About Identitii

Identitii's mission is to seamlessly connect the world's payment data. Current data sharing methods are manual and unstructured, exposing organisations to inefficiencies and elevated risk. Our platform is being used by more than 200 teams across the world, to structure and automate information sharing, improving the security and control of sensitive data as it moves within and between payments organisations. We fundamentally believe that the future of digital commerce will be enabled by greater access to, and sharing of, payments data within and across the boundaries of geography, residency and technology.
