Item 4: Approval of securities under the LTI Plan

The Company transitioned its long-term incentive program to introduce ZEPOs with performance hurdles in FY25. At the time of the Company's 2024 AGM, the terms of the ZEPOs were still being finalised.

Accordingly, shareholders are now being asked to approve a grant of:

- (a) 13,794 ZEPOs to Phillip Britt under the FY25 LTI Plan. Phil retired as Group Managing Director on 28 February 2025 and this grant of ZEPOs is proposed to be made in respect of his period of service as Group Managing Director in FY25;
- (b) 51,892 ZEPOs to Michael Omeros under the FY25 LTI Plan; and
- (c) 67,700 ZEPOs to Michael Omeros under the FY26 LTI Plan.

For the grant of the FY25 ZEPOs, the number of ZEPOs to be granted to Phil and Michael was determined by the volume weighted average price of the Company's ordinary shares traded on the ASX over the 10 trading days up to but not including 1 July 2024 (being \$3.52 per ZEPO) and rounding down to the nearest whole number.

The number of ZEPOs to be granted to Phil was then pro-rated to reflect the period served as Group Managing Director in FY25. The number of ZEPOs to be granted to Michael for FY25 includes an allocation of 12,785 ZEPOs in relation to Michael's service as the Chief Executive Officer of Symbio for a period of 17 weeks in FY24.

For the grant of FY26 ZEPOs, the number of ZEPOs to be granted to Michael has been determined by the volume weighted average price of the Company's ordinary shares traded on the ASX over the 10 trading days up to but not including 1 July 2025 (being \$3.966 per ZEPO) and rounding down to the nearest whole number.

Terms of ZEPOs

The key terms of the ZEPOs are summarised below:

TERM	
Entitlements	Each ZEPO constitutes a right to receive one ordinary share in the Company, subject to achievement of the performance hurdles.
Exercise price	As the ZEPOs form part of the variable remuneration component of the participant's remuneration package, no amount is payable by the participant on the granting or exercise of ZEPOs.

Performance measures

ZEPOs issued under the FY25 Plan

The ZEPOs issued under the Plan for the FY25 period are conditional on the participant remaining employed at the end of the performance period (30 June 2027) unless the Board determines otherwise.

The ZEPOs are subject to satisfaction of the following performance measure:

- EPS Growth, measured over the 3 year performance period from 1 July 2024 to 30 June 2027. This metric measures the growth of the Company's earnings per share from continuing operations (**EPS**).

The EPS Growth measure will be satisfied as shown below:

EPS GROWTH OVER THE PERFORMANCE PERIOD	PROPORTION OF ZEPOS THAT VEST
EPS growth < 7.5%	Nil
EPS growth >7.5% to 12.499%	Straight line pro rata vesting between 33% to 80%
EPS growth >12.5% to 19.999%	Straight line pro rata vesting between 80% to 100%
EPS growth ≥ 20%	100%

ZEPOs issued under the FY26 Plan

The FY26 ZEPOs issued under the Plan are conditional on the participant remaining employed at the end of the 3 year performance period (30 June 2028), unless the board determines otherwise.

The ZEPOs are subject to satisfaction of two performance measures:

- 66.67% subject to EPS Growth, measured over the 3 year performance period (from 1 July 2025 to 30 June 2028) with this measure satisfied in accordance with the table below:

However, the Board may in its discretion determine that a cash equivalent amount be paid to a participant upon vesting. Shares allocated on exercise of any ZEPOs will rank equally with other ordinary shares of the Company.

TERM	
	• unvested ZEPOs immediately lapse. If a participant ceases employment with the Company (or any of its controlled entities) for another reason other than those specified above (such as death, incapacity, or redundancy): • vested ZEPOs which have not been exercised will continue to be exercisable up to the expiry date; and • the Board can determine, in its absolute discretion, the manner in which unvested ZEPOs will be dealt with.
Change of control	On a change of control of the Company, the Board has discretion to determine whether some or all of a participant's unvested ZEPOs will vest, lapse or remain 'on-foot' subject to the existing terms or subject to varied terms.
Malus and clawback	The Board has discretion to adjust, lapse or claw back an award if a participant has engaged in certain conduct, including where in the opinion of the Board the participant has engaged in conduct which adversely affects the financial position or reputation of the group, has acted fraudulently, has materially breached their obligations, has engaged in serious misconduct or is convicted of an offence.

- Phillip Britt or any of his associates;
- Michael Omeros or any of his associates; and
- any person referred to in Rule 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the LTI Plan.

However, this does not apply to a vote cast in favour of resolutions 4(a), 4(b) and 4(c) by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or

- by the Chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolutions as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting on the relevant item, and is not an associate of a person excluded from voting on the relevant item; and
 - the holder votes on the item in accordance with directions given by the beneficiary to the holder to vote in that way.

Board recommendation

The Board (other than Phillip Britt and Michael Omeros in respect of each of their grants) considers the proposed grants of ZEPOs to be appropriate in all the circumstances. The Board (other than Phillip Britt and Michael Omeros in respect of each of their grants) recommends that shareholders vote in favour of items 4(a), 4(b) and 4(c).

Item 5: Increase in Non-Executive Director fee pool

ASX Listing Rule 10.17 provides that a listed entity must not increase the total aggregate amount of directors' fees payable to its Non-Executive Directors without shareholder approval. Clause 14.4(a) of the Company's Constitution provides that the shareholders in a general meeting may from time to time determine the maximum aggregate remuneration to be provided to or for the benefit of the Directors for services rendered as Directors.

The current Non-Executive Director fee pool of \$850,000 per annum was approved by shareholders at the Company's 2022 AGM. Shareholder approval is sought to increase the Non-Executive Directors' fee pool in any financial year by \$350,000, to \$1,200,000 per annum.

The Board seeks shareholder approval to increase the Non-Executive Directors' fee pool for the following reasons:

- To acknowledge and reflect the size of the current Board with 6 Non-Executive Directors, taking into consideration the transition of Phillip Britt from the role of Group Managing Director to a Non-Executive Director;
- To ensure that the Company can attract and retain the calibre of experience and skill sets it requires at Board level; and
- The NED fees have been increased from 1 January 2025 in line with external benchmarking of NED fees.

In light of the above, the Board considers that it is appropriate to put this proposed increase in the Non-Executive Directors' fee pool to the shareholders at this time.

The following securities have been issued to Non-Executive Directors under Listing Rule 10.11 or 10.14 with the approval of shareholders within the preceding 3 years:

DATE OF ISSUE	NAME OF NON-EXECUTIVE DIRECTOR	NUMBER AND TYPE OF SECURITIES
24 August 2023	Adrian Fitzpatrick	13,866 NED Rights valued at \$2.93 per security
	Richard Dammery (resigned 25 October 2024)	10,224 NED Rights valued at \$2.93 per security
	Vicky Papachristos (resigned 1 April 2025)	13,634 NED Rights valued at \$2.93 per security
9 May 2024	Sue Klose	5,419 NED Rights valued at \$2.93 per security
17 September 2024	Adrian Fitzpatrick	14,220 NED Rights valued at \$3.516 per security
	Richard Dammery (resigned 25 October 2024)	6,996 NED Rights valued at \$3.516 per security
	Vicky Papachristos (resigned 1 April 2025)	7,424 NED Rights valued at \$3.516 per security
	Sue Klose	12,360 NED Rights valued at \$3.516 per security
26 August 2025	Adrian Fitzpatrick	12,608 NED Rights valued at \$3.966 per security
	Sue Klose	12,608 NED Rights valued at \$3.966 per security
	Graeme Barclay*	15,758 NED Rights valued at \$3.966 per security
	Sarah Adam-Gedge	10,086 NED Rights valued at \$3.966 per security

**The issue of FY26 NED Rights to Graeme Barclay will occur once share registry KYC requirements have been completed, due to the Rights being issued into a nominee holder (trust) as opposed to a direct holding.*

All of the above securities were issued under the Company's Non-Executive Director Fee Sacrifice Plan, which was last approved by shareholders, including for the purpose of Listing Rule 10.14, on 25 October 2024.

In addition, before becoming a Non-Executive Director on 1 March 2025, Phillip Britt was the Group Managing Director. In that capacity, he was issued securities with shareholder approval

under ASX Listing Rules 10.11 or 10.14. Details of those issuances are outlined in the Company's previous remuneration reports.

If item 5 is approved, the remuneration pool of Non-Executive Directors will increase to \$1,200,000 per annum.

If item 5 is not approved, the remuneration pool of Non-Executive Directors will remain at \$850,000 per annum and the Board will not have the flexibility described above, and the fees payable to any future Non-Executive Director appointments will need to be assessed within the current fee pool.

The proposed increase to the Non-Executive Director fee pool does not impact upon remuneration of Executive Directors.

Voting exclusion statement

The Company will disregard any votes cast:

- in favour of item 5 by or on behalf of any Director of the Company or any of their associates in any capacity; and
- on item 5 as proxy by a person who is a member of the Company's KMP (or their closely related parties) at the date of the AGM,

unless the vote is cast:

- as proxy for a person entitled to vote on the item in accordance with a direction as to how to vote provided by that person; or
- by the Chair of the AGM as proxy for a person who is entitled to vote on the item, because the Chair has received express authority to vote undirected proxies as the Chair sees fit even though the item is connected with the remuneration of KMP; or
- in favour by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the item; and
 - the holder votes on the item in accordance with directions given by the beneficiary to the holder to vote in that way.

Board recommendation

As each of the Non-Executive Directors has a personal interest in this item, the Board does not make a recommendation to shareholders in relation to this item.

Item 6: Ratification of prior issue of shares

On 25 August 2025, the Company announced that it had entered into a six-year agreement to provide wholesale services to More Telecom and Tangerine Telecom. In consideration for the

agreement, the Company issued 5,876,944 fully paid ordinary shares to More Telecom Pty Ltd on 25 August 2025.

Reasons for proposing the resolution

ASX Listing Rule 7.1 imposes a limit on the number of equity securities that the Company can issue or agree to issue in any 12-month period without shareholder approval (**15% placement capacity**) unless an exemption applies. Under ASX Listing Rule 7.4, an issue of any equity securities may be treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the holders of ordinary shares in the Company subsequently approve it.

The issue of the shares was within the limits of the Company's 15% placement capacity and therefore did not require shareholder approval to proceed. The purpose of item 6 is to refresh the Company's 15% placement capacity so that its capacity would be the same as if the issue of the shares had proceeded with shareholder approval. If shareholders ratify the issue of the shares, they will no longer be counted towards the Company's 15% placement capacity and the Company will have greater flexibility as to how it manages its future capital requirements.

Notwithstanding any approval by shareholders of the proposed resolution in item 6, any future equity issuances will remain subject to the 15% placement capacity under ASX Listing Rule 7.1 unless an exemption applies. If shareholders do not approve item 6, the shares will continue to be counted towards the Company's 15% placement capacity, which may restrict the Company's ability to issue further securities for 12 months from the issue of the shares.

Voting exclusion statement

The Company will disregard any votes cast in favour of item 6 by or on behalf of More Telecom Pty Ltd or any of their associates in any capacity, unless the vote is cast:

- as proxy for a person entitled to vote on the item in accordance with a direction as to how to vote provided by that person; or
- by the Chair of the AGM as proxy for a person entitled to vote on the item, in accordance with a direction given to the Chair to vote on the item as the Chair sees fit; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the item; and
 - the holder votes on the item in accordance with directions given by the beneficiary to the holder to vote in that way.

Board recommendation

The Board recommends that shareholders vote in favour of item 6.
