A Financial Instrument Holder holds a Financial Instrument subject to the terms attaching to that Financial Instrument. Subject to those terms and the Corporation Act:

 - (ii) left for registration at the Responsible Entity's registered office, or at any other place the Responsible Entity decides, with such evidence the Responsible Entity reasonably requires to prove the transferor's title or right to the Relevant Securities and the transferee's right to be registered as the owner of the Relevant Securities; and
 - (iii) if required by law, duly stamped.

- (b) A person who becomes entitled to a Unit because of the death, bankruptcy, insanity or other disability of a Member is entitled to receive and may give a discharge for all money payable in respect of the Unit, but, subject to the Corporations Act, is not entitled to receive notices of or to attend or vote at any meetings of Members until that person is registered as the holder of the Unit.

- (a) recognise a person as holding a Unit on trust, even if the Responsible Entity has notice of a trust; or
- (b) recognise, or be bound by, any equitable, contingent, future or partial claim to or interest in a Unit by any other person, except an absolute right of ownership in a registered holder, even if the Responsible Entity has notice of that claim or interest.

- (a) a Unit must only be issued at an Application Price calculated as:

$$\frac{\text{Net Asset Value}}{\text{number of Units in issue}} \times (1 + \text{Transaction Costs})$$

or the appropriate proportion of that amount in the case of a Fractional Unit. For example, half of that amount for a 0.50 Fractional Unit;

8.3 Time for Calculation

- (a) Each of the variables in clause 8.2 must be determined as at the next Valuation Time after:
 - (i) the application for Units has been, or is taken to have been, received and Accepted by the Responsible Entity; or
 - (ii) the Responsible Entity receives the application money (even if paid or to be paid into the Applications Account) or the property against which Units are to be issued is vested in the Responsible Entity,whichever happens later.
- (b) For the purposes of determining the application price for Units to be issued on the reinvestment of Income for a Distribution Period ("**Relevant Distribution Period**"), the Responsible Entity must calculate the Net Asset Value, and a Valuation Time is taken to have occurred, as at the time immediately after the end of the last day of the Relevant Distribution Period.
- (c) For the purposes of the calculation under clause 8.2, if at the relevant Valuation Time Units have been issued under clause 9.7 but the Application Price of those Units has not yet been ascertained, the application money or property relating to those Units and the Units are to be excluded from the calculation.

Unless the Responsible Entity determines otherwise, for the purposes of clause 8.3 the time of receipt of an application or money or property is taken to be:

- (a) immediately before the Cut-off Time for the Business Day of receipt, if the application, money or property (as applicable) is received before the Cut-off Time on that Business Day; and

8.6 Pro rata rights issues¹⁵

Subject to the terms of any applicable ASIC Relief and the Listing Rules (while the Listing Rules apply), the Responsible Entity may offer Units for subscription at a price determined by the Responsible Entity to those persons who were Members on a date determined by the Responsible Entity:

¹⁴ See ASIC Corporations (Discretions for Setting the Issue Price and Withdrawal Price of Interests in Managed Investment Schemes) Instrument 2023/693

¹⁵ See notional section 601GAD(3)(a) in ASIC Instrument 2023/693.

- (a) provided that, subject to paragraph (b) of this clause 8.6, all Members are offered Units in proportion to the value of the Member's Units at the relevant date; but
- (b) the Responsible Entity may exclude a Member from the pro rata offer if to do so would not be in contravention of paragraph 601FC(1)(d) of the Corporations Act, as modified by ASIC Relief,

8.7 Other jurisdictions

If the Responsible Entity is making an offer of Units to Members which is otherwise in compliance with clause 8.6, the Responsible Entity is not required to offer Units to persons whose address on the Register is outside Australia or New Zealand (or who holds Units on behalf of a person outside Australia or New Zealand) in the circumstances permitted under the applicable ASIC Relief and the Listing Rules¹⁶.

It must be made to Members in proportion to the value of their respective Unit holdings on the date determined by the Responsible Entity under clause 8.6. The Responsible Entity may adjust any entitlement to accord with the Listing Rules and, in the case of fractions, the Responsible Entity must offer the next higher whole number of Units. Any Member may renounce their entitlement in favour of some other person, unless the issue is expressed to be non-renounceable.

- (b) If the amount to be reinvested in additional Units results in a fraction of a Unit, the number of Units to be issued will be rounded down to the nearest whole Unit and any remaining amount becomes an Asset.

8.11 Issues of Units pursuant to a bookbuild

In addition to any other power the Responsible Entity has to issue Units or Options under this constitution and subject always to compliance with the Corporations Act, the Responsible Entity may issue Units at an application price determined jointly by the Responsible Entity and the Manager based on the price of Units determined pursuant to a bookbuild conducted as follows:

- (a) the bookbuild is conducted by a bookrunner who holds appropriate qualifications and experience and who is not an associate of the Responsible Entity;

If the Responsible Entity accepts a transfer of property other than cash:

- (a) the value attributed to the property must be equivalent to a price at which the Responsible Entity could properly buy the property and, if the Responsible Entity requires the applicant must provide a recent valuation of the property;¹⁷ and
- (b) any additional costs associated with the valuation or transfer of the property (beyond the amount of the Transaction Costs factor in the Application Price for the Units) must be paid by the applicant either directly or by deducting the costs from the value of the property before the number of Units to be issued is calculated.

9.3 Responsible Entity may reject

Subject to the Listing Rules, the Responsible Entity may reject an application in whole or in part without giving any reason for the rejection.

9.4 Eligible Person

- (a) Subject to the Listing Rules, no application will be Accepted from and no Units will be issued to any person other than an Eligible Person, unless otherwise determined by the Responsible Entity.
- (b) Subject to the Listing Rules, the Responsible Entity may determine that it will not permit a person:
 - (i) to become a Member; or
 - (ii) to acquire or be issued with further Units,

unless the Responsible Entity has received an Eligible Person Statement (or such other document as the Responsible Entity may require) from that person.

9.5 Less than whole Units

Subject to the Listing Rules, where an application, cancellation or redemption would result in the issue of less than a whole Unit to a Member, the Responsible Entity in its absolute discretion may:

- (a) issue a Fractional Unit;
- (b) contribute its own funds to round up the number of Units issued to a whole number;
- (c) round the Unit up or down; or
- (d) hold the residual amount free of interest and apply it to the next application, cancellation or redemption made by the Member or pay the amount to the Member when moneys are next paid by the Responsible Entity under this constitution.

¹⁷ ASIC RG 134.122

9.6 Minimum amounts

Subject to the Corporations Act and the Listing Rules, the Responsible Entity may set a minimum application amount, minimum additional application amount and a minimum holding amount for the Trust and alter or waive those amounts at any time or determine that a different minimum application amount or a different minimum holding will apply for one or more applicants or members (as the case may be).

9.7 Issue date

- (a) Except in the case of a reinvestment of distribution in accordance with this constitution, Units are taken to be issued at the time which is the earlier of:
 - (i) the time the issue of Units is recorded in the Register; and
 - (ii) the time when both of the following occurred:
 - (A) the Responsible Entity Accepts the application for Units; and
 - (B) the Responsible Entity or its agent receives the application money (even if paid into the Applications Account or received in the form of a cheque) or the property against which Units are to be issued is vested in the Responsible Entity.
- (b) Units which are issued on a reinvestment of distribution in accordance with this constitution are taken to be issued on the first Business Day after the end of the Distribution Period to which the distribution relates.
- (c) At the time when Units are taken to be issued under paragraph (a)(ii) or (b):
 - (i) the applicant becomes a Member in respect of the Units, which are taken to be issued¹⁸ even though the number of Units may not yet have been ascertained and the issue has not yet been entered in the Register; and
 - (ii) the applicant becomes entitled to be recorded in the Register as the holder of those Units as soon as it is reasonably practicable for the Responsible Entity or its agent to make the entry.

9.8 Uncleared funds

Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Responsible Entity within one month of receipt of the application.

9.9 Currency

Where it is necessary for the purposes of an application for Units to convert one currency to another, the conversion is to be made at a rate determined by the Responsible Entity.

¹⁸ For the purposes of section 761E(2)

9.10 Defective Applications

Subject to the Listing Rules, where, within 10 Business Days (or such longer period as the Responsible Entity determines) of the creation and issue of Units in the Trust, the Responsible Entity determines that:

- (a) the applicant was not entitled to hold the Units issued;
- (b) the application was incorrectly executed or executed without power or authority; or
- (c) the application form was defective and was accepted in error,

then the Responsible Entity may in its sole discretion cancel those Units, make an appropriate entry in the Register of the Trust and repay the application money to the applicant out of the Trust. If Units are cancelled under this clause, the Responsible Entity is not required to adjust any Application Price or Redemption Price determined before the cancellation of the Units.

10 Redemption Price of Units¹⁹

10.1 Redemption Price formula

- (a) a Unit must only be redeemed at a Redemption Price calculated as:

$$\frac{\text{Net Asset Value}}{\text{number of Units in issue}} \times (1 - \text{Transaction Costs})$$

or the appropriate proportion of that amount in the case of a Fractional Unit. For example, half of that amount for a 0.50 Fractional Unit.

10.2 Time for Calculation

- (a) Subject to clause 10.2(b), each of the variables in clause 10.1 (whichever is applicable) must be determined:
 - (i) while the Trust is Liquid, as at the next Valuation Time after the redemption request has been, or is taken to have been, received and Accepted by the Responsible Entity; or
 - (ii) while the Trust is not Liquid, at the last Valuation Time before the redemption offer is made.
- (b) Without limiting the Responsible Entity's discretion to determine a Valuation Time under this constitution, where:
 - (i) a redemption request for 5% or more of the Gross Asset Value of the Trust is received and Accepted on a day; or
 - (ii) the Responsible Entity receives and Accepts a redemption request on a day which in aggregate with all other redemption requests received and Accepted on that day represents 5% or more of the Gross Asset Value of the Trust,

the Responsible Entity may defer the date on which the variables in clause 10.1 are determined in respect of the redemption request (whichever is applicable) to the next Valuation Time following the expiry

¹⁹ Required to be included by Section 601GA(4).

of five Business Days after the Responsible Entity has received and Accepted the redemption request.

- (c) For the purposes of the calculation under clause 10.1, if at the relevant Valuation Time Units have been issued under clause 9.7 but the Application Price of those Units has not yet been ascertained, the application money or property relating to those Units and the Units are to be excluded from the calculation.

10.3 Time of receipt

Unless the Responsible Entity determines otherwise, for the purposes of clause 10.2 the day and time of receipt of a redemption request is taken to be:

- (a) immediately before the Cut-off Time for the Business Day of receipt, if the request is received before the Cut-off time on a Business Day; or
- (b) immediately before the Cut-off Time on the next following Business Day if the request is received on a day which is not a Business Day or is received on or after the Cut-off Time on a Business Day.

10.4 Rounding

Subject to the Listing Rules, the Redemption Price may be rounded as the Responsible Entity determines but the amount of the rounding must not be more than 1% of the Redemption Price. Any excess which results from rounding becomes an Asset of the Trust.²⁰

11 Redemption procedures²¹

11.1 While the Trust is Listed

While the Trust is Listed:

- (a) clauses 11.9 to 11.11 apply only to the extent provided for in clause 11.16;
- (b) clauses 11.8, 11.12(a), 11.13 and clauses 11.15 to 11.18(a) (other than 11.18(a)(iv)) apply;
- (c) clause 11.14 does not apply to Units intended to be Officially Quoted; and
- (d) clauses 11.2 to 11.7, clauses 11.12(b), 11.18(a)(iv), 11.18(b), 13.5(b) and 22.3(d)(ii) do not apply.

11.2 Request for redemption

A Member may make a request for the redemption of some or all of the Units in respect of which they are Registered as the holder by giving the Responsible Entity notice in writing²² of the request, specifying the number or value of Units to be redeemed and sufficient details to identify the Member, or in any other

²⁰ See ASIC Corporations (Discretions for Setting the Issue Price and Withdrawal Price of Interests in Managed Investment Schemes) Instrument 2023/693.

²¹ These procedures must be fair to all Members: Section 601GA(4)

²² See clause 18.

manner approved by the Responsible Entity. The Responsible Entity is not obliged to satisfy any such request.

11.3 Redemption of request

A Member may not withdraw a redemption request unless the Responsible Entity agrees.

11.4 When Trust is Liquid²³

Clauses 11.2, 11.4, 11.5 and 11.7 apply only while the Trust is Liquid²⁴ and also in circumstances where the redemption request was received and Accepted by the Responsible Entity²⁵ and the Redemption Price in respect of that redemption request was calculated at a time when the Trust was Liquid (even if it is no longer Liquid at the time the Responsible Entity exercises its powers and discretions under those clauses).

11.5 Responsible Entity may redeem

- (a) Subject to the Corporations Act and the Listing Rules, the Responsible Entity may decide to Accept a request from a Member to redeem some or all of their Units, in whole or in part. The Responsible Entity is not required to Accept any such request.
- (b) If the Responsible Entity determines to Accept a redemption request in respect of a Unit, it must pay from the Assets the Redemption Price of that Unit calculated in accordance with clause 10. The payment must be made within 21 days of the date on which the Responsible Entity Accepts the request, or such longer period as allowed by clause 11.6.

11.6 Delayed payment

- (a) Subject to paragraph 11.6(c), the Responsible Entity may extend the period within which it must pay the Redemption Price in respect of a redemption request it has Accepted by up to 30 days if it considers that it is in the best interests of Members to do so.
- (b) Without limiting paragraph 11.6(a) and subject to paragraph 11.6(c), the Responsible Entity may at any time suspend consideration of redemption requests, or defer its obligation to pay the Redemption Price in respect of a redemption request it has Accepted if it is not possible, or not in the best interests of Members, for it to process redemption requests or make the payment (as applicable) due to one or more circumstances outside its control, (such as restricted or suspended trading or extreme price fluctuation or uncertainty in the market for an Asset). The period allowed under clause 11.5 for consideration of the redemption request or payment of the Redemption Price may be extended by the number of days during which such circumstances apply.
- (c) In relation to a redemption offer to which Part 5C.6 of the Corporations Act applies, the Responsible Entity must pay the redemption proceeds to the withdrawing Member or former Member within 21 days of the date on which the redemption offer closes.²⁶

²³ Required to be included by Section 601GA(4)(b) and 601KA(1)

²⁴ For a definition of a liquid Trust see section 601KA.

²⁵ See clause 11.13.

²⁶ Section 601KD.

- (d) If Acceptance of a redemption request would result in the Member holding Units with an aggregate Redemption Price which is less than the then current minimum holding amount, the Responsible Entity may treat the redemption request as relating to the balance of the Member's holding.

11.7 Increased minimum

If the Responsible Entity increases the minimum holding amount, the Responsible Entity may, after giving 30 days' notice to a Member who holds Units with an aggregate Redemption Price less than the then current minimum holding amount, redeem that Member's holding without the need for a redemption request.

11.8 Payment from the Assets

The Responsible Entity is not obliged to pay any part of the Redemption Price out of its own funds.

11.9 While Trust is not Liquid²⁷

- (a) While the Trust is not Liquid,²⁸ a Member may withdraw from the Trust in accordance with the terms of any current redemption offer made by the Responsible Entity in accordance with the provisions of the Corporations Act regulating offers of that kind.²⁹ If there is no redemption offer currently open for acceptance by Members, a Member has no right to request redemption from the Trust.
- (b) The Responsible Entity is not at any time obliged to make a redemption offer. If it does, it may do so by sending a copy of the offer to all Members, or making a copy of the offer available by electronic means and giving notice to Members that it is available.

11.10 Cancellation of redemption offer

- (a) The Responsible Entity may cancel a redemption offer at any time. If it does, it may do so by sending a copy of the offer to all Members, or making a copy of the offer available by electronic means and giving notice to Members that it is available.
- (b) The cancellation of a redemption offer by the Responsible Entity does not affect the rights of Members whose acceptance of the offer has been received by the Responsible Entity in accordance with clause 18 after the offer period has opened but before the date on which the offer is cancelled to withdraw from the Trust in accordance with the terms of the redemption offer.

11.11 Treatment of request

If the Responsible Entity receives a redemption request, and the Trust subsequently ceases to be Liquid before that request has been Accepted or rejected, the request lapses.

²⁷ Required to be included by section 601GA(4)(c) if Members are to have right to redeem while the Trust is a Registered Scheme.

²⁸ For a definition of a liquid Trust see section 601KA(1).

²⁹ Refer to sections 601KB to 601KE.

11.12 Sums owed to Responsible Entity

- (a) The Responsible Entity may deduct from the proceeds of redemption or money paid pursuant to a redemption offer any money due to it by the Member, including an entitlement to be indemnified by a Member under clause 15.9(b)(viii), 15.9(b)(ix) or 22.3 or under the AMIT Regime more generally.
- (b) While the Trust is Liquid, the Responsible Entity may redeem without a redemption request some or all of the Units held by a Member to satisfy any amount of money due to it by the Member under clauses 15.9(b)(viii), 15.9(b)(ix) or 22.3 or under the AMIT Regime more generally. In these circumstances the Responsible Entity will be taken to have received and Accepted a redemption request in respect of the Units for the purposes of this clause 11.

11.13 When Units are redeemed

Units are taken to be redeemed:

- (a) where the redemption is to occur in response to a redemption request from a Member, at the time as at which the Responsible Entity has:
 - (i) received and Accepted the redemption request in respect of the Units; and
 - (ii) calculated the Redemption Price of the Units;³⁰ or
- (b) if paragraph (a) does not apply, at the time at which the Redemption Price is known and the redemption is recorded in the Register,

and from that time until payment of the Redemption Price, the former holder of the redeemed Units ceases to be a Member in respect of those Units and is a creditor of the Trust in respect of the redemption proceeds.

If Units are redeemed at the time referred to in paragraph (a), the Responsible Entity must as soon as is reasonably practicable arrange for the redemption of the Units to be recorded in the Register.

11.14 Cooling Off

Nothing in this clause 11 prevents the Responsible Entity from complying with any requirement to return application money to Members in accordance with Part 7.9 of the Corporations Act or with any similar requirement that applies to the Responsible Entity.

11.15 Buy backs

While the Units are Officially Quoted, the Responsible Entity may, subject to the Corporations Act and the Listing Rules, purchase Units on ASX or any other financial market on which the trading of Units is permitted, and also off-market, and cause the Units to be cancelled. No Redemption Price is payable on cancellation of the Units bought back by the Responsible Entity.

11.16 While Officially Quoted

While the Units are Officially Quoted, the Responsible Entity may, subject to the Corporations Act and the Listing Rules, make a redemption offer under clause 11.9, in which case clauses 11.9 to 11.11 apply in relation to the redemption

³⁰ ASIC RG 134.168.

offer, and the Redemption Price is to be calculated in accordance with clauses 10.1(a) and 10.2(a)(ii).

11.17 Distribution of Income

- (a) If, during a Distribution Period, the Responsible Entity redeems Units held by a Member and the redemption of Units is in respect of 5% or more of the Units on issue at the start of the Distribution Period or such other amount as may be determined by the Responsible Entity and notified to Members from time to time, ("**Unit Redemption**") then, subject to the Corporations Act and clause 11.17(b), the Responsible Entity must determine at or before the end of the Distribution Period during which the relevant redemption occurs:
 - (i) what amount ("**Income Component**") of the payment in satisfaction of the Unit Redemption ("**Redemption Payment**") in respect of the Units represents a distribution of the Income for that Financial Year; and
 - (ii) whether the Income Component of the Redemption Payment will comprise a distribution of Income for the Financial Year of any particular character for tax purposes.
- (b) Where the Responsible Entity makes a determination under clause 11.17(a) in respect of a Member or former Member, the Responsible Entity must:
 - (i) make the determination by reference to:
 - (A) that component of the Income for the Financial Year to date that has not been distributed at the time the Redemption Price in respect of the Unit Redemption is determined under clause 10 that the Responsible Entity determines is referable to:
 - (aa) capital gains; or
 - (ab) amounts which reflect gains (which are not capital gains) on the disposal or realisation of Assets; and
 - (B) the increase in the component of the Income referred to in clause 11.17(b)(i)(A) as a result of the Responsible Entity realising sufficient assets to satisfy the Unit Redemption; and
 - (C) the number of Units subject to the Unit Redemption and the number of Units on issue at the time the Unit Redemption is made; and
 - (ii) notify the Member or former Member of the composition of the Redemption Payment.

11.18 When Member ceases to be eligible to hold Units

- (a) Where:
 - (i) a Member advises the Responsible Entity that the Member is not an Eligible Person; or

- (ii) the Responsible Entity forms the view that the Member is not an Eligible Person,

the Responsible Entity may request that the Member:

- (iii) dispose of all Units held by the Member within 30 days (or such longer period as the Responsible Entity may determine from time to time) to a person who is an Eligible Person; or
 - (iv) if the Trust is Liquid at the relevant time, lodge a redemption request in respect of all of the Units held by the Member, within 30 days (or such longer period as the Responsible Entity may determine from time to time).
- (b) Where a Member fails to comply with a request under clause 11.18(a) and the Trust is Liquid at the relevant time, the Responsible Entity may compulsorily redeem all of the Units held by the Member. The Responsible Entity is deemed to have received and Accepted a redemption request from the Member immediately before the next Valuation Time after the Responsible Entity determined to compulsorily redeem all of the Units held by the Member.

12 Valuation and determination of pricing variables

12.1 Periodic valuations

The Responsible Entity may cause an Asset to be valued at any time, and must do so as and when required by the Corporations Act.³¹

12.2 Net Asset Value and Value of Assets and Liabilities

The Responsible Entity may determine Net Asset Value of the Trust at any time, including more than once on each day.

12.3 Valuation methods

The Responsible Entity's policy for the valuation of Assets must be based on the range of ordinary commercial practice for valuing the relevant type of asset and, where used to calculate the Application Price or Redemption Price of a Unit, the value must be reasonably current.³² In the absence of any other determination by the Responsible Entity, the value of an Asset will be its Market Value.

12.4 [Not used]

12.5 Currency conversion

Where it is necessary for the purposes of a valuation to convert one currency to another, the conversion is to be made at a time and at the rate quoted by a bank or an independent pricing provider (such as Reuters) nominated by the Responsible Entity. Where the value of an Asset denominated in foreign currency is converted for the purposes of calculating the Redemption Price of a Unit, the currency valuation applied must be consistent with the range of ordinary commercial practice for valuing currency.³³

³¹ See section 601FC(1)(j) for Scheme Operator's obligations concerning valuation

³² ASIC RG 134.64 provides guidance on the meaning of "reasonably current".

³³ ASIC RG 134.109.

13 Income and distributions to Members

13.1 Income

- (a) The Responsible Entity must determine the Income of the Trust for each Distribution Period and Financial Year.
- (b) Unless the Responsible Entity determines otherwise prior to the end of the relevant Distribution Period or Financial Year, Income is:
 - (i) for a Financial Year:
 - (A) where the Financial Year is an AMIT Income Year, the amount determined by the Responsible Entity as being the minimum amount which, if distributed by the Responsible Entity in respect of the Financial Year, would prevent there being an adjustment to the tax cost base of any Units in the Trust under the AMIT Regime for the Financial Year, assuming that the Determined Member Components for each Member for the Financial Year equal the Member's entitlement to the distribution; and
 - (B) where the Financial Year is not an AMIT Income Year, the Net Income for that Financial Year; and
 - (aa)
 - (ii) for a Distribution Period, ending on a Distribution Calculation Date other than the Financial Year Termination Date:
 - (A) where the Distribution Period is within an AMIT Income Year, the amount determined by the Responsible Entity for the Distribution Period under clause 13.1(b)(i)(A), determined as if the Distribution Period was a Financial Year; and
 - (B) where the Distribution Period is not within an AMIT Income Year, the Net Income for the Distribution Period.
- (c) The preparation of the accounts of the Trust in accordance with any current or past Australian accounting standards and generally accepted accounting principles is not to be regarded as a determination of the method for calculating the Income under clause 13.1(b).

13.2 Power to accumulate amounts

- (a) The Responsible Entity may, for any AMIT Income Year only, determine at any time prior to the end of the Financial Year that all or part of the Income of the Trust for the Financial Year will be accumulated, provided that the Income has not already been distributed to Members as an Income Entitlement or Income Component.
- (b) The effect of the Responsible Entity exercising its power to accumulate an amount under clause 13.2(a) is to exclude the relevant amount from being distributed as Income for the Financial Year, including for any Distribution Period in the Financial Year.
- (c) For the purposes of identifying the Members to whom any Trust Components that are reflected in the amounts accumulated under clause 13.2(a) are to be attributed under the AMIT Regime, any amounts

accumulated are to be treated as having been accumulated for the benefit of Members at the date specified by the Responsible Entity for these purposes at the time the Responsible Entity determined to accumulate the amount.

- (d) If the Responsible Entity mistakenly seeks to exercise its power to accumulate an amount in a Non-AMIT Income Year, the Responsible Entity's exercise of the power will be treated as invalid.

13.3 Classification of amounts

Without limiting clause 13.1(b), the Responsible Entity has the power to determine before the end of a Distribution Period:

- (a) the classification of any item received in that Distribution Period as being Income or capital; and
- (b) the extent to which reserves or provisions need to be made at the end of the Distribution Period.
- (c)

13.4 Present entitlement

For any Financial Year that is not an AMIT Income Year, a person who at any time during the Financial Year is or has been a Member, is presently entitled to the Income of the Trust for the Financial Year as at the last day of the Financial Year, in the proportion that the Income Entitlements of the person in respect of the Financial Year bear to the sum of the Income Entitlements of all persons who are or have been Members at any time during the Financial Year.

13.5 Income Entitlements

- (a) The Income Entitlement for a Member or former Member for the Distribution Period is an amount calculated by the Responsible Entity as follows:
 - (i) in respect of an Interim Distribution Period, the aggregate of:
 - (A) where the Responsible Entity has made a determination under clause 11.17 at or before the end of the Distribution Period, the aggregate of the Income Components determined by the Responsible Entity, in respect of the Member or former Member, during the Distribution Period; and
 - (B) the amount calculated as follows:

$$\frac{A \times C}{B}$$

where:

- A is the number of Units held by the Member at the end of the Distribution Period;
- B is the total number of Units on issue at the end of the Distribution Period; and

- C is the Income for the Distribution Period, but only to the extent to which it has not already been distributed by the Responsible Entity during of the Distribution Period as an Income Component.

(ii) in respect of a Final Distribution Period, the aggregate of:

- (A) where the Responsible Entity has made a determination under clause 11.17 at or before the end of the Distribution Period in respect of the Member or former Member, the aggregate of the Income Components determined by the Responsible Entity in respect of the Member or former Member during the Distribution Period; and
- (B) the amount calculated as follows:

$$\frac{A \times C}{B}$$

where:

- A is the number of Units held by the Member at the end of the Distribution Period;
- B is the total number of Units on issue at the end of the Distribution Period; and
- C is the amount (if any) by which the Income for the Financial Year exceeds the aggregate of:
- (1) all Income Entitlements that have arisen in the Trust for previous Distribution Periods in the Financial Year;
 - (2) the aggregate of the Income Components determined by the Responsible Entity, in respect of all Members and former Members for the Distribution Period.

- (b) If as a result of one or more withdrawal requests received by the Responsible Entity on a day, the Responsible Entity determines that all the Units will be redeemed, the Responsible Entity may determine a Distribution Calculation Date immediately prior to calculation of the Redemption Price for all the Units and the Responsible Entity may determine to treat that Distribution Period as a Final Distribution Period.

13.6 Satisfaction of present entitlement and Income Entitlements

The present entitlement of a person who at any time during the Financial Year is a Member to the Income of the Trust for a Financial Year under clause 13.4 is satisfied by the payment of the Income Entitlements to the person in respect of the Financial Year. Irrespective of whether present entitlement under clause 13.4

applies, Income Entitlements must be paid to a Member or former Member within three months after the relevant Distribution Calculation Date.

13.7 Other distributions

The Responsible Entity may at any time distribute any amount other than Income to Members of the Trust by the payment of cash of an amount determined in accordance with the following formula:

$$\frac{A \times C}{B}$$

Where

- A is the number of Units held by the Member at the date of distribution;
- B is the total number of Units on issue at the date of distribution; and
- C is the amount other than Income determined by the Responsible Entity to be distributed to Members...

13.8 Separate accounts

Subject to clause 13.13, the Responsible Entity may keep separate accounts of different categories or sources of Income, or deductions or credits for tax purposes.

13.9 Attribution of income under AMIT Regime – basis for attribution

- (a) For any AMIT Income Year, the Responsible Entity must, following the end of the Financial Year, attribute all of the Trust Components and Determined Trust Components of the Trust, to the Members or former Members under the AMIT Regime.
- (b) The Responsible Entity undertakes to perform attribution under clause 13.9(a) in accordance with the following principles:
 - (i) the amount of each Member's or former Member's Member Components and Determined Member Components of a particular character is so much of the Trust's Determined Trust Component of that particular character as is attributable to the Units in the Trust held by the Member or former Member, having regard to the provisions of this constitution;
 - (ii) the attribution must be worked out on a fair and reasonable basis, in accordance with this constitution and any other documents that constitute Constituent Documents for the Trust; and
 - (iii) the Responsible Entity must not attribute any part of a Determined Trust Component to a Member or former Member because of the tax characteristics of the Member or former Member.
- (c) Without limiting the generality of clause 13.9(a), the Responsible Entity must attribute in respect of an AMIT Income Year to each Member or former Member, so much of the Determined Trust Components of the Trust as are reflected in any Income Entitlements that the Member or

former Member has become entitled to during the Financial Year, including any Income Components arising on the redemption of Units in the Trust.

13.10 [Not used]

13.11 Attribution of income under AMIT Regime – Member objections

If a Member or former Member makes an objection or proposed objection in relation to how the Responsible Entity attributes the Trust Components and Determined Trust Components of the Trust under the AMIT Regime for an AMIT Income Year:

- (a) the Member or former Member must:
 - (i) provide the Responsible Entity with written notice of the Member's or former Member's intention to make an objection at least five Business Days prior to notifying the Commissioner of Taxation of its objection;
 - (ii) include, in the notice provided to the Responsible Entity, a summary of the reasons why the Member or former Member considers the attribution to be inappropriate;
 - (iii) provide to the Responsible Entity any information the Responsible Entity reasonably requests in relation to the Member's or former Member's objection or proposed objection and proceeding in relation to the objection;
 - (iv) consent to the Responsible Entity becoming a party to any proceedings with the Commissioner of Taxation relating to the objection;
 - (v) indemnify the Responsible Entity against all costs and liabilities incurred by the Responsible Entity as a result of the objection or proposed objection; and
 - (vi) do, or omit to do, any other such acts, matters or things as the Responsible Entity reasonably requests in order to appropriately protect the interests or rights of other Members or former Members of the Trust in relation to the objection, proposed objection or any proceedings arising in relation to the objection;
- (b) the Responsible Entity may take such actions as it considers necessary, appropriate or reasonable to provide for the rights and interests of other Members or former Members of the Trust to be protected, including in dealings with the Commissioner of Taxation; and
- (c) the Responsible Entity may amend its attribution of income for tax purposes to Members based on the Responsible Entity's determination of what attribution is appropriate, and take such actions as the Responsible Entity determines is necessary to give effect to the amended attribution, including issuing or reissuing AMMA Statements to Members.

13.12 Unders/Overs

The Responsible Entity must address any Unders or Overs that arise in respect of an AMIT Income Year in accordance with the AMIT Regime. Subject to the

Corporations Act, the Responsible Entity is not liable to any Member or former Member with respect to how it addresses any Unders or Overs provided that the Responsible Entity addresses them in accordance with the AMIT Regime and irrespective of whether any choices made by the Responsible Entity results in a different attribution outcome for the Member than if the Responsible Entity had not made the choice, or had made the choice in a different way.

13.13 Reinvestment

- (a) Subject to the Listing Rules, the Responsible Entity may decide whether to permit the Members to reinvest some or all of any distribution to acquire Units.
- (b) If the Responsible Entity decides to permit reinvestment, it must notify Members of the procedure for reinvestment and any change in the procedure.
- (c) If reinvestment applies, the Responsible Entity is deemed to have received and Accepted an application to reinvest immediately before the next Valuation Time after the end of the relevant Distribution Period.

13.14 Position on transfer of Units

A person who is or was a Member as at a Distribution Calculation Date remains entitled to their share (if any) of the Income under clause 8.5 despite any transfer, transmission or redemption of Units by or in respect of the person, being Units which gave rise to the entitlement.

13.15 Indefeasibility

Despite any other provision of this constitution, a person cannot be defeated of any share of the Income to which the person is entitled under clause 13.5(a).

13.16 Fractions

If the share of Income for a Member determined under clause 13.5(a) includes a fraction of a cent, the share is to be adjusted to the nearest cent below the amount calculated under clause 13.5(a) and the fraction of the cent becomes an Asset of the Trust.

13.17 Liability

The Responsible Entity does not incur any liability nor is it obliged to account to anyone (including any Member or former Member) nor is it liable for any loss or damage:

- (a) as a result of the exercise of any discretion or power under this clause 13; or
- (b) provided the Responsible Entity was acting in the proper performance of its duties, as a result of the exercise of any discretion or power, to the extent that the exercise of the discretion or power is necessary for, or incidental to the Trust being operated in a manner permitted by the AMIT Regime, or is exercised under the AMIT Regime in respect of an AMIT Income Year; or

- (c) in respect of any determination of fact or law made as part of, or as a consequence of, the exercise of such discretion or power covered by clause 13.17(a) despite any error or miscalculation in any provision made for Tax.

13.18 Member may direct

The Responsible Entity may act on a direction given by a Member in such form as the Responsible Entity requires to pay to a third party nominated in the direction all or part of the Member's entitlement to Income and distributions of other amounts under this clause 13 or under clause 25 on winding up.

13.19 Transitional AMIT

If the Responsible Entity purports to exercise a power under this constitution on the basis that the Responsible Entity believes that the Trust is or will be an AMIT for the Financial Year:

- (a) the exercise of the powers by the Responsible Entity must, to the maximum extent possible, be treated as a proper exercise of the Responsible Entity's powers under the constitution and at law, irrespective of whether the Trust is an AMIT or not;
- (b) to the extent that the operation of any of these powers depends, for its operation, on the Trust being an AMIT for the Financial Year, the Trust will be treated as if it were an AMIT for the purposes of the exercise of that power; and
- (c) nothing in this constitution will be taken to invalidate any action that is undertaken by the Responsible Entity pursuant to its powers under this constitution and these powers may be exercised by the Responsible Entity despite any contrary powers provided under this constitution.

14 Payments

14.1 Payment method

- (a) The Responsible Entity may decide the method of payment of any distribution or other amount in respect of a Relevant Security. Different methods of payment may apply to different Relevant Security Holders or groups of Relevant Security Holders (such as overseas Relevant Security Holders). Without limiting any other method of payment which the Responsible Entity may adopt, payment in respect of a Relevant Security may be made:
 - (i) by such electronic or other means approved by the Responsible Entity directly to an account (of a type approved by the Responsible Entity) nominated in writing by the Relevant Security Holder or the joint holders; or
 - (ii) by cheque sent to the address of the Relevant Security Holder shown in the register of Relevant Security Holders or, in the case of joint holders, to the address shown in the register of Relevant Security Holders of any of the joint holders, or to such other address as the Relevant Security Holder or any of the joint holders in writing direct.
- (b) A cheque sent under clause 14.1(a):

- (i) may be made payable to the bearer or to the order of the Relevant Security Holder to whom it is sent or any other person the c directs; and
 - (ii) is sent at the Relevant Security Holder's risk.
- (c) If the Responsible Entity decides that payments will be made by electronic transfer into an account (of a type approved by the Responsible Entity) nominated by a Relevant Security Holder, but no such account is nominated by the Relevant Security Holder or an electronic transfer into a nominated account is rejected or refunded, the Responsible Entity may credit the amount payable to an account of the Responsible Entity to be held until the Relevant Security Holder nominates a valid account.
- (d) Where a Relevant Security Holder does not have a registered address or the Responsible Entity believes that a Relevant Security Holder is not known at the Relevant Security Holder's registered address, the Responsible Entity may credit an amount payable in respect of the Relevant Security Holder's Relevant Securities to an account of the Responsible Entity to be held until the Relevant Security Holder claims the amount payable or nominates a valid account.
- (e) An amount credited to an account under clauses 14.1(c) or 14.1(d) is to be treated as having been paid to the Relevant Security Holder at the time it is credited to that account. The Responsible Entity will not be a trustee of the money and no interest will accrue on the money. The money may be used for the benefit of the Trust until claimed, reinvested under clause 14.1(f) or disposed of in accordance with the laws relating to unclaimed monies.
- (f) If a cheque for an amount payable under clause 14.1(a) is not presented for payment for at least six calendar months after issue or an amount is held in an account under clauses 14.1(c) or 14.1(d) for at least six calendar months, the Responsible Entity may reinvest the amount, after deducting reasonable expenses, into Relevant Securities on behalf of, and in the name of, the Relevant Security Holder concerned and may stop payment on the cheque. The Relevant Securities may be acquired on market or by way of new issue at a price the Responsible Entity accepts is market price at the time. Any residual sum which arises from the reinvestment may be carried forward or donated to charity on behalf of the Relevant Security Holder, as the Responsible Entity decides. The Responsible Entity's liability to provide the relevant amount is discharged by an application under this clause 14.1(f). The Responsible Entity may do anything necessary or desirable (including executing any document) on behalf of the Relevant Security Holder to effect the application of an amount under this clause 14.1(f). The Responsible Entity may determine other clauses to regulate the operation of this clause 14.1(f) and may delegate its power under this clause to any person.

14.2 Rounding

Only whole cents are to be paid and any remaining fraction of a cent becomes an Asset.

14.3 Third party arrangements

The Responsible Entity may from time to time make available to Relevant Security Holders a third party payment facility on terms and conditions

determined by the Responsible Entity. Where, under the terms of a third party payment facility the Relevant Security Holder requests that the proceeds of a redemption of Units be paid to a third party, the redemption proceeds may be paid to a third party in accordance with that request.

14.4 Transfer of Assets

- (a) The Responsible Entity may transfer Assets to a Member rather than pay cash in satisfaction of all or part of a redemption request, in payment of a distribution, amounts owing under a buyback, as part of the winding up of the Trust or any other amounts owing to the Member in respect of the Trust, either:
 - (i) with the consent of the Member; or
 - (ii) if the Responsible Entity reasonably considers the transfer of Assets rather than cash is in the best interests of Members as a whole, without the consent of the Member which is to receive the transfer of Assets.
- (b) The Assets transferred together with any cash paid must be of equal value to the total amount due to the Member (based on a valuation which is consistent with the range of ordinary commercial practice for valuation of assets of that type and is reasonably current, having regard to the type of assets involved and prevailing market conditions³⁴). If the Responsible Entity requires, the costs involved in transfer of these Assets must be paid by the Member or deducted from the amount due to the Member.
- (c) For the purposes of this clause 14.4 the Responsible Entity will be taken to have the transferred Assets to a Member or former Member where the Responsible Entity has done everything reasonably necessary on its part to convey the Assets to the Member or former Member.

14.5 Joint Relevant Security Holders

A payment to any one of joint Relevant Security Holders will discharge the Responsible Entity in respect of the payment.

14.6 Deduction of Tax or amounts owing

The Responsible Entity may deduct from any amount to be paid to a Relevant Security Holder, or received from a Relevant Security Holder, any amount of Tax (or an estimate of it) or any other amount owed by the Relevant Security Holder to the Responsible Entity or any other person which the Responsible Entity is required or authorised to deduct by law or by this constitution or which the Responsible Entity considered should be deducted.

- (c) the acquisition, disposal, insurance, custody (including custodian fees) and any other dealing with Assets;

- (d) any proposed acquisition, disposal or other dealing with an investment of the Trust;
- (e) borrowing arrangements and raising money on behalf of the Trust or guarantees in connection with the Trust, including hedging costs, and costs relating to interest rate swaps or any gearing facility;
- (f) the Management Services Agreement, including fees and expenses payable to the Manager;
- (g) the administration or management of the Trust or its Assets and Liabilities, including expenses in connection with maintaining the Register and dealings with Relevant Securities;
- (h) costs of the admission of the Trust to the Official List and compliance with the Listing Rules;
- (i) underwriting or managing any subscription or purchase of Relevant Securities, including underwriting, offer management and brokerage fees and commission, handling fees, costs and expenses, amounts payable under indemnity or reimbursement provisions in an underwriting, offer management or broking agreement and any amounts becoming payable in respect of any breach (other than for negligence, fraud or breach of duty) by the Responsible Entity of its obligations, representations or warranties under such agreement;
- (j) convening and holding meetings of Relevant Security Holders, the implementation of any Resolutions and communications with Relevant Security Holders;
- (k) Tax, including any amount charged by a person making a supply to the Responsible Entity (by way of or as a reimbursement for GST) and financial institution fees;
- (l) the engagement of agents, valuers, contractors and advisers (including legal advisers), whether or not the agents, valuers, contractors or advisers are associates of the Responsible Entity;
- (m) accounting and compliance with taxation laws and procedures (whether internal expenses of the Responsible Entity or paid to third parties) and the preparation and audit of the taxation returns and accounts of the Trust;
- (n) termination of the Trust and the retirement or removal of the Responsible Entity and the appointment of a replacement;
- (o) any court proceedings, arbitration or other dispute concerning the Trust including proceedings against the Responsible Entity, except to the extent that the Responsible Entity is found by a court to be in breach of trust or to have been grossly negligent, in which case any expenses paid or reimbursed under this paragraph must be repaid;
- (p) all damages, expenses, payments, legal and other costs and disbursements incurred by the Responsible Entity in relation to or in connection with any claim, dispute or litigation (“**Claim**”) arising as a result of or in connection with any untrue representation or warranty contained in any document relating to any investment by the Trust including any project document in connection with the investment and any offering document or borrowing document in connection with the Trust except where the Claim arises out of the failure of the Responsible Entity to properly perform its duties;

- (q) any compliance committee established by the Responsible Entity in connection with the Trust, including any fees paid to or insurance premiums⁵² in respect of Compliance Committee Members;
- (r) while there is no compliance committee, any costs and expenses associated with the board of directors of the Responsible Entity carrying out the functions which would otherwise be carried out by a compliance committee, including any fees paid to or insurance premiums in respect of external directors whose appointment or tenure satisfies the requirements of Chapter 5C of the Corporations Act;
- (s) fees payable to any audit committee of the Trust;
- (t) the preparation, implementation, amendment and audit of the compliance plan;
- (u) the cost of handling complaints from Members and resolving disputes with them, including the cost of membership of an external dispute resolution scheme;
- (v) the cost of the Responsible Entity employing a compliance officer to carry out compliance duties under the compliance plan, in so far as the allocation of their time is attributable to matters connected with the Trust; and
- (w) complying with any law, and any request or requirement of ASIC or ASX.

In this clause 23.9, "Expenses" includes amounts paid by the Responsible Entity to related bodies corporate for services where the expenses would have been reimburseable had they been incurred by the Responsible Entity.

23.10 GST

- (a) Except where stated otherwise, all amounts in this constitution do not include any amount payable on account of GST. If the Responsible Entity is or becomes liable to pay GST in respect of any supply under or in connection with this constitution then, in addition to any fee or other amount or consideration payable to the Responsible Entity in respect of the supply, the Responsible Entity is entitled to be paid out of the Assets an additional amount on account of GST. This amount to be calculated by multiplying the fee, amount or consideration for the part of the supply which is a taxable supply for GST purposes by the prevailing rate of GST. This clause does not apply to supplies in respect of which the relevant fees are expressed as GST inclusive in this constitution.
- (b) In relation to fees that are expressed as GST inclusive in this constitution this clause applies only to the extent to which there has been an increase in the rate of GST, so that the new GST inclusive fee is determined by converting the existing GST inclusive fee to a GST exclusive figure and multiplying it by the new prevailing rate of GST.
- (c) If the Responsible Entity is not entitled to an input tax credit in respect of the amount of any GST charged or recovered from the Responsible Entity by any person, or payable by the Responsible Entity by way of reimbursement of GST referable directly or indirectly to any supply made under or in connection with this constitution, the Responsible Entity is entitled to recover from the Trust by way of reimbursement an additional amount equivalent to the amount of the input tax.

⁵² See Section 601JG

23.11 Amendment of fee provisions is contemplated

Without limiting clause 26, the Responsible Entity has power to amend any part of this clause 23 with the effect of increasing or decreasing any amount of fees due to it, or introducing new types of fees, or to otherwise amend, delete or replace any of the provisions of this clause 23, if the Responsible Entity complies with any applicable requirements of the Corporations Act relating to:

- (a) amending the constitution of a Registered Scheme,⁵³ and
- (b) increasing fees or charges in relation to a Registered Scheme.

24 Duration of the Trust

24.1 Initial settlement

The Trust commences when a person subscribes \$10 (or another amount determined by the Responsible Entity) for the issue of Units (**Initial Units**) at an Application Price of \$2.00 per Initial Unit.

24.2 Termination

The Trust terminates on the earliest of:

- (a) a date which the Members determine by extraordinary resolution (as defined in the Corporations Act); or
- (b) a date determined by the Responsible Entity and advised to Members by notice in writing not less than 60 days before the proposed date of termination; and
- (c) the date on which the Trust terminates in accordance with another provision of this constitution or by law.⁵⁴

24.3 Discretion of Responsible Entity

The right of the Responsible Entity to terminate the Trust under clause 24.2(a) is a personal right and may be exercised by the Responsible Entity in its absolute discretion.

24.4 Change in taxation

If at any time legislation is enacted the result of which is that the Responsible Entity is liable to pay any income tax or capital gains tax (other than withholding tax or tax of a similar nature) on the income of the Trust other than income not distributed to Members, the Responsible Entity may call a meeting of the Members to consider winding up the Trust and if by special resolution the meeting so decides, the Responsible Entity may wind up the Trust.

24.5 Restriction on issue and redemption of Units

Despite any other provisions in this constitution, no Units may be issued or redeemed after the 80th anniversary of the day preceding the day the Trust commenced, unless that issue or redemption would not offend the rule against perpetuities, or any other rule of law or equity.

⁵³ Section 601GC.

⁵⁴ See Part 5C.9 on winding up.

The perpetuity period for the purposes of section 5 of the *Perpetuities and Accumulations Act 1968 (Vic)* is the period of 80 years from the day before the commencement of the Trust. The specification of a perpetuity period in this clause 24.5 does not require that the Trust terminate on the expiration of that period.

25 Procedure on termination

25.1 Realisation of Assets and payment of expenses

Following termination, the Responsible Entity must:

- (a) realise the Assets, except to the extent that it determines to distribute Assets to Members in accordance with clause 14.4 pro rata according to their holding of Units as part of the winding up of the Trust; and
- (b) make payments (or set aside estimated amounts) from the Assets to pay the Trust's expenses and liabilities, and the costs or anticipated costs of winding up the Trust. These amounts will reduce the proceeds of winding up that a Member may otherwise receive, but a Member is not required to pay any of these amounts from their own funds.⁵⁵

To the extent that realisation of Assets is required, it must be completed in 180 days if practical and in any event as soon as possible after that. The Responsible Entity may, however, postpone realisation of the Assets or any Asset if the Responsible Entity reasonably considers it would be in the best interests of Members to do so, and the Responsible Entity is not responsible for any consequent loss or damage attributable to that postponement.

25.2 Auditor and liquidator

- (a) The Responsible Entity must arrange for an independent audit of the final accounts of the Trust by a registered company auditor.⁵⁶
- (b) If the Trust is to be wound up because its Liabilities exceed its Assets or there is expected to be insufficient cash for the Responsible Entity to meet Liabilities from the Assets as and when they fall due, the Responsible Entity may appoint an appropriately qualified liquidator to carry out the winding up, and delegate to the liquidator the powers of the Responsible Entity under this constitution as necessary to facilitate the winding up.

25.3 Distribution following termination

Subject to any rights, obligations and restrictions attaching to any particular Unit which are specified in this constitution, the net proceeds of realisation, after making allowance for all Liabilities of the Trust (actual and anticipated) including entitlements of Members to a share of Income, meeting the expenses (including anticipated expenses) of the termination and taking into account Assets which are to be distributed pro rata to Members as part of the winding up, must be distributed to Members in accordance with the following formula for the amount a particular Member is to receive:

⁵⁵ ASIC RG 134.258.

⁵⁶ ASIC RG 134.201, 134.202.

$$CE = A \times \frac{B}{C}$$

where

CE is the proportion of the distribution to which the Member is entitled;

A is the net proceeds of realisation;

B is the number of Units held by the Member at the date of distribution; and

C is the total number of Units on issue at the date of distribution.

The Responsible Entity may distribute any Assets and the net proceeds of realisation in instalments.

25.4 Provisions continue to apply

Subject to the Corporations Act and this constitution, the provisions of this constitution continue to apply from the date of termination until the date of final distribution under clause 25.3, but during that period the Responsible Entity:

- (a) may not accept any applications for Units from a person who is not an existing Member;
- (b) is under no obligation to consider or process redemption requests received; and
- (c) may not accumulate an amount under clauses 13.2(a) to 13.2(d) for the last Distribution Period of the Trust.

26 Amendments to this constitution

26.1 Responsible Entity may amend

Subject to the Corporations Act⁵⁷, this constitution may be amended:

- (a) by Resolution;⁵⁸ or
- (b) by deed executed by the Responsible Entity.

If the constitution is amended by Resolution, the Responsible Entity may give effect to the amendments by executing a supplemental deed.

27 Regulatory provisions and paramountcy

27.1 Listing Rules

While the Trust is included in the Official List:

- (a) despite anything contained in this constitution, if the Listing Rules prohibit an act being done, the act will not be done;

⁵⁷ See Section 601GC for power to amend the constitution. The amendment cannot take effect until a copy of the modification is lodged with the ASIC

⁵⁸ The required majority under section 601GC(1)(a) is 75%.

- (b) nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;
- (c) if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);
- (d) if the Listing Rules require this constitution to contain a provision and it does not contain such a provision, this constitution is taken to contain that provision;
- (e) if the Listing Rules require this constitution not to contain a provision and it contains the provision, this constitution is taken not to contain that provision; and
- (f) if any provision of this constitution is or becomes inconsistent with the Listing Rules, this constitution is taken not to contain that provision to the extent of the inconsistency.

27.2 Corporations Act and ASIC Relief

- (a) If the Corporations Act requires that this constitution contain certain provisions, or if ASIC Corporations (Discretions for Setting the Issue Price and Withdrawal Price of Interests in Managed Investment Schemes) Instrument 2023/693 (or any other ASIC Relief on which the Responsible Entity has determined it wishes to rely or which is expressly applicable to the Trust and the Responsible Entity) requires provisions to a certain effect to be contained in this constitution in order for the ASIC Relief to apply ("**Required Provisions**"); or
- (b) if any part of this constitution (a "**Required Part**") is included to comply with the requirements of the Corporations Act, Listing Rules, ASIC or ASX ("**Regulatory Requirement**") and that Regulatory Requirement ceases or changes,

then, to the extent the Corporations Act allows, this constitution is taken to be amended so that the Required Provisions are included as separate provisions, or the Required Part is deleted or amended to reflect the amended Regulatory Requirement. The Required Provisions prevail over any other provisions of this constitution to the extent of any inconsistency.

The Members:

- (i) authorise the Responsible Entity to make the amendments referred to in this clause 27.2 in a deed and, if required, to lodge it with ASIC; and
- (ii) agree that, subject to the Corporations Act, their rights under this constitution do not include or extend to a right not to have this constitution amended to comply with a Regulatory Requirement or to include Required Provisions.

Changes in the text of the constitution to which this clause 27.2 applies are made pursuant to the power in clause 26.1, but in respect of those changes, the requirements of clause 26.1 are to be read subject to this clause 27.2.

27.3 Application of Corporations Act and Listing Rules

In this constitution:

- (a) except as otherwise provided in a particular clause or by law, a requirement of the Corporations Act only applies while the Trust is a Registered Scheme; and
- (b) a requirement of the Listing Rules only applies while the Trust is Listed.

27.4 ASIC Class Orders

In accordance with ASIC Corporations (Chapter 5C – Miscellaneous Provisions) Instrument 2017/125 or its equivalent or any similar ASIC Relief from subsections 601GC(1) and (2) of the Corporations Act, and for so long as they apply to the Trust, a change in the text of this constitution because of the operation of clause 27.2 that is covered by the relief instrument is not a modification of, or the repeal and replacement of, the constitution for the purposes of subsections 601GC(1) and (2) of the Corporations Act. Changes in the text of the constitution to which this clause 27.4 applies are made pursuant to the power in clause 26.1 but in respect of those changes the requirements of clause 26.1 are to be read subject to this clause 27.4.

27.5 Paramountcy of provisions

Subject to the Corporations Act and the Listing Rules, clauses 27.1 and 27.4 and provisions taken to be included or amended under them prevail over other provisions of this constitution to the extent of any inconsistency.

28 Compliance committee

If any Compliance Committee Member incurs a liability in that capacity in good faith, the Compliance Committee Member is entitled to be indemnified out of the Assets in respect of that liability to the extent permitted by the Corporations Act⁵⁹.

29 Complaints

If a Member or former Member submits to the Responsible Entity a Complaint, in relation to the Trust, the Responsible Entity:

- (a) must, if the Member or former Member is a Retail Client, comply with the requirements of section 912A(2) of the corporations Act applicable to the Complaint;⁶⁰ and
- (b) in respect of a Complaint from a Member or former Member who is not a Retail Client:⁶¹
 - (i) must acknowledge receipt of the Complaint within 24 hours of receiving it, or as soon as practicable;⁶²
 - (ii) must ensure that the Complaint receives proper consideration resulting in a determination by a person or body designated by the Responsible Entity as appropriate to handle complaints;

⁵⁹ See section 601JF

⁶⁰ See ASIC RG 134.155.

⁶¹ The Responsible Entity may treat retail and wholesale clients differently for this purpose – see RG 134.167 and ASIC Instrument 2023/697.

⁶² Australian compliance standard AS/NZS10002:2014 was adopted in ASIC RG 271 (for financial services licensees) effective September 2021

- (iii) where the Complaint relates to an error which is capable of being corrected without affecting the rights of third parties, act in good faith to deal with the Complaint by endeavouring to correct the error;
- (iv) may give any of the following remedies to the complainant:
 - (A) information and explanation regarding the circumstances giving rise to the Complaint;
 - (B) an apology; or
 - (C) compensation for loss incurred by the Member or former Member as a direct result of any breach; and
- (v) must communicate to the complainant as soon as practicable and in any event not more than 30 days after receipt by the Responsible Entity of the Complaint:
 - (A) the determination in relation to the Complaint;
 - (B) any remedies available to the Member or former Member; and
 - (C) information regarding any further avenue for complaint.

30 Restricted Securities

30.1 Disposal of Restricted Securities

If the Listing Rules require, Restricted Securities cannot be disposed of during the Escrow Period and the Responsible Entity must not register a transfer of Restricted Securities during the Escrow Period except as permitted by the Listing Rules or ASX.

30.2 Restriction on distributions and voting rights

During a breach of a restriction agreement or the Listing Rules relating to Units which are Restricted Securities, the Member who holds those Restricted Securities is not entitled to any distribution from the Trust, nor any voting rights, in respect of those Restricted Securities.

31 Small Holdings⁶³

31.1 Application of this clause

This clause 31 applies while the Units are Officially Quoted.

31.2 Divestment Notice

If the Responsible Entity determines that a Member is a Small Holder or a New Small Holder the Responsible Entity may give the Member a Divestment Notice to notify the Member:

⁶³ See Listing Rules 15.13, 15.13A and 15.13B.

- (a) that the Member is a Small Holder or a New Small Holder, the number of Units making up and the Market Value of the Small Holding or New Small Holding and the date on which the Market Value was determined;
- (b) that the Responsible Entity intends to sell the Relevant Units in accordance with this clause 31 after the end of the Relevant Period specified in the Divestment Notice;
- (c) if the Member is a Small Holder, that the Member may at any time before the end of the Relevant Period notify the Responsible Entity in writing that the Member desires to retain the Relevant Units and that if the Member does so the Responsible Entity will not be entitled to sell the Relevant Units under that Divestment Notice; and
- (d) after the end of the Relevant Period the Responsible Entity may, for the purpose of selling the Relevant Units that are in a CS Facility holding, initiate a holding adjustment to move those Units from that CS Facility holding to an issuer sponsored holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

31.3 Relevant Period

For a Divestment Notice given to a Small Holder, the Relevant Period must be at least six weeks from the date the Divestment Notice was given. For a Divestment Notice given to a New Small Holder, the Relevant Period must be at least seven days from the date the Divestment Notice was given.

31.4 Responsible Entity can sell Relevant Units

At the end of the Relevant Period the Responsible Entity is entitled to sell on-market or in any other way determined by the Directors:

- (a) the Relevant Units of a Member who is a Small Holder, unless that Member has notified the Responsible Entity in writing before the end of the Relevant Period that the Member desires to retain the Relevant Units, in which event the Responsible Entity must not sell those Relevant Units under that Divestment Notice; and
- (b) the Relevant Units of a Member who is a New Small Holder.

31.5 No obligation to sell

The Responsible Entity is not bound to sell any Relevant Units which it is entitled to sell under this clause 31 but unless the Relevant Units are sold within six weeks after the end of the Relevant Period the Responsible Entity's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Member to whom the Divestment Notice was given accordingly.

31.6 Responsible Entity as Member's attorney

To effect the sale and transfer by the Responsible Entity of Relevant Units of a Member, the Member appoints the Responsible Entity and each Director and company secretary of the Responsible Entity jointly and severally as the Member's attorney in the Member's name and on the Member's behalf to do all acts and things which the Responsible Entity considers necessary or appropriate to effect the sale or transfer of the Relevant Units and, in particular:

- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an issuer sponsored holding or a certificated holding; and
- (b) to execute on behalf of the Member all deeds instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, Instruments or other documents to the purchaser.

31.7 Conclusive evidence

A statement in writing by or on behalf of the Responsible Entity under this clause 31 is (in the absence of manifest error) binding on and conclusive against a Member. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this clause 31 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

31.8 Registering the purchaser

The Responsible Entity must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any regularity or invalidity in connection with the actions of the Responsible Entity under this clause 31.

31.9 Payment of proceeds

Subject to clause 31.10, where:

- (a) Relevant Units of a Member are sold by the Responsible Entity on behalf of the Member under this clause; and
- (b) the certificate for the Relevant Units (unless the Responsible Entity is satisfied that the certificate has been lost or destroyed or the Relevant Units are uncertificated securities) has been received by the Responsible Entity,

the Responsible Entity must, within 60 days of the completion of the sale, send the proceeds of sale to the Member entitled to those proceeds by sending a cheque payable to the Member through the post to the address of the Member shown in the Register, or in the case of joint holders, to the address shown in the Register as the address of the Member whose name first appears in the Register. Payment of any money under this clause is at the risk of the Member to whom it is sent.

31.10 Costs

In the case of a sale of the Relevant Units of a New Small Holder in accordance with this clause, the Responsible Entity is entitled to deduct and retain from the proceeds of sale, the costs of the sale as determined by the Responsible Entity. In any other case, the Responsible Entity or a purchaser must bear the costs of sale of the Relevant Units. The costs of sale include all stamp duty, brokerage and government taxes and charges (except for tax on income or capital gains of the Member) payable by the Responsible Entity in connection with the sale and transfer of the Relevant Units.

31.11 Remedy limited to damages

The remedy of a Member to whom this clause applies, in respect of the sale of the Relevant Units of that Member is expressly limited to a right of action in

damages against the Responsible Entity to the exclusion of any other right, remedy or relief against any other person.

31.12 Dividends and voting suspended

Unless the Responsible Entity determines otherwise, where a Divestment Notice is given to a New Small Holder in accordance with this clause 31, then despite any other provision in this constitution, the rights to receive payment of dividends and to vote attached to the Relevant Units of that Member are suspended until the Relevant Units are transferred to a new holder or that Member ceases to be a New Small Holder. Any dividends that would, but for this clause, have been paid to that Member must be held by the Responsible Entity and paid to that Member within 60 days after the earlier of:

- (a) the date the Relevant Units of that Member are transferred; and
- (b) the date that the Relevant Units of that Member cease to be subject to a Divestment Notice.

31.13 Twelve month limit

If it is a requirement of the Listing Rules, the Responsible Entity must not give a Small Holder more than one Divestment Notice in any 12 month period (except as contemplated by clause 31.14).

31.14 Effect of takeover bid

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Responsible Entity's powers under this clause 31 to sell Relevant Units of a Member cease. After the close of the offers under the takeover bid, the Responsible Entity may give a Divestment Notice to a Member who is a Small Holder or a New Small Holder, despite clause 31.13 and the fact that it may be less than 12 months since the Responsible Entity gave a Divestment Notice to that Member.

32 Compliance with ASX Settlement Operating Rules

32.1 ASX Settlement Operating Rules

- (a) While any of the Relevant Securities in the Trust are CHES Approved Securities, the Responsible Entity must comply with the ASX Settlement Operating Rules. While all of the Relevant Securities in the Trust are not CHES Approved Securities, the Responsible Entity is not required to comply with the ASX Settlement Operating Rules.
- (b) The Responsible Entity may do any act, matter or thing to facilitate involvement by the Trust in any clearing and settlement facility for the transfer of financial products.

33 Security Interest

- (a) If any provision of this constitution creates a security interest in Units or other personal property ("**Collateral**") to which the PPSA applies:
 - (i) the Responsible Entity need not comply with any provisions of the PPSA that the parties may contract out of in relation to the Collateral; and

- (ii) Members may not exercise any rights under sections 142 (redemption of collateral) or 143 (reinstatement of security agreement) of the PPSA to the extent the law permits those rights to be excluded.
- (b) The Responsible Entity need not give the Member any other notice required under the PPSA (including a notice of verification statements under section 157 of the PPSA) unless the notice cannot be excluded.

34.4 Sunset

Clauses 34.1, 34.2 and 34.3 cease to have effect at the end of 3 years beginning:

- (a) where those clauses have not been renewed in accordance with the Corporations Act, on the day those rules were adopted by the Responsible Entity in relation to the Trust; or
- (b) where those clauses have been renewed in accordance with the Corporations Act, on the date those clauses were last renewed.
