Dear Dale

St Barbara Limited (ASX:SBM): Request for Trading Halt

Pursuant to ASX Listing Rule 17.1, St Barbara Limited (the **Company**) requests the immediate implementation of a trading halt in its ordinary securities (ASX:SBM) to apply from the commencement of trading today, 16 June 2025.

The Company provides the following information for the purpose of ASX Listing Rule 17.1:

1. The trading halt is requested as the Company expects to make an announcement to ASX in connection with a reduction in Simberi FY25 production guidance following the substantial, albeit temporary, loss of ore production from Pigibo Central (one of two primary ore sources for June) following high rainfall events during the second phase of silt removal from this open pit recommenced this quarter (and the consequential revision required to guidance on All-In-Sustaining-Cost (AISC) arising from the lower ounce production); and an update on progress with the application for early renewal of the Simberi Mining Lease;
2. The Company requests that the trading halt remains in place until the earlier of:
 - a. The Company making an announcement to the market regarding the reduction in Simberi FY25 production and AISC guidance as quantified by Management, and progress of the early renewal of the Simberi Mining Lease; and
 - b. The commencement of trading on 17 June 2025.
3. The Company is not aware of any reason why the trading halt should not be granted and of any other information necessary to inform the market about the trading halt.

This announcement is authorised for release by the Company's Chief Executive Officer.

Please contact me if you require any further information concerning this request.

Kind regards,

Kylie Panckhurst
