About AI-Media

Founded in Australia in 2003, AI-Media (ASX: AIM) is a global leader in AI-powered live and recorded captioning, transcription, and translation solutions. Trusted by the world's leading broadcasters, enterprises, and government agencies, AIM ensures high accuracy, security, and cost-effectiveness through its cutting-edge LEXI technology, seamlessly integrated with iCap infrastructure.

LEXI products are delivered to millions of screens worldwide via AIM's industry-leading encoders and the iCap network, which powers over 10 million minutes of live content each month.

Since commencing trading on the ASX on 15 September 2020, AIM has significantly expanded its global footprint and continues to drive innovation in AI-powered media solutions. With the growing LEXI Toolkit, AIM extends beyond core captioning into new frontiers with LEXI DR, LEXI Local, LEXI Voice, and LEXI Brew, enhancing accessibility, security, and efficiency for customers across multiple markets.
