EXPLANATORY STATEMENT

This Explanatory Statement forms part of the Company's Notice of Extraordinary General Meeting and is intended to assist Shareholders in consideration of the business proposed at the Meeting.

Background to Resolutions 1 to 4

On 8 September 2025, the Company announced a two-tranche placement to raise \$2.5 million (before costs) from professional and sophisticated investors (**Placement Participants**) (**Placement**). The placement comprises two tranches:

- Tranche 1: Placement of 46,800,000 Shares utilising the Company's existing placement capacity under Listing Rules 7.1 and 7.1A. Resolution 1 seeks to ratify this prior issue of Shares (**Tranche 1 Placement**).
- Tranche 2: The issue of 138,385,185 shares, conditional upon the Company obtaining shareholder approval as being sought under Resolution 2 (**Tranche 2 Placement**).

The issue price of Shares under both tranches is \$0.0135 (1.35 cents) per Share, with 1:1 free attaching Option exercisable at \$0.02 (2 cents), expiring 23 October 2027. The issue of the free attaching Options is subject to shareholder approval as being sought under Resolution 3.

The Company engaged the services of Peak Asset Management Pty Ltd (**Peak**) to manage the Placement. Pursuant to the mandate between the Company and Peak, the Company agreed subject to obtaining shareholder approval and the Company raising \$1.5 million under the Placement, to issue to Peak or its nominee, 35,000,000 Options (**Lead Manager Options**) as partial consideration for their capital raising and corporate advisory services performed with respect to the Placement. The Lead Manager Options are subject to shareholder approval as being sought under Resolution 4.

The funds raised under the Placement will provide the Company with working capital to support inventory growth, streamline operations, and deliver its strategy of simplifying the business (including SKU rationalisation), shifting to higher margin channels. The proposed uses of funds are indicative only and will be subject to modification on an ongoing basis depending on the results obtained from the Company's activities and other factors relevant to the Board's discretion as to usage of funding.

The offer of Options under the Placement and the Lead Manager Options will all be offered under a prospectus in accordance with section 713 of the Corporations Act, which is expected to be lodged with ASIC on or around 2 October 2025 (**Prospectus**).

The terms and conditions of the Options proposed to be issued under the Placement and the Lead Manager Options are the same and are detailed in Annexure 1.

Refer to the Company's ASX announcements on, and after, 2 October 2025 (including the Prospectus) for further information in relation to the Options.

To the extent any of the Resolutions are not passed, subject to compliance with applicable laws and the Listing Rules, the Board reserves its discretion to issue securities the subject of such Resolutions, including pursuant to the Company's placement capacities available at the time under Listing Rule 7.1 and/or 7.1A. The Board also reserves its discretion to utilise those placement capacities for other purposes, as permitted by the Listing Rules.

Resolution 1: Ratification of Prior Issue of Tranche 1 Placement Shares

Background

As noted above, the Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 46,800,000 fully paid ordinary shares in the Company issued on 12 September 2025 at an issue price of \$0.0135 (1.35 cents) per Share on the terms as announced on 8 September 2025.

The Shares were issued without Shareholder approval out of the Company's existing placement capacity under ASX Listing Rules 7.1 and 7.1A.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any security issues that meet the requirements of one of the exceptions of ASX Listing Rule 7.2. The issue of 24,650,000 Shares to Placement Participants was within the Company's available placement capacity under ASX Rule 7.1 and did not fit within any of the Listing Rule 7.2 exceptions.

ASX Listing Rule 7.1A enables eligible entities which have obtained shareholder approval by special resolution to issue securities up to the equivalent of 10% of the Company's fully paid ordinary issued capital for cash consideration a 12-month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. The Company obtained such shareholder approval for the 10% Placement Facility at the Annual General meeting held on 20 May 2025. The issue of 22,150,000 Shares to Placement Participants was within the Company's available placement capacity under ASX Listing Rule 7.1A and did not fit within any of the Listing Rule 7.2 exceptions.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of Shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and Shareholders subsequently approve it. As the issue of the Shares was within the Company's ASX Listing Rule 7.1 and 7.1A placement capacity, did not fall within any of the exceptions in ASX Listing Rule 7.2, and was not previously approved by Shareholders, the Company now seeks ratification of the issue of these Shares pursuant to ASX Listing Rule 7.4 so as to refresh its capacity to make further issues (if required) without Shareholder approval under Listing Rules 7.1.

If Resolution 1 is approved, the prior issue of 46,800,000 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 46,800,000 Shares counting towards the 15% threshold for the purposes of ASX Listing Rules 7.1 or the 10% threshold for the purposes of ASX Listing Rule 7.1A.

If Resolution 1 is not approved, the prior issue of 46,800,000 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1. The Company will therefore have 24,650,000 Shares as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1 and 22,150,000 Shares as counting towards the 10% threshold for the purposes of ASX Listing Rule 7.1A.

ASX Listing Rule Disclosure Requirements

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the Shares were issued to professional and sophisticated investors, who are not related parties, identified by the book build conducted by the Lead Manager, Peak Asset Management Pty Ltd. There were no participants in the placement that were investors required to be disclosed under ASX Guidance Note 21;
- (b) the number and class of securities issued was 46,800,000 fully paid ordinary shares in the Company, issued on the same terms and conditions as the Company's existing Shares;
- (c) the Shares were issued on 12 September 2025;
- (d) the Shares were issued for cash, at an issue price of \$0.0135 (1.35 cents) per Share;
- (e) the Shares were not issued under an agreement; and
- (f) the purpose of the issue was to raise funds to provide the Company with working capital to support inventory growth, streamline operations, and deliver its strategy of simplifying the business (including SKU rationalisation), shifting to higher margin channels.

Board Recommendation

The Board recommends that Shareholders vote in favour of the resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

Refer to Note 7 for voting exclusions.

Resolution 2: Approval to issue Tranche 2 Placement Shares

Background

Resolution 2 seeks Shareholder approval for the purpose of Listing Rule 7.1 and all other purposes for the issue

of 138,385,185 Shares in the Company at an issue price of \$0.0135 (1.35 cents) per Share to professional and sophisticated investors in relation to the Tranche 2 Placement as announced on 8 September 2025.

ASX Listing Rules

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The proposed issue of Shares does not fall within any of the exceptions in Listing Rule 7.1. The Company is now seeking Shareholder approval for the issue of Tranche 2 Placement Shares to the Placement participants.

If Resolution 2 is approved by Shareholders, the Company will be able to proceed with the issue of Shares during the period of three (3) months after the Meeting or a longer period, if allowed by ASX. In addition, the issue of the Shares will be excluded from calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue securities in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 2 is not approved by Shareholders, the Company would not be able to proceed with the issue of 138,385,185 Shares without Shareholder approval.

ASX Listing Rule Disclosure Requirements

The following information is provided to satisfy the requirements of ASX Listing Rule 7.3:

- (a) the Shares will be issued to the professional and sophisticated investors under the Placement (or their nominees(s));
- (b) the number and class of securities being issued is up to 138,385,185 fully paid ordinary shares in the Company, to be issued on the same terms and conditions as the Company's existing Shares;
- (c) the Shares will be issued by no later than three months after the date of this Meeting, however, are expected to be issued on or around 4 November 2025;
- (d) the Shares will be issued at an issue price of \$0.0135 (1.35 cents) per Share;
- (e) the Shares are not being issued under an agreement; and
- (f) the purpose of the issue is to raise funds to provide the Company with working capital to support inventory growth, streamline operations, and deliver its strategy of simplifying the business (including SKU rationalisation),

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 2.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 7 for voting exclusions.

Resolution 3: Approval to issue attaching options to Placement participants

Resolution 3 seeks Shareholder approval for the purpose of Listing Rule 7.1 and all other purposes for the issue of up to 185,185,185 free attaching options, exercisable at \$0.02 (2 cents) and expiring 23 October 2027 (**Options**) to sophisticated and professional investors as part of the Placement announced by the Company on 8 September 2025.

The Options are to be offered under the Prospectus. Refer to the Company's ASX announcements dated on and after 2 October 2025 for further details.

Refer to Annexure 1 for the detailed terms of the Options.

ASX Listing Rules

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The proposed issue of Options does not fall within any of the exceptions in Listing Rule 7.1. The Company has however chosen to seek Shareholder approval for the issue of Options to the Placement participants and not use the capacity under ASX Listing Rule 7.1.

If Resolution 3 is approved by Shareholders, the Company will be able to proceed with the issue of Listed Options during the period of three (3) months after the Meeting or a longer period, if allowed by ASX. In addition, the issue of the Listed Options will be excluded from calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue securities in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 3 is not approved by Shareholders, the Company would not be able to proceed with the issue of up to 185,185,185 Listed Options. If the Company is unable to proceed with the issue it may be required to re-negotiate the terms of the Placement with the participants.

ASX Listing Rule Disclosure Requirements

The following information is provided to satisfy the requirements of ASX Listing Rule 7.3:

- (a) the Options will be issued to sophisticated and professional investors under Placement (or their nominees(s));
- (b) the number and class of securities being issued is up to 185,185,185 Options in the Company;
- (c) a summary of the material terms of the Options are included within Annexure 1;

- (e) the Options are to be issued for nil consideration and have an exercise price of \$0.02 (2 cents) each, expiring 23 October 2027. The material terms of the Options are as set out in Annexure 1;
- (f) the Options are not being issued under an agreement; and
- (g) the Options are proposed to be issued to the participants in connection with the Placement announced on 8 September 2025. The issue of the Options will not raise any funds however, if any Options are exercised in the future, the funds raised will be used to advance projects or working capital at the time of any such exercise.

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 7 for voting exclusions.

Resolution 4: Approval to issue Lead Manager Options

As noted above, Peak is acting as the lead manager to the Placement. Subject to Shareholder approval and the Company raising \$1.5 million under the Placement (the subject of Resolutions 2 and 3), the Company agreed to issue 35,000,000 Options to the Lead Manager (and/or its nominee(s)) (Lead Manager Options). The issue of the Lead Manager Options is also subject to Shareholders approving Resolutions 2 and 3 as contained in this Notice of Meeting.

Resolution 4 seeks Shareholder approval for the purpose of Listing Rule 7.1 and all other purposes for the issue of the Lead Manager Options to Peak (and/or its nominee), exercisable at \$0.02 (2 cents) and expiring 23 October 2027. The Lead Manager Options are on the same terms as the Options proposed to be issued under the Placement.

The Lead Manager Options are to be offered under the Prospectus. Refer to the Company's ASX announcements dated on and after 2 October 2025 for further details.

Refer to Annexure 1 for the detailed terms of the Lead Manager Options.

ASX Listing Rules

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The proposed issue of Lead Manager Options does not fall within any of the exceptions in Listing Rule 7.1. The Company has, however, chosen to seek Shareholder approval for the issue of Lead Manager Options to Peak (and or its nominee) and not use the capacity under ASX Listing Rule 7.1.

If Resolution 4 is approved by Shareholders, the Company will be able to proceed with the issue of the Lead Manager Options during the period of three (3) months after the Meeting or a longer period, if allowed by ASX. In addition, the issue of the Lead Manager Options will be excluded from calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue securities in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 4 is not approved by Shareholders, the Company would not be able to proceed with the issue of the Lead Manager Options. If the Company is unable to proceed with the issue of the Lead Manager Options, under the terms of the Lead Manager mandate, within seven days of this Meeting, the Company must compensate Peak with the monetary equivalent of the Lead Manager Options in cash, based on the output of a Black Scholes valuation model, being \$245,000.

ASX Listing Rule Disclosure Requirements
