This price reflects a 2.5% discount to the volume weighted average price of all Cedar Woods shares sold on the ASX over the 8-day trading period ended on and including 10 October 2025.

Shares will be issued under the DRP and BSP on 31 October 2025.

A copy of the DRP and BSP rules can be found on the investor website: https://www.cedarwoods.com.au/investor-centre/shareholder-information.

It is important to read the DRP and BSP rules carefully before deciding whether to participate in the DRP or BSP. If you have any questions or need advice on whether to participate in the DRP or BSP, you should contact an independent professional adviser.

Fully Underwritten DRP and BSP

The Company is also pleased to announce that it has entered into an underwriting agreement with Euroz Hartleys, Bell Potter, and Shaw and Partners (**Underwriters**) pursuant to which the Underwriters will fully underwrite the shortfall under the DRP and BSP by subscribing, or procuring subscriptions, for any shortfall shares in their respective proportions of 33.33% each (**Underwriting Agreement**). The Company considers this an excellent opportunity to expand its shareholder base and enhance balance sheet flexibility.

The funds raised from any underwriting will be used to support the Company's ongoing acquisition strategy. All shortfall shares applied for by the Underwriters in accordance with the terms of the Underwriting Agreement will be issued at the same price as the DRP/BSP Issue Price, with proceeds to be received on 31 October 2025 (being the dividend payment date).

The Company's Chair, William Hames, has confirmed his full participation in the DRP/BSP for this dividend in respect of all eligible shares held by him and his closely related parties.
