A\$58 million Institutional Placement to support Simberi's Final Investment Decision and Atlantic Progress

Highlights

- Firm commitments received for an institutional placement to raise a total of A\$58 million (before costs).
 - Placement issue price of A\$0.46 per share, representing a 9.7% discount to the 10-day volume weighted average market price (VWAP) of A\$0.51.
 - The placement was overbidded, with significant demand from leading Australian and international institutional investors and with strong support from existing institutional shareholders.
 - Funds raised from the placement will be used to:
 - Accelerate the Simberi mobile fleet expansion and conversion;
 - Finalising the Simberi Expansion Project Feasibility Study;
 - Advance the Simberi Pre-Expansion Growth Capital items;
 - Complete the Pre-Feasibility Study on the 15-Mile Processing Hub; and
 - Advance plans for the potential re-opening of Touquoy for stockpile processing in Nova Scotia.

St Barbara Limited ("**St Barbara**" or the "**Company**") (ASX: SBM) is pleased to announce it has received firm commitments for an institutional placement ("**Placement**") of new fully paid shares to raise A\$58 million (before costs) at an issue price of A\$0.46 per New Share ("**Issue Price**"). The placement was overbidded with significant demand from new and existing high quality Australian and international institutional investors.

Funds raised will be applied to the expansion and conversion of Simberi's mobile fleet, finalising the Simberi Expansion Feasibility Study, advancing Pre-Expansion Growth Capital items, and completing the Pre-Feasibility Study on the 15-Mile Processing Hub.

St Barbara Managing Director and CEO Andrew Strelein said:

"We are extremely pleased with the overwhelming support for the Placement from our existing institutional shareholders and delighted to welcome numerous new high-quality domestic and international institutional investors to St Barbara's register."

"The placement allows us to progress the change out of the truck fleet at Simberi to improve efficiency and reliability, as well as finalising the Feasibility Study and advancing Pre-Expansion Growth Capital items. The new funds will also enable us to complete the Pre-Feasibility Study on the 15-Mile Processing Hub at Nova Scotia, which is due in the March quarter of 2026, and progress plans for the potential re-opening of Touquoy for stockpile processing."

Placement Summary

Forward looking statements

This announcement includes certain forward looking statements. Forward-looking statements can generally be identified by the use of forward-looking words such as “may”, “could”, “will”, “expects”, “intends”, “plans”, “estimates”, “anticipates”, “believe”, “continue”, “objectives”, “outlook”, “guidance” or other similar words and include statements regarding certain plans, strategies and objectives of management, trends and outlook. Indications of, and guidance on, future earnings and financial position and performance are also forward looking statements. These forward-looking statements involve known and unknown risks, uncertainties, assumptions, contingencies and other factors that may cause St Barbara’s actual results, performance and achievements or industry results to differ materially from any future results, performance or achievements, or industry results, expressed or implied by these forward-looking statements. Refer to the “Risks” on slides 39 – 43 of the accompanying investor presentation for a summary of certain risk factors that may affect St Barbara and an investment in New Shares.

Investors are strongly cautioned not to place undue reliance on forward-looking statements. Forward-looking statements are provided as a general guide only and are based upon management’s good faith assumptions relating to the financial, market, regulatory and other relevant environments that will exist and affect St Barbara’s business and operations in the future. St Barbara cannot give any assurance that the assumptions upon which management based its forward-looking statements will prove to be correct, or that St Barbara’s business and operations will not be affected in any substantial manner by other factors not currently foreseeable by management or beyond its control. Any forward-looking statements contained in this announcement speak only as of the date of this announcement.

Subject to any continuing obligations under applicable law or any relevant stock exchange listing rules, St Barbara does not undertake any obligation to publicly update or revise any forward-looking statements contained in this announcement or to advise of any change in events, conditions or circumstances on which any such statement is based. No representation or warranty, express or implied, is given as to the accuracy, completeness, likelihood of achievement or reasonableness of any forecasts, projections or prospects referred to in this announcement.

In addition, this announcement is subject to the same “Important notices and disclaimer” as appears on slides 2 – 5 of the accompanying investor presentation with any necessary contextual changes.
