Indiana Resources Limited (ASX: IDA) ("Indiana" or the "Company") provides the following update on management changes that position the Company for its next growth phase.

The Company is pleased to announce the appointment of Mr Matthew Bowles as Managing Director & CEO to lead the strategic growth of the Company and to advance the Company's 100% owned Gawler Craton holdings.

Mr Bowles has an extensive background in the resources sector in corporate and leadership roles, and most recently served as Managing Director of Alto Metals Ltd. During that time, Matthew led the growth and delineation of the 1Moz Sandstone Gold Project in Western Australia and the subsequent successful takeover of the company by Brightstar Resources Ltd at a significant premium of 81% to the 30 day VWAP. Mr Bowles has over 20 years experience in the mining industry with a proven track record in corporate growth, mergers and acquisitions and investor relations. The appointment of an experienced Managing Director & CEO reflects Indiana's commitment and focus towards expanding exploration activities at its Gawler Craton gold and REE projects.

Mr Bowles' appointment is effective 21 July 2025 and his remuneration is contained in attachment 1.

Indiana's current Commercial Manager, John Fitzgerald, has been promoted to the role of Chief Operations Officer. Mr Fitzgerald has been with the Company since January 2024 and recently led the successful Australian Taxation Office draft ruling that resulted in a proposed \$0.05c capital return to shareholders. Mr Fitzgerald is an experienced senior finance executive with more than 25 years of key leadership experience in the listed resources sector, providing financial, commercial and administration support. Mr Fitzgerald's role will now expand to include coordinating support for exploration programmes, reporting to South Australian Government and leading finance and administration activities for the Company.

The Company also advises that Mr Lindsay Owler has tendered his resignation as Chief Executive Officer and will work through an extended handover period to ensure a seamless transition and continuity across exploration activity in South Australia currently underway. The Company thanks Mr Owler for his contribution to advancing exploration activities.

**Indiana's consolidated cash position as at 14 July 2025 is AU\$69,355,283**

The consolidated cash position reflects:

- AU\$50,136,373 held by Indiana.
- US\$12,352,038 held by Ntaka Nickel Holdings Ltd.
