SCHEME IMPLEMENTATION DEED WITH MIXI

- PointsBet has entered into a Scheme Implementation Deed with MIXI, Inc. (“MIXI”) and MIXI Australia Pty Ltd (“MIXI Australia”) for the acquisition by MIXI Australia of 100% of the issued share capital of PointsBet by way of a scheme of arrangement.
- Under the terms of the Scheme, PointsBet shareholders will receive cash consideration of \$1.06 per PointsBet share.
- The Scheme Consideration of \$1.06 per share represents a significant premium of:
 - 27.7% to PointsBet’s closing price on 25 February 2025; and
 - 23.9% to the 1-month VWAP.
- The Scheme Consideration also represents an implied EV/EBITDA multiple of 25.2 x – 32.1 x based on PointsBet’s FY25 EBITDA guidance range.¹
- The PointsBet Board unanimously recommends that PointsBet shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of PointsBet shareholders.
- Subject to the same qualifications, each PointsBet Director intends to vote the PointsBet shares held or controlled by them in favour of the proposed Scheme.
- The Scheme is subject to limited customary conditions precedent including certain regulatory approvals, the approval by the requisite majorities of PointsBet shareholders at the Scheme Meeting, and Court approval.
- The Scheme is not subject to any financing conditions.
- The Scheme Meeting is currently expected to be held in late May 2025.
- Implementation of the Scheme is currently expected to be in mid-June 2025.
- PointsBet shareholders do not need to take any action at this point in time.
