Ventia secures contract extension with City of Sydney

Ventia Services Group Limited (ASX:VNT) is pleased to announce the extension of its Facility Management Agreement with the City of Sydney, valued at approximately \$100 million over two years.

The extension will commence on 22 January 2026 and continue through to 21 January 2028, reinforcing the City of Sydney's continued confidence in Ventia's ability to deliver high-quality, data-driven and strategic asset management services across its diverse asset portfolio.

Since the partnership began in April 2018, Ventia has provided integrated facilities management services across 251 City-owned assets, including iconic heritage-listed buildings such as Sydney Town Hall and Customs House. The scope of services includes hard and soft facilities management, project works, cleaning, maintenance, and strategic asset management.

"We're proud to continue our partnership with the City of Sydney, leveraging smart data and enhanced visibility to drive more informed decision-making. This partnership is a testament to how innovation and collaboration in facilities management can create value and maximise our customers' return on investment", said Managing Director and Group CEO Dean Banks.

This announcement has been authorised for release by the Ventia Disclosure Committee.
