A further restriction also applies to Key Management Personnel and their closely related parties voting undirected proxies on this resolution – see Restriction on KMPs voting undirected proxies below.

 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

6. Restriction on KMPs voting undirected proxies:

A vote must not be cast as proxy on Resolutions 1, 4 or 5 by a member of the Key Management Personnel (as defined by the Corporations Act) or a closely related party of Key Management Personnel.

However, a person described above (a “**Restricted Voter**”) may cast a vote on this Resolution as a proxy if:

- (a) The Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the Resolution; or
- (b) The Chairman is the Restricted Voter and the written appointment of the Chairman as proxy does not specify the way the proxy is to vote on the relevant Resolution and expressly authorises the Chairman to exercise the proxy even if the relevant Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

If you appoint the Chairman as your proxy and you do not direct the Chairman how to vote, you will be expressly authorising the Chairman to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company

7. Enquiries

Shareholders are invited to contact the Company Secretary on (03) 9692 7222 if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

Receipt and Consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 31 December 2024 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website: <https://demembranes.com/investors/> via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Voting Exclusions

A voting exclusion statement is set out on Note 5 of this Notice.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Board encourage all eligible shareholders to cast their votes in favour of Resolution 1. The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 1.

Resolution 2: Re-election of Bernd Dautel as a director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting one-third, or the next number nearest one-third of the Directors, and any other director who has held office for 3 years or more, shall retire from office. The Constitution also provides that such Directors are eligible for re-election at the meeting. Mr Bernd Dautel retires by rotation and being eligible, offers himself for re-election.

Mr. Dautel has been a Venture Capital expert with New Asia Investments Pte Ltd in Singapore since 2012. In this function, he managed investments into companies from the chemicals and electronics sectors. Prior to this, Mr. Dautel was the Managing Director Asia/Pacific for Wieland Metals, a large German manufacturer of semi-finished copper goods. He built the company's business in the Asia/Pacific region from the early stage to approximately 400 million in annual revenues over 20 years, with operations in Singapore, China, India and many other countries in the Asia/Pacific region.

He holds a Master of Chemical Engineering from the University of Karlsruhe, Germany.

The Board does not consider Mr Dautel to be an independent director, as he is a director of a substantial shareholder of the Company.

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Dautel abstaining) recommends that shareholders vote in favour of the election of Mr Dautel as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolution 3: Re-election of Michael Edwards as a director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting one-third, or the next number nearest one-third of the Directors, and any other director who has held office for 3 years or more, shall retire from office. The Constitution also provides that such Directors are eligible for re-election at the meeting. Mr Michael Edwards retires by rotation and being eligible, offers himself for re-election.

Mr Edwards is a Geologist and Economist with over 25 years of experience in senior management roles in both the private and public sectors. He worked for Barclays Australia in their Corporate Finance department before working as an Exploration and Mine Geologist with several companies including Gold Mines of Australia, Eagle Mining and International Mineral Resources.

Mr Edwards has worked as a consultant across a range of industries both as a Geologist and Corporate Advisor, predominantly in Australia and Africa. He has been involved in numerous ASX listings, raising seed and IPO capital as well as being intimately involved in several reverse take overs across a range of commodities and industries. Mr Edwards also acts as Non-Executive Chairman of ASX listed Somerset Minerals Limited (ASX:SMM) and as Non-Executive Director of Metal Hawk Ltd (ASX:MHK).

He holds a Bachelor of Business (Economics and Finance) from Curtin University of Technology and a Bachelor of Science (Geology) from the University of Western Australia.

The Board considers Mr Edwards to be an independent director

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Edwards abstaining) recommends that shareholders vote in favour of the election of Mr Edwards as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolution 4: Approval to grant 2,000,000 Performance Rights to Mr Andreas Kroell

Background

Resolution 4 of this Notice seeks Shareholder approval to grant 2,000,000 Performance Rights to Mr Andreas Kroell as his FY25 long term incentive on the terms described below and in accordance with the Company's Incentive Option Plan (the Plan), as well as approval for the issue of any Shares on vesting and exercise of those Performance Rights. The full terms of the Performance rights to be issued are disclosed in the Annexure A.

These Performance Rights are proposed to be granted to Mr Kroell, in order to further align his interests with the interests of Shareholders.

As the Performance Rights will form part of Mr Kroell's remuneration, they will be granted for no cash payment and there will be no amount payable on vesting. Each vested Performance Right entitles Mr Kroell to be issued one ordinary fully paid share in the Company, or equivalent cash payment, on vesting. Prior to vesting, Performance Rights do not entitle Mr Kroell to any dividends or voting rights.

The Board believes that in order to compensate Mr Kroell in line with current market practices and remunerate him appropriately given the rapid growth of the Company, Performance Rights provide an appropriate and meaningful form of remuneration that aligns with Shareholder interests. The Board believes that the achievement of the service hurdles attached to these Performance Rights will be to the benefit of all Shareholders as these will motivate Mr Kroell to remain in the Company's employ to carry on his role of implementing and executing the Company's strategies and overseeing operations. In particular, the Board considers that the value attributed to the Performance Rights (as described below) and their associated terms and conditions represent reasonable remuneration for Mr Kroell as if the Company and Mr Kroell were dealing at arm's length.

Approval is being sought in this Resolution in respect of the proposed grant of Performance Rights to Mr Kroell under the Plan as a component of his overall executive remuneration package.

Terms of Performance Rights

A total of 2,000,000 Performance Rights will be granted to Mr Kroell under the Plan, subject to Shareholder approval. The Performance Rights will vest on 31 December 2027, provided he remains employed by the Company, or a controlled entity thereof, until that date and, if not converted, will expire on 31 December 2028. Each Performance Right will entitle the holder to be issued one fully paid ordinary Share in the Company upon conversion of that Performance Right.

ASX Listing Rules

ASX Listing Rule 10.14 requires that the Company not permit a Director or their associates to acquire securities under an "employee incentive scheme" without Shareholder approval (unless an exception applies). The Board is therefore seeking Shareholder approval to grant Performance Rights to Mr Kroell on the terms set out above and under the Plan.

The Plan constitutes an "employee incentive scheme" under the ASX Listing Rules.

The following disclosures are made for the purposes of ASX Listing Rule 10.15:

There is no amount payable to convert the vested Performance Rights to Shares.
 - An explanation for the use of this type of security is set out above.
 - The total value the entity attributes to these securities is \$233,200 based on the 30-day VWAP for the Company's shares for the period to 21 March 2025, assuming the maximum number of Performance Rights vest;
- (g) the entity expects to issue the Performance Rights within one month after the date of the meeting, and in any event, no later than 3 years after the date of the meeting;
- (h) the Performance Rights will be granted to Mr Kroell at nil issue price;

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Performance Rights to Mr Andreas Kroell, and he will not receive the Performance Rights or potential shareholdings as described above.

Termination Benefits approval – section 200B and s200E Corporations Act

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders or an exemption applies.

Approval is therefore sought under section 200E of the Corporations Act to allow for the Board to determine to accelerate vesting of some or all of Mr Kroell's unvested Performance Rights in the event Mr Kroell ceases employment in 'good leaver' circumstances being cessation other than due to resignation or dismissal for cause or poor performance and for the benefit not to be a termination benefits for the purposes of the Corporations Act. Where Mr Kroell ceases as a 'bad leaver' (which includes by resignation or dismissal for poor performance), all unvested Performance Rights will lapse, unless the Board determines otherwise.

If Shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating Mr Kroell's termination benefits cap for the purpose of subsection 200F(2)(b) or subsection 200G(1)(c) of the Corporations Act. The approval will be effective from the date the Resolution is passed until the conclusion of the 2028 Annual General Meeting (that is, for a period of approximately three years).

The value of any benefit relating to the Performance Rights given in connection with Mr Kroell ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of Performance Rights held by Mr Kroell prior to cessation of his employment;

- the date when, and circumstances in which, Mr Kroell ceases employment;
- whether performance hurdles are waived or (if not waived) met, and the number of Performance Rights that vest (which could be all of the Performance Rights held by Mr Kroell; and
- the market price of the Company's shares on ASX on the date Shares are provided to Mr Kroell upon vesting of the Performance Rights.

Voting Exclusions

A voting exclusion statement is set out on Note 5 of this Notice.

Board Recommendation

The Board (with Mr Kroell abstaining) recommends that Shareholders vote in favour of Resolution 4. The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 5: Renewal of Employee Incentive Plan

This Resolution seeks the renewal of Shareholder approval of the Incentive Option Plan (the **Plan**) for the purpose of ASX Listing Rule 7.2 (Exception 13) so that issues of securities under the Plan do not impede the issuing capacity under ASX Listing Rule 7.1 for the next three (3) years.

ASX Listing Rule 7.1 imposes a limit on the number of equity securities which the Company can issue in a given 12-month period without prior shareholder approval. If Shareholders approval is obtained in accordance with ASX Listing Rule 7.2 (Exception 13), the number of equity securities issued under the approved employee incentive scheme will be exempted from being counted towards the use of the Company's Listing Rule 7.1 issuing capacity.

The Plan was previously approved by the shareholders at the Company's Annual General Meeting on 24 May 2022.

For the purposes of ASX Listing Rule 7.2 (Exception 13), the maximum number of securities proposed to be granted under the Plan in the three (3) year period from the date of this Meeting will be 14,600,000. This maximum amount is not intended to be a prediction of the actual number of securities to be granted under the Plan, but is simply a maximum number for the purposes of ASX Listing Rule 7.2 (Exception 13) to allow the Company to grant up to the threshold amount over the three (3) year period without reducing its placement capacity under ASX Listing Rule 7.1. Any additional issues under the Plan above that number would be made using the Company's placement capacity under ASX Listing Rule 7.1.

The Company wishes to preserve the flexibility to use its placement capacity under ASX Listing Rule 7.1 for each of the 12-month period in the next three (3) years for issuing securities that are not related to the Plan. If this Resolution is approved, the Company will be able to issue equity securities under the Plan to eligible participants over a period of three (3) years and those equity securities will not count towards the Company's placement capacity under ASX Listing Rule 7.1 applicable at the relevant time. If this Resolution is not approved, issues of securities under the Plan will be subject to the Company's placement capacity under ASX Listing Rule 7.1 applicable at the relevant time.

If Shareholders approve this Resolution, the Company can provide an opportunity for eligible employees to receive an equity interest under the Plan which will not be included in the 15% limit imposed by ASX Listing Rule 7.1 for a period of three years from the date of the Meeting

If this Resolution is not approved by Shareholders, any securities issued by the Company under the Plan will be included in the formula to calculate the number of securities which the Company may issue in any 12-month period using ASX Listing Rule 7.1 (**15% Placement Capacity**).

ASX Listing Rules Chapter 7

An exception to ASX Listing Rule 7.1 is set out in ASX Listing Rule 7.2 (Exception 13) which provides that ASX Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within the three (3) years before the date of issue, Shareholders have approved the issue of equity securities under that scheme

as an exception to Listing Rule 7.1. The following information is included in accordance with Listing Rule 7.2 (Exception 13):

- (a) A summary of the terms of the Plan is included in Annexure B;
- (b) The number of securities issued under the Plan since the date of the last approval under Listing Rule 7.2 (Exception 13) is 3,950,000.
- (c) The maximum number of equity securities proposed to be issued under the Plan following the approval of this Meeting is 14,600,000.

Corporations Act

Approval is also sought under Resolution 5 for the purposes of sections 259B and 260C of the Corporations Act 2001 (Cth).

The Plan provides for the Company to take security over shares issued under the Plan, and to place restrictions on transfer and voting which may also constitute taking security over its own shares. Section 259B(1) of the Corporations Act provides that a company must not take security over shares in itself except as permitted by the Corporations Act. Section 259B(2) provides that the Company may take security over shares in itself under an employee share scheme that has been approved by shareholders at a general meeting. Resolution 5 seeks approval of the Plan for the purposes of section 259B(2) of the Corporations Act.

Under section 260C(4) of the Corporations Act, a company may financially assist a person to acquire its shares if the financial assistance is given under an employee share scheme that is approved by shareholders at a general meeting. The Plan provides that the Company may make loans in respect of shares or other securities issued or to be acquired under the Plan and/or acquire shares or other securities to be held on trust for eligible participants. This may be considered to be the Company providing financial assistance for the acquisition of its own shares or other securities. Accordingly, Resolution 5 seeks approval of the Plan for the purposes of section 260C(4) of the Corporations Act.

Voting Exclusions

See Note 5 for voting exclusions on this Resolution.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the Shareholders in respect of the Plan. The Chair of the meeting intends to vote undirected proxies in favour of the Resolution.

SPECIAL BUSINESS

Resolution 6: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of Resolution 6 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve Resolution 6, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below) and the Company will be able to issue Equity Securities from the 10% Placement Facility, as noted below, without any further shareholder approval.

If Shareholders do not approve Resolution 6, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company and must be issued for cash consideration.

The Company, as at the date of the Notice, has on issue three (3) classes of Equity Securities, quoted Fully Paid Ordinary Shares, Unquoted Options and Unquoted Performance Rights.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

- D** is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) Nature of consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting;
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 20 May 2025, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 20 May 2026;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table.
- (e) Shareholders may also be exposed to economic risk and voting dilution, including the following:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of Shares as at 4 April 2025 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2	Dilution Scenario	Issue Price		
		50% decrease in Current Share Price	Current Share Price	100% increase in Current Share Price
		\$0.0550	\$0.1100	\$0.2200

	Funds raised	\$ 2,416,453	\$ 4,832,906	\$ 9,665,811

	Funds raised	\$ 3,221,937	\$ 6,443,874	\$ 12,887,749

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.

- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.11 (11 cents), being the closing price of the Shares on ASX on 4 April 2025.

(f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (i) the methods of raising funds that are available to the Company, including, but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

Any allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

(g) Information about equity securities issued under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting:

- (a) the total number of equity securities issued or agreed to be issued under rule 7.1A.2 in that 12 month period: 18,500,000 fully paid ordinary shares, issued on 12 June 2024;
- (b) percentage they represent of the total number of equity securities on issue at the commencement of that 12-month period: 6.8%

(c) in relation to the issue made on 12 June 2024

- (i) the shares were issued to institutional and sophisticated investors, introduced to the Company by the joint lead managers of the relevant capital raising or via existing relationships with the Company;
- (ii) the securities issued were 18,500,000 fully paid ordinary shares;
- (iii) the issue price was \$0.10 (10 cents) per share, which was a discount of approximately 9% to the closing market price on the date of the issue;
- (iv) Cash consideration from issue:
 - A. Total cash consideration received: \$1,850,000;
 - B. Amount of that cash which has been spent: approximately \$1.49 million. This has been spent on the acquisition of Auswater Pty Ltd ("**Auswater**") and costs of the relevant share issue;
 - C. The intended use to the remaining amount of that cash is to fund further acquisition costs of Auswater and general working capital;
- (d) the Company has not agreed to issue any Equity Securities under Rule 7.1A.2 other than those referred to above and the Company has not agreed, before the 12-month period to issue any Equity Securities under Rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.

Board Recommendation

The Board believes that Resolution 6 is in the best interests of the Company and unanimously recommends that shareholders vote in favour of this Resolution.

- (1) an unauthorised dealing in the Option;
- (2) a Vesting Condition in relation to the Option is not satisfied by its due date, or become incapable of satisfaction, unless the Board exercises its discretion to waive the Vesting Conditions and vest the Option in the circumstances set out in paragraph above or the Board resolves, in its absolute discretion, to allow the unvested Options to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (3) in respect of unvested Option only, an Eligible Participant ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Option in the circumstances set out in paragraph 0 or the Board resolves, in its absolute discretion, to allow the unvested Options to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (4) in respect of vested Options only, a relevant person ceases to be an Eligible Participant and the Option granted in respect of that person is not exercised within one (1) month (or such later date as the Board determines) of the date that person ceases to be an Eligible Participant;
- (5) the Board deems that an Option lapses due to fraud, dishonesty or other improper behaviour of the Eligible Participant;
- (6) the Company undergoes a Change of Control or a winding up resolution or order is made and the Board does not exercise its discretion to vest the Option;
- (7) the expiry date of the Option.

Shares: Shares resulting from the exercise of the Options shall, subject to any Sale Restrictions (refer next item) from the date of issue, rank on equal terms with all other Shares on issue.

Sale Restrictions: The Board may, in its discretion, determine at any time up until exercise of Options, that a restriction period will apply to some or all of the Shares issue to an Eligible Participant (or their eligible nominee) on exercise of those Options up to a maximum of seven (7) years from the grant date of the Options. In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such restriction period determined.

No Participation Rights: There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues or capital offered to Shareholders during the currency of the Options.

Change in exercise price of number of underlying securities: Unless specified in the offer of the Options and subject to compliance with the ASX Listing Rules, an Option does not confer the right to a change in exercise price or in the number of underlying Shares over which the Option can be exercised.

Reorganisation: If, at any time, the issued capital of the company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of an Option are to be changed in a manner consistent with the Corporations Act and the ASX listing Rules at the time of the reorganisation.

Trust: The Board may, at any time, establish a trust for the sole purpose of acquiring and holding Shares in respect of which a Participant may exercise, or has exercised, vested Options, including for the purpose of enforcing the disposal restrictions and appoint a trustee to act as trustee of the trust. The trustee will hold the Shares as trustee for and on behalf of a Participant as beneficial owner upon the terms of the trust. The Board may at any time amend all or any of the provisions of the Plan to effect the establishment of such a trust and the appointment of such a trustee.
