of a Loan Share. This indicative valuation valued one Loan Share at 30.50% of the market value of one fully paid ordinary share in the Company, disregarding any discounts to account for the impact of performance conditions. Were this to be the final valuation, the value of the loan being provided would be \$5,150,328. An updated valuation will be completed shortly following the Meeting. This valuation will be used to determine the value of the loan, and the maximum number of Shares that are to be acquired.

The Company may satisfy its obligation to deliver Loan Shares to Mr. Schwartz under the Loan Plan by issuing new Shares or acquiring the Shares on-market, or a combination, as it determines in its discretion. While the Company has not yet made any decision to issue Shares or acquire Shares on-market to satisfy the proposed delivery of Loan Shares to Mr. Schwartz, Shareholder approval under ASX Listing Rule 10.14 is being sought to provide the Company with the flexibility to issue new Shares if it determines it is appropriate to do so and as a matter of good governance.

The Group Managing Director's LTI arrangement differs to the arrangements for the other executives, as the Group Managing Director is a substantial Shareholder of the Company, and as a result, unlike other executives, would not be able to participate in the FY25 Executive LTI Plan

without financial detriment as any equity under the Executive LTI Plan would be taxed at grant for the Group Managing Director.

In addition, Loan Shares are used to encourage a continued focus on share price growth, dividends and strong alignment of the Group Managing Director to shareholders.

4.4 What will happen if the resolution is, or is not, passed?

The grant of Loan Shares under the Loan Plan requires Shareholder approval by the passing of Resolution 4. Where Shareholder approval is obtained, a maximum number, calculated as described above, of Loan Shares will be granted to Mr. Schwartz under the Loan Plan within 12 months of the Meeting. Once Shareholder approval is obtained under ASX Listing Rule 10.14, the issue of Loan Shares under the Loan Plan to Mr. Schwartz will not count towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1.

If Shareholders do not approve the proposed grant of Loan Shares to Mr. Schwartz by passing Resolution 4, the proposed grant of Loan Shares will not proceed. In that circumstance, the Board would then need to consider alternative remuneration arrangements for Mr. Schwartz which are consistent with the Company's remuneration principles, including providing an equivalent cash payment subject to the risk of forfeiture, performance conditions and performance period.

4.5 Details of the proposed grant

The Loan Plan allows the participant to acquire Shares in the Company at market value at the date of grant. The acquisition price of the Shares is fully funded by a limited recourse loan provided by the Company (or its subsidiary). Details of the terms of the Loan Plan including the terms of the loan can be found in Schedule 1.

The Loan Shares are proposed to be granted to Mr Schwartz as part of his long-term remuneration under the Loan Plan. Loan Shares are fully paid ordinary shares in the Company.

(a) Performance conditions and performance period

The Loan Shares granted to Mr. Schwartz will vest depending on whether a mix of financial and non-financial measures are met over a three-year performance period from 1 July 2024 to 30 June 2027. Of the total number of Loan Shares proposed to be granted to Mr. Schwartz:

- **37.5%** will be subject to targets set in relation to the compound annual growth rate (**CAGR**) of the Company's earnings per share (**EPS**) over the performance period.
- **37.5%** will be subject to a relative total shareholder return (**rTSR**) measure, assessing the Company's performance over the performance period relative to the constituents of the S&P/ASX300 A-REIT index.
- **25%** will be subject to Investor and Culture (**Corporate**) measures.

The Board views the above measures as an appropriate balance of financial and non-financial performance measures.

The number of Loan Shares that vest will depend on the level of performance achieved.

The Board retains overall discretion to determine whether vesting of Loan Shares is appropriate.

(b) EPS CAGR vesting schedule (37.5% of total number of Loan Shares)

EPS CAGR measures the growth in profit generated by the Company attributable to each Share on issue.

For the purposes of assessing performance against the EPS target, the Board will consider whether any adjustments to statutory earnings are appropriate on a case-by-case basis to ensure that inappropriate outcomes are avoided.

The percentage of the EPS CAGR component of Loan Shares that vest, if any, will be determined by the Board in accordance with the vesting schedule below. For any of the EPS CAGR component to vest, threshold EPS must be achieved, and full vesting will only occur if stretch EPS is achieved. The

Company will disclose EPS targets on a retrospective basis given it is commercially sensitive information.

EPS CAGR over performance period	% of EPS CAGR component that vests
Below threshold EPS	Nil
At target EPS	50%
Between target and stretch EPS	Straight line pro rata vesting between 50% and 100%
At or above stretch EPS	100%

(c) *rTSR vesting schedule (37.5% of total number of Loan Shares)*

Total Shareholder Return (TSR) calculates the return Shareholders would earn if they held a notional number of Shares over a period of time and measures the change in the Company's Share price together with the value of dividends during the period, assuming that those dividends are re-invested into new Shares.

The percentage of the rTSR component of Loan Shares that vest, if any, will be determined by the Board as follows:

Relative Total Shareholder Return Percentile Ranking, against comparator group comprising constituents in the S&P/ASX300 A-REIT index as at commencement of the performance period	% of rTSR component that vests
Less than 50 th percentile of comparator group	Nil
At 50 th percentile of comparator group	50%
Between 50 th percentile and 75 th percentile of comparator group	Straight line pro rata vesting between 50% and 100%
At or above 75 th percentile of comparator group	100%

(d) *Corporate Measures (25% of total number of Loan Shares)*

This component of the LTI is subject to the Board's assessment of performance against two critical areas; investor outcomes and culture, over the performance period. Investor outcomes is weighted at 15%, and Culture is weighted at 10%. Below is a description of inputs which will be used by the Board in order to determine the percentage of Loan Shares that vest. As Qualitas grows, broader measurement tools may become available. Such measures can be considered by the Board in making its assessment.

Component:	Key inputs in assessing performance will include:
Investor outcomes	Performance of funds against stated investment objectives.
Culture	Assessment of leadership and engagement survey scores, against industry benchmarks.

Subject to the terms of the Loan Plan, any Loan Shares that do not vest at the end of the performance period will be forfeited and surrendered in repayment of the portion of the loan to which they relate.

(e) *Cessation of employment*

Unless the Board determines otherwise, if Mr. Schwartz's employment with the Group is terminated during the performance period as a 'good leaver' (i.e. as a result of death, terminal

illness, total and permanent disablement, genuine redundancy, retirement or any other reason as determined by the Board), he will be entitled to retain all unvested Loan Shares subject to the Loan Plan rules, and terms and conditions of his invitation. To the extent that Mr. Schwartz retains any unvested Loan Shares, Mr. Schwartz must repay the outstanding Loan balance within 6 months from the date of vesting.

If Mr. Schwartz's employment with the Group is terminated during the performance period in circumstances where he is not considered a good leaver (e.g., resignation or termination of employment initiated by him or the relevant Group Company other than where such termination is as a good leaver), his unvested Loan Shares will be forfeited on termination and surrendered in full satisfaction of the loan, unless the Board determines otherwise.

Regardless of whether or not Mr. Schwartz is a 'good leaver', he may retain vested Loan Shares and may deal with any vested Loan Shares subject to repaying the outstanding Loan balance by the earlier of its expiry date or the date, which is 6 months following the cessation date, subject to the rules of the Loan Plan.

(f) *Other terms of grant*

In addition to the terms outlined above, the grant of Loan Shares to Mr. Schwartz will be subject to the terms of the Loan Plan, the key terms of which are summarised in the Explanatory Notes to Resolution 4 and in Schedule 1.

4.6 Additional information

The following additional information is provided for the purposes of ASX Listing Rule 10.15:

- Mr. Schwartz's current total remuneration package is comprised of the following:

Remuneration element	Quantum
Total fixed remuneration (inclusive of superannuation)	\$1,040,000
Short-term incentive (maximum opportunity)	Nil
Long-term incentive, under LTI Loan Plan (maximum opportunity)	\$1,560,000

- In addition to the above, Mr. Schwartz has significant legacy Fund Participation Rights, as described on page 18 of the Company's 2024 Full Year Financial Report.
- As approved by shareholders at the Company's 2022 Annual General Meeting, Mr. Schwartz was issued 2,016,053 Loan Shares under the Loan Plan in December 2022, which were acquired at \$2.4304 per Share.
- As approved by shareholders at the Company's 2023 Annual General Meeting, Mr. Schwartz was issued 2,279,031 Loan Shares under the Loan Plan in December 2023, which were acquired at \$2.1570 per Share.
- As noted above, the Company will provide an interest-free limited recourse loan to Mr. Schwartz equal to the full market value of the Loan Shares to be acquired under the grant in accordance with the terms of the Loan Plan. The key terms of the loan are outlined in Schedule 1. Directors have determined that the Loan Shares and the Loan are reasonable remuneration for the purposes of Chapter 2E of the Corporations Act 2001.
- Loan Shares will be allocated for market value consideration as soon as practical following the 2024 AGM and, in any event, within 12 months of the Meeting.
- Details of any securities issued under the Loan Plan will be published in the Company's Remuneration Report (as part of the directors' report included in the Annual Report) relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of shares under the Loan Plan after Resolution 4 is approved and who are not

named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

As outlined in Schedule 1, under the terms of the Loan Plan, if in certain circumstances a change of control event occurs where the Company disposes of the whole (or a substantial part) of its business or property to another entity, Mr. Schwartz may be entitled to have his Loan Shares under the Loan Plan vest earlier than would have been the case had the change of control not occurred.

4.7 Recommendation

Each of the Directors (other than Mr. Schwartz who declines to make a recommendation based on his interest in the outcome of Resolution 4) recommends that Shareholders vote in favour of Resolution 4.
