Dear Andrew,

Response to ASX price query – Andromeda Metals Limited

We refer to your letter dated 18 August 2025 wherein ASX notes an increase in share price of Andromeda Metals Limited (ASX:ADN) (**ADN**) from \$0.011 on Friday 15 August 2025 to a high of \$0.0145 on 18 August, together with a significant increase in the volume of the Company's securities traded on 18 August 2025.

The Company provides the following responses to ASX's queries:

- 1. Is ADN aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?**

No, ADN is not aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities.

- 2. If the answer to question 1 is "yes".**
 - (a) Is ADN relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in ADN's securities would suggest to ASX that such information may have ceased to be confidential and therefore ADN may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.**
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).**
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?**

The answer to question 1 is "no".

3. If the answer to question 1 is “no”, is there any other explanation that ADN may have for the recent trading in its securities?

As has been well publicised, ADN is currently undertaking a funding process for the development of the Great White Project. On 4 June 2025, ADN announced Merricks Capital had confirmed credit approval for a A\$75million debt facility and ADN has actively been seeking the balance of funding required to support the development of the Great White Project. In progressing through its project funding process, the Company has engaged with a range of capital market participants and a select number of capital providers have undertaken due diligence with a view towards a potential investment in Great White Project or the Company.

Further, as detailed in the Quarterly Activities Report dated 29 July 2025, the Company has commenced a scoping study to assess the market opportunity for progressing its High Purity Alumina (HPA) strategy.

Market anticipation of positive outcomes from both the funding process and the HPA scoping study may be influencing trading activity.

4. Please confirm that ADN is complying with the Listing Rules and, in particular, Listing Rule 3.1.

ADN is in compliance with the ASX Listing Rules and, in particular, Listing Rule 3.1.

5. Please confirm that ADN’s responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of ADN with delegated authority from the board to respond to ASX on disclosure matters.

ADN’s responses to the questions above have been authorised and approved by the Board.

Authorised for release by the ADN Board.

Sincerely

Sarah Clarke
