

22 April 2025

Change of Company Name and ASX Ticker

The Company wishes to advise that, following shareholder approval granted at the Extraordinary General Meeting held on 16 April 2025, the Company's name has officially been changed with the Australian Securities and Investments Commission (ASIC) to **Vitasora Health Limited**.

Vitasora Health Limited (ASX:VHL) is redefining digital Connected Care in the U.S. healthcare market. We combine cutting-edge technologies and expert clinical teams to deliver a turnkey solution for providers. Our remote patient monitoring (RPM) and chronic care management (CCM) services improve outcomes, reduce costs, and help healthcare clients thrive in a value-based world.

As part of the transition, the Company is actively managing the brand migration in the US market. This includes clear and considered communication with current clients of Respiro and Orb Health, as well as those in advanced stages of contractual negotiations. This approach ensures continuity, reinforces trust, and aligns all stakeholders under the Vitasora Health brand and will occur over the remainder of 2025 after which the other legacy brands will be retired.

The Company's **ASX ticker code** is in the process of being updated, with trading expected to commence under **VHL** from 24 April 2025. The **OTC ticker symbol** is also expected to be updated and will be confirmed shortly.

Vitasora Health has launched its new Australian website, now live at:
www.vitasorahealth.com.au.

Our U.S. operations will continue using the current Respiro U.S. website until the full transition to the Vitasora brand is completed in late 2025.

-ENDS-
