Global Data Centre Group (ASX: GDC)

Completion of AirTrunk disposal \$124 million

Global Data Centre Group (“the Group”; **ASX: GDC**) is pleased to announce the following update in relation to its indirect investment in AirTrunk:

Divestment of AirTrunk

Further to GDC’s announcement in relation to its indirect investment in AirTrunk on 9 September 2024, GDC is pleased to confirm that the sale of AirTrunk has now completed and the forecast proceeds to be received as soon as practical post completion by GDC in relation to its investment are forecast to be approximately \$124 million.

As this is the final asset disposal of GDC, a detailed assessment of any retention requirements and future wind-up costs of GDC will need to be undertaken before any announcement on timing and value of the distribution of proceeds in relation to the AirTrunk disposal can be made. An announcement will be made once this is complete.
