This announcement has been authorised for release by the Managing Director of Alliance Aviation Services Limited.

About Alliance

Alliance is Australasia's leading provider of contract, charter and allied aviation and maintenance services currently employing more than 1,500 staff. The Company provides essential services to mining, energy, and government sectors as well as wet lease services for other airlines.

Alliance holds IATA's IOSA certification, the only Australian contract and charter operator to do so and Flight Safety Foundation "BARS Gold" status, the first such carrier in Australia to achieve gold status.

Alliance is unique in that it owns its whole fleet. Currently that fleet consists of 38 Fokker 70/100 aircraft, 46 Embraer E190 aircraft with firm purchase commitments stretching to mid-2026 for a further 17 E190 aircraft. Seven of those delivered aircraft have been parted out and held in inventory.

The company dry leases four E190 aircraft to a third party, with those leases recently extended for a further five years.

Alliance has world leading operational performance, a key attribute sought by its customers. Alliance has operational bases in Brisbane, Townsville, Cairns, Adelaide, Perth, Darwin, and Rockhampton.

Alliance is locally owned with the majority of the Company's shareholders located in Australia and New Zealand.
