Director Independence

The ability of directors to exercise independent judgement is a crucial feature of good corporate governance. Independent, non-executive directors are unfettered by management and free from any business or other relationship that could materially interfere with the independent exercise of their judgement.

The Board has determined Mr Mick Wilkes is an independent director on the basis that he is free of any interest, position, or relationship that might influence or reasonably be perceived to influence, in a material respect, his capacity to exercise independent judgement.

The length of the service of all the directors is subject to the Company's Constitution, the ASX Listing

Rules and the seeking of re-election every 3 years which is to be approved by shareholders.

Director Induction

All new directors participate in an induction program which involves senior management. The induction program includes briefings on the Company's strategy, organisation structure, corporate governance practices, risk management framework, culture, charters and policies regarding the required ethical conduct of directors and employees and all new directors are provided a comprehensive Induction Manual which includes all these items.

The Company supports appropriate professional development opportunities where required for directors and senior management to develop and maintain the skills and knowledge needed to perform their roles effectively.

Remuneration for Non-executive directors (**NEDs**) is fixed and is subject to a remuneration pool of \$500,000 which was approved by shareholders in 2021. NEDs do not receive any performance-based remuneration or retirement benefits schemes. In FY 25, as part of cost saving initiatives, NEDs were invited to sacrifice some or all of their fees in lieu of zero exercise price options, subject to shareholder approval. At Andromeda Directors are required to build and maintain a holding in Andromeda shares to align their interests with those of the shareholders. The Board requires each independent Director to accumulate a minimum shareholding equivalent to 100% of their fixed annual fee within five years of the date of their appointment as a Director of the Company and to maintain such minimum shareholding for so long as they remain a Director. Details of NEDs' fees and shareholdings and senior executives' remuneration are disclosed in the Remuneration Report contained in Andromeda's 2025 Annual Report, which is available on our website.

The Company Secretary is directly accessible to the Directors and is accountable directly to the Board on all matters relating to governance and the proper functioning of the Board. The Corporate Governance Statement is accurate and up to date as at 29 September 2025 and has been approved by the board.

The annexure includes a key to where our corporate governance disclosures can be located.³

Date: 29 September 2025

Name of authorised officer authorising lodgement: Sarah Clarke (Acting CEO, General Counsel and Company Secretary)

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
