3.3 Regulatory Approvals

- (a) Without limiting the generality of clause 3.2 and subject to clause 3.3(b):
 - (i) Yumbah must, to the extent it has not already done so prior to the date of this deed, apply for all necessary Regulatory Approvals for the Transaction (**Required Regulatory Approvals**) as soon as practicable (and in event within 10 Business Days after the date of this deed) and Clean Seas must provide such assistance in respect of any such application as Yumbah may reasonably request, and each party must take all reasonable steps required as part of the approval process in respect of any such application, including responding to reasonable requests for information at the earliest practicable time;

 - (C) by consulting with Clean Seas, in advance, in relation to all proposed material communications and the proposed content of those communications (whether written or oral and whether direct or via an Adviser) with any Government Agency relating to any Required Regulatory Approval (**Communications**), and in relation to each proposed material step in the process of obtaining each Required Regulatory Approval; and

- (a) The Conditions Precedent in clauses 3.1(a) to 3.1(g) (other than clauses 3.1(c) and 3.1(e)) are for the benefit of Clean Seas and Yumbah. Any breach or non-satisfaction of any of the Conditions Precedent in clauses 3.1(a) to 3.1(g) (other than clause 3.1(e)) cannot be waived.

- (g) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.5 Notifications

Each party must:

- (a) keep the other party promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent;

3.6 Scheme voted down because of Headcount Test

- (a) If the Scheme is not approved by Clean Seas Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Clean Seas or Yumbah considers, acting reasonably, that the splitting by a holder of Clean Seas Shares into two or more parcels of Clean Seas Shares (whether or not it results in any change in beneficial ownership of Clean Seas Shares) or some abusive or improper conduct may have caused or materially contributed to the Headcount Test not having been satisfied then Clean Seas must:
 - (i) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (ii) make such submissions to the Court and file such evidence as counsel engaged by Clean Seas to represent it in Court proceedings related to the Scheme, in consultation with Yumbah, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.
- (b) If such approval is given by the Court, the Condition Precedent in clause 3.1(d) is deemed to be satisfied.

3.7 Failure of Conditions Precedent

- (a) If:
 - (i) there is a breach or non-satisfaction of a Condition Precedent which is not waived in accordance with this deed by the time or date specified in this deed for the satisfaction of the Condition Precedent;
 - (ii) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this deed for the satisfaction of the Condition Precedent (and the breach or non-satisfaction which would otherwise occur has not already been waived in accordance with this deed); or

- (iii) it becomes more likely than not that a Condition Precedent will not be satisfied by the End Date,

then either party may serve a written notice on the other party, and the parties must promptly consult in good faith with a view to determining whether:

- (iv) the Scheme or the Transaction may proceed by way of alternative means or methods;
 - (v) to extend the relevant time or date for satisfaction of the Condition Precedent;
 - (vi) to change the First Court Date or to adjourn the application for orders pursuant to section 411(1) of the Corporations Act convening the Scheme Meeting to another date agreed by the parties;
 - (vii) to change the Second Court Date or to adjourn the application for orders pursuant to section 411(4)(b) of the Corporations Act approving the Scheme to another date agreed by the parties; or
 - (viii) to extend the End Date.
- (b) If Clean Seas and Yumbah are unable to reach agreement under clauses 3.7(a)(iv), 3.7(a)(v), 3.7(a)(vi), 3.7(a)(vii) or 3.7(a)(viii) within five Business Days after the delivery of the notice under that clause or any shorter period ending at 5:00pm on the day before the Second Court Date, either party may terminate this deed by notice in writing to the other party, provided that:
- (i) the Condition Precedent to which the notice relates is for the benefit of that party (whether or not the Condition Precedent is also for the benefit of the other party); and
 - (ii) there has been no failure by that party or its Subsidiaries to comply with its obligations under this deed, where that failure directly and materially contributed to the Condition Precedent to which the notice relates becoming incapable of satisfaction, or being breached or not satisfied before the End Date,

in which case clause 14.3 will have effect.

3.8 Certificates in relation to Conditions Precedent

- (a) On the Second Court Date, each party must provide to the Court a certificate (or such other evidence as the Court may request) confirming (in respect of matters within its knowledge) whether or not as at 8.00am on the Second Court Date the Conditions Precedent (other than the Condition Precedent in clause 3.1(f)) have been satisfied or waived in accordance with this deed.
- (b) Each party must provide to the other party a draft of the certificate pursuant to clause 3.8(a) by 5.00pm on the day that is two Business Days prior to the Second Court Date, and must provide to the other party on the Second Court Date a copy of the final certificate or other evidence provided to the Court.
- (c) The certificate referred to in clause 3.8(a) constitutes conclusive evidence that such Conditions Precedent were satisfied, waived or taken to be waived.

 - (iii) send to the OSE a legal opinion from an independent external attorney addressed to the OSE at ma@oslobors.no immediately following the Scheme becoming Effective and in any case no later than 08:15 hours (CET) on the first trading day after the Effective Date;
 - (iv) close the Clean Seas Share Register at the Scheme Record Date to determine the identity of Scheme Shareholders and their entitlements to the Scheme Consideration; and
 - (v) subject to Yumbah satisfying its obligations under clause 4.3, execute proper instruments of transfer of the Scheme Shares on behalf of the Scheme Shareholders in favour of Yumbah and procure the registration in the Clean Seas Share Register of all transfers of Scheme Shares to Yumbah under those instruments on the Implementation Date.
- (t) **(Listing)** Maintain Clean Seas' admission to the official list of ASX and on the Euronext Growth Oslo list of OSE and the quotation of Clean Seas Shares on ASX and OSE up to and including the Implementation Date.

5.2 Appeal process

If the Court refuses to make any orders convening the Scheme Meeting or approving the Scheme:

- (a) Clean Seas and Yumbah must consult with each other in good faith as to whether to appeal the Court's decision; and

- (b) Clean Seas must appeal the Court's decision (unless the parties agree otherwise, or an independent senior counsel of the South Australia bar advises that, in their view, an appeal would have no reasonable prospect of success before the End Date).

5.3 Yumbah's obligations

Yumbah must take all steps reasonably necessary to assist Clean Seas to propose and implement the Scheme as soon as is reasonably practicable and, without limiting the foregoing, must use reasonable endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing each of the following.

- (a) **(Yumbah Information)** Prepare and provide to Clean Seas Yumbah Information for inclusion in the Scheme Booklet to comply with all applicable laws, including the Corporations Act, ASIC Regulatory Guide 60 and the ASX Listing Rules relevant to Yumbah Information and consult with Clean Seas as to the content and presentation of Yumbah Information in the Scheme Booklet, such consultation to include allowing Clean Seas a reasonable opportunity to review and make comments on successive drafts of Yumbah Information before lodgement of the Scheme Booklet with ASIC. Yumbah must consider in good faith any comments on drafts of Yumbah Information provided by or on behalf of Clean Seas.
- (b) **(Scheme Booklet and Court documents)** Promptly provide any assistance or information reasonably requested by Clean Seas in connection with preparation of the Scheme Booklet and any documents required to be filed with the Court in respect of the Scheme, promptly review the drafts of the Scheme Booklet prepared by Clean Seas and promptly provide any comments on those drafts in good faith.
- (c) **(Verification)** Undertake appropriate verification processes in relation to Yumbah Information and, after those processes have been completed, provide on or before the First Court Date an affidavit to the Court confirming the verification processes undertaken and their completion.
- (d) **(Independent Expert information)** Provide all assistance and information reasonably requested by Clean Seas or by the Independent Expert in connection with the preparation of the Independent Expert's Report.
- (e) **(Confirmation of Yumbah Information)** Promptly after Clean Seas requests that it does so and in any event before the Scheme Booklet is provided to ASIC pursuant to section 411(2) of the Corporations Act, procure that a meeting of the board of directors of Yumbah is held to consider Yumbah Information included in the Scheme Booklet as being in a form appropriate for provision to ASIC for review, and either:
 - (i) confirm in writing to Clean Seas that Yumbah Information in the form and context in which it appears in the Scheme Booklet is not misleading or deceptive in any material respect and does not contain any material omission; or
 - (ii) provide to Clean Seas the changes required to ensure that Yumbah Information in the form and context in which it appears in the Scheme Booklet is not misleading or deceptive in any material respect and does not contain any material omission.

- (f) **(Approval and consent to inclusion of Yumbah Information)** As soon as reasonably practicable after the conclusion of the review by ASIC of the Scheme Booklet:
- (i) procure that a meeting of the board of directors of Yumbah is held to consider Yumbah Information included in the Scheme Booklet as being in a form appropriate for despatch to Clean Seas Shareholders, subject to approval of the Court; and
 - (ii) confirm in writing to Clean Seas that Yumbah consents to the inclusion of Yumbah Information in the Scheme Booklet, in the form and context in which Yumbah Information appears.
- (g) **(Update Yumbah Information)** If at any time after the despatch of the Scheme Booklet, Yumbah becomes aware:
- (i) of new information which, were it known at the time of despatch, should have been included in any Yumbah Information included in that version of the Scheme Booklet; or
 - (ii) that any part of Yumbah Information included in that version of the Scheme Booklet is misleading or deceptive in any material respect (whether by omission or otherwise),
- it must advise Clean Seas so that Clean Seas can determine whether supplementary disclosure to Clean Seas Shareholders is required in accordance with (and subject to the terms of) clause 5.1(k).
- (h) **(Deed Poll)** At least one week prior to the First Court Date, enter into the Deed Poll and deliver it to Clean Seas.
- (i) **(Court representation)** Procure that it is represented by counsel at the Court hearings convened in relation to the Scheme, at which, through its counsel and, if requested by the Court, Yumbah will undertake to do all such things and take all such steps within its power as may be reasonably necessary in order to ensure the fulfilment of its obligations under this deed and the Scheme.
- (j) **(Scheme Consideration)** If the Scheme becomes Effective:
- (i) accept a transfer of the Scheme Shares;
 - (ii) execute instrument of transfer in respect of the Scheme Shares;
 - (iii) pay or provide the Scheme Consideration; and
 - (iv) register the transfer of Scheme Shares in the register of members of Yumbah;
- in the manner contemplated by clause 4.3 and the terms of the Scheme.
- (k) **(Promote Transaction)** Participate in efforts reasonably requested by Clean Seas to promote the merits of the Transaction and the Scheme Consideration, including, where requested by Clean Seas, meeting with key Clean Seas Shareholders.

5.4 Appointment of directors

On the Implementation Date, but subject to the Scheme Consideration having been paid by Yumbah in accordance with the Scheme and receipt by Clean Seas of signed consents to act, Clean Seas must:

- (a) take all actions necessary to appoint the persons nominated by Yumbah as new directors of Clean Seas and other members of the Clean Seas Group; and
- (b) procure that all directors on Clean Seas Board or the board of another member of the Clean Seas Group (other than the new directors of Clean Seas appointed pursuant to clause 5.4(a)), excluding Gary Higgins, resign from Clean Seas Board or such other board (as applicable).

5.5 Conduct of Court proceedings

- (a) Yumbah is entitled to separate representation at all Court proceedings affecting the Transaction.
- (b) Nothing in this deed gives Clean Seas or Yumbah any right or power to give undertakings to the Court for or on behalf of the other party without that other party's written consent.

6. Conduct of Business and Requests for Access

6.1 Conduct of Clean Seas business

Subject to clause 6.2, during the period from the date of this deed up to and including the Implementation Date, Clean Seas must, and must procure that each other member of the Clean Seas Group must:

- (ii) **(entry into material contracts)** enters into any contracts or commitments or any series of related contracts or commitments (other than under paragraph (iii) below or in relation to purchase orders issued in relation to the current feed supply contracts and on same terms in effect prior to the date of this deed) requiring expenditure or payments by Clean Seas Group in excess of \$300,000, other than any payment required by law;
- (iii) **(capital commitments)** enters into any agreement or contract which, if completed, would result in a member of the Clean Seas Group incurring capital expenditure of more than \$300,000 (individually or in the aggregate);
- (iv) **(termination or variation of contracts)** waives or adversely varies in a material respect any rights under any other contract to which it is party and which is material to Clean Seas Group as a whole;
- (v) **(financial indebtedness)** borrows any monies from a Third Party of an amount in excess of \$300,000 (individually or in the aggregate), excluding amounts drawn under any other facilities in place as at the date of this deed, and excluding any new facility entered into in relation to insurance premium funding;
- (vi) **(employment arrangements)** enters into (other than for the purposes of replacing an existing agreement or arrangement on a materially consistent basis) or materially alters, varies or amends any employment, consulting, severance or similar agreement or arrangement with one or more of its officers, directors or senior executives, including:
 - (A) paying or agreeing to pay, any bonus, retention bonus, benefit or similar to any such person in connection with the Scheme or Transaction; or
 - (B) accelerating or otherwise materially increasing compensation or benefits for any such person,

in each case other than pursuant to contractual arrangements in effect on the date of this deed, ordinary course increases in compensation or benefits consistent with past practice, or Clean Seas' policies and guidelines in effect on the date of this deed and which are contained in Clean Seas Due Diligence Material;

- (vii) **(third party defaults)** waives any material third party default under any material contract to which it is party where the financial impact of the waiver on Clean Seas Group will be in excess of \$300,000 (individually or in the aggregate);
- (viii) **(accounting policy)** changes any accounting policy applied by it to report its financial position other than any change in policy required by a change in law or accounting standards;
- (ix) **(legal proceedings)** commences or settles any legal proceeding, claim, investigation or arbitration where the claimed or settlement amount is in

excess of \$300,000 (individually or in the aggregate), other than with the prior written consent of Yumbah, or as claimant in respect of the collection of debts arising in the ordinary course of the Clean Seas Group's business;

- (x) **(tax claims)** settles or agreeing to compromise any material tax claims, liabilities or disputes or making any election in relation to tax, where the financial impact on Clean Seas Group of such settlement, compromise, concession or election will be in excess of \$300,000 (individually or in the aggregate);

6.2 Permitted conduct

Nothing in clause 6.1 restricts Clean Seas or any member of the Clean Seas Group from taking any action:

- (a) required or expressly permitted by this deed or the Scheme;
- (b) which is undertaken, in good faith, and is a reasonable response to any Competing Proposal as permitted under clause 11;
- (c) required by any applicable law or regulation, or by an Order; or
- (d) agreed to in writing by Yumbah.

6.3 Access to information and co operation

- (a) **(Provision of access and information)** During the period from the date of this deed up to and including the Implementation Date, Clean Seas must, and must procure each of its Subsidiaries to, respond to reasonable requests from Yumbah and its Representatives for information concerning Clean Seas Group's businesses, financial position, operations and affairs as soon as reasonably practicable after such requests are made, and give Yumbah and its Representatives reasonable access to Clean Seas' senior executive team and records, and otherwise provide reasonable co-operation to Yumbah and its Representatives, in each case for the purposes of:
 - (i) the implementation of the Scheme;
 - (ii) integration planning prior to implementation of the Scheme which, for the avoidance of doubt, does not include ongoing due diligence on Clean Seas Group; or
 - (iii) any other purpose that is agreed in writing between the parties.
- (b) **(Limits on Clean Seas obligations)** The obligations in clauses 6.3(a) and 6.4 do not require Clean Seas to:

- (i) require a member of the Clean Seas Group to take any action that would reasonably be expected to conflict with or violate the entity's constituent documents or any law; or
 - (ii) require a member of the Clean Seas Group to take any action that would breach an obligation to any person (including any confidentiality obligations) or prejudice its relationship with Government Agencies, ratings agencies, customers, suppliers, licensors, licensees and others having business dealings with it.
- (c) The parties acknowledge that all information that is provided pursuant to this clause 6.3 will be provided subject to the terms of the Confidentiality Deed.

6.4 Third Party Consents

As soon as practicable after the date of this deed, Clean Seas and Yumbah must use reasonable endeavours to identify any change of control provisions or unilateral termination rights in any material contract to which a member of the Clean Seas Group is a party that may be triggered or exercised by the implementation of the Transaction. In respect of those contracts:

- (a) Clean Seas and Yumbah must use reasonable endeavours to agree a proposed course of action to obtain any consents or confirmations required (which, among other things, will have due regard to applicable legal restrictions) and then, if agreed between Clean Seas and Yumbah as part of the agreed course of action, Clean Seas will initiate contact with the relevant counterparties to request that they provide any consents or confirmations required or appropriate. Yumbah must not contact any counterparties without Clean Seas present or without Clean Seas' prior written consent;
- (b) Clean Seas must cooperate with, and provide reasonable assistance to, Yumbah to obtain such consents or confirmations as expeditiously as possible, including by promptly providing any information reasonably required by counterparties (but nothing in this clause 6.4 requires Clean Seas or Yumbah to incur material expense). A failure by a member of the Clean Seas Group to obtain any required consents or confirmations, or the exercise of a termination right by the relevant counterparty, will not constitute a breach of this deed by Clean Seas and, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this deed; and
- (c) Yumbah must take all action necessary to comply with any requirements of the counterparties that are reasonably required to obtain the relevant consent or confirmation, including providing any information required and entering into parent guarantees or such other forms of guarantee or security as counterparties may reasonably require and make officers and employees available, where necessary to meet with counterparties to deal with any issues arising in relation to the obtaining of the relevant consent or confirmation.

6.5 Existing financing arrangements

- (a) During the period from the date of this deed up to and including the Implementation Date, Clean Seas must provide (and must use reasonable endeavours to procure that each member of the Clean Seas Group provide) reasonable assistance requested by Yumbah in connection with the Clean Seas Financing:

- (i) liaising with its relevant creditors under the financing arrangement with Clean Seas Group member to obtain any information on any of the Clean Seas Group member's Financial Indebtedness or Security Interests granted to them; and
 - (ii) providing Yumbah with information reasonably requested by them in relation to use of existing cash reserves of Clean Seas or Clean Seas Group.
- (b) Between the date of this deed and the Implementation Date, Clean Seas must promptly notify Yumbah if:
 - (i) it requests or grants a waiver or consent in respect of a material provision of the Clean Seas Financing, with reasonable detail of the reason for the request;
 - (ii) it becomes aware of the occurrence of a Clean Seas Financing Default, together with reasonable information in relation to Clean Seas Financing Default;
 - (iii) Clean Seas or a member of the Clean Seas Group enters into any guarantee or indemnity on behalf of any person or provides security for the obligations of any person, except for another member of the Clean Seas Group or in the ordinary course of business and consistent with past practice.
- (c) Clean Seas must consult in good faith with Yumbah after the date on which a notice is given under clause 6.5(b) to consider and determine reasonable steps that can be taken to mitigate any negative impact on implementation of the Transaction and to avoid, remedy or cure (as the case may be) the relevant Clean Seas Financing Default.

6.6 Directors' and officers' insurance and indemnities

- (a) Subject to the Scheme becoming Effective and implementation of the Transaction occurring, Yumbah undertakes in favour of each member of the Clean Seas Group and each other person who is a director or officer of Clean Seas or of a Subsidiary of Clean Seas that it will:
 - (i) subject to clause 6.6(e), for a period of seven years from the Implementation Date, ensure that the constitutions of Clean Seas and each other member of the Clean Seas Group continue to contain such rules as are contained in those constitutions at the date of this deed that provide for each company to indemnify each of its current and previous directors and officers against any liability incurred by that person in their capacity as a director or officer of the company to any person other than a member of the Clean Seas Group; and
 - (ii) procure that each member of the Clean Seas Group complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover obtained as contemplated under clause 6.6(b) for such directors and officers is maintained, for a period of seven years from the retirement date of each director and officer.
- (b) Yumbah acknowledges that, notwithstanding any other provision of this deed, Clean Seas may, prior to the Implementation Date, enter into arrangements to

secure directors' and officers' run-off insurance for up to such seven year period, and that any actions to facilitate that insurance or in connection therewith will not be a Clean Seas Prescribed Occurrence or breach any provision of this deed.

- (c) The undertakings contained in clause 6.6(a) are subject to any Corporations Act restriction and will be read down accordingly.
- (d) Clean Seas receives and holds the benefit of this clause 6.5, to the extent it relates to the other Clean Seas Parties, as trustee for them.
- (e) The undertakings contained in clause 6.6(a) are given until the earlier of the end of the relevant period specified in clause 6.6(a) or the relevant member of the Clean Seas Group ceasing to be part of the Yumbah Group.

7. Clean Seas Board Recommendation

7.1 Recommendation and Voting Intention Statement

Subject to clauses 7.2 and 7.3, Clean Seas must use reasonable endeavours to ensure that:

- (a) Clean Seas Board unanimously recommends that Clean Seas Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date (including in any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders) (the **Recommendation**); and
- (b) the Scheme Booklet includes a statement by Clean Seas Board to that effect, and to the effect that each Director will, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date (including in any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders), vote (or procure the voting of) all Clean Seas Shares held or controlled by them at the time of the Scheme Meeting in favour of the Scheme (the **Voting Intention Statement**).

7.2 Withdrawal of Recommendation or Voting Intention Statement

- (a) The obligations in clause 7.1 will cease to apply:
 - (i) if the Independent Expert opines in the Independent Expert's Report (or any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is not in the best interests of Clean Seas Shareholders (other than Excluded Shareholders);
 - (ii) if Clean Seas receives a Competing Proposal that constitutes a Superior Proposal;
 - (iii) in respect of the Recommendation of a Clean Seas Director, if a Court, ASIC, the Takeovers Panel or other Government Agency requires that Clean Seas Director abstain from making a Recommendation as a result of that Clean Seas Director's interest in the Scheme; or

- (iv) if any event in clause 14.1(a) occurs.
- (b) Clean Seas will not be in breach of this deed, and will not be liable to Yumbah under this deed (except for any liability to pay Clean Seas Break Fee if clause 12.2 applies), solely as a result of:
 - (i) a director of Clean Seas publicly (or otherwise) failing to make, or adversely changing, withdrawing, adversely modifying or adversely qualifying, a Recommendation or Voting Intention Statement as permitted by this clause 7.2; or
 - (ii) the Clean Seas Board stating that it makes no recommendation in relation to the Scrip Consideration.

7.3 Qualification of Recommendation or Voting Intention Statement

For the purposes of clauses 7.1, 12.2 and 14, customary qualifications and explanations contained in:

- (a) the Scheme Booklet or any public announcement in relation to a Recommendation or Voting Intention Statement to the effect that the Recommendation or Voting Intention Statement is made:
 - (i) in the absence of a Superior Proposal;
 - (ii) in respect of any public announcement issued before the issue of the Scheme Booklet, 'subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders)'; or
 - (iii) in respect of the Scheme Booklet or any public announcements issued at the time of or after the issue of the Scheme Booklet, 'subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders)';
- (b) any public announcement or other statement made by Clean Seas, Clean Seas Board or any director of Clean Seas to the effect that no action should be taken by Clean Seas Shareholders pending the assessment of a Competing Proposal by Clean Seas Board; or
- (c) any public announcement or other statement made by Clean Seas, Clean Seas Board or any director of Clean Seas to the effect the Clean Seas Board or a director, 'makes no recommendation in relation to the Scrip Consideration',

will not be regarded as a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a Recommendation or Voting Intention Statement, or an endorsement of a Competing Proposal, and will not contravene this clause 7 or trigger clause 12.2 or clause 14.

7.4 Confirmation

On the date of this deed, Clean Seas represents and warrants to Yumbah that, on or before the date of this deed, each Clean Seas Director has confirmed that:

- (a) their recommendation in respect of the Scheme is that Clean Seas Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date (including in any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders); and
- (b) they will, in the absence of a Superior Proposal and subject to the Independent Expert opining at all times prior to the Second Court Date (including in any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is in the best interests of Clean Seas Shareholders (other than Excluded Shareholders), vote (or procure the voting of) all Clean Seas Shares held or controlled by them at the time of the Scheme Meeting in favour of the Scheme,

and, since giving such confirmation, each such Clean Seas Director has not withdrawn, adversely changed, adversely modified or adversely qualified such confirmation or advised Clean Seas Board that they intend to do so.

8. Representations and warranties

8.1 Yumbah Representations and Warranties

- (a) Yumbah represents and warrants to Clean Seas (in its own right and separately as trustee or nominee for each of the other Clean Seas Parties) that each Yumbah Representation and Warranty is true and correct.
- (b) Clean Seas acknowledges and agrees that Yumbah Representations and Warranties and the indemnities in this deed are made or given by Yumbah subject to any facts, matters, circumstances, events and acts that:

 - (iii) Fairly Disclosed to the public within 2 years prior to the date of this deed or which would be disclosed in a search of ASIC records or the PPS Register or the public records maintained by any court in Australia in relation to Yumbah or a Subsidiary of Yumbah (as relevant) as at the date of this deed.
- (c) Yumbah indemnifies Clean Seas against, and must pay Clean Seas on demand the amount of, any losses, liabilities, damages, costs, charges or expenses suffered or incurred by any member of the Clean Seas Group as a result of, or in connection with, a breach of a Yumbah Representation and Warranty.

 - (iii) Fairly Disclosed to ASX within 2 years prior to the date of this deed or which would be disclosed in a search of ASIC records or the PPS Register or the public records maintained by any court in Australia in relation to Clean Seas or a Subsidiary of Clean Seas (as relevant) as at the date of this deed;
 - (iv) are required, contemplated by or expressly permitted by this deed or the Scheme or any transaction contemplated herein; or
 - (v) are within the actual knowledge of Yumbah as at the date of this deed.
- (c) Clean Seas indemnifies Yumbah against, and must pay Yumbah on demand the amount of, any losses, liabilities, damages, costs, charges or expenses suffered or incurred by any member of the Yumbah Group as a result of, or in connection with, a breach of a Clean Seas Representation and Warranty.

8.3 Timing of representations and warranties

Unless expressed to be given at a particular time or during a particular period (in which case it is given at that time or during that period), each Yumbah Representation and Warranty and each Clean Seas Representation and Warranty is given:

- (a) at the date of this deed; and
- (b) at 8.00am on the Second Court Date.

8.4 Survival of representations

Each Yumbah Representation and Warranty and Clean Seas Representation and Warranty:

- (a) is severable; and

8.5 No representation or reliance

- (a) Each party acknowledges that no party (nor any person acting on its behalf) has made any representation or other inducement to it to enter into this deed, except for representations or inducements expressly set out in this deed and (to the maximum extent permitted by law) all other representations, warranties and conditions implied by statute or otherwise in relation to any matter relating to this deed, the circumstances surrounding the parties' entry into it and the transactions contemplated by it are expressly excluded.
- (b) Each party acknowledges and confirms that it does not enter into this deed in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement expressly set out in this deed.

9. Releases

9.1 Clean Seas Parties

(a) Without limiting Yumbah's rights under clause 12, Yumbah releases its rights against, and agrees with Clean Seas that it will not make a Claim against, any Clean Seas Party (other than Clean Seas or its Related Body Corporate) in connection with:

- (i) any breach of any representation, covenant and warranty of Clean Seas in this deed; or
- (ii) any disclosure made (at any time) by any Clean Seas Party that contains any statement which is false or misleading whether in content or by omission,

except to the extent the relevant Clean Seas Party has acted fraudulently.

(b) This clause 9.1 is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly. Clean Seas receives and holds the benefit of this clause 9.1 as trustee for each other Clean Seas Party.

9.2 Yumbah Parties

(a) Clean Seas releases its rights against, and agrees with Yumbah that it will not make a Claim against, any Yumbah Party (other than Yumbah or its Related Body Corporate) in connection with:

- (i) any breach of any representation, covenant and warranty of Yumbah in this deed; or

except to the extent that the relevant Yumbah Party has acted fraudulently.

(b) This clause 9.2 is subject to any Corporations Act restriction and will (if and to the extent required) be read down accordingly. Yumbah receives and holds the benefit of this clause 9.2 as trustee for each other Yumbah Party.

10. Public Announcements

10.1 Announcement of the Transaction

Immediately after the execution of this deed, Clean Seas and Yumbah must each issue a public announcement in a form previously agreed to in writing between the parties. Subject always to the qualifications and limitations in clause 7 and elsewhere in this deed, Clean Seas announcement must include the Recommendation and Voting Intention Statement contemplated under clause 7.1.

10.2 Other public announcements

Prior to making any public announcement or disclosure of or in relation to the Transaction or any other transaction the subject of this deed or the Scheme, each party must, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form

and content of that announcement or disclosure. For the avoidance of doubt, this clause 10.2 does not apply to any announcement or disclosure relating to a Competing Proposal.

11. Exclusivity

11.1 No current discussions regarding a Competing Proposal

Clean Seas represents and warrants that, as at the date of this deed, it is not in negotiations or discussions in respect of any Competing Proposal with any Third Party, and has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal.

11.2 No-shop, no talk and no due diligence

- (a) During the Exclusivity Period, Clean Seas agrees it will not (and will procure that each of its Related Entities, and that each of its and its Related Entities' Representatives do not) directly or indirectly:
 - (i) solicit, invite, encourage or initiate (including by the provision of non-public information to any Third Party) any actual, proposed or potential Competing Proposal or any negotiations, discussions or communication with any Third Party in relation to, or that may reasonably be expected to encourage or lead to, the making of, an actual, proposed or potential Competing Proposal, or communicate to any person an intention to do anything referred to in this clause 11.2(a)(i);
 - (ii) subject to clause 11.2(b):
 - (A) enter into, continue or participate in negotiations or discussions with, or enter into any agreement or understanding with, any Third Party in relation to, or that may reasonably be expected to lead to, an actual, proposed or potential Competing Proposal;
 - (B) communicate to any person an intention to do anything referred to in this clause 11.2(a)(ii); or
 - (iii) subject to clause 11.2(b), make available to any Third Party or permit any Third Party to receive any non-public information relating to Clean Seas or any of its Related Entities in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of an actual, proposed or potential Competing Proposal.
- (b) Each of clauses 11.2(a)(i), 11.2(a)(iii) and 11.3(b) do not apply to the extent that they restrict Clean Seas or any of its Representatives from taking or refraining from taking any action with respect to a genuine actual, proposed or potential Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 11.2(a)(i)), provided that the Clean Seas Board has first determined, in good faith:
 - (i) after consultation with Clean Seas' Advisers, that such actual, proposed or potential Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; and
 - (ii) after receiving written legal advice from its Advisers, that compliance with clauses 11.2(a)(ii) or 11.2(a)(iii), as the case may be, would, or would be

reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any member of the Clean Seas Board.

11.3 Notification by Clean Seas

- (a) During the Exclusivity Period, Clean Seas must notify Yumbah of any approach, inquiry or request to initiate any negotiations or discussions in respect of any Competing Proposal which is received by Clean Seas in writing, whether direct, indirect, solicited or unsolicited, within two Business Days of becoming aware of such matter.
- (b) Subject to clause 11.2(b), a notification given under clause 11.3(a) must include a summary of the material terms and conditions of the Competing Proposal (if any) and the identity of the Third Party making or proposing the Competing Proposal.

11.4 Compliance with law

This clause 11 imposes obligations on Clean Seas only to the extent that the performance of all or part of those obligations:

- (a) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel;
- (b) does not require any member of Clean Seas Board to take or fail to take any action that would, or would reasonably be likely to, constitute a breach of their fiduciary or statutory duties; or
- (c) is not determined to be unlawful by a court (including by virtue of it being a breach of Clean Seas Board's fiduciary or statutory duties).

11.5 Yumbah matching right

- (a) During the Exclusivity Period, Clean Seas must not, and must procure that each member of the Clean Seas Group does not, enter into any definitive agreement pursuant to which Clean Seas or another member of the Clean Seas Group agrees to undertake or implement or otherwise give effect to an actual, proposed or potential Competing Proposal (and, for the avoidance of doubt, this does not include Clean Seas entering into a confidentiality agreement or like agreement in relation to an actual, proposed or potential Competing Proposal that only provides for the provision of information, conduct of due diligence and other matters commonly found in a confidentiality agreement), and must use its reasonable endeavours to ensure that none of its directors:
 - (i) withdraws or adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Clean Seas Shareholders vote in favour of the Scheme; or
 - (ii) supports or endorses a Competing Proposal or recommends that Clean Seas Shareholders accept or vote in favour of a Competing Proposal, unless:
 - (A) Clean Seas Board acting in good faith and in order to satisfy what Clean Seas Board considers to be its statutory or fiduciary duties (having received written legal advice from its Advisers) determines

that the actual, proposed or potential Competing Proposal is, would be or would be reasonably likely to be, a Superior Proposal;

- (B) Clean Seas has provided Yumbah with the material details of the actual, proposed or potential Competing Proposal, which will include the information referred to in clause 11.3;
 - (C) Clean Seas has given Yumbah at least five Business Days after the date of the provision of the information referred to in clause 11.5(a)(ii)(B) to provide a matching or superior proposal (which may include amendments to the terms of the Scheme) to the terms of the actual, proposed or potential Competing Proposal (**Yumbah Counterproposal**); and
 - (D) Yumbah has not provided to Clean Seas a Yumbah Counterproposal by the expiry of the 5 Business Day period in clause 11.5(a)(ii)(C).
- (b) If Yumbah provides a Yumbah Counterproposal to Clean Seas by the expiry of the 5 Business Day period in clause 11.5(a)(ii)(C), then Clean Seas must use reasonable endeavours to procure that Clean Seas Board considers Yumbah Counterproposal and if Clean Seas Board determines that Yumbah Counterproposal would provide a superior outcome for Clean Seas Shareholders (other than Excluded Shareholders) as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of Yumbah Counterproposal, then Clean Seas and Yumbah must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to give effect to and implement Yumbah Counterproposal, in each case as soon as reasonably practicable. If the determination is that Yumbah Counterproposal would not provide an equivalent or more favourable outcome to Clean Seas Shareholders (other than Excluded Shareholders) as a whole compared with the Competing Proposal for any reason other than a higher all cash consideration, then Clean Seas Board must promptly provide Yumbah with reasons for that determination and Yumbah may take steps to amend Yumbah Counterproposal to address the reasons given within a further period of 2 Business Days. If Yumbah does so to Clean Seas' satisfaction, then the process in this clause applies to that amended Yumbah Counterproposal.
- (c) For the purposes of this clause 11.5, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new actual, proposed or potential Competing Proposal, and the procedures set out in this clause 11.5 must again be followed prior to any member of the Clean Seas Group entering into any definitive agreement of the type referred to in the first paragraph of clause 11.5(a)) in respect of such actual, proposed or potential Competing Proposal.
- (d) Despite any other provision in this deed, any public announcement or other statement by Clean Seas, Clean Seas Board or any Clean Seas Director to the effect that:
- (i) Clean Seas Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 11.5; or
 - (ii) Clean Seas Shareholders should take no action pending the completion of the matching right process set out in this clause 11.5,

does not of itself:

- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a recommendation that Clean Seas Shareholders vote in favour of the Scheme or an endorsement of a Competing Proposal;
- (iv) contravene clause 7.1 or any other provision of this deed;
- (v) give rise to an obligation to pay Clean Seas Break Fee under clause 12; or
- (vi) give rise to a termination right under clause 14 or any other provision of this deed.

11.6 Normal provision of information

Nothing in this clause 11 prevents a party from:

- (a) providing information to its Representatives or financiers;
- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules and the OSE Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course in relation to Clean Seas Group.

12. Clean Seas Break Fee

12.1 Background

This clause 12 has been agreed to in circumstances where:

- (a) Clean Seas acknowledges that, if Yumbah enters into this deed and the Scheme is subsequently not implemented, Yumbah will have incurred significant costs, including significant opportunity costs;
- (b) Yumbah requested provision be made for the relevant payment outlined in this clause 12, without which it would not have entered into this deed;
- (c) Clean Seas Board believes that it is appropriate to agree to the payment referred to in this clause 12 to secure Yumbah's entry into this deed; and
- (d) Clean Seas has received separate legal advice in relation to this deed and the operation of this clause 12.

The parties acknowledge and agree that the costs actually incurred by Yumbah as referred to in clause 12.1(a) will be of such nature that they cannot be accurately ascertained, but that Clean Seas Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by Yumbah.

12.2 Payment of Clean Seas Break Fee

Subject to clauses 12.3 and 12.6, Clean Seas must pay Yumbah the Clean Seas Break Fee if:

- (a) during the Exclusivity Period, any of Clean Seas Directors make a public statement:
 - (i) withdrawing or adversely changing or adversely modifying their Recommendation or Voting Intention Statement; or
 - (ii) supporting or endorsing a Competing Proposal,in each case provided that Yumbah has terminated this deed in accordance with clause 14.1(b), and unless:
 - (iii) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Clean Seas Shareholders (other than Excluded Shareholders) (except where the sole or dominant reason for that conclusion is the existence, announcement or publication of a Competing Proposal (including a Superior Proposal));
 - (iv) the withdrawal or adverse change or adverse modification is permitted by clause 7.2(a)(iii) or clause 7.3; or
 - (v) Clean Seas is (or would have been) entitled to terminate this deed pursuant to clause 14.1(a) or clause 14.2;
- (b) during the Exclusivity Period, a Competing Proposal is announced by a Third Party and, within six months after that occurring, the Third Party or an Associate of the Third Party:
 - (i) completes in all material respects a transaction of the kind referred to in paragraphs (b), (c) or (d) of the definition of Competing Proposal; or
 - (ii) has a Relevant Interest in at least 50% of Clean Seas Shares under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act) Clean Seas; or
- (c) Yumbah validly terminates this deed under clause 14.1(a)(i) and the Transaction does not complete.

12.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 12.2, no amount is payable under that clause if the Scheme becomes Effective.
- (b) Clean Seas can only ever be liable to pay Clean Seas Break Fee once.

12.4 Timing of payment

- (a) If Clean Seas Break Fee is payable under this clause 12, Clean Seas must pay Clean Seas Break Fee without set-off or withholding within ten Business Days of receipt of a demand for payment from Yumbah.
- (b) A demand by Yumbah for payment of Clean Seas Break Fee under clause 12.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Yumbah into which Clean Seas is to pay Clean Seas Break Fee.

12.5 Nature of payment

The amount payable by Clean Seas to Yumbah under clause 12.2 is an amount to compensate Yumbah for:

- (a) advisory costs (including costs of Advisers other than success fees);
- (b) costs of management and directors' time;
- (c) out-of-pocket expenses; and
- (d) opportunity costs incurred in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by Yumbah.

12.6 Compliance with law

- (a) This clause 12 imposes obligations on Clean Seas only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel, including in relation to the amount of the break fee; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of Clean Seas Board's fiduciary or statutory duties),subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 12.6(a).

12.7 Limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clause 12.7(c)), the maximum aggregate amount that Clean Seas (and Clean Seas Group) is required to pay to Yumbah in relation to or under this deed (including as a result of any breach of this deed by Clean Seas) is the amount of Clean Seas Break Fee and in no event will the aggregate liability of Clean Seas (and Clean Seas Group) under this deed or in connection with the Transaction or the Scheme (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) exceed the amount of Clean Seas Break Fee.
- (b) Where Clean Seas Break Fee is paid by Clean Seas to Yumbah in accordance with this deed (or Clean Seas Break Fee would be payable if Yumbah made a written demand under clause 12.4):

 - (ii) Clean Seas has no further liability to Yumbah (or any member of the Yumbah Group) under or in connection with this deed, the Transaction or the Scheme (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transaction or the Scheme).
- (c) Clauses 12.7(a) and 12.7(b) do not apply in respect of a wilful or intentional breach of this deed by Clean Seas. Nothing in this deed, including this clause 12, will limit Yumbah's right to recover damages (whether on its own benefit or on behalf of a person for whom Yumbah holds rights on trust under this deed) for any wilful or intentional breach of any provision of this deed by Clean Seas in excess of an amount equal to Clean Seas Break Fee, or otherwise limit any other remedy available to Yumbah under this deed.
- (d) Clean Seas acknowledges and agrees that Yumbah is entitled to seek specific performance or injunctive relief as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this deed, and that damages or payment of Clean Seas Break Fee may not be an adequate remedy for Yumbah for any breach of this deed.

13. Yumbah Break Fee

13.1 Background

This clause 13 has been agreed to in circumstances where:

- (a) Yumbah believes the implementation of the Scheme will provide significant benefits to it and its shareholders, and acknowledges that, if Clean Seas enters into this deed and the Scheme is subsequently not implemented, Clean Seas will have incurred significant costs, including significant opportunity costs;
- (b) Clean Seas requested provision be made for the relevant payment outlined in this clause 13, without which it would not have entered into this deed;

13.2 Payment of Yumbah Break Fee

- (a) Yumbah must pay Clean Seas Yumbah Break Fee (as applicable) if Clean Seas terminates this deed under clause 14.1(a)(i).
- (b) Notwithstanding the occurrence of any event under clause 13.2(a), no amount is payable under that clause if the Scheme becomes Effective.

14. Termination

14.1 General rights

- (a) Either party may terminate this deed by written notice to the other at any time before 8.00am on the Second Court Date:
 - (i) if:
 - (A) either:
 - (1) the other party is in material breach of any provision of this deed (other than a Yumbah Representation and Warranty or a Clean Seas Representation and Warranty not being true and correct); or
 - (2) a representation and warranty given by the other party (being Yumbah Representations and Warranties where the "other party" is Yumbah, and being Clean Seas Representations and Warranties where the "other party" is Clean Seas) is not true and correct, where that breach of representation and warranty is material in the context of the Transaction as a whole;
 - (A) the party wishing to terminate has given written notice to the other setting out the relevant circumstances and stating an intention to terminate this deed; and

- (c) Without limiting Clean Seas' obligations under clause 7, Clean Seas may terminate this deed by written notice to Yumbah at any time before 8.00am on the Second Court Date if a majority of Clean Seas Directors withdraw their recommendation that Clean Seas Shareholders vote in favour of the Scheme at the Scheme Meeting, and, if required to pay Clean Seas Break Fee as a result of such withdrawal, Clean Seas has paid Yumbah Clean Seas Break Fee.

14.2 Automatic termination

Without limiting any other term of this deed (but subject to the determination of any application to the Court under clause 3.6), this deed will terminate automatically if, at the Scheme Meeting, Clean Seas Shareholders do not pass the resolution to approve the Scheme in accordance with the requirements of section 411(4)(a)(ii) of the Corporations Act.

14.3 Effect of termination

If this deed is terminated by a party under clause 3.7(b) or 14.1 or pursuant to clause 14.2, this deed will be of no force or effect, without any liability or obligation on the part of any party, other than in relation to rights and obligations that accrued before termination and the provisions of this clause 14 and of clauses 1.1, 8.4, 9, 10, 12, 13, 15, 16, 17 and 18, which will remain in force after the termination.

14.4 Termination by written agreement

The parties may terminate this deed by another deed between them.

If GST is or becomes payable, or notionally payable, on a supply made under or in connection with this deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**) as calculated by the party making the supply (the **Supplier**) in accordance with the GST Law. Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time and in the same manner that the other consideration for the supply is provided. This clause 16 does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

16.2 Liability net of GST

Notwithstanding any other provision in this deed, where any indemnity, reimbursement or similar payment under this deed is based on any cost, expense or other liability incurred by a party, it may be reduced by any input tax credit entitlement, or notional input tax credit entitlement, of that party (or its representative member) in relation to the relevant cost, expense or other liability.

16.3 Adjustment events

If an adjustment event occurs in relation to a supply under or in connection with this deed, the GST Amount will be recalculated in accordance with the GST Law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier

This deed may be amended only by another deed executed by or on behalf of each of the parties.

18.3 Costs and stamp duty

Each party must bear its own costs arising out of the negotiation, preparation and execution of this deed. All stamp duty (including fines, penalties and interest) payable on or in connection with this deed and any instrument executed under or any transaction evidenced by this deed must be borne by Yumbah.

18.4 Third party beneficiary

Clean Seas receives and holds the benefit of Yumbah's obligations under this deed both for itself and as trustee for Clean Seas Shareholders from time to time, such that Clean Seas may recover damages against Yumbah for any breach of this deed on its own behalf and on behalf of Clean Seas Shareholders from time to time.

18.5 Execution and Counterparts

This deed may be executed electronically and may be executed in counterparts.

Where a person signs this deed electronically, the electronic signature is an effective binding signature, and the electronic document containing it can be an effective electronic counterpart of this deed. In addition, the person intends that any print out of the signature by a party, first made by that party will also constitute an effective original signature, so that the print out will also be an executed original counterpart of this deed.

18.6 Entire agreement

This deed, the Confidentiality Deed and any other documents specified by the parties for the purposes of this clause 18.5 contain the entire agreement between the parties with respect to their subject matter. This deed, the Confidentiality Deed and any other documents specified by the parties for the purposes of this clause 18.5 set out the only conduct relied on by the parties and supersede all earlier conduct and prior agreements and understandings between the parties in connection with their subject matter.

18.7 Further assurances

Each party must do anything necessary (including executing agreements and documents) to give full effect to this deed and the transactions contemplated by it.

18.8 Governing law and jurisdiction

This deed is governed by the laws of South Australia. In relation to it and related non contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.

18.9 Process agent

Yumbah appoints K&L Gates of 25/525 Collins St, Melbourne VIC 3000 as its agent to accept service of process and other documents in any action or proceedings relating to any matter arising out of this deed and:

- (a) must ensure that at all times, the agent remains present and authorised to accept service of process and other documents on its behalf and, if there is a replacement, it must promptly notify Clean Seas; and
- (b) agrees that service of any process or documents on the agent (or any replacement), at the address and marked to the attention of the individuals specified in clause 17 (or any alternative details nominated by Yumbah by Notice) will be sufficient to constitute service on it.

For the avoidance of doubt, nothing in this deed will affect the rights of any party to serve process in any other manner permitted by law.

18.10 No merger

The rights and obligations of the parties will not merge on the completion of any transaction contemplated by this deed. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing a transaction.

18.11 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

18.12 Severability of provisions

Any provision of this deed that is prohibited or unenforceable in any jurisdiction is ineffective as to that jurisdiction to the extent of the prohibition or unenforceability. That does not invalidate the remaining provisions of this deed nor affect the validity or enforceability of that provision in any other jurisdiction.

- (a) Clean Seas must use its best endeavours to ensure that the ASX suspend trading of Clean Seas Shares on the ASX with effect from the close of business on the Effective Date, if Clean Seas Shares are not already suspended from trading on the ASX at that time. Furthermore, Clean Seas must procure that the Effective Date occurs outside the trading hours of the OSE or, if the Scheme becomes Effective within the trading hours of the OSE, request that the OSE imposes a trading suspension in Clean Seas Shares during the trading day represented by the Effective Date.
- (b) On a date after the Implementation Date to be determined by Yumbah, Clean Seas must apply to ASX and OSE for termination of official quotation of Clean Seas Shares on the ASX and OSE and the removal of Clean Seas from the official list of the ASX and from the Euronext Growth Oslo list of the OSE.
