Bitcoin Acquisition and Bitcoin Treasury Management

The Board of Directors of 333D Ltd (ASX:T3D or “**Company**”), a company specialising in the creation and management of digital assets, is pleased to provide an update on operating activities.

Receipt of Research & Development Grant funds

The Company confirms it has received \$413,772 in funding under the Research and Development Tax Incentive (**RDTI**) for the FY2025 tax year. The RDTI funds are surplus to current operating requirements and have been provisioned under the recently approved *Bitcoin Treasury Management Policy* (**Policy**) to be applied towards the acquisition of Bitcoin.

Bitcoin Acquisition as part of digital asset management strategy

Further to the Company’s announcement of 21 August 2025 advising of the intention for cash in excess of the working capital requirements to be held in Bitcoin, the Company is pleased to announce it has made its first series of Bitcoin purchases. The Company also advises Directors will be attending the *Bitcoin Asia 2025* conference later this week where they have meetings planned with several internationally renowned digital asset and Bitcoin advocates.

Confirmation of Bitcoin Holdings

Pursuant to the Policy, the Company is committed to transparency and will update the market in accordance with the Policy and ASX disclosure obligations if and when a material Bitcoin acquisition is made.

Accordingly, the Company announces the following Bitcoin acquisition:

Bitcoin acquired:	2.01830401 BTC
Total Purchases (\$AUD):	\$370,500
Average purchase price per Bitcoin (\$AUD):	\$183,570
T3D mNAV (as at 22 August 2025): ⁱ	5.3 times
