Share Sale by Managing Director & CEO

Melbourne, Victoria | Alcidion Group Limited (ASX:ALC) (**'Alcidion'** or the **'Company'**) confirms that Kate Quirke has sold 5.0 million shares, via an pre-market block trade. An Appendix 3Y for the share sale will be lodged separately.

This is the first time Kate has sold shares directly since joining Alcidion in 2018, highlighting her commitment and long-term confidence in the business. The share sale was undertaken to diversify her family's assets to meet various financial commitments.

After completion of the share sale, Kate Quirke (and associated entities) will continue to hold approximately 43.6 million shares or 3.2% of the total shares on issue.

Kate Quirke confirms no intention to sell any further shares and remains deeply committed to the growth and profitability of Alcidion, validated by the recent confidence in the business delivering an EBITDA and cashflow positive result for FY25.

The sale of shares was undertaken in accordance with the Company's Trading in Securities Policy.

ENDS

Authorised for ASX release by the Chair of Alcidion Group Limited.

About Alcidion

Alcidion Group Limited has a simple purpose, that is, to transform healthcare with proactive, smart, intuitive technology solutions that improve the efficiency and quality of patient care in healthcare organisations, worldwide.

Alcidion offers a complementary set of software products and technical services that create a unique offering in the global healthcare market. Based on the flagship product, Miya Precision, the solutions aggregate meaningful information to centralised dashboards, support interoperability, facilitate communication and task management in clinical and operational settings and deliver Clinical Decision Support at the point of care; all in support of Alcidion's mission to improve patient outcomes.

Since listing on the ASX in 2011, Alcidion has acquired multiple healthcare IT companies and expanded its foothold in the UK, Australia, and New Zealand to now service over 400 hospitals and 87 healthcare organisations, with further geographical expansion planned.

With over 20 years of healthcare experience, Alcidion brings together the very best in technology and market knowledge to deliver solutions that make healthcare better for everyone.
