Dear Brett and Sam

BlueBet Holdings Ltd (trading under the brand "betr") ("**betr**" or "**we**") (ASX: BBT) confirm our offer to acquire PointsBet Holdings Limited ("**PointsBet**") by way of scheme of arrangement on the terms presented in our non-binding indicative offer dated 18 February 2025.

We understand you may be in discussions with another party regarding a potential acquisition of PointsBet. However, we continue to believe that our offer, which has a combined equity value of **\$340 - \$360 million** and with identified **synergies expected to be at least \$40 million annually**, presents a highly attractive offer for PointsBet shareholders.

Our proposal offers compelling strategic and financial benefits for PointsBet shareholders. The transaction offers betr immediate additional scale, access to important technology assets and key marketing contracts, all of which will accelerate our growth ambitions.

The proposal offers PointsBet shareholders the certainty of cash consideration through a cash pool of \$240 - \$260 million and scrip consideration of \$100 - \$120 million, with the scrip component offering access to the synergies and significant accretive value. Furthermore, our proposal was submitted with limited conditionality, including receipt of necessary regulatory and third-party approvals (where required) and betr obtaining committed financing on terms satisfactory to betr.

Based on our unsolicited interactions with common PointsBet and betr shareholders, we believe that over 20% of PointsBet shareholders would prefer a transaction that includes a scrip component of consideration rather than a cash proposal.

We have secured equity funding arrangements with the support of Jarden, Morgans and Ord Minnett, and, given our deep sector expertise, have high confidence in completing due diligence within 20 Business Days.

In the interests of ensuring an informed market as we engage further with our shareholders (including common shareholders), we intend to file this letter on the Australian Securities Exchange (ASX) by 8.30am this morning.

For the avoidance of doubt, neither this letter nor our offer constitutes a proposal to make a takeover bid for the purposes of section 631 of the Corporations Act.

We remain committed to exploring and progressing this proposal with your support.

Yours sincerely

Chairman
