**SUCCESSFUL COMPLETION OF INSTITUTIONAL PLACEMENT  
AND INSTITUTIONAL ENTITLEMENT OFFER**

29Metals Limited (ASX:29M) (**'29Metals'** or the **'Company'**) is pleased to announce that it has successfully completed its fully underwritten institutional placement (**'Placement'**) and the institutional component (**'Institutional Entitlement Offer'**) of its fully underwritten 1 for 1.43 accelerated non-renounceable entitlement offer (**'Entitlement Offer'**) of new 29Metals fully paid ordinary shares (**'New Shares'**), as announced on Tuesday, 3 December 2024.

The Placement and Institutional Entitlement Offer will raise approximately \$154m (subject to reconciliations) at an offer price of \$0.27 per share (**'Offer Price'**), representing a:

- 16.0% discount to TERP of \$0.32 based on the last closing price on 2 December 2024; and
- 27.0% discount to the last closing price of \$0.37 on 2 December 2024.

The Placement and Institutional Entitlement Offer received strong support from both new and eligible existing institutional shareholders, with existing shareholders (excluding EMR Capital) <sup>1</sup> subscribing for approximately 82% of their entitlements in the Institutional Entitlement Offer. New Shares not taken up by both eligible and ineligible institutional shareholders have been fully allocated to eligible institutional investors with priority given to existing shareholders.

Chief Executive Officer, James Palmer, commented:

*"The level of support shown by our existing shareholders, as well as new investors, has been very encouraging. This Equity Raising drives a balance sheet reset, fully funds<sup>2</sup> development at Gossan Valley to first ore and provides support to progress water reduction efforts at Capricorn Copper, as well as general working capital.*

*I encourage eligible retail shareholders in Australia and New Zealand to consider the terms of the retail entitlement offer when it opens on 10 December 2024."*

The New Shares to be issued under the Placement and Institutional Entitlement Offer will rank equally with existing 29Metals shares in all respects from the date of their issue. Settlement of the approximately 540 million New Shares to be issued under the Placement and Institutional Entitlement Offer is expected to occur on Wednesday, 11 December 2024, with the New Shares to be allotted and expected to commence trading on Thursday, 12 December 2024.

Trading in 29Metals shares is expected to resume on ASX from market open today (Thursday, 5 December 2024).

<sup>1</sup> As announced on Tuesday, 3 December 2024, EMR Capital was not in a position to participate in the Equity Raising. The participation of BUMA has been included in the take-up rate for the Institutional Entitlement Offer, however BUMA will have New Shares issued and allotted to it under the Placement and Institutional Entitlement Offer on both the allotment date for the Institutional Entitlement Offer and Placement, and the allotment date for the Retail Entitlement Offer in order to ensure that it does not breach relevant ownership limits.

<sup>2</sup> Offering to fund to first ore from Gossan Valley, planned in H2-2026. Subject to receipt of requisite approvals and delivery on the construction and operational milestones within the timeframes as outlined on page 22 of the Offer Investor Presentation, released to the ASX announcements platform on 3 December 2024.

## Retail Entitlement Offer

The Retail Entitlement Offer is expected to raise approximately A\$26 million. The Retail Entitlement Offer is expected to open on 10 December 2024 and close at 5.00pm (Sydney time) on 19 December 2024. Eligible retail shareholders with a registered address in Australia or New Zealand as at 7.00pm (Sydney time) on Friday, 6 December 2024 will be entitled to participate in the Retail Entitlement Offer on the terms and subject to conditions set out in the retail offer booklet ('**Retail Offer Booklet**'). The Retail Offer Booklet and accompanying personalised entitlement and acceptance form are expected to be made available on Tuesday, 10 December 2024.

The Equity Raising is non-renounceable, and entitlements will not be tradeable on the ASX or be otherwise transferable. Shareholders who do not take up their full entitlement will not receive any payment or value in respect to entitlements they do not take up and their percentage equity interest in 29Metals will be diluted.
