Equity Raising update

Amplitude Energy Limited (ASX: AEL, “Amplitude Energy” or “the Company”) is pleased to announce the successful completion of its fully underwritten institutional placement (“Placement”) and the institutional component (the “Institutional Entitlement Offer”) of its 1-for-6.35 accelerated non-renounceable entitlement offer (“Entitlement Offer”) of new fully paid Amplitude Energy ordinary shares (“New Shares”) announced on Tuesday, 23 September 2025 (“Equity Raising” or the “Offer”).

The Placement and the Institutional Entitlement Offer, were strongly supported by both existing institutional shareholders and new institutional investors, raising approximately \$131 million (subject to reconciliation) at a fixed offer price of \$0.24 per share (“Offer Price”).

Approximately 93% of entitlements available to eligible institutional shareholders under the Institutional Entitlement Offer were taken up.

Amplitude Energy’s Managing Director & CEO, Jane Norman said:

“I am very pleased with the strong support received from our existing institutional shareholders and would like to take this opportunity to welcome our new shareholders to the register. This equity raising puts us in a position to leverage our existing infrastructure and accelerate growth via the addition of the Nestor prospect to the East Coast Supply Project, alongside other accretive opportunities, primarily the restart of Patricia Baleen. These are exciting opportunities to supply lower cost domestic gas to the southeastern states where it is needed the most.”

The Placement and Institutional Entitlement Offer will result in the issue of approximately 544 million New Shares, comprising approximately 208 million New Shares issued in the Placement and 336 million New Shares in the Institutional Entitlement Offer.

Settlement of the Placement and Institutional Entitlement Offer is expected to take place on Wednesday, 1 October 2025, with the New Shares expected to be allotted and commence trading on Thursday, 2 October 2025.

Retail Entitlement Offer

The retail component of the Entitlement Offer (“Retail Entitlement Offer”) is fully underwritten and is expected to raise approximately \$20 million.

Eligible retail shareholders who hold Amplitude Energy shares as at 7:00pm (Sydney time), Thursday 25 September 2025 and have a registered address in Australia or New Zealand (“Eligible Retail Shareholders”) will be invited to participate in the Retail Entitlement Offer at the Offer Price. The Retail Entitlement Offer will open on Tuesday, 30 September 2025 and close 5:00pm (Sydney time) on Thursday, 9 October 2025.

Eligible Retail Shareholders who take up their entitlement in full can also apply for additional New Shares in excess of their entitlement up to a maximum of 50% of their entitlement under an oversubscription facility (the “Retail Oversubscriptions Facility”). The additional New Shares to be issued in the Retail Oversubscription Facility will only be available where there is a shortfall between applications received from Eligible Retail

Shareholders and the number of New Shares proposed to be issued under the Retail Entitlement Offer. Amplitude Energy retains the flexibility to scale back applications in the Retail Oversubscriptions Facility at its discretion.

Further details about the Retail Entitlement Offer will be set out in the Retail Entitlement Offer information booklet (“Retail Offer Booklet”), which will also enclose personalised entitlement and acceptance forms. Amplitude Energy expects to lodge the Retail Offer Booklet with the ASX and dispatch to Eligible Retail Shareholders on Tuesday, 30 September 2025. Eligible Retail Shareholders are encouraged to read the Retail Offer Booklet in its entirety, in particular, the risk factors, and should seek financial advice if they are uncertain of whether or not to participate.
