EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 September 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.aspermont.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR GRAEME MCCRACKEN

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Graeme McCracken, who has served as a Director since 13 March 2023 and was last re-elected on 27 February 2024, being eligible retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr McCracken has over 30 years' experience in innovation and digital transformation across the media, events, data and analytics sector. He brings a wealth of experience from across multiple global B2B markets and has held senior leadership positions at a number of companies including CEO roles at Proagrica and CMD Group. He is a graduate of the University of Glasgow with a Masters degree in Politics & Economics.

Mr McCracken does not currently hold any other directorships and has not held any public listed company directorships in the last three years.

3.3 Independence

Mr McCracken has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If re-elected, the Board considers Mr McCracken will be an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr McCracken will be elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr McCracken will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and the Company's ability to execute on its strategic vision.

3.5 Board recommendation

Having received an acknowledgement from Mr McCracken that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed his performance since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr McCracken) support the re-election of Mr McCracken and recommend that Shareholders vote in favour of this Resolution.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

Broadly speaking, and subject to several exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$14,820,069 (based on the number of Shares on issue and the closing price of Shares on the ASX on 6 January 2025).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 4.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to fund the organic development of its existing key Xaas and Data commercial models and for further development of its operational capacities.

(d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, based on the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 9 January 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	DILUTION		
			Issue Price		
			\$0.003	\$0.006	\$0.009
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	2,470,011,615 Shares	247,001,162 Shares	\$741,003	\$1,482,007	\$2,223,010
50% increase	3,705,017,423 Shares	370,501,743 Shares	\$1,111,505	\$2,223,010	\$3,334,516
100% increase	4,940,023,230 Shares	494,002,323 Shares	\$1,482,007	\$2,964,014	\$4,446,021

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 2,470,011,615 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 9 January 2025 (being \$0.006).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 27 February 2024 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 27 February 2024, the Company has not issued any Equity Securities pursuant to the Previous Approval.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 4 – ISSUE OF PERFORMANCE RIGHTS TO DIRECTOR – MR ALEX KENT

5.1 General

The Company has agreed, subject to Shareholder approval, to issue up to 15,666,667 performance rights to the Company's Managing Director, Mr Alex Kent (or his nominee(s)) (**Incentive Performance Rights**) on the terms and conditions set out in Schedule 2. The Incentive Performance Rights are to be issued under the Company's Employee Incentive Performance Rights Plan as adopted by Shareholders at the Company's annual general meeting on 28 February 2023 (**Performance Rights Plan**).

5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Performance Rights to Mr Kent (or his nominee(s)) constitutes giving a financial benefit and Mr Kent is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Kent) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Incentive Performance Rights, reached as part of the remuneration package for Mr Kent, constitutes reasonable remuneration payable to Mr Kent and was negotiated on an arm's length basis.

5.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 4 seeks the required Shareholder approval for the issue of the Incentive Performance Rights to Mr Kent (or his nominee(s)) under and for the purposes of Listing Rule 10.14.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue. If this Resolution is not passed, the Company will not provide an alternative source of remuneration to Mr Kent over and above his current remuneration package.

5.5 Technical information required by Listing Rule 10.15

Pursuant to and in accordance with the requirements of Listing Rule 10.15, the following information is provided in relation to this Resolution:

- (a) the Performance Rights will be issued to Mr Alex Kent (or his nominee(s)), who falls within the category set out in Listing Rule 10.14.1 as he is a related party of the Company by virtue of being a Director. Any nominee(s) of Mr Kent who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2;
- (b) the maximum number of Incentive Performance Rights to be issued to Mr Kent (or his nominee(s)) is 15,666,667;
- (c) the total remuneration package for Alex Kent for the previous financial year was \$755,246 comprising:
 - (i) a base salary of \$488,827;
 - (ii) \$58,848 in non-monetary benefits; and
 - (iii) \$207,572 attributable to the value of performance rights,

and the proposed total remuneration package for the current financial year is the same as FY24.

- (d) a total of 31,333,334 Performance Rights have previously been issued to Mr Kent for nil cash consideration under the Performance Rights Plan;
- (e) the Incentive Performance Rights will be issued on the terms and conditions set out in Schedule 1;
- (f) the Incentive Performance Rights are unquoted securities. The Company has chosen to grant the Performance Rights to Mr Kent (or his nominee(s)) to incentivise performance in generating Shareholder value for the Company and for the following reasons:
 - (i) the Incentive Performance Rights are unlisted, therefore the issue of the Incentive Performance Rights has no immediate dilutionary impact on Shareholders;
 - (ii) the issue to Mr Kent will align the interests of Mr Kent with those of Shareholders;
 - (iii) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Kent; and
 - (iv) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Incentive Performance Rights on the terms proposed;
- (g) the Company values the Incentive Performance Rights at \$48,566.67 (being \$0.0031 per Performance Right), based on the trinomial model for the valuation of the Incentive Performance Rights;
- (h) the Company expects to issue the Incentive Performance Rights within 15 Business Days of the Meeting and in any event, no later than 15 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules);
- (i) the issue price of the Incentive Performance Rights will be nil and as such, no funds will be raised from the issue;
- (j) a summary of the material terms and conditions of the Performance Rights Plan is set out in Schedule 2;
- (k) no loan is being made to Mr Kent in connection with the acquisition of the Incentive Performance Rights;
