20 January 2025

FY24 Results – Teleconference and Webcast Details

SYDNEY, AUSTRALIA 20 January 2025: Dicker Data (**ASX: DDR**) will release its FY24 Financial Results on Thursday 27 February 2025.

An investor conference call and webcast will be hosted on the same day at 11:00am (AEDT) by the following members of the Dicker Data Board:

- David Dicker, Chairman and Chief Executive Officer
- Mary Stojcevski, Executive Director and Chief Financial Officer
- Vlad Mitnovetski, Executive Director and Chief Operating Officer

Option 1 – View the webcast
Option 1 is most suitable if you do not wish to ask a verbal question during the Q&A session. The presentation will be streamed live at: https://webcast.openbriefing.com/ddr-fyr-24/

Option 2 – Participate in the teleconference
Option 2 is most suitable if you wish to actively participate in the teleconference and ask verbal questions during the Q&A session. All participants wishing to use this option must pre-register at the link provided below. Once registered, participants will receive a calendar invitation that includes dial-in details, the required passcode and a unique access PIN. On the day, dial the number provided and follow the prompts to enter your passcode and PIN and you will immediately join the conference with no need to wait for an operator.

To ask a question during the Q&A session, participants will need to dial "*1" (star, 1) on their telephone pad. To cancel your question, participants will need to dial "#" (hash) on their telephone pad. For help during the teleconference, participants will need to dial "*0" (star, 0) on their telephone pad.

About Dicker Data

Dicker Data (ASX: DDR) is an Australian-owned and operated, ASX-listed technology hardware, software, and cloud distributor in business since 1978. Our sales and presales teams are experienced product specialists who are dedicated to helping our partners tailor solutions to suit their client's needs.

As a distributor, we sell exclusively to our valued partner base. We pride ourselves on developing strong long-term relationships with our customers, and helping them grow. This customer-first approach means we are proactive in engaging with our resellers and allows us to dynamically shift with changing market conditions, in turn helping to increase profitability.

Dicker Data distributes a wide portfolio of products from the world's leading technology vendors, including Cisco, Citrix, Dell Technologies, Hewlett Packard Enterprise, HP, Lenovo, Microsoft, and other Tier 1 global brands. As the leading Australian distributor for many of these vendors, Dicker Data is dedicated to helping our partners deliver industry-leading solutions built on the world's best technologies.
