2 Letter from the Chair

18 August 2025

Dear Shareholder,

Silex Systems Limited (Silex) - Share Purchase Plan Offer

On behalf of the Board, I am pleased to offer you the opportunity to apply for up to \$30,000 worth of New Shares under Silex's Share Purchase Plan (**SPP**) without incurring brokerage or other transaction costs, subject to the Terms and Conditions detailed in this Booklet.

The SPP aims to raise approximately \$15,000,000 and is not underwritten. The SPP follows Silex's successful completion of a \$130 million placement to eligible institutional investors (**Placement**), which was conducted at \$3.90 per share (**Placement Price**), and announced to the market on 7 August 2025.

The New Shares are being offered at the Issue Price of the lower of:

- the Placement Price of \$3.90, being the price paid by institutional investors under the Placement; and
- a 2% discount to the volume weighted average price (**VWAP**) of Shares traded on ASX during the five trading days up to, and including, the Closing Date of the SPP, being 29 August 2025, rounded to the nearest cent.

The Offer will open at 9:00am (AEST) on Monday, 18 August 2025 and is scheduled to remain open until 5:00pm (AEST) on Friday, 29 August 2025. Silex may, at its discretion, vary any of the above dates, including closing the Offer earlier, by sending a revised timetable to the ASX.

As the Issue Price is variable and will be determined after the Closing Date, the number of New Shares allocated to you may differ from your initial expectations.

Participation in the SPP

Participation in the SPP is optional.

The Offer under the SPP is being made to Silex shareholders who were registered holders of Shares with an address in Australia or New Zealand at 7:00pm (AEST) on Wednesday, 6 August 2025. Shareholders in the United States are not eligible to participate in the Offer.

Application scaling and allocation policy

If the total demand for the SPP exceeds \$15,000,000, then the Silex Board reserves the right to reject or scale back applications in its absolute discretion or elect to increase the amount raised under the SPP to a maximum of \$20,000,000, subject to the ASX Listing Rules. In the event a scale back is undertaken, you may be allocated fewer New Shares than the amount you applied for under the SPP. Should this happen, the balance of any application money that is not applied to acquire New Shares will be refunded to you, without interest.

The New Shares issued under the SPP, will rank equally with other Silex Shares on issue.

Assuming the targeted amount of \$15,000,000 is raised under the SPP, approximately \$145 million will be raised in total under the Placement and SPP.

Use of Proceeds

The proceeds from the Placement and SPP will be applied towards the following:

- Silex's 51% share of funding of Global Laser Enrichment LLC's (GLE) commercialisation program; and
- Other Silex isotope enrichment opportunities, working capital and other general corporate purposes.

Full details of the Offer and how to participate are contained in the Terms and Conditions in Section 4 of this document which I encourage you to read and consider carefully. The Company may close the Offer once it has raised \$15,000,000, and accordingly if you would like to participate in the SPP you are encouraged to submit your application as early as possible.

If you have any questions, please contact the offer information line on 1300 850 505 (within Australia) or +61 3 9415 4000 (for callers outside Australia) during business hours, or consult your financial or other professional adviser.

Thank you for your continued support of Silex.

Yours sincerely,

Craig Roy

3 Frequently asked questions

Set out below are answers to some key questions that you may have about the Offer. This table is qualified by and should be read in conjunction with the Terms and Conditions in Section 4.

Question	Answer
What is the Offer?	The Offer enables Eligible Shareholders to apply to purchase up to \$30,000 of New Shares without brokerage and other transaction costs.
What is the issue price of the New Shares?	<p>The issue price of the New Shares is the lower of:</p> <ul style="list-style-type: none"> the Placement Price of \$3.90 per New Share, being the price paid by institutional investors under the Placement; and a 2% discount to the volume weighted average price (VWAP) of Shares traded on ASX during the five trading days up to, and including, the Closing Date of the SPP being 29 August 2025, rounded to the nearest cent. <p>Once the Issue Price is determined after the Closing Date, your application amount will be divided by the Issue Price to calculate the number of New Shares allocated to you, subject to any scale-back or oversubscription adjustments applied by the Board.</p> <p>There is a risk that the market price of Shares may fluctuate between the date of this Offer Booklet and the date of issue of New Shares under the SPP. As a result, the Issue Price of the New Shares may be higher or lower than the market price of Shares at either the date of this Offer Booklet or the time of issue of New Shares.</p> <p>If the market price of Shares at the time that the New Shares are issued is less than the Issue Price, the value of your investment in New Shares will be less than the amount you invested. Accordingly, you should consider price movements of Shares in Silex before applying for New Shares.</p> <p>Silex recommends that you obtain your own independent financial advice in relation to this SPP.</p> <p>By submitting an application under the SPP, you acknowledge and agree that your application is unconditional, irrevocable, and may not be withdrawn, even in circumstances where the market price of Shares is less than the Issue Price.</p>
Am I eligible to participate?	You are eligible to participate in the Offer if you fulfil the criteria set out in Clause 2 of the Terms and Conditions. For you to be eligible to participate in the Offer, you must have been a holder of Silex shares at 7:00pm (AEST) on 6 August 2025 (Record Date) and your registered address must be in Australia or New Zealand. If you are a Custodian holding Shares on behalf of one or more beneficial holders, you may also apply to purchase up to \$30,000 worth of New Shares on behalf of each beneficial holder, subject to providing a Custodian Certificate with your payment and complying with the criteria set out in Clause 7.2 of the Terms and Conditions.
Do I have to participate?	Participation in the Offer is optional.
Can I transfer my entitlement to participate?	If you are eligible to participate in the Offer, you cannot transfer your right to purchase New Shares under the Offer to anyone else.

Question	Answer
How do I apply?	<p>To apply for New Shares under the Offer you can either:</p> <p>Option 1: Pay by BPAY®</p> <p>Make payment by BPAY® as shown on the Application Form. New Zealand based Eligible Shareholders cannot apply using BPAY® unless they have an Australian bank account.</p> <p>Option 2: Pay by EFT</p> <p>For Eligible Shareholders with a registered address in New Zealand only. What is the maximum investment for each Shareholder?	The maximum investment for each Shareholder is \$30,000. ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 restricts the value of New Shares that can be issued to you or a Custodian on your behalf under any similar arrangement to \$30,000 per Eligible Shareholder in any 12 consecutive months.
How many shares will I receive?	<p>As the Issue Price is variable and will be determined following the Closing Date, the Issue Price cannot be determined at the date of this Offer Booklet. Therefore, the exact number of Shares to be issued to you cannot be calculated at the date of this Offer Booklet.</p> <p>Once the Issue Price is determined after the Closing Date, your application amount will be divided by the Issue Price to calculate the number of New Shares allocated to you, subject to any scale-back or oversubscription adjustments applied by the Board.</p> <p>Silex may in its discretion undertake a scale back of applications for New Shares. Therefore, if a scale back is undertaken you may receive fewer New Shares than the amount you applied for under the SPP. Details about any scale back are set out in Clause 10 of the Terms and Conditions. If applications are scaled back, excess funds will be returned to applicants without interest.</p>
When will I receive my shares?	Silex intends to issue New Shares on 5 September 2025 (Issue Date). Holding statements in respect of those New Shares will be dispatched in the normal course of business (i.e., end of the month). However, these dates are indicative and Silex may, at its discretion, extend the Offer, close the Offer earlier or vary the Issue Date by sending a revised timetable to ASX.
When can I trade allocated shares?	You can trade your New Shares after the Issue Date. However, given the possibility that applications may be scaled back, you should confirm your holding on or after the Issue Date before trading any New Shares you believe you have acquired under the Offer.
Is the Offer underwritten?	The SPP is not underwritten.
How much will be raised under the SPP?	Silex is seeking to raise up to \$15,000,000 under the SPP. If the total demand for the SPP exceeds \$15,000,000, then the Silex Board reserves the right to reject or scale back applications in its absolute discretion or elect to increase the amount raised under the SPP to a maximum of \$20,000,000.

Question	Answer
What will funds raised under the SPP be used for?	Proceeds of the Offer will be used primarily to support the commercialisation of the SILEX uranium enrichment technology in the US through exclusive licensee, US-based GLE. A smaller portion of the proceeds will be used to pursue additional commercial isotope opportunities, including Quantum Silicon (Q-Si) and Medical Isotope Separation Technology (MIST), and strengthen the Company's balance sheet, and fund other general corporate expenses.

4 Terms and conditions

Important Notice

If you participate in the Offer by making a payment you are accepting the risk that the market price of Shares may change between the Record Date, the Announcement Date, the date of this Offer Booklet, the date on which you make a payment by BPAY® or EFT and the Issue Date. This means that, up to and/or after the Issue Date, you may be able to buy Shares on the ASX at a lower price than the Issue Price.

Please read these Terms and Conditions carefully as you will be bound by them in participating in the Offer. The Important Notices and Key Dates for the Offer sections of this Offer Booklet form part of these Terms and Conditions.

1 Offer

- 1.1 The Company offers each Eligible Shareholder the opportunity to participate in the Offer by subscribing for up to \$30,000 worth of New Shares in Silex Systems Limited, subject to and in accordance with the Terms and Conditions set out below.
- 1.2 The Offer of New Shares is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547, which grants relief from the requirement to prepare a prospectus for the Offer of New Shares.
- 1.3 All references to \$ or dollars in this Offer Booklet are references to Australian dollars, unless otherwise indicated.

2 Eligibility to participate

- 2.1 You are eligible to participate in the Offer if you were a registered holder of Shares at 7:00pm (AEST) on Wednesday, 6 August 2025 (**Record Date**) with an address on the share register in Australia or New Zealand, unless:
 - (a) you hold Shares on behalf of another person who resides outside Australia or New Zealand; or
 - (b) you are, or are acting for the account or benefit of, a person in the United States.
- 2.2 Silex has decided that it is either unlawful or not reasonably practical to make the Offer to Shareholders other than the Eligible Shareholders, having regard to the number and value of New Shares offered and the costs of complying with the relevant legal and regulatory requirements in those jurisdictions outside Australia or New Zealand.
- 2.3 If you are the only registered holder of a holding of Shares, but you receive more than one offer (for example, due to multiple registered holdings), you may only apply in aggregate for one maximum parcel of New Shares.
- 2.4 Joint holders of Shares will be taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and a certification under Clause 7.1(k) by one joint holder will be effective in respect of the other joint holder(s).
- 2.5 Subject to these Terms and Conditions, Eligible Shareholders who are Custodians may participate in the Offer on behalf of each Participating Beneficiary on whose behalf the Custodian is holding Shares.

- 2.6 If you hold Shares as a trustee or nominee for another person, but are not a “Custodian” as defined in the ASIC Instrument, you cannot participate for beneficiaries in the manner described above.
- 2.7 If you are a Custodian for a beneficiary or beneficiaries, you may apply for one maximum parcel of New Shares for each beneficiary (or if you are a Custodian for two or more joint beneficiaries, for each such holding as if it was held by a single person). Further information in relation to how Custodians may apply for New Shares is set out in Clause 7.2.
- 2.8 Directors and employees of Silex who hold Shares may be Eligible Shareholders.

3 Rights are non-renounceable

If you are an Eligible Shareholder, your rights under the Offer are personal to you and are non-renounceable, which means that you cannot transfer your rights to another person.

4 Issue Price

- 4.1 The Issue Price per New Share is the lower of:
- (a) the Placement Price of \$3.90 per New Share, being the price paid by institutional investors under the Placement; and
 - (b) a 2% discount to the volume weighted average price (**VWAP**) of Shares traded on ASX during the five trading days up to, and including the Closing Date of the SPP being Friday, 29 August 2025, rounded to the nearest cent.
- 4.2 The current Share price can be obtained from ASX and is listed in the financial and business section of major daily newspapers circulating in Australia.
- 4.3 The maximum price that Eligible Shareholders will pay is the Placement Price.
- 4.4 Silex will announce the Issue Price for the SPP after the Closing Date.
- 4.5 You agree to pay the Issue Price per New Share for the number of New Shares calculated under Clauses 4.1(a) and 4.7 or, if there is a scale back, the number of New Shares calculated under Clause 10.
- 4.6 By applying for New Shares, you are applying for a specified dollar value of Shares rather than a fixed number of Shares.
- 4.7 If your application for New Shares is accepted, Silex will determine the number of New Shares to be issued to you after the Closing Date by dividing the total value of your application monies by the Issue Price (as determined under Clause 4.5 of the Terms and Conditions), subject to any scale-back that may be applied at the discretion of the Board.
- 4.8 Where the calculation of New Shares under Clause 4.6 of the Terms and Conditions results in a fractional number of New Shares, the number of New Shares to be issued will be rounded up to the nearest whole Share.
- 4.9 In accordance with the ASIC Instrument, the Company notes that:
- (a) the closing price of the Shares traded on the ASX on Tuesday, 5 August 2025 (being the last day Shares were traded prior to Silex’s announcement of the Offer) was \$4.63 per Share;

- (b) the market price of Shares may rise or fall between the date of this Offer and the date when New Shares are issued to you under the Offer. As a result, the Issue Price of the SPP Shares may be higher or lower than the market price of Shares at either the date of this Offer Booklet or the time of issue of New Shares. If the market price of Shares is less than the Issue Price, the value of your investment in New Shares will be less than the amount you invested;
- (c) by making an application under this Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the closing price of Shares specified in section 4.9(a) above, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Offer may rise or fall accordingly;
- (d) as the Issue Price is a variable and is dependent on completion of the Offer, it will be determined following the Closing Date.

5 Timing

- 5.1 The Offer opens at 9:00am (AEST) on Monday, 18 August 2025 and closes at 5:00pm (AEST) on Friday, 29 August 2025 unless extended or closed earlier. Silex proposes to issue the New Shares on Friday, 5 September 2025 and holding statements in respect of those New Shares will be dispatched in the normal course of business (i.e., end of the month).
- 5.2 Applicants will also be able to confirm the number of New Shares issued to them via the Share Registry's offer information line on 1300 850 505 (within Australia) or +61 3 9415 4000 (for callers outside Australia).
- 5.3 Silex reserves the right to extend the Offer or close the Offer earlier, or vary the proposed Issue Date at any time by making an announcement to ASX.

6 Applying for New Shares

- 6.1 You may apply for a parcel of New Shares under the Offer in increments of \$1,000. The minimum application amount is \$2,000. Silex reserves the right to accept applications outside of these set application amounts. The maximum investment under the Offer is \$30,000 per Eligible Shareholder.
- 6.2 No fractions of Shares will be issued. The number of New Shares will be rounded up to the nearest whole number after dividing the application money received by the Issue Price.
- 6.3 You may not spend more than \$30,000 applying for New Shares in aggregate under the Offer, even though you may receive more than one offer, or offers in more than one capacity, under the Offer.
- 6.4 If you wish to apply for New Shares under the Offer you should either:

 - (b) pay by EFT (for Eligible Shareholders with a registered address in New Zealand only), in Australian dollars to the account set out on the Application Form, quoting your unique reference number and following the

instructions as set out in the Application Form. The Application Form does not need to be returned in this case.

- (c) Personalised Application Forms can be found online at:

www.computersharecas.com.au/slx

- 6.5 Do **not** forward cash or cheques. Receipts for payment will not be issued.
- 6.6 Funds paid via BPAY® or EFT (for Eligible Shareholders with a registered address in New Zealand only), must be received by the Share Registry by **5:00pm (AEST) on Friday, 29 August 2025**. Silex may reject applications received after this time. If your EFT does not clear, your application will not be accepted and you agree to be responsible for any costs incurred.
- 6.7 If your Application Form or application is incomplete, contains errors or is otherwise invalid or defective, Silex may, in its sole discretion, accept, reject, correct or amend your application, issue such number of New Shares to you as it considers appropriate, refund your application money, or take any combination of these actions. Any necessary refund will be paid to you shortly after the close of the Offer. No interest will be paid on any refunded application money.
- 6.8 You cannot withdraw or revoke your application once you have your payment.
- 6.9 In accordance with ASX Listing Rule 7.2, Exception 5, the total number of Shares that are able to be issued under the SPP must not exceed 30% of the number of Shares currently on issue.
- 6.10 If the total demand for the SPP exceeds \$15,000,000, then the Board reserves the right to reject or scale back applications in its absolute discretion or elect to increase the amount raised under the SPP to a maximum of \$20,000,000.
- 6.11 The Company reserves the right, in its absolute discretion, to allot fewer New Shares than an Eligible Shareholder applies for under the Offer, or no New Shares, and any determination by the Directors in respect of any scale back (as provided for in Clause 10) will be final.

7 Effect of making an application

- 7.1 If you submit a payment:
- (a) you will be deemed to have represented and warranted that you are an Eligible Shareholder, you have read and understood these Terms and Conditions and you subscribe for New Shares in accordance with these Terms and Conditions;
 - (b) you authorise Silex to correct minor errors in your application and to complete the application by inserting any missing minor details;
 - (c) you acknowledge that the market price of Shares may rise or fall between the date of this Offer and the Issue Date and that the Issue Price you pay for the New Shares may exceed the market price of the Shares on the Issue Date;
 - (d) you accept the risk associated with any refund that may be dispatched to you at your address as shown on the share register;
 - (e) you acknowledge that no interest will be paid on any application monies held pending the issue of New Shares or subsequently refunded to you for any reason;

- (f) you acknowledge that the New Shares have not, and will not be, registered under the US Securities Act or the securities laws of any state or other jurisdictions in the United States, or in any other jurisdiction outside Australia or New Zealand, and accordingly, the New Shares purchased under the Offer may not be offered, sold or otherwise transferred except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the US Securities Act and any other applicable securities laws;
- (g) you represent and warrant that you are not in the United States, and are not applying for New Shares on behalf of a person in the United States;
- (h) you represent and warrant that you have not and will not send any materials relating to the Offer to any person in the United States;
- (i) you acknowledge that you have not been provided with investment advice or financial product advice by Silex or the Share Registry;
- (j) you acknowledge that the Company and its officers and agents are not liable for any consequences of the exercise or non-exercise of its discretions referred to in these Terms and Conditions;
- (k) you certify that you have not applied for, or instructed a Custodian to apply on your behalf for, New Shares with an application price which, when aggregated with the application price for any Shares issued to you or a Custodian on your behalf under the Offer or any similar Silex arrangement in the 12 months prior to your application, exceeds \$30,000. This certification by one joint holder of Shares will be effective in respect of the other joint holder(s); and
- (l) you agree that your application is irrevocable and unconditional.

7.2 If you are a Custodian, you certify that:

- (a) you are a Custodian as defined in the ASIC Instrument;
- (b) as at the Record Date, you hold Shares on behalf of one or more beneficiaries, and that those beneficiaries have instructed you to apply for New Shares;
- (c) the Participating Beneficiary has been given a copy of this Offer Booklet;
- (d) the information in the Custodian Certificate submitted with your Application Form is true, correct and not misleading; and
- (e) you have not applied for New Shares on behalf of any beneficiary with an application price which, when aggregated with the application price for any Shares issued to you on behalf of that beneficiary under the Offer or any similar Silex arrangement in the 12 months prior to your application, exceeds \$30,000.

7.3 Custodians wishing to participate on behalf of one or more beneficiaries and are uncertain about how to do so should contact the Share Registry to obtain more information on how to apply and the form of Custodian Certificate to be given.

7.4 Please note that if you hold Shares in the capacity of a trustee or a nominee for another person but you are not a Custodian as defined in the ASIC Instrument, you cannot participate for beneficiaries in the manner outlined in Clause 7.2 above. In this case, the rules for multiple registered holdings as described in Clause 2.3 apply.

- 7.5 Custodians, trustees and nominees may not distribute any document relating to the SPP to any person in the United States.

8 Rights attached to the New Shares

New Shares issued under the Offer will rank equally with existing Shares and will carry the same voting rights, dividend rights and other entitlements as at the Issue Date. Silex will apply for the New Shares to be quoted on ASX.

9 Costs of participation

No brokerage and transaction costs will be payable by Eligible Shareholders in respect of the application for, and issue and allotment of, New Shares under the SPP.

10 Applications may be scaled back

- 10.1 A scale back is a reduction in the allotments of New Shares under the SPP (compared to the parcels applied for) that the Company may undertake if it receives applications under the SPP for more New Shares than it wishes to issue.
- 10.2 The Company reserves the right to issue an Eligible Shareholder fewer Shares than the number specified in the Application Form for whatever reason, including to avoid possible subscription of over \$30,000 worth of Shares by a Shareholder through multiple applications or joint holdings or subscriptions that would result in a breach of the \$30,000 limit in the ASIC Instrument.
- 10.3 Silex aims to raise up to \$15,000,000 under the SPP. The SPP is not underwritten. Silex reserves the right, in its absolute discretion, to close the Offer early or to scale back applications and/or increase to a maximum of \$20,000,000 in aggregate.
- 10.4 If applications are scaled back, Silex may in its absolute discretion apply the scale back to the extent and in any manner that it sees fit.
- 10.5 If the scale back produces a fractional number of New Shares when applied to your parcel, the number of New Shares you will be issued will be rounded up to the nearest whole number of New Shares.
- 10.6 As the Issue Price is a variable and can only be determined following the Closing Date, if there is a scale back of applications, you may receive fewer New Shares than the dollar value you applied for under the SPP.
- 10.7 In the event of a scale back, the difference between the application monies received from you, and the number of New Shares allocated to you multiplied by the Issue Price, will be refunded by Silex, without interest, following the issue of the New Shares.
- 10.8 When deciding the amount to apply for under the SPP, you should consider the potential impact of any scale back which will affect the number of New Shares you ultimately receive. If your application is scaled back, you will receive a refund of the excess application monies. No interest will be paid on any refunded amounts.
- 10.9 Scale back decisions are made by the Board and are final.

11 Refunds

- 11.1 Refunds pursuant to the Offer may be paid under various circumstances. For example, if applications are made incorrectly the entire payment may be refunded, or if allocations are scaled back a partial refund may be made.
- 11.2 If a refund is made, payment will be by direct credit or cheque mailed to your address as shown on the Company's share register.
- 11.3 You will not receive any interest on funds refunded to you.
- 11.4 Any refund made to you is dispatched at your risk.
