The Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so.

4. Resolution 1 – Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 31 December 2024 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors.

If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, and a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

4.2 Additional information

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. Resolution 2 – Election of Director – Simon Kidston

5.1 General

Clause 15.4(a) of the Constitution provides that the Directors may at any time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.

Clause 15.4(a) of the Constitution and Listing Rule 14.4 also provides that any Director appointed must not hold office without re-election past the next annual general meeting of the Company following the Director's appointment. A Director who retires in accordance with Clause 15.4(a) holds office until the conclusion of the Meeting but is eligible for election at the Meeting.

Simon Kidston was appointed as a Director on 23 June 2024. Accordingly, pursuant to Resolution 2, Simon Kidston resigns as a Director at this Meeting and, being eligible, and offering himself for election, seeks approval to be elected as a Director.

If Resolution 2 is passed, Mr Kidston will be re-elected as a Director of the Company with effect from the conclusion of the Meeting. If Resolution 2 is not passed, Mr Kidston will not be re-elected as a Director of the Company.

5.2 Simon Kidston

Mr Kidston is a highly experienced company director and former investment banker with more than 30 years of experience in the corporate and resources sectors. Mr Kidston was the founder and former director of Genex Power (ASX: GNX), one of the leading renewable energy companies listed on ASX, until it was acquired by J Power for an EV of A\$1.2 billion in July 2024. He continues to serve on a number of other boards, including Lithium Plus Minerals (ASX: LPM), XXIX Metals Inc (formerly QC Copper & Gold Inc) (TSX-V: XXIX), Sparc Technologies Ltd (ASX:SPN), Atlantic Tin Limited and Permagen Limited, a premium private carbon credit developer.

Mr Kidston has an investment banking background, including many years of experience with groups such as Macquarie Bank, HSBC and Helmsec Global Capital Limited. During this period he assisted companies to grow by accessing capital, negotiating strategic relationships and acquisitions. Mr Kidston holds a Bachelor of Commerce degree from Griffith University, a Graduate Diploma in Applied Finance and Investment from the Securities Institute of Australia, and is Member of the Australian Institute of Company Directors.

If elected, Mr Kidston is considered by the Board (with Mr Kidston abstaining) to be an independent Director.

Mr Kidston has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 Board recommendation

The Board (other than Mr Kidston) recommends that Shareholders vote in favour of Resolution 2 for the following reasons:

- (a) Mr Kidston's corporate governance and investment banking experience will assist the Company in achieving its strategic objectives in the short and medium term; and
- (b) Mr Kidston's contributions to the Board's activities to date have been invaluable and her skills, qualifications and experience will continue to enhance the Board's ability to perform its role.

5.4 Additional information

Resolution 2 is an ordinary resolution.

6. Resolution 3 – Appointment of Auditor

6.1 General

Resolution 3 seeks Shareholder approval for the appointment of BDO Audit Pty Ltd (**BDO**) as the Company's auditor.

On 17 July 2024 the Board appointed BDO as auditor of the Company, Deloitte Touche Tohmatsu who resigned from that position in accordance with section 329(5) of the Corporations Act.

The appointment of BDO continues until the Annual General Meeting, at which time a resolution confirming the appointment must be put to Shareholders.

The Company acknowledges that BDO has consented in writing to being appointed as the Company's auditor.

In accordance with section 328B(1) of the Corporations Act, the Company has sought and obtained a nomination from a Shareholder for BDO to be appointed as the Company's auditor. A copy of this nomination is attached to this Explanatory Memorandum as Annexure A.

6.2 Board recommendation

None of the Directors have a material personal interest in the subject matter of this Resolution. The Board recommends that Shareholders vote in favour of this Resolution.

6.3 Additional information

Resolution 3 is an ordinary resolution.

7. Resolution 4 – Approval of Additional Issuance Capacity under Listing Rule 7.1A

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less at the date of the Meeting. The Company is an eligible entity for these purposes as at the Disclosure Date (1,550,208,678 Shares at a Share price of \$0.065 being a market capitalisation of approximately \$100 million).

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval (**Additional Issuance Capacity**).

If Resolution 4 is not passed, the Company will not be able to access the Additional Issuance Capacity and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of securities under the Additional Issuance Capacity if Shareholders approve Resolution 4. The Board unanimously recommend that Shareholders vote in favour of Resolution 4.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

7.2 Description of ASX Listing Rule 7.1A

(a) Securities which may be issued under the Additional Issuance Capacity

Under the Additional Issuance Capacity, the Company must issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on two classes of quoted Equity Securities, being fully paid ordinary shares (ASX Code: **ETM**) and quoted options exercisable at \$0.12 each on or before 4 August 2026 (ASX Code: **ETMO**).

(b) Minimum issue price

The issue price of each Equity Security issued under the Additional Issuance Capacity must be no less than 75% of the volume weighted average price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the securities are issued.

The Company will disclose this information when Equity Securities are issued under the Additional Issuance Capacity.

(c) Period for which approval will be valid

Shareholder approval of the Additional Issuance Capacity will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting; or
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the time and date of that approval.

(Additional Issuance Period).

(d) Dilution risks

If Equity Securities are issued under the Additional Issuance Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the Additional Issuance Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 4 is approved); and
- (ii) the Equity Securities may be issued under the Additional Issuance Capacity at a discount to the market price for those Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, as at the Disclosure Date.

The table also shows:

- (iii) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at the Disclosure Date. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (iv) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the Disclosure Date.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)*	Dilution			
	Issue Price (per Share)	\$0.033 (50% decrease)	\$0.065 Issue Price	\$0.130 (50% increase)
(Current Variable A) 1,550,208,678	Shares issued	155,020,868	155,020,868	155,020,868
	Funds Raised	\$5,038,178	\$10,076,356	\$20,152,713
(50% increase) 2,325,313,017	Share issued	232,531,302	232,531,302	232,531,302
	Funds Raised	\$7,557,267	\$15,114,535	\$30,229,069
(100% increase) 3,100,417,356	Shares issued	310,041,736	310,041,736	310,041,736
	Funds Raised	\$10,076,356	\$20,152,713	\$40,305,426

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. As at the Disclosure Date there are 1,550,208,678 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on the Disclosure Date.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(e) **Purpose of issue under Additional Issuance Capacity**

The Company may issue Equity Securities under the Additional Issuance Capacity to raise cash to fund the following:

- (i) general working capital expenses;
- (ii) activities associated with its current assets;
- (iii) repayment of debt; or
- (iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure required by ASX Listing Rule 7.1A.4 on issue of any Equity Securities issued pursuant to the approval sought by Resolution 4.

(f) **Allocation policy under Additional Issuance Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Issuance Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company.

(g) **Previous approval under ASX Listing Rule 7.1A**

The Company most recently obtained shareholder approval to have Additional Issuance Capacity at the 2016 Annual General Meeting held on 26 May 2016 (Previous **Approval**). It has not sought shareholder approval for Additional Issuance Capacity at any AGM since that date, and accordingly has not had Additional Issuance Capacity since the date of the 2017 AGM.

7.3 **Voting exclusion**

At the time of dispatching this Notice, the Company is not proposing to make an issue of Equity Securities under the Additional Issuance Capacity, and a voting exclusion statement is therefore not included in this Notice.

7.4 **Additional information**

Resolution 4 is a special resolution.

8. Resolution 5 – Approval of Proportional Takeover Provisions

8.1 General

The Company adopted a new Constitution at its 2022 AGM held on 30 May 2022. The Constitution includes proportional takeover bid provisions (clause 37).

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in its Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

Clause 37 of the Constitution will cease to have effect on the third anniversary of the date of the adoption of the Constitution (30 May 2025), unless it is renewed.

Resolution 5 seeks Shareholder approval for the continuation in effect of the proportional takeover provisions in clause 37 for a further three years from the date of approval.

8.2 Information required by section 648G of the Corporations Act

(a) Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

(b) Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;

- (ii) assisting in preventing Shareholders from being locked in as a minority;
 - (A) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
 - (B) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (i) proportional takeover bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a premium; and
- (iii) the likelihood of a proportional takeover bid succeeding may be reduced.

8.3 Board recommendation

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the renewal of the proportional takeover provisions in clause 37 of the Constitution is in the interests of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 5.

8.4 Additional information

Resolution 5 is a special resolution.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
