**MASTERMYNE GROUP LIMITED (ASX CODE: MYE)
NOTICE OF UNMARKETABLE PARCEL BUY BACK**

Mastermyne Group Limited (ASX Code: MYE) (“Mastermyne” or “the Company”), a Mining Services business specialising in underground operations, is pleased to announce the details of a buy back offer for holders of unmarketable parcels of shares (**Eligible Holders**) in the Company (**Buy Back**). Under the ASX Listing Rules, holdings of the Company’s shares valued at less than \$500 are considered to be less than marketable parcels (**Unmarketable Parcels**).

The Directors value all of the Company’s shareholders, but also recognise that holders of Unmarketable Parcels may find it difficult or costly to dispose of their shares. The proposed Buy Back will allow Eligible Holders to sell their shares in the Company without incurring brokerage and other expenses.

All Eligible Holders may elect to opt out of the proposed Buy Back and retain their shareholding by following the process that will be outlined in a letter that will be sent to each Eligible Shareholder, and will contain full details about the Buy Back.

The Buy Back will also assist in reducing the Company’s share registry and other administrative costs associated with maintaining a large number of small shareholders. Of the Company’s 1,501 current shareholders, approximately 38% hold Unmarketable Parcels. Once completed, it is expected that this Buy Back will rationalise the share register, which not only will result in a cost saving but will also alleviate some of the administrative burden of maintaining a high percentage of unmarketable holdings.

Based on the share register of the Company as at 7.00pm (Sydney time) on Thursday, 27 February 2025 (**Record Date**), an Unmarketable Parcel is any shareholding of 3,704 shares or less. This is determined using the closing market price of \$0.135 per share on the Record Date. The Directors have determined that the Buy Back price will be \$0.1420 per share (being the volume weighted average price for the five-day trading period preceding the Record Date).

In summary:

- An Unmarketable Parcel of shares is any shareholding of 3,704 shares or less;
- The maximum number of shares that can be acquired under the Buy Back is 827,728 shares held by 564 shareholders, which represents approximately 0.27% of Mastermyne’s current issued share capital of 309,276,963 ordinary shares held by 1,501 shareholders; and
