Notes

1 TERMINOLOGY AND DEFINITIONS

Terms which are defined in the respective constitutions of the Company or the Trust (Constitution, as the context requires for either the Company or the Trust) or the Corporations Act (as relevant) have the same meaning when used in this Notice of Meeting (and in the Explanatory Memorandum that accompanies and forms part of this Notice of Meeting) unless the context requires otherwise. For the avoidance of doubt, a reference in this Notice of Meeting or the Explanatory Memorandum to a 'Securityholder' is to the registered holder of a Stapled Security in the Group.

2 QUORUM

The Constitution of the Company provides that a quorum of Shareholders for a general meeting of the Company is Shareholders (present in person, by proxy, by attorney or by body corporate representative) holding not less than 5% of the votes that may be cast at the general meeting. No business may be transacted at the general meeting unless a quorum of Shareholders is present at the commencement of business.

The Constitution of the Trust provides that a quorum of unitholders for a general meeting of the Trust is three unitholders (present in person, by proxy, by attorney or by body corporate representative) and the quorum must be present at all times during the meeting.

In the case of either the Company or the Trust, if a quorum is not present within 30 minutes after the time appointed for the meeting, the meeting will be adjourned in accordance with the respective Constitution. If a quorum is not present within 30 minutes after the time appointed for the adjourned meeting, the meeting will be dissolved.

3 VOTING

The Directors of the Company and the Directors of CPSL (Board), as the responsible entity of the Trust, have determined that, for the purposes of the Meeting, Stapled Securities will be taken to be held by the persons who are registered as a Securityholder at 7.00pm AEDT on Wednesday 27 November 2024. Accordingly, transfers registered after this time will be disregarded in determining entitlements to attend and vote at the Meeting.

Under the Corporations Act and the Constitutions, a resolution put to a vote at a meeting is to be decided by a show of hands unless a poll is properly demanded, subject to the Corporations Act. A poll may be demanded before a vote on a resolution is taken, before the voting results on a show of hands are declared or immediately after the voting results on a show of hands are declared. A poll may be demanded by:

- at least five Securityholders present at the Meeting and entitled to vote on the resolution;
- Securityholders present with at least 5% of the votes that may be cast on the resolution on a poll; or
- the Chair.

In accordance with the Corporations Act, voting on each Resolution set out in this Notice of Meeting will be conducted by a poll. This is despite anything in the Constitution.

A Securityholder who is entitled to cast two or more votes on a poll need not cast all their votes and may cast their votes in different ways. On a poll, each Securityholder has:

- a. in the case of a resolution of the Company, one vote for each fully paid Share held by the Securityholder; and
- b. In the case of a resolution of the Trust, one vote for each dollar value of the total units held by the Securityholder.

On a show of hands, each Securityholder has one vote.

In the case of Stapled Securities held by joint holders, only the vote of the joint holder whose name appears first in the register will be accepted.

4 ATTENDING ONLINE

Securityholders using the online platform (at <https://meetings.linkgroup.com/CMW2024>) will be able to vote directly through the online platform at any time between the commencement of the Meeting (10.30am AEST on Friday 29 November 2024) and the closure of voting as announced by the Chair during the Meeting.

Securityholders are encouraged to login to the online platform at least 15 minutes prior to the scheduled start time for the Meeting using the instructions below:

- enter the link <https://meetings.linkgroup.com/CMW2024> into a web browser on a mobile device or online device;
- Securityholders will need their Securityholder Reference Number (SRN) or Holder Identification Number (HIN), which can be found on your holding statement; and
- if you are a proxyholder, you will need your proxy code which Link Market Services Limited will email to you during the 24 hours prior to the Meeting.

More information about online participation at the Meeting (including how to vote and ask questions online during the Meeting) is available in the Online Guide available at www.cromwellpropertygroup.com/aggm.

5 CORPORATE REPRESENTATIVES AND POWERS OF ATTORNEY

A corporate Securityholder may elect to appoint a representative (rather than a proxy) to vote, in accordance with the Corporations Act. Corporate representatives are required to bring an original or certified copy of their appointment as a representative to the Meeting, or provide it to the registry or both the Company and CPSL (as responsible entity of the Trust) before the Meeting commences. A form of the certificate of appointment may be obtained from the Group's registry.

If a proxy form is signed under a power of attorney on behalf of a Securityholder, then the proxy form and either the original power of attorney or a certified copy of it must be lodged and received by mail, hand or fax at the address or fax number (in the case of a certified copy) listed in section 9 of this Notice of Meeting not later than 10.30am AEST on Wednesday 27 November 2024. A proxy form signed under a power of attorney on behalf of a Securityholder cannot be lodged online.

Proof of identity will be required to be presented at the Meeting for corporate representatives and attorneys.

6 PROXIES

Each Securityholder has the right to appoint a proxy to attend and vote for them. The proxy will have the same rights to speak, to vote (but only to the extent allowed by the appointment) and to join in a demand for a poll at the Meeting. The proxy does not need to be a Securityholder and may be an individual or a body corporate. If you do not plan to attend the Meeting in person, you are encouraged to complete and return the proxy form which accompanies this Notice of Meeting by either mail, fax or by hand or alternatively, where you will not be appointing a person under a power of attorney to sign a proxy form on your behalf, lodge your proxy appointment electronically at <https://investorcentre.linkgroup.com>.

A Securityholder who is entitled to cast two or more votes on a poll may appoint two proxies and may specify the proportion or number of votes each proxy is entitled to exercise. If you do not specify a proportion or number, each proxy may exercise half of the votes. Fractions will be disregarded. If you appoint two proxies to vote, neither proxy can vote on a show of hands. On a poll, each proxy can only exercise votes in respect of those Stapled Securities or voting rights the proxy represents.

If the same person (such as the Chair) is appointed as proxy for two or more Securityholders and those Securityholders have specified different ways for the proxy to vote on an item of business, then the proxy is not entitled to vote (as proxy) on a show of hands on that item.

A proxy may decide whether or not to vote on any item of business or other motion at the Meeting, except where the proxy is required by law or the Company's or the Trust's Constitution to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business and the proxy decides to vote, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business or any other motion at the Meeting, the proxy may abstain or vote as they think fit on that item or motion.

If an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at the Meeting and the appointed proxy does not attend the Meeting or does not vote on a poll on the resolution, then the Chair will be taken to have been appointed as the proxy of the relevant Securityholder in respect of the Meeting or the poll on that resolution, as applicable.

If you appoint a proxy, you may still attend the Meeting. Your proxy will not be able to speak, or vote, at the Meeting while you are present.

Please note that proxy forms and online proxy appointments must be received not later than 10.30am AEST on Wednesday 27 November 2024. If a proxy form is signed under a power of attorney on behalf of a Securityholder, then the proxy form and either the original power of attorney or a certified copy of it must be lodged and received at the address or fax number (in the case of a certified copy) listed in section 9 of this Notice of Meeting. A proxy form signed under a power of attorney on behalf of a Securityholder cannot be lodged online.

7 HOW THE CHAIR WILL VOTE UNDIRECTED PROXIES

If a Securityholder appoints the Chair as the Securityholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair intends to vote in favour of that item on a poll (subject to the other provisions of this Notice of Meeting, including any voting exclusions).

Cromwell encourages all Securityholders who submit proxies to direct their proxy how to vote on each resolution.

If you complete a proxy form or an online proxy appointment that authorises the Chair to vote on your behalf as a proxy, or the Chair is appointed as your proxy by default, and you do not mark any of the boxes so as to give the Chair directions about how your vote should be cast, then by completing and submitting the proxy form or online proxy appointment you will be expressly authorising the Chair to exercise the proxy in respect of the resolutions, including Resolutions 4 and 5 even though these resolutions are connected directly or indirectly with the remuneration of a KMP.

8 ORDINARY RESOLUTIONS

Each Resolution is an ordinary resolution. An ordinary resolution will be passed if more than 50% of the votes cast by or on behalf of Securityholders entitled to vote on the resolution are in favour.

9 LODGEMENT OF PROXIES

Proxy forms and online proxy appointments must be received not later than 10.30am AEST on Wednesday 27 November 2024.

The appointment of a proxy (other than by a proxy form signed under a power of attorney on your behalf) must be received in one of the following ways:

- Online: lodge your proxy appointment online at <https://investorcentre.linkgroup.com> by following the instructions. You will need your SRN or HIN, which can be found on your holding statement.
- Mobile device: lodge your proxy appointment online by scanning the QR code on the back of the proxy form. To scan the code, you will need a QR code reader application which can be downloaded for free on your mobile device. You will need your SRN or HIN and postcode for your securityholding.
- Mail: lodge your proxy form by mail using the reply-paid envelope enclosed or address your letter to the Group's registry: Link Market Services Limited Locked Bag A14 SYDNEY SOUTH NSW 1235.
- Fax: lodge your proxy form by fax to +61 2 9287 0309.
- By hand: lodge your proxy form by delivering it to the Group's registry: Link Market Services Limited Parramatta Square, Level 22, Tower 6, 10 Darcy Street PARRAMATTA NSW 2150 (during business hours Monday to Friday (9.00am – 5.00pm AEDT)).

Link Group is now known as MUFG Pension & Market Services. Over the coming months Link Market Services will progressively rebrand to its new name MUFG Corporate Markets, a division of MUFG Pension & Markets Services.

PROXY FORM SIGNED UNDER A POWER OF ATTORNEY ON BEHALF OF A SECURITYHOLDER

The proxy form and either the original power of attorney or a certified copy of it must be lodged by mail, by hand or fax (in the case of a certified copy) to the address or fax number set out above and received not later than 10.30am AEST on Wednesday 27 November 2024. Online lodgement is not available.

However, there may not be sufficient time available at the Meeting to address all topics raised. Please note that individual responses will not be sent to Securityholders.

11 TECHNICAL DIFFICULTIES

Technical difficulties may arise during the Meeting. The Chair has discretion as to whether and how the Meeting should proceed if a technical difficulty arises. In exercising the Chair's discretion, the Chair will have regard to the number of Securityholders impacted and the extent to which participation in the business of the Meeting is affected. Where considered appropriate, the Chair may continue to hold the Meeting and transact the business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, Securityholders are encouraged to lodge a directed proxy prior to the Meeting, even if they plan to attend the Meeting online.

If the Chair determines it necessary or appropriate to make alternative arrangements for the conduct or holding of the Meeting, Cromwell will provide an update on the ASX Market Announcements Platform and Cromwell's website to communicate to Securityholders the details of any postponement or adjournment of the Meeting. If it becomes necessary to make further alternative arrangements for holding the Meeting, Cromwell will give Securityholders as much notice as practicable, with further information being made available on the Cromwell Property Group website at www.cromwellpropertygroup.com/agm.

RESOLUTION 4 – ADOPTION OF REMUNERATION REPORT

Section 250R of the Corporations Act requires a listed company to put a resolution to shareholders to adopt its remuneration report for the relevant financial year.

Securityholders as a whole will be given a reasonable opportunity to comment on, and ask questions about, the Remuneration Report which is included in the Directors' Report contained in the Group's 2024 Annual Report.

The Remuneration Report contains:

- a message from the Chair of the Nomination and People Committee to Securityholders, which is included below;
- an outline of the Group's remuneration strategy and governance; and
- information about Cromwell's performance and FY24 remuneration outcomes.

Letter from the Chair, Nomination and People Committee

Ms Tanya Cox
Chair, Nomination and
People Committee

On behalf of the Board, I am pleased to present the Remuneration Report for the financial year ended 30 June 2024.

PERFORMANCE AND REMUNERATION OUTCOMES

As detailed in my letter last year, Cromwell's transition to Fund Manager will span multiple financial years and 2024 saw continued progress towards that goal through the sale of non-core assets. We are pleased to have completed transactions in relation to the divestment of our European interests, including the Group's stake in the Cromwell Polish Retail Fund (CPRF), and the sale of the European Platform, including Cromwell's interest in CEREIF.

At the same time, Cromwell has made significant progress towards its gender diversity targets. Female representation on the Australian Executive Committee reached 44% during the year

before settling at 37.5% on 30 June. Likewise, our 40:40:20 targets were met at all levels of the organisation during the year before settling at 4 out of 5 levels on 30 June. Board and committee composition maintains its 40:40:20 representation. Cromwell has continued to significantly reduce its gender pay gap, but there is still work to be done here, which the CEO and Board are committed to continuously progressing. The Australian business is pleased to share that the gender pay gap has reduced to 19% as of 30 June 2024.

The Executive STI Plan had a financial gateway of 90% of the Operating Earnings budget and two non-financial gateways, safety and behaviour, which were met. All key performance indicators were also met, and two major strategic initiatives were achieved (the sale of the Cromwell Polish Retail Fund and the European platform, including the stake in CEREIF), providing the foundations for Cromwell's future success and avoiding covenant-breaching gearing levels. This was a critical measure of performance success in 2024 and subsequently, the CEO and CFO earned 100% of their potential short term incentive award, with 20-30% of the award withheld until successful settlement of the European platform sale, expected to occur later in 2024.

As disclosed in the FY23 Remuneration Report, there are two KMP LTI Plan hurdles; Relative Total Securityholder Return (Relative TSR) and Return on Invested Capital (ROIC). The Relative TSR hurdle remains unchanged from previous years, weighted at 50%. The ROIC hurdle was set at the 10-year bond rate, on the day of grant, plus 300 basis points. The FY21 LTI performance period concluded on 30 June 2024. Neither hurdle was met and no vesting occurred.

The Board has considered the impact of a falling security price on the volume of LTI allocations and has decided not to adjust the allocations. Similarly, the Board does not adjust LTI allocations in a rising market or exercise discretion over vesting outcomes when a falling security price impacts vesting.

BOARD AND EXECUTIVE MANAGEMENT CHANGES

Following the retirement of long-standing CFO Michael Wilde in December 2023, Cromwell was pleased to announce the appointment of Michelle Dance to the role of Chief Financial Officer effective January 2024. Michelle had previously been the Fund Manager and was considered for the position alongside external candidates.

Ms Jialei Tang, appointed as a non-executive director in 2021, joined the ESG & Risk Committee as a member this year.

FY25 APPROACH TO REMUNERATION

During the year, Cromwell conducted an internal review of its Executive Remuneration Strategy to ensure best practice, as well as an independent, external remuneration benchmarking exercise. As a result, in 2025 several changes will be made to improve the consistency of remuneration structure at the Executive level and to align the broader leadership team with stakeholders. The resulting changes to KMP are minimal but will include a change to the LTI ROIC hurdle formula to incorporate security price, as well as NTA. In June 2024, the Committee considered the base salaries of both executive and non-executive KMP and determined that the only increase to be awarded is a \$2,533 increase to executive KMP packages, recognising the increase in the Superannuation Guarantee Contribution.

NON-EXECUTIVE DIRECTOR REMUNERATION

In FY24 the structure and responsibilities of the Board Committee were reviewed resulting in the disbandment of the ESG & Risk and Investment Committees and a subsequent reduction in Directors Fees of circa \$100,000. The Nomination and Remuneration Committee Charter was reviewed and extended to include oversight of the Group's People strategies and the Group's Diversity, Equity and Inclusion strategy. As a result of these changes and the adoption of an expanded charter, the Nomination and Remuneration Committee has been renamed the Nomination and People Committee.

Yours sincerely,

Ms Tanya Cox
Chair, Nomination and People Committee

The Board is motivated to ensure the remuneration strategy and framework reflect the Group's strategy, attract and retain key personnel and reflect Securityholder and stakeholder feedback.

The Nomination and People Committee is heavily involved in the continuous review of the remuneration strategy and framework, disclosure and outcomes. Any material changes will be clearly disclosed and communicated in the relevant year's remuneration report and notice of annual general meeting.

In considering the report, Securityholders should note that the Directors of the Company are the same as those of CPSL, the responsible entity of the Trust.

Securityholders will be asked to vote at the Annual General Meeting on Resolution 4 to adopt the Remuneration Report.

Under the Corporations Act, if at least 25% of the votes cast on Resolution 4 at the Annual General Meeting are against adoption of the report then:

- a. if comments are made on the report at the Annual General Meeting, the Company's Remuneration Report for the financial year ending 30 June 2025 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- b. if, at the Company's 2025 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for the relevant financial year are against its adoption, the Company will be required to put to Shareholders a resolution proposing that a General Meeting (Spill Meeting) be called to consider the election of the Company's Directors (Spill Resolution). The Spill Meeting must be held within 90 days of the date of the Company's 2025 Annual General Meeting. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the Company's Directors (other than the Managing Director) will cease to hold office immediately before the end of the Spill Meeting, unless re-elected at that meeting.

Under the Corporations Act, the vote on this Resolution 4 is advisory only and will not bind the Directors of the Company or the Company. However, the Board will consider the outcome of the vote when reviewing its remuneration policy and make appropriate recommendations to the Group.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote **IN FAVOUR** of this non-binding Resolution 4.

RESOLUTION 5 – APPROVAL OF PERFORMANCE RIGHTS GRANT TO THE MANAGING DIRECTOR AND CEO

The Board is seeking the approval of Securityholders for the grant of 2,084,014 performance rights (Performance Rights) under the Cromwell Property Group Performance Rights Plan (PRP) to the Group Chief Executive Officer (Group CEO) and Managing Director, Mr Jonathan Callaghan. This grant constitutes Mr Callaghan's long-term incentive (LTI) opportunity for FY25.

Why is Securityholder approval being sought?

Under ASX Listing Rule 10.14, no director can acquire securities under an employee incentive scheme without securityholder approval. Performance Rights under the PRP constitute 'securities' for the purposes of the ASX Listing Rules. In accordance with the rules of operation of the PRP (PRP Rules), one Stapled Security will be granted for each Performance Right exercised. The PRP is an 'employee incentive scheme' for the purposes of the ASX Listing Rules.

However, Securityholder approval under ASX Listing Rule 10.14 is not required in relation to this grant as any securities allocated to Mr Callaghan as an LTI award under the PRP will not be issued by the Group but will be acquired on-market. Regardless, the Board wishes to seek Securityholder approval of this grant in recognition of the importance of Securityholder engagement on key remuneration issues, such as remuneration of the Group CEO.

If approved by Securityholders, the Group intends to grant the Performance Rights to Mr Callaghan by 31 December 2024, but in any event, by no later than one year after the date of the Meeting. If Securityholders do not approve the grant of the Performance Rights at the Meeting, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Callaghan, subject to the same performance and service conditions outlined below.

Mr Callaghan's total remuneration package

Mr Callaghan's remuneration includes a fixed cash component, an at-risk cash incentive component calculated based on performance against short-term performance metrics (STI), and an at-risk equity component calculated based on performance against long-term performance metrics (LTI). The purpose of LTI remuneration for key management personnel (KMP) such as Mr Callaghan is to reward long-term performance, encourage the retention of Stapled Securities in the Group and align their interests with that of long-term value creation for Securityholders. The LTI component of Mr Callaghan's remuneration is currently paid through his participation in the PRP.

Mr Callaghan's total target remuneration package for FY25 is A\$2,706,839.78, comprising a fixed cash component of A\$1,002,533 (inclusive of superannuation), an A\$852,153.39 STI component and A\$852,153.39 in LTI.

What is the CEO's proposed FY25 LTI grant?

The approval being sought under Resolution 5 relates to the grant of Performance Rights in respect of the financial year ending 30 June 2025. The proposed FY25 grant of Performance Rights for Mr Callaghan is 2,084,014.

Securityholder approval is sought to permit the grant of A\$852,153.39 worth of Performance Rights in face value to Mr Callaghan under the PRP in aggregate for the financial year ended 30 June 2025. This grant represents 85% of Mr Callaghan's total fixed remuneration as at 1 July 2024. The number of Performance Rights granted is calculated under the Face Value Methodology, based on the volume-weighted average price (VWAP) of Cromwell's security price for the 10 days immediately succeeding the annual results announcement.

Mr Callaghan will be able to elect to take that value by participating in the PRP. It is proposed that these Performance Rights be granted within one year after the date of the Meeting.

For the Company, the value of Performance Rights granted under the PRP in each year will be calculated by reference to a recognised option pricing methodology which is acceptable under Australian accounting standards.

How was the number of Performance Rights calculated?

The following formula was used to calculate the number of Performance Rights to be granted to Mr Callaghan:

Performance Rights = 85% x A\$1,002,533 / VWAP of Cromwell's security price (\$0.4049)

Key terms of proposed grant

If Mr Callaghan decides to participate in the PRP, the number of Performance Rights that will be granted to Mr Callaghan, and the exercise conditions that must be satisfied in order for Mr Callaghan to exercise those Performance Rights, will be subject to the performance measures detailed below.

Performance measures

A summary of the key performance measures that are relevant to the exercise of such Performance Rights is set out below. Each of these key performance measures is measured over a three year period and is equally weighted against each other key performance measures. In respect of Performance Rights issued under Resolution 5, that three year period will commence as at 1 July 2024.

For each measure, nil vests at below the threshold, 50% vests at the threshold rate and straight-line vesting is from 50% to a maximum of 120% at outperformance.

Key performance measure	Summary
Return on Invested Capital (ROIC) 50%	Tested at the end of 3-year performance period. ROIC = (Dividend/NTA) + (Movement in Security price (+/-) / Security price) Threshold - 200bps above the government bond rate (6.12%) Target - 300bps above the government bond rate (7.12%) Outperformance - 400bps above the government bond rate (8.12%)
Relative Total Securityholder Return 50%	Tested at the end of 3-year performance period. Measured against the performance of the constituents of the S&P/ASX300 A-REIT Accumulation Index on a percentile basis with 50th percentile lower bound and 75th percentile upper bound. Measured once over the measurement period. Threshold - 50th percentile Target - Straight line Outperformance - 75th percentile

Vesting

50% of any Stapled Securities granted to Mr Callaghan upon exercise of the Performance Rights will also become Restricted Securities and subject to restrictions on disposal, including a trading lock, for a period of one year. Any Restricted Securities will be entitled to distributions (but distributions will not be payable in respect of unexercised Performance Rights).

Change of control

In the event of a successful takeover of the Group (i.e. if a third party acquires over 50% of the Group's equity or obtains effective control over the Board), performance rights will be tested and will pro rata vest in line with achievement against performance measures

Treatment of Group CEO's Performance Rights on cessation of employment

If an executive KMP is determined to be a good leaver deferred securities remain on foot. If an executive KMP is determined to be a bad leaver, all deferred securities are forfeited.

PRP Committee discretion and Claw Back criteria

The PRP Committee also has discretion to adjust the application of the key performance measures in situations where formulaic application is likely to produce an inappropriate remuneration outcome for Mr Callaghan. The PRP Committee may also 'claw back' Performance Rights and Restricted Securities that have been issued to Mr Callaghan under the PRP if (among other circumstances) the PRP Committee considers that Mr Callaghan has acted fraudulently, dishonestly or where there has been a material misstatement or omission in Cromwell's financial statements leading to the receipt by Mr Callaghan of an unfair benefit, or where Mr Callaghan fails to meet cultural related expectations including acting ethically and responsibly.

Prices of securities

Under the PRP Rules, if Mr Callaghan elects to participate in the PRP, the Exercise Price that will apply to the Performance Rights issued to him under the PRP will be set by the PRP Committee at the time of the offer. Performance Rights granted to Mr Callaghan in respect of the financial year ending 30 June 2025 (for which Securityholder approval is sought under Resolution 5) will have an Exercise Price of nil. Performance Rights granted under the PRP will be granted for no monetary consideration.

Further details of Mr Callaghan's remuneration for the financial year ending 30 June 2024 are set out in the 2024 Remuneration Report.

If signed by the securityholder's attorney, the Power of Attorney must have been previously noted by the registry or a certified copy attached to this form. If executed by a company, the form must be executed in accordance with the company's constitution and the *Corporations Act 2001* (Cth).

HOW TO COMPLETE THIS SECURITYHOLDER PROXY FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on Cromwell Property Group's securities registry. If this information is incorrect, please make the correction on the form. Securityholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your securities using this Proxy Form.**

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name and email address of that individual or body corporate in Step 1. DEFAULT TO CHAIR OF THE MEETING

If you specify the way the named proxy is to vote on the Resolutions and the named proxy does not attend the Meeting or does not vote on a poll on the Resolutions, then the Chair of the Meeting will be taken to have been appointed as your proxy in respect of the Meeting or the poll on the Resolutions. All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on the Resolutions by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the Resolutions, your proxy may vote as he or she chooses, subject to any applicable voting restrictions. If you mark more than one box on a Resolution, your vote on that Resolution will be invalid. If you wish to appoint a Director (other than the Chair of the Meeting) or other member of the Company's KMP, or their closely related parties, as your proxy, you must specify how they should vote on Resolutions 4 and / or 5 by marking the appropriate box.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning Cromwell Property Group's securities registry or you may copy this Proxy Form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.

Individual: where the holding is in one name, the holder must sign.
