

# Takeover offer for ECF

The Lederer Group today announces its intention to make an off-market takeover offer (**Offer**) to acquire all the stapled securities in the Elanor Commercial Property Fund (ASX: ECF) (**ECF**).

Entities associated with the Lederer Group currently hold a 27.5% interest in ECF. The Lederer Group will make the Offer via its controlled entity LDR Assets Pty Ltd as trustee for the LDR Assets Trust.

Under the Offer, ECF unitholders will receive 70 cents cash for each stapled security in ECF (**ECF Security**) held.

The Offer represents compelling value and represents:

- a 5.3% premium to the last closing price of \$0.665 per ECF Security on 1 Aug 25
- a 9.4% premium to the 30 day VWAP for ECF Securities of \$0.64 per ECF Security
- a 21% premium to ECF's equity raising undertaken in October 2024
- the highest price paid for ECF securities since June 2024

Lederer Group Chairman Paul Lederer said "There is an expression: enough is enough. Challenger is leaving Elanor for a reason. I do not believe Elanor's obsession with saving itself at any cost is good for ECF investors or the industry. I want ECF investors to know: I have been listening to you. If you want to sell your ECF Securities, I will buy them at the best price they have traded in the last 12 months and it is my pleasure to provide this assistance to you. If you continue to invest alongside me, I promise you that my team and I will spend every day thinking about how to make YOU money. It will take time and patience you may not have. But I assure you we will put the focus where the focus needs to be – on ECF investors and their investment in ECF (not Elanor)."

Further details in relation to the Offer are attached to this announcement.

Should you wish to contact me directly, I can be contacted by email at scribb@lederergroup.com.au and ECFOffer@lederergroup.com.au.

This announcement is approved by Paul Lederer, Chairman of the Lederer Group.

Independent Directors of Elanor Funds Management Limited as Responsible Entity of:

- Elanor Commercial Property Fund I; and
- Elanor Commercial Property Fund II, (The RE of ECF)

Copy to: ASX Market Announcements

### 4 August 2025

Dear Independent Directors of the RE of ECF,

#### 1. Intention to make off-market takeover bid for ECF

LDR Assets Pty Ltd, an entity 100% owned by the Lederer Family and in its capacity as trustee of the LDR Assets Trust (**Lederer BidCo**), announces its intention to make an off-market takeover offer (**Offer**) to acquire all the stapled securities in the Elanor Commercial Property Fund (ASX: ECF) (**ECF**).

# 2. Background to the Offer: Concerns that ENN's transaction will negatively impact ECF

The Lederer Group acknowledges the market announcement made by Elanor Investors Group (ASX: ENN) (**Elanor** or **ENN**) on 28 July 2025 (**ASX Announcement**). The Lederer Group remains deeply concerned about the current state of play and the likely impact that Elanor's actions will have on Lederer Group's investment and those of other unitholders in ECF.

Our key concerns from the ASX Announcement are:

- Lack of accountability by the ENN Board for lack of oversight that led to Elanor's suspension from ASX and insolvency risks.
- Lack of transparency around why Challenger Life, a transaction which was consummated less than 2 years ago, has been unwound. It would appear that Challenger Life, a significant institutional investor was not satisfied with the service offering by ENN which led to their departure.
- The impact of the loss of the Challenger Life mandate on staff within Elanor, some of whom have had responsibility for looking after ECF, and the impact this may have on the ability to manage ECF going forward.
- Post transaction, Rockworth Capital Partners (Rockworth) and Su Kiat Lim, collectively, owning 61.5% of the diluted issued capital of Elanor as well as the ability to nominate a director each to the Elanor board, and thereby be able to influence the RE and management of ECF.
- Concerns around Elanor's desire to become a pan Asian funds manager and risks that ECF becomes a pan Asian vehicle with substantially changed asset holdings and exposures. In this regard, we note the ASX Announcement referenced Elanor's strategic alliance with Rockworth would support ECF's funds management activities without much explanation or any evidentiary support for that disclosure.

#### 3. About Lederer Group

The Lederer Group is one of Australia's largest family offices with investments spanning financial markets, real estate, private equity, private credit, manufacturing and sport. Lederer Group has over \$1.2bn invested in real estate assets including investments in several listed REITS.

The Lederer Group real estate management team has over 200 years of collective experience in real estate having delivered over \$20 billion in property related transactions, including direct experience with the ECF assets.

As at the date of this announcement, the Lederer Family has an interest in 27.5% of the ECF Securites – 22.3% held via PEJR Investments Pty Ltd (ACN 159 037 635) as trustee of Lederer Trust (**PEJR**) and 5.1% via a self managed superannuation fund, the trustee of which is PELSF Nominees Pty Ltd (ACN 640 210 117) (**PELSF**).

#### 4. Offer Details

Under the Offer, ECF unitholders will receive 70 cents cash for each stapled security in ECF (**ECF Security**) held.<sup>1</sup>

The Offer represents compelling value and represents:

- a 5.3% premium to the last closing price of \$0.665 per ECF Security on 1 Aug 25
- a 9.4% premium to the 30 day VWAP for ECF Securities of \$0.64 per ECF Security
- a 21% premium to ECF's equity raising undertaken in October 2024
- the highest price paid for ECF securities since June 2024

Lederer BidCo intends to fund the Offer consideration from cash reserves from the Lederer Family and credit facilities from its major lender. The current ECF debt will be either left in place or refinanced from new debt facilities.

The Offer is subject to limited customary conditions, which are set out in the Appendix to this announcement. Importantly, the Offer is not subject to any minimum acceptance condition.

#### 5. The Board of the RE is the same as the Board of ENN and is conflicted

The Lederer Group has sought to engage productively with both the Elanor Board and the Independent Directors of the RE of ECF. It approached the Board of ENN and the RE Board on 9 May 25 with an initial proposal to acquire the management rights of ECF. The original offer made by the Lederer Group on 9 May 25, proposed a replacement of the RE of ECF and a number of changes to the existing investment management agreement that would have benefitted all ECF unitholders.

<sup>&</sup>lt;sup>1</sup> The Offer consideration of 70 cents per ECF Security is subject to the Offer terms to be outlined in the further detail in Lederer BidCo's bidder's statement. If any distribution is declared or paid to ECF unitholders between the date of this announcement and the close of the Offer period, Lederer BidCo will deduct the value of such distributions from the 70 cents per ECF Security to be paid under the Offer.

Lederer BidCo, wishes to highlight that the Board of ENN is the same Board as the RE of ECF. In its engagement to date, it has not been apparent that the RE of ECF has been able to act independently. Key members of the Board of ENN have a clear conflict of interest and can not also act for the RE of ECF. These include:

- Ian Mackie: Is the current Chairman of ENN and was integral in negotiating the transaction between ENN, Rockworth and Su Kiat Lim. In the announcement on 28 July, Ian Mackie stated "our intent ... is to preserve and recover **Elanor** (emphasis added) securityholder value .... Followed by expanding into Asia alongside Rockworth".
- Su Kiat Lim: Su Kiat has been a Board appointee of Rockworth since September 2021 and as announced by ENN on 28 July 25 is likely to be a significant investor in ENN with a board nomination right.
- Tony Fehon: Is the current managing director of ENN as as such can not be considered independent.

In these circumstances, it is unclear if the remaining directors of ENN and the RE of ECF are able to act independently and prioritise the interests of ECF unitholders over those in ENN.

# 6. Lederer BidCo may change the RE of ECF and appointed an alternative Investment Manager of ECF

Given the inherit conflicts we would recommend that the current RE of ECF retire from its position immediately and a new RE, that is not affilitated with Elanor or any unitholder, be appointed.

If this doesn't occur, once the Offer has closed Lederer BidCo may seek to replace the existing RE of ECF with a new professional RE that is independent of both ENN and any ECF unitholder.

If the RE retires or is replaced, we may seek to update the investment management arrangements. A summary of the key changes to the current investment management arrangements would include the following:

	Current	Revised

#### 9. Conclusion

The Offer delivers immediate cash certainty at a price which reflects a premium to the current trading price to all ECF investors that choose to exit their investment.

Given the inherit conflict between the Board of ENN and the RE Board of ECF, we strongly encourage that the RE Board retires from its position so that a new fully independent RE Board can fairly assess the merits of the Offer.
