

ASX Announcement 29 November 2024

Atturra completes acquisition of Melbourne-based Chrome Consulting

Key highlights:

- Atturra Limited (**Atturra**), through its subsidiary Anatas Pty Ltd (ACN 133 185 458), has completed the acquisition of Chrome Consulting Pty Ltd (ACN 624 013 663) (**Chrome**) (**Acquisition**), an award-winning OpenText partner delivering enterprise content management (**ECM**) advice.
- The Acquisition will complement Atturra's data and integration practice by strengthening its ECM capability, supported by strong governance and compliance.
- The upfront consideration is \$4.0M in cash and \$1.0M in shares, with earn-out/post-completion consideration of up to \$2.5M in cash subject to Chrome achieving performance hurdles based on audited EBITDA targets for FY25 and FY26. The purchase price, including upfront and deferred consideration, is based on a multiple of 7.5x forecast EBITDA. Integration costs have been budgeted at \$300,000.

Sydney, 29 November 2024 – Atturra Limited (ASX: ATA), a leading technology services business in designing, implementing, and maintaining IT solutions, is pleased to announce that its subsidiary, Anatas Pty Ltd, has completed its acquisition of Chrome Consulting Pty Ltd via a share sale agreement.

The Chrome Acquisition is "Acquisition 3" referred to on page 17 of the Capital Raise presentation released to the market on 13 November 2024.

Melbourne-based Chrome is an award-winning SAP/OpenText partner. Chrome is redefining end-to-end ECM services within the SAP ecosystem, delivering seamless services from strategic advisory through to implementation and ongoing support. With an impressive track record, Chrome empowers SAP customers on their S/4 HANA data optimization, decommissioning and transformation journeys. Chrome consistently drives results that improve cyber resilience, accelerate efficiency and unlock value for clients.

CEO of Atturra, Stephen Kowal, said:

"This acquisition is an exciting step for Atturra, reinforcing our position as a true market leader in Enterprise Content Management in Australia - an important and rapidly growing area of the IT services market. The alignment between our service offerings and Chrome's expertise, along with the cultural synergy between our teams, is very strong.

Chrome's core solutions not only enhance our portfolio but also open up significant opportunities to expand into enterprise solutions - a key focus I highlighted in our FY24 Annual Results Presentation. This move is another testament to Atturra's commitment to partnering with leading technologies and maintaining our focus on being a market leader. It ensures we continue delivering best-in-class solutions to our clients and staying at the forefront of industry innovation.

We welcome Mark Frear, Athol Hill and Daniel Jewell and the wider Chrome team to Atturra and look forward to working closely with them to integrate the Chrome business into Atturra."

CEO of Chrome, Mark Frear, said:

“This is an exciting move for Chrome accelerating the next stage of growth as Atturra brings a similar partner-friendly attitude and culture while adding significant complementary capabilities in service delivery managed support and a different customer base. Combined, the acquisition will allow us all to tackle the significant opportunities ahead and deliver even more customer success.”
