**Request for Trading Halt to be lifted**

We refer to the request for a trading halt on 12 November 2024 to allow the company to finalise a project update to the market.

Further work on the project update is required which we estimate will be completed within approximately a month and an announcement will be made at that point.

The Company confirms it is compliant with Listing Rule 3.1.

Yours faithfully

A handwritten signature in blue ink, appearing to read "Ross Kennedy".

Ross Kennedy  
Company Secretary
