Dear Inderprit

OFX Group Limited – Price Query

OFX Group Limited (“OFX”) refers to your letter dated 19 May 2025.

OFX sets out its response to the questions in that letter.

1. Is OFX aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

OFX is currently scheduled to release its full year financial results for the financial year ending 31 March 2025 (“Full Year Results”) on 20 May 2025.

It is expected that the Full Year Results will be released to the market prior to opening on 20 May 2025.

OFX does consider that some of the information relating to the Full Year Results to be information that a reasonable person would expect to have a material effect on the price or value of its securities. However, OFX considers that such information is and remains confidential and is able to rely on Listing Rule 3.1A.

OFX has noted the change in the price of OFX’s securities and significant increase in the volume of OFX’s securities traded today and, accordingly, has requested a trading halt in OFX’s securities, pending an announcement by OFX regarding the Full Year Results.

2. If the answer to question 1 is “yes”.

(a) Is OFX relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in OFX’s securities would suggest to ASX that such information may have ceased to be confidential and therefore OFX may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is “yes”, you need to contact us immediately to discuss the situation.

See answer to (1) above.

(b) Can an announcement be made immediately? Please note, if the answer to this question is “no”, you need to contact us immediately to discuss requesting a trading halt (see below).

No.

(c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

It is expected that the Full Year Results will be released to the market prior to opening on 20 May 2025 and is still subject to Board approval.

3. If the answer to question 1 is “no”, is there any other explanation that OFX may have for the recent trading in its securities?

Not applicable.

4. Please confirm that OFX is complying with the Listing Rules and, in particular, Listing Rule 3.1.

OFX confirms that it is complying with the Listing Rules and, in particular, Listing Rule 3.1.

5. Please confirm that OFX’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of OFX with delegated authority from the board to respond to ASX on disclosure matters.

OFX confirms that the responses in this letter to the ASX's questions have been authorised and approved by the Continuous Disclosure Committee in accordance with OFX's Continuous Disclosure Policy.

Yours sincerely
