RESOLUTIONS 1 AND 2 — RE-ELECTION AND ELECTION OF DIRECTORS

The Company’s Constitution provides for the retirement of one-third of the directors from office at each Annual General Meeting. The directors who are to retire is determined according to the length of time each director has spent in office, with the director having spent the longest time in office retiring. By virtue of the Company’s Constitution and Listing Rules, Mr John Mulcahy is retiring by rotation at this Annual General Meeting and, being eligible, he offers himself for re-election at the meeting.

As previously announced, the Company has recently undertaken a Board renewal process which is nearing completion. To ensure a smooth transition and appropriate balance between newer term directors and longer term directors, it is proposed that Mr Mulcahy be re-elected as a director. It is currently anticipated that Mr Mulcahy would continue to be a director for a period of approximately 12 months following the Annual General Meeting in order to support that process.

In accordance with clause 10.10 of the Constitution, the Board appointed Mr Brett Draffen a Non-Executive Director of the Company on 4 November 2024. Under the Constitution Mr Draffen holds office until the next Annual General Meeting, at which time he must retire and is eligible for election.

Profiles of Mr Mulcahy and Mr Draffen are outlined below:

JOHN MULCAHY PHD (CIVIL ENGINEERING)

Independent Non-Executive Director

- Expertise: Engineer, banker and experienced company director
- Special Responsibilities: Member of People and Culture Committee

Mr Mulcahy was appointed a Non-Executive Director of GWA Group Limited in 2010 and was the Deputy Chairman between November 2013 and March 2025. He is a Non-Executive Director of ALS Limited. He is the former Chair of Mirvac Group Limited, and former Managing Director and Chief Executive Officer of Suncorp Group Limited (“Suncorp”). Prior to joining Suncorp, he held a number of senior executive roles at the Commonwealth Bank and Lend Lease Corporation.

The Board considers Mr Mulcahy to be independent.

BRETT DRAFFEN BBUS (VALUATION & LAND ECONOMY), INSEAD GRADUATE

Independent Non-Executive Director

- Expertise: Experienced company executive with extensive strategic and operational experience
- Special Responsibilities: Chair of the People and Culture Committee

Mr Draffen has extensive experience in the construction, development and property investment sectors, including his current role as CEO of Lewis Land Group since October 2023. Prior to this role, Mr Draffen held various executive roles at Mirvac Group Ltd including Chief Investment Officer for 9 years and CEO Development, where he was responsible for portfolio construction, strategy, capital allocation and investment and operational decisions across Mirvac’s \$15 billion real estate investment and development activities.

The Board considers Mr Draffen to be independent.

Recommendation

The Board (with the relevant Director seeking re-election or election abstaining) recommends you support the resolution re-electing Mr John Mulcahy and electing Mr Brett Draffen as directors of the Company.

RESOLUTION 3 — ADOPTION OF REMUNERATION REPORT

This resolution is a requirement of section 250R(2) of the Corporations Act.

Shareholders non-binding vote on the Remuneration Report

Section 250R(2) of the Corporations Act requires that the Company's members vote on whether or not the Remuneration Report should be adopted. This vote is advisory only and the outcome will not be binding on the Board.

Prior to holding this vote, the Chair will allow a reasonable opportunity for shareholders to ask questions or make comments about the Remuneration Report.

What is included in the Remuneration Report?

The Remuneration Report includes information on how Company directors and certain executives are remunerated. More specifically, the report includes disclosure of all elements of the remuneration received by the Company's directors and other key management personnel.

The report also includes a discussion of the Board's policy for determining executive remuneration and the relationship between the Board's policy for determining remuneration and the Company's performance.

In respect of executives whose remuneration is linked to performance conditions, the report contains:

1. a summary of the performance conditions that attach to each element of their remuneration; and
2. an explanation of the relative proportions of those elements of their remuneration that are linked to performance conditions and those elements of their remuneration that are not.

In respect of executives who are employed under a contract, the report sets out the length of the contract, the notice period for terminating the contract and the amount of any termination payments payable under the contract.

Recommendation

The Remuneration Report forms part of the Directors' Report, adopted in accordance with a unanimous resolution of the directors. The Board recommends shareholders vote in favour of the adoption of the Remuneration Report.

RESOLUTION 4 — APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO MANAGING DIRECTOR, MR URS MEYERHANS, UNDER THE GWA LONG TERM INCENTIVE PLAN

Background

The GWA Group Limited Long Term Incentive Plan (LTIP) was approved by shareholders at the Annual General Meeting on 30 October 2008, and forms part of the Company's remuneration strategy. The LTIP is designed to align the interests of executives and shareholders and to assist the Company in the attraction, motivation and retention of executives.

Under the LTIP, eligible persons may be granted performance rights on terms and conditions determined by the Board from time to time (**Performance Rights**). A Performance Right is the right to receive one share in the Company, at no exercise price, subject to the satisfaction of all applicable vesting conditions. The Board has a discretion to satisfy Performance Rights in cash by payment of an amount equal to the gross value (as determined by the Board in its discretion) of the Shares that would have been allocated or transferred to the participant if the Board chose to settle the Performance Rights in Shares (including any applicable superannuation).

Key terms of the FY26 LTIP

Continued employment condition

This condition is satisfied if the employee continues to be an employee or director of GWA or its related bodies corporate at the **Test Date** (i.e. 5.00pm on the date on which the Company releases its audited full year financial statements for the year ending 30 June 2028 to ASX).

If they cease to be an employee before that time, all Performance Rights lapse unless the Board determines, in its absolute discretion, that some or all will not lapse and will be tested against the TSR and EPS performance hurdles on the Test Date.

In any event, all Performance Rights (including those vested) will lapse and be immediately forfeited in cases of fraud, gross dishonesty, or termination of employment for a reason that would justify summary dismissal by the employer.

Vesting conditions

For the provision of benefits under the LTIP in FY26, the Board has decided on the following two measures to determine awards under the plan:

- 50% of Performance Rights calculated by reference to Earnings Per Share (**EPS**) growth targets for the relevant performance period (**EPS Hurdle**); and
- 50% of Performance Rights calculated by reference to relative Total Shareholder Return (**TSR**) for the relevant performance period (**TSR Hurdle**).

The Board has considered the structure and operation of the LTIP and determined to make the following changes to the LTIP in FY26:

- the percentage proportion of Performance Rights to vest under the EPS Hurdle and TSR Hurdle has been reweighted equally to 50% each (FY25 LTIP 70% EPS Hurdle and 30% TSR Hurdle); and
- the rate at which the Performance Rights vest under the EPS Hurdle and TSR Hurdle has been increased.

Both EPS and TSR are key measures on which the Company's strategic plan is focused. Ensuring long term incentive rewards are contingent on these measures is consistent with the Board approved strategy. The performance hurdles and vesting proportions for each measure that will apply to the grant of Performance Rights during FY26 are set out below.

The Performance Rights proposed to be issued will have a three-year performance period (from 1 July 2025 to 30 June 2028) (**Performance Period**).

EPS Hurdle

50% of Performance Rights will be assessed against the EPS Hurdle.

EPS is calculated by reference to the Company's audited accounts, in accordance with the Accounting Standards. The Board has discretion to make reasonable adjustments to the profit component of the calculation where it is unduly distorted by significant or abnormal events, and to ensure it reflects underlying trading performance.

The EPS Hurdle is tested by calculating the compound annual growth rate (**CAGR**) in the Company's EPS, using EPS at the end of FY25 as the base year. The resulting growth rate is used to determine the level of vesting for the Performance Rights subject to the EPS Hurdle.

The EPS Hurdle will be tested at 30 June 2028. The table below sets out the percentage of Performance Rights that can vest depending on the Company's growth in EPS (including a comparison to the vesting rate under the FY25 LTIP).

GWA Group Limited EPS CAGR over 3 year performance period	Proportion of Performance Rights to vest if EPS hurdle is met
Less than 5%	0% (FY25: 0%)
Equal to 5%	50% (FY25: 25%)
Between 5% and 10%	Straight line vesting between 50% & 100% (FY25 between 25% and 100%)
10% and higher	100% (FY25: 100%) (i.e. 50% of total grant)

TSR Hurdle

50% of Performance Rights will be assessed against the TSR Hurdle.

The TSR Hurdle measures the growth in the price of securities plus cash distributions notionally reinvested in securities. The TSR Hurdle compares the Company's TSR over the Performance Period against the TSR of each company in the S&P/ASX Small Ordinaries index as at 1 July 2025 over the same period. For the purposes of calculating the TSR measurement, the security prices (plus cash distributions notionally reinvested in securities) of the Company and each comparator company will be averaged over the 20 consecutive ASX trading days preceding the start date and end date of the relevant Performance Period.

The percentage of Performance Rights that vest depending on the performance of the Company's TSR is set out in the table below (including a comparison to the vesting rate under the FY25 LTIP).

TSR of GWA Group Limited relative to TSRs of Comparator Companies	Proportion of Performance Rights to Vest if TSR hurdle is met
Less than 50th percentile	0% (FY25: 0%)
Equal to 50th percentile	50% (FY25: 25%)
Between 50th and 75th percentile	Straight line vesting between 50% & 100% (FY25 between 25% and 100%)
75th percentile or higher	100% (FY25: 100%) (i.e. 50% of total grant)

The Board considers the S&P/ASX Small Ordinaries index to be an appropriate comparator group for the Company. The index is designed to measure companies included in the S&P/ASX 300, but not in the S&P/ASX 100. It ensures an adequate number of comparator companies is included for the TSR Hurdle, including companies outside the building supplies and construction materials industry but subject to similar external influences.

The Board has discretion to adjust the comparator group to take into account events including, but not limited to, takeovers, mergers, de-mergers and similar transactions that might occur over the performance period.

Number of Performance Rights

The number of Performance Rights to be granted to Mr Meyerhans is calculated as follows: 150% of his total fixed remuneration for FY26 (being, base salary plus superannuation) divided by the volume weighted average price of shares in the Company calculated over the 10 trading days following the announcement of the full year financial results for FY25 (being, \$2.54). That is:

$$\frac{150\% \times \$1,000,000}{\$2.54} = 590,551 \text{ Performance Rights}$$

Accordingly, if this Resolution 4 is approved by shareholders, the number of Performance Rights to be granted to Mr Meyerhans for FY26 is 590,551 Performance Rights, with a maximum face value equal to 150% of Mr Meyerhans' total fixed remuneration (i.e. \$1,000,000 x 150% = \$1,500,000).

Approval sought

The Board is seeking shareholder approval by ordinary resolution for the grant of 590,551 Performance Rights under the LTIP to the Managing Director, Mr Urs Meyerhans, in accordance with the requirements of Listing Rule 10.14 and for all other purposes.

ADDITIONAL INFORMATION AND OTHER KEY TERMS OF THE LTIP

Listing Rule 10.14 provides that the Company must not issue securities to a Director under an employee incentive scheme without shareholder approval. Pursuant to Listing Rules 10.11 and 10.12 (Exception 7), further shareholder approval is not required for the subsequent exercise and conversion of the Performance Rights into shares in the Company. If shareholder approval is given under Listing Rule 10.14, shareholder approval is also not required for the grant of those Performance Rights under Listing Rule 7.1 and the Performance Rights granted will not count towards the 15% limit on the number of equity securities that the Company may issue or agree to issue in any 12 month period without shareholder approval or an exception under Listing Rule 7.1.

Mr Meyerhans is eligible to receive Performance Rights under the LTIP, potentially vesting and becoming exercisable after the performance period from 1 July 2025 to 30 June 2028. Performance Rights which do not vest will lapse and will not be re-tested. Once vested, Performance Rights may be exercised before their expiry seven years after the date of grant.

It is noted that as Mr Meyerhans is a director of the Company, he is a related party under Listing Rule 10.11.1 and he falls within the category of Listing Rule 10.14.1. The granting of Performance Rights is intended to remunerate or incentivise Mr Meyerhans. Accordingly, for the purposes of Listing Rule 10.15.4, Mr Meyerhans' current total maximum remuneration package for FY26 is \$3,500,000: comprising \$1,000,000 as total fixed remuneration (inclusive of superannuation), and variable remuneration up to \$1,000,000 under the Company's Short Term Incentive plan and \$1,500,000 under the LTIP. Shareholders are referred to the Remuneration Report for further details of Mr Meyerhans' remuneration arrangements.

Performance Rights will vest depending upon the Company meeting or exceeding the relevant performance hurdles during the relevant performance period.

The basis of the grant to Mr Meyerhans is as follows:

- 50% of the Performance Rights are subject to the EPS Hurdle; and
- 50% of the Performance Rights are subject to the TSR Hurdle.

No amount is payable by Mr Meyerhans for the Performance Rights proposed to be issued to him, or for shares issued on exercise of these Performance Rights.

Mr Meyerhans is currently the only director eligible under the LTIP rules to be granted Performance Rights. No person who requires approval to participate in the LTIP under Listing Rule 10.14 will be granted Performance Rights unless and until a separate shareholder approval is obtained for the purposes of Listing Rule 10.14.

There is no loan scheme in relation to the grant of Performance Rights under the LTIP.

In accordance with the LTIP rules, Mr Meyerhans is prohibited from entering into hedging transactions or arrangements which reduce or limit the economic risk of holding unvested Performance Rights.

Mr Meyerhans will also be subject to the clawback provisions under the LTIP rules. Any shares allocated on exercise of the Performance Rights will not be subject to any further trading restrictions, subject to complying with the Company's Share Trading Policy.

The Plan Rules provide that if a takeover bid is made to acquire all of the issued shares of the Company, or a scheme of arrangement, selective capital reduction or other transaction is initiated which has an effect similar to a full takeover bid for shares in the Company, the Board may in its discretion determine that the Performance Rights will vest.

The Plan Rules also provide that if there is a bonus issue or equal capital return when the Performance Rights are not vested and exercised, on exercise Mr Meyerhans will be entitled to an additional number of Shares which would have been issued, or an additional cash payment that would have been made to him, if the Performance Right has been exercised prior to the record date. If there is a reorganisation of capital, the terms of the Performance Rights will be amended in accordance with the Listing Rules.

The Board has broad "clawback" powers to determine that all or a specified number of Performance Rights lapse, any shares allocated on vesting are forfeited, or that amounts are to be repaid to the Company, in certain circumstances.

Details of any Performance Rights granted under the LTIP (and shares issued upon their exercise) will be published in the Company's Annual Report relating to the period in which they have been granted, together with a note that approval of the grant was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of any Performance Rights granted under the LTIP (or any shares issued upon their exercise) after the resolution is approved and who were not named in this notice of meeting will not participate until approval is obtained under that rule.

The grant of Performance Rights to Mr Meyerhans will be made no later than 3 years after the date of this meeting.

Mr Meyerhans has previously been granted a total of 2,072,527 Performance Rights under the LTIP, as set out below:

- 622,406 Performance Rights were granted on 4 November 2024, relating to the three year performance period 1 July 2024 to 30 June 2027, as approved by shareholders at the Annual General Meeting on 4 November 2024;
- 742,574 Performance Rights were granted on 30 October 2023, relating to the three year performance period 1 July 2023 to 30 June 2026, as approved by shareholders at the Annual General Meeting on 30 October 2023; and
- 707,547 Performance Rights were granted on 28 October 2022, relating to the three year performance period 1 July 2022 to 30 June 2025, as approved by shareholders at the Annual General Meeting on 28 October 2022.

No amount was or is payable by Mr Meyerhans for these Performance Rights or for shares issued on exercise of these Performance Rights.

Recommendation

The Board (other than Mr Meyerhans who is not entitled to vote) recommends you support the resolution approving the grant of 590,551 Performance Rights to the Managing Director, Mr Urs Meyerhans, under the terms of the GWA Long Term Incentive Plan. None of the directors (other than Mr Meyerhans) has an interest in the outcome of Resolution 4.
