### ASX ANNOUNCEMENT (ASX:TSI) - FY25 Q1 QUARTERLY REPORT AND APPENDIX 4C

Top Shelf International Holdings Limited (“Top Shelf” or “the Company”), Australia’s leading premium spirits company, provides an update for the first quarter of FY25 in accordance with ASX listing rule 4.7C.

#### Update on voluntary suspension of trading

Top Shelf entered into voluntary suspension on 27 September 2024 and remains in suspension pending resolution of discussions with a number of parties regarding the Company’s debt and funding and pending the finalisation of the audited financial statements for FY24. The Company also continues to explore other potential transactions to address its operating needs and repayment of creditors and has engaged EY to explore some more recent opportunities.

#### Underlying EBITDA performance

Underlying EBITDA loss of **(\$2.6) million** in FY25 Q1 reflected an improvement of 14% (or **\$0.4 million**) on FY24 Q1, attributable to improved gross margin and cost reduction initiatives.

Non-recurring expenditure in FY25 Q1 predominantly reflected labour redundancy costs and non-recurring corporate project expenditure.

#### Operational commentary

Despite continued difficult trading conditions, particularly in the On-Premise channel, there have been positive momentum in some key areas;

- Endeavour Group sales volumes growing +36% compared to FY24 Q1.
- NED glass holding firm in Coles with sales volume increasing +8% over the past 6 months.
- New product development has been a key contributor, most notably NED Golden Bickie capturing the flavoured Whisky trend and NED 12% RTD range.
- Act of Treason continues to shine on the award circuit, adding both Melbourne and Sydney Spirits Shows to its Gold medal trophy cabinet. Gearing up for a robust summer period, which is focussed towards the All Aussie Margarita.

The Company’s existing arrangement with its major contract packaging customer is due to end on 31 December 2024. Top Shelf is currently reviewing its options with respect to ongoing contract packaging services.

#### Financing activities

The Company’s debt facility drawn position was **\$22.2 million** (30 June 2024: \$25.0 million) with cash reserves of **\$1.2 million** as at 30 September 2024. The Company made a debt principal repayment of \$2.8 million in July 2024.

The Company has recently entered into an amendment of its existing facility agreement with Longreach Credit Investors, which has added two new tranches of available debt (tranche B \$1.75 million and tranche C \$4.2 million), which are subject to conditions being met, at an interest rate of 20.0% per annum. There were drawdowns of \$2.65 million against tranche B and C in October 2024.

#### Sale and Leaseback Transaction will not proceed

The previously announced Sale and Leaseback of the Company’s Eden Lassie agave farm property (held by Top Shelf International Pty Ltd) will not proceed as planned, as certain conditions precedent were not satisfied,

including the security release. The Company and the buyer are in the process of formalising a deed of rescission. As a result, the \$500,000 deposit (which was held in trust by the Company's lawyers) has been refunded by the Company by agreement with the buyer.

#### **ATO**

Recovery actions have been taken by the ATO to recover an outstanding excise debt obligation of \$4.7 million. The Company continues to explore options to address the outstanding excise tax liability with the ATO. The Company is seeking resolution through an agreed payment plan with the ATO, which is intended to be aligned with and dependent on the outcome of discussions with parties regarding the Company's funding along with potential transactions (however, the Company cannot guarantee a favourable outcome in its negotiations with the ATO).

#### **End**

*This announcement was approved by the Top Shelf Board of Directors.*
