**Recommendation:** Noting that each Director has a personal interest in their own remuneration from the Bank, as described in the Remuneration Report, the Board unanimously recommends that shareholders vote in favour of this resolution.

## 6. APPROVAL OF THE GRANT OF PERFORMANCE RIGHTS TO THE CHIEF EXECUTIVE OFFICER AND MANAGING DIRECTOR (CEO AND MD), RICHARD FENNELL

The Board is seeking the approval of shareholders for the grant of 123,529 performance rights under the Omnibus Equity Plan to the CEO and MD that will form part of the financial year ended 30 June 2026 (FY26) remuneration package and long-term incentive (LTI) opportunity.

Shareholder approval under ASX Listing Rule 10.14 is not required in relation to this grant as any shares allocated to the CEO and MD on the vesting of the performance rights will not be issued by the Bank but will be acquired on-market. However, the Board is seeking shareholder approval of this grant in recognition of the importance of shareholder engagement on key remuneration issues, such as the remuneration of the CEO and MD.

If shareholders do not approve the grant of these performance rights at the AGM, it is intended that an equivalent LTI award will be provided to the CEO and MD in cash, subject to the same performance and service conditions outlined below.

The Board believes the CEO and MD should maintain a substantial shareholding in the Bank and receive part of his remuneration in performance rights that will vest only if certain conditions are met.

The performance rights award is measured against both financial and non-financial measures that align with, and support, long-term shareholder value creation, and meet relevant regulatory requirements. To be eligible to participate in the LTI, the CEO and MD must meet risk, compliance and conduct standards.

Under the Omnibus Equity Plan, eligible Executives are granted performance rights. Each performance right represents the right to receive one share subject to the satisfaction of any vesting and performance conditions. The performance rights are granted at no cost, and the exercise price is nil. Before vesting, the performance rights do not carry any dividend or voting rights, or the right to participate in the issue of new shares (such as rights or bonus issues).

When assessing performance outcomes, the award is subject to Board discretion and the Consequence Management Policy. This provides the Board the ability to adjust the award down (including to zero) and clawback the award for adverse risk and conduct outcomes, and other material financial matters.

### CEO and MD remuneration for FY26

Consistent with the prior financial year, the CEO and MD's total remuneration package for FY26 is comprised of the following:

1. Total fixed remuneration of \$1,500,000
2. Variable remuneration comprising:
  - a) a short-term incentive with a target opportunity of 50% of fixed remuneration and a maximum opportunity of 70% of fixed remuneration
  - b) an LTI (face value allocation) 105% of fixed remuneration.

The Board is not seeking shareholders to approve the CEO and MD's FY26 remuneration but rather the FY26 LTI award.

### Terms of the LTI award

Consistent with the Bank's remuneration strategy, the purpose of the LTI award is to support the creation of long-term sustainable shareholder value, which is aligned to the shareholder experience.

As part of the vesting and performance conditions attaching to the FY26 award, there is a material weighting (35%) towards non-financial measures, adhering to the requirements of APRA's Prudential Standard on Remuneration, CPS 511.

<b>Number of performance rights granted</b>	123,529

<b>Performance period</b>	1 July 2025 – 30 June 2029 (4-years)										
<b>Vesting schedule</b>	<p>The grant will vest in three equal tranches:</p> <p>Tranche 1: 1 September 2029 (4-year deferral)</p> <p>Tranche 2: 1 September 2030 (5-year deferral)</p> <p>Tranche 3: 1 September 2031 (6-year deferral)</p>

This includes application to in-year, deferred and vested awards (i.e. reduction in opportunity, malus and clawback). Further detail on the CMP is provided in the Remuneration Report.</p>										

The Board is proposing that the performance rights be issued after the AGM, but in any event, within 12 months after the date of the AGM.

The number of performance rights to be granted has been calculated by dividing the dollar value of the LTI award (being \$1,575,000) by the arithmetic average of the daily volume weighted average price of fully paid ordinary BEN shares sold on the ASX in the ordinary course of trading for the five trading days prior to 1 July 2025 (being \$12.75).

The performance rights will be subject to the four performance measures described in more detail below. Performance is measured over the four-year period from 1 July 2025 to 30 June 2029 (the Performance Period). The measures operate independently and will be tested at the end of the Performance Period.

The performance rights are also subject to a service condition that requires the CEO and MD to be employed by the Bank at the end of the applicable vesting period, except as outlined under *Cessation of employment* below.

Subject to the performance and service conditions being met, the performance rights will vest in three approximately equal tranches. The first tranche will vest at the conclusion of the Performance Period (1 September 2029), and the second and third tranches will vest one year (1 September 2030) and two years (1 September 2031), respectively, following the end of the Performance Period.

On vesting, the CEO and MD will be allocated one share for each performance right that vests, notwithstanding the Board has the discretion to settle the award with a cash payment. Any performance rights that do not vest will lapse.

The vesting is subject to Board discretion to ensure reward outcomes align to financial performance, intended results, and the interests of shareholders, customers, and the broader community.

### Performance Measures and Vesting Conditions

The LTI award will be granted based on four measures set out below:

Performance Measure	Weighting	Number of performance rights
Relative Total Shareholder Return (rTSR)	40%	49,411
Absolute Return on Equity (ROE)	25%	30,882
Relative Net Promoter Score (NPS)	20%	24,706
RepTrak Reputation index	15%	18,530

### Relative Total Shareholder Return

- Relative Total Shareholder Return (**rTSR**) has been included in the LTI to ensure long-term incentives are directly tied to delivering strong returns for shareholders compared to market peers. Relative TSR neutralises the impact of market volatility and focuses on the Bank delivering long-term value.
- The Relative Total Shareholder Return (**rTSR**) is measured by taking into account the increase in the Bank's share price over the 4-year Performance Period, plus the dividends paid on shares over that period (on the assumption that they are reinvested in shares).
- rTSR is measured against ASX100 financial companies (excluding resources and property trusts) including AMP Limited, Australia & New Zealand Banking Group Ltd, ASX Limited, Bank of Queensland Limited, Commonwealth Bank of Australia, Challenger Limited, Insurance Australia Group Limited, Medibank Private Limited, Macquarie Group Limited, National Australia Bank Limited, NIB Holdings Limited, QBE Insurance Group Limited, Steadfast Group Limited, Suncorp Group Limited and Westpac Banking Corporation.
- rTSR performance over the performance period is subject to the following vesting schedule:

rTSR performance against peer group	Vesting outcome
50th percentile or less	0%
At 50.1th percentile	50%
Between the 50.1th and 75th percentile	Straight-line vesting between 50% and 100%
Above the 75th percentile	100%

### Absolute Return on Equity

- Absolute Return on Equity (**ROE**) demonstrates the Bank's ability to generate profits from shareholder capital, reflecting financial discipline and long-term value creation.
- An Absolute ROE measure has been included in the LTI to encourage long-term performance and sustainable growth.
- The measure is based on the Group's Absolute ROE performance in the final year of Performance Period, with the vesting outcome as below:

Absolute ROE	Vesting outcome	
Below Threshold Performance	<10%	0%
At Threshold Performance	10%	50%
Between Threshold Performance and Stretch Performance	>10.1% - 10.5%	Straight-line vesting between Threshold Performance and Stretch Performance
At or above Stretch Performance	>10.5%	100%

Performance against the ROE performance measure is assessed based on the Bank's ROE performance in the final year of the Performance Period (i.e. FY29, as set out in the Bank's audited financial accounts, as approved by the Board).

### Relative Customer Net Promoter Score

- Net Promoter Score (**NPS**) is a standard and accepted market measure of customer advocacy and provides insight into the customer experience. Including this measure in the LTI aligns with the Bank's purpose to support customers and long-term value creation by capturing sustained customer sentiment and loyalty over time.
- NPS aligns with APRA's principles as it encourages prudent risk management and long-term soundness, given significant risk matters that arise over the performance period can be reflected in customer advocacy and NPS outcome. In addition, strong customer advocacy is needed to create a sustainable business.
- NPS is measured against retail bank peers including Australia & New Zealand Banking Group Ltd, Commonwealth Bank of Australia, National Australia Bank Limited, Westpac Banking Corporation, Bank SA, BankWest, Bank of Melbourne, Bank of Queensland Limited, ING and St George.
- This is measured as the Bank's average NPS over the performance period. The target for NPS is to achieve 20 points above the average NPS of the peer group, measured over the performance period (using 6-month rolling averages). The vesting outcome is below:
  - Below 20 points: 0%
  - At or above 20 points: 100%

### Relative Reputation (RepTrak)

- The RepTrak score is an indicator of a strong reputation, reflected by sustainable business practices and customer loyalty and trust. Including this measure in the LTI reinforces the importance of trust, transparency and confidence to deliver long-term value creation.
- The measure is assessed externally by the RepTrak Company using their methodology.
- The measure aligns to APRA's principles in respect of prudent risk taking and long-term soundness because sustainable businesses are underpinned by strong trust and reputation. Any significant risk matter that arises over the performance period is expected to be reflected in the reputation score.
- RepTrak reputation index is measured against financial services peers including AMP Limited, Australia & New Zealand Banking Group Ltd, Australian Retirement Trust, Australian Super, Bank of Queensland Limited, Commonwealth Bank of Australia, Insurance Australia Group Limited, ING, Medibank Private Limited, National Australia Bank Limited, QBE Insurance Group Limited, Suncorp Group Limited, and Westpac Banking Corporation.
- Threshold performance for Reputation is to maintain an average gap of 8 points above the average of the Big 4 Banks (ANZ, CBA, NAB, WBC) measured quarterly over the performance period. Relative Reputation against a broad financial services peer group determines performance above threshold. The vesting outcome as below:

Reputation Score	Vesting outcome
Below threshold	0%
Meet threshold	50%
Meet threshold and between 50.1th percentile and 75th percentile	Straight-line vesting between 50% and 100%
Meet threshold and above the 75th percentile	100%

### Retesting

LTI grants are tested at the conclusion of the performance period for each award. There is no retesting of awards.

### Cessation of employment

If the CEO and MD's employment with the Bank ceases due to resignation or termination for cause prior to the end of the applicable vesting period, all unvested performance rights will lapse on the last day of the CEO and MD's employment.

If the CEO and MD's employment with the Bank ceases due to retirement, redundancy, total permanent disability, death or any other reason determined by the Board, all unvested performance rights will remain on foot and continue to be held subject to the Omnibus Equity Plan Rules and the terms and conditions of the award. The Board may consider the portion of the vesting period remaining and performance against the performance measures at the time of cessation when determining the treatment.

Notwithstanding the above, the Board has discretion to treat the CEO and MD's performance rights in a different manner to that set out above, subject to compliance with applicable law.

### Additional information

Since his appointment as the CEO and MD, Richard Fennell has been issued with performance rights as part of a LTI opportunity as follows:

Grant date	Performance test date	Vest date	Performance rights granted
25 Nov 24	30 Jun 28	1 Sep 28	45,527
25 Nov 24	30 Jun 28	1 Sep 29	45,527
25 Nov 24	30 Jun 28	1 Sep 30	45,664

The Non-Executive Directors consider the proposed remuneration arrangements for the CEO and MD, including the proposed grant of performance rights under the Omnibus Equity Plan, to be reasonable and appropriate, having regard to the Bank's circumstances and the duties and responsibilities of the CEO and MD.

**Recommendation:** The Non-Executive Directors unanimously recommend that shareholders vote in favour of this resolution. Richard Fennell has a material personal interest in the resolution and, therefore, has abstained from providing a recommendation.

You may appoint a proxy to vote on your behalf. This may be done by completing the Direct Voting/Proxy Form or by appointing the proxy through the online voting facility by **11:00 am (AEDT) Sunday 19 October 2025**. A proxy need not be a shareholder of the Bank. If you are entitled to cast two or more votes you may nominate two persons to vote on your behalf at the AGM. If two proxies are appointed, ensure that the percentage or proportion of your votes is specified. If no such percentage or proportion is specified, each proxy may exercise half your votes. Fractions of votes will be disregarded.

Votes may be cast as 'For', 'Against', or you may 'Abstain' from voting on a resolution.

To indicate how you want the proxyholder to vote on a resolution, indicate your voting instruction by selecting 'For', 'Against', or 'Abstain', or insert the number of shares or percentage of shares that you wish to vote in the appropriate box. A valid voting direction must not exceed the total number of shares held or 100%. If you 'Abstain' from voting your votes will not be counted in calculating the required majority on a poll.

If you wish to appoint a second proxy or to vary a previously notified proxy please contact the Bank's share registry, MUFG email on [BEN@cm.mpms.mufig.com](mailto:BEN@cm.mpms.mufig.com) or by telephoning +61 1300 551 242.

## 10. CONDUCT OF THE AGM

The Bank is committed to ensuring that its shareholder meetings are conducted in a manner that provides those shareholders or their proxyholders who attend the meeting with the opportunity to participate in the business of the meeting in an orderly fashion.

## HOW TO COMPLETE THIS SHAREHOLDER VOTING/PROXY FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

### VOTING UNDER BOX A

If you ticked the box under Box A you are indicating that you wish to vote directly. Please only mark either **"for"** or **"against"** for each item. Do not mark the **"abstain"** box. If you mark the **"abstain"** box for an item, your vote for that item will be invalid.

If no direction is given on all of the items, or if you complete both Box A and Box B, your vote may be passed to the Chair of the Meeting as your proxy.

Custodians and nominees may, with the Share Registrar's consent, identify on the Voting/Proxy Form the total number of votes in each of the categories **"for"** and **"against"** and their votes will be valid.

If you have lodged a direct vote, and then you attend the Meeting, your attendance will cancel your direct vote.

The Chair's decision as to whether a direct vote is valid is conclusive.

### VOTING UNDER BOX B – APPOINTMENT OF PROXY

If you wish to appoint the Chair of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name and email of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

### DEFAULT TO CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Voting/Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Voting/Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Voting/Proxy Form and the second Voting/Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.

### SIGNING INSTRUCTIONS

You must sign this form as follows in the spaces provided:

**Individual:** where the holding is in one name, the holder must sign.

**Joint Holding:** where the holding is in more than one name, all shareholders must sign.
