

ASX Announcement: 2025/09

10 February 2025

Media commentary

The Board of WiseTech Global Limited (ASX:WTC) notes media commentary today regarding the Founder and Founding CEO (“F&FCEO”).

WiseTech has received two confidential complaints, from an employee and a supplier to the company, making allegations in relation to the F&FCEO. These are being considered in the ongoing Board Review.

The F&FCEO role was created at the request of Richard White, and with the Board’s agreement, as announced to the market on 24 October 2024. The key terms of the role were also announced at that time.

The fuller details of this engagement, either via a consultancy agreement with Mr White’s company, or by amending the terms of his pre-existing employment contract, consistent with the announcement on 24 October, are still in the course of being agreed.

In the meantime, both the Company and Mr White have been operating broadly in accordance with what was announced.
