

MARKET RELEASE – THURSDAY, 1 MAY 2025

Spark notes media regarding data centre sale

Spark New Zealand (Spark) notes media today stating it has launched a process to seek buyers for a stake in its data centre business.

As was communicated at its [H1 trading update](#) in February, Spark has commenced a process to explore interest from prospective partners to support future data centre investment.

No transaction has been agreed, and a transaction (including any potential transaction value) is not yet certain.

Spark will keep the market updated in accordance with its continuous disclosure obligations.
