

7 March 2025

Extended \$4M License Agreement with Radian Arc

Activeport Group Ltd ("Activeport" or "Company") (ASX: ATV), refers to the \$4M license agreement with Radian Arc Limited ("Radian Arc"), announced on 14 November 2024, which required that the net funds be payable in cash to Activeport by 28 February 2025. Radian Arc and Activeport have now signed an agreement to extend the date for the payment of the net funds to 30 June 2025.

Radian Arc is engaged in its Series C funding round, which although later than anticipated, has made significant progress toward completion.

Activeport has been a strategic technology vendor to Radian Arc since inception. We continue to support Radian Arc in delivering cloud gaming to more than 80 telecommunication companies globally.

About Activeport

Activeport (ASX:ATV) is an Australian company delivering network automation software solutions, tailored to the global telecommunications and information technology sectors. Activeport are leaders in network automation and orchestration, meeting the rising demand for efficient IT infrastructure during global digital transformation. Our advanced software solutions reduce complexity, lower costs, and enhance network performance, tapping into a significant market opportunity.
