# Segment result

- CY 2024 Investment Portfolio income in line with CY 2023, with retail portfolio income growth being offset by a decline in office portfolio income and co-investment earnings; headline logistics portfolio income growth impacted by divestments
- Management Operations uplift reflects a full year of new mandates, partially offset by lower fees from asset devaluations
- Trading profits of \$24.2m associated with asset divestments
- Net finance cost increase from 30 basis points higher weighted average cost of debt offsetting lower average debt balance

## Retail platform growth drivers

Rouse Hill Town Centre, NSW.

- Portfolio retail sales momentum expected to continue during 2025
- Limited new supply into the market should support further rental growth and low vacancy levels
- Asset performance to benefit from leverage to expanded GPT Retail platform
  - Belmont Forum, WA and Cockburn Gateway, WA, acquired in partnership with Perron Group in December 2024, and successfully onboarded in February 2025
- Deploy integrated development management capability to pursue targeted development opportunities and grow platform
  - Rouse Hill Town Centre ~\$200m re-development approved. Works to commence 1H 2025, and complete end 2026
  - Melbourne Central Master planning underway

# Logistics platform growth drivers

- Progressing milestones across ~\$3b AUM development pipeline, with first two facilities at GQLT's Western Sydney project due to complete in 2H 2025
- High quality, well located assets will benefit from occupiers looking to meet growing demand, optimise supply chains and achieve ESG aspirations
- GPT portfolio strategically located in dense urban areas to attract highest level of tenant demand, driving rents and high occupancy rates
- Active engagement with domestic and offshore capital, strong investor interest in Australian Logistics
- Leveraging Logistics platform to create new investment products to increase funds under management and deliver growth through development

Outlook and  
2025 Guidance

# Outlook and 2025 guidance

## Outlook

- Economic environment stabilised in 2024, and investment activity displayed signs of recovery, with increasing transaction volumes
- We believe this trend will continue into 2025 as the Australian market will screen attractively for investment
- Our premium quality, diversified portfolio with high occupancy, and a disciplined approach to capital management, positions the group well for sustainable and growing earnings, and a solid base from which to progress our strategy

## Guidance

- Barring unforeseen circumstances, we expect to deliver 2025 FFO of between 32.5 and 33.1 cents per security, being 1 to 3% growth on pcg and a distribution of 24.0 cents per security
