If you have any queries in respect to any of the matters set out in this booklet, please contact the Company Secretary, Vicki Grey, on +61 411 872 978.

1. Receipt and consideration of accounts and reports

A copy of the Annual Report for the financial year ending 30 June 2025 (which Prosperityorates the Company's Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all Shareholders.

You may obtain a hard copy free of charge by contacting the Company Secretary by phone at +61 411 872 978, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website <https://www.bondexchange.com.au/investor-relations/> or via the Company's announcement platform on ASX. Except as set out in Resolution 1, no Resolution is required on these reports.

2. Resolution 1 – Adoption of Remuneration Report

2.1 Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the annual general meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the annual general meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that, in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

2.2 Directors' recommendations and interests

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

3. Resolution 2 –Re-Election of Robert Shaw as a Director of the Company

3.1 Background

Clause 10.3(b) of the Constitution provides that there be an election of Directors at each annual general meeting of the Company which may be satisfied through the re-election of an existing Director. Further, ASX Listing Rule Listing Rule 14.4 states that a Director who is appointed to fill a casual vacancy, must stand for re-election at the next Annual General Meeting.

Mr Shaw was appointed as a Director of the Company on 8 May 2025 to fill a casual vacancy. As such, Mr Shaw retires at this Annual General Meeting, and being eligible, offers himself for re-election.

Mr Shaw has qualifications in industrial engineering and business administration as well as accounting. He is a Fellow of the Australian Institute of Company Directors. Mr Shaw has extensive experience in leading and managing companies having previously acted as an independent and non-executive director of Credit Corp Limited and Magontec Limited, as well as previously holding the position of Managing Director of the CityPrint Group of Companies.

3.2 Directors' recommendations and interests

The Board (with Robert Shaw abstaining), recommends that Shareholders vote in favour of the re-election of Robert Shaw given his extensive experience in leading and managing companies. The Chair of the meeting intends to vote undirected proxies in favour of Mr Shaw’s re-election.

4. Resolution 3 – Re-Election of Mark O’Leary as a Director of the Company

4.1 Background

Clause 10.3(b) of the Constitution provides that there be an election of Directors at each annual general meeting of the Company which may be satisfied through the re-election of an existing Director. Further, ASX Listing Rule Listing Rule 14.4 states that a Director who is appointed to fill a casual vacancy, must stand for re-election at the next Annual General Meeting.

Mr O’Leary was appointed as a Director of the Company on 8 May 2025 to fill a casual vacancy. As such, Mr O’Leary retires at this Annual General Meeting, and being eligible, offers himself for re-election.

Mr O’Leary has qualifications in applied finance and is a graduate of the Australian Institute of Company Directors. He has extensive experience in financial markets (particularly securities and foreign exchange) and has previously held positions at Westpac, Société Générale and Macquarie Bank, as well as roles with the National Bank of Abu Dhabi in London and Abu

Dhabi.

4.2 Directors' recommendations and interests

The Board (with Mark O'Leary abstaining), recommends that Shareholders vote in favour of the re-election of Mark O'Leary given his extensive experience in financial markets. The Chair of the meeting intends to vote undirected proxies in favour of Mr O'Leary's re-election.

5. Resolution 4 – Appointment of Auditor

5.1 Background

KrestonSW Audit Pty Ltd ACN 624 822 386 (**KSW**) was the Company's auditor and advised the Company in late 2024 that it intended to resign by rotation. With the consent of the Australian Securities and Investments Commission (**ASIC**) as received on 15 January 2025, KSW resigned as auditor of the Company with immediate effect. On 15 January 2025, the Company appointed Prosperity Advisers Audit Services Pty Limited ACN 147 151 228 trading as Prosperity Audit Services (**Prosperity**) to act as the Company's auditor in accordance with section 327C(1) of the Corporations Act.

Under section 327C(2) of the Corporations Act, an auditor appointed under section 327C (1) of the Corporations Act holds office until the next annual general meeting of the company, at which time the person, firm or authorised audit company must be appointed by shareholders.

Prosperity has given, and has not withdrawn, its consent to act as the Company's external auditor. The Company now seeks approval from shareholders for the appointment of Prosperity as the Company's auditor in accordance with section 327C of the Corporations Act.

In accordance with section 328B(1) of the Corporations Act, a written notice nominating Prosperity as the Company's auditor has been given to the Company. A copy of this notice is contained in **Annexure A**.

If Resolution 4 is passed, the appointment of Prosperity as the Company's auditor will continue from the close of the Annual General Meeting. If Resolution 4 is not passed, the position of the Company's auditor will fall vacant and the board of directors will look to appoint another auditor on an interim basis for approval at the Company's next annual general meeting.

5.2 Directors' recommendations and interests

The Board recommends that Shareholders vote in favour of the appointment of Prosperity as the Company's external auditor. The Chair of the meeting intends to vote undirected proxies in favour of Prosperity's appointment.

6. Resolution 5 – Ratification of Placement Shares

6.1 Background

As announced on 16 May 2025, the Company secured firm commitments from sophisticated investors to raise \$683,180.00 through the issue of 17,079,500 new fully paid ordinary shares (**Shares**) at an issue price of \$0.04 per Share (**Placement**).

The Shares were issued on 21 May 2025.

Funds from the Placement have been used for working capital. This working capital was used to assist the Company to finance its rebuilding and expansion following its focus on expense cutting over the past 12 months.

The Placement was undertaken pursuant to the Company's capacity under Listing Rule 7.1. This Resolution 5 seeks Shareholder ratification for the purposes of Listing Rule 7.4 for that

Placement.

(a) Listing Rule 7.4

Listing Rule 7.4 allows Shareholders of a listed company to approve an issue of equity securities after it has been made (or agreed to be made). If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue made on 21 May 2025.

(b) Technical information required by Listing Rule 14.1A

If this Resolution 5 is passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditional on Resolution 6 being passed at this Annual General Meeting.

(c) Technical information required by Listing Rules 7.4 and 7.5

6.2 Directors' recommendations and interests

The Board unanimously recommends that Shareholders vote in favour of this Resolution. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 5.

7. Resolution 6 - Approval for Additional Placement Capacity

Resolution 6 is a special resolution which seeks shareholder approval for the issue of Equity Securities totalling up to 10% of the issued capital of the Company under and in accordance with Listing Rule 7.1A (10% Placement Facility).

7.1 Background

Listing Rule 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 6 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without shareholder approval.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Approval of the 10% Placement Facility is valid from the date of the Annual General Meeting until the earlier of:

- 12 months after the Annual General Meeting;
- the time and date of the Company's next annual general meeting; and

- the date shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), (**10% Placement Period**).

The number of Equity Securities that the Company will have the capacity to issue under the 10% Placement Facility will be calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A has the same meaning as in Listing Rule 7.1 when calculating an entity's 15% placement capacity, that is, the number of shares on issue 12 months before the date of issue or agreement:

plus:

- the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2 other than exceptions 9, 16 or 17; 18;
- the number of fully paid Equity Securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where: o the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or o the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- the number of fully paid Equity Securities issued in the relevant period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - o the agreement was entered into before the commencement of the relevant period; or
 - o the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- the number of any other Equity Securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4;
- the number of partly paid Equity Securities that became fully paid in the relevant period;

less:

- the number of fully paid Equity Securities cancelled in the relevant period.

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

Listing Rule 7.3A

For the purposes of Listing Rule 7.3A, the following information is provided to shareholders in relation to Resolution 6.

(a) Minimum price

In accordance with Listing Rule 7.1A.3, any Equity Securities issued under the 10% Placement Facility will be issued for at least 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities is agreed; or
- if the Equity Securities are not issued within 10 Trading Days of the above date, the date on which the Equity Securities are issued.

(b) Risk of economic and voting dilution

Any issue of Equity Securities under the 10% Placement Facility will dilute shareholders who do not participate in the issue.

The table below shows the potential economic and voting dilution of existing shareholders as a result of the Company issuing Shares under the 10% Placement Facility, based on different issue prices and values for variable 'A' in the formula above.

Variable 'A' Shares on Issue		Issue Price		
		\$0.0185 (50% decrease in Current Price)	\$0.037 (Current Price)	\$0.0555 (50% increase in Current Price)
Current Variable 'A' 130,942,838 Shares	10% Voting Dilution	13,094,284	13,094,284	13,094,284
	Funds Raised	\$242,244	\$484,489	\$726,733
50% Increase in Variable 'A' 196,414,257 Shares	10% Voting Dilution	19,641,426	19,641,426	19,641,426
	Funds Raised	\$363,366	\$726,733	\$1,090,099
100% increase in Variable 'A' 261,885,676 Shares	10% Voting Dilution	26,188,568	26,188,568	26,188,568
	Funds Raised	\$484,489	\$968,977	\$1,453,466

Notes:

1. The current variable 'A' is assumed to be the number of Shares on issue as at the date of this Notice. The number of Shares on issue could increase as a result of, for example, an issue that does not require Shareholder approval (e.g. a pro rata offer to Shareholders) or an issue with Shareholder approval under Listing Rule 7.1.
2. The current price of Shares is the closing price on the ASX on 30 September 2025.
3. The table assumes that no Options or other convertible securities are exercised or converted into Shares prior to an issue under the 10% Placement Facility.
4. The table assumes that the Company issues the maximum number of Shares available under the 10% Placement Facility.
5. The table assumes that issues of Equity Securities under the 10% Placement Facility consist only of Shares.
6. The table does not show examples of dilution that may be caused to a particular Shareholder by reason of issues under the 10% Placement Facility. Shareholders should consider the potential dilution caused in the context of their own circumstances.

7. The table only shows the effect of issues under Listing Rule 7.1A and not issues under the 15% placement capacity under Listing Rule 7.1.

Shareholders should further note that:

- the market price for the Equity Securities may be significantly lower on the date of issue than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Equity Securities on the date of issue.

(c) Date by which the securities may be issued

In accordance with Listing Rule 7.1A.1, any Equity Securities issued under the 10% Placement Facility will be issued during the 10% Placement Period. The 10% Placement Facility will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(d) Purposes for which the securities may be issued

Any Equity Securities issued under the 10% Placement Facility may only be issued for cash consideration to raise funds. In such circumstances, the Company may apply the funds raised towards the exploration activities at its existing projects and/or for acquisition of new assets or investments (including expenses associated with such acquisition) and general working capital.

(e) Allocation policy for issues of securities

The Company's allocation policy for any Equity Securities issued under the 10% Placement Facility will depend on the prevailing market conditions at the relevant time, however, recipients will not be related parties of the Company. The identity of recipients of Equity Securities will otherwise be determined on a case by case basis having regard to the following factors (without limitation):

- the purpose of the issue;
- alternative methods for raising funds that are available to the Company including rights issues or other issues in which existing Shareholders can participate; • the effect of the issue on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issuing any Equity Securities.

(f) Previous issues of securities

In the 12 months preceding the date of the Annual General Meeting, the Company has issued the following securities:

- On 21 May 2025, the Company issued 17,079,500 fully paid ordinary shares (**Placement Shares**) at a price of \$0.04 per Placement Share using its available placement capacity under ASX Listing Rule 7.1.

The Company has not issued any fully paid ordinary shares under Listing Rule 7.1A in the 12 months prior to the date of the Annual General Meeting (**7.1A Shares**).

7.2 Directors' recommendations and interests

The Directors note the Resolution 6 is a special resolution.

As at the date of this Explanatory Memorandum, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 6.

The Board considers that Resolution 6 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 6.

8. Resolution 7 – Capital raising by Convertible Note

8.1 Background

The Company is proposing to undertake a capital raising by way of the issue of up to 10,000,000 Convertible Notes, each with a face value of \$1.00, to sophisticated and professional investors (each being a sophisticated or professional investor for the purposes of section 708 of the Corporations Act) (**Investors**) to raise up to \$10,000,000 (**Offer**).

Given the issue of Convertible Notes under the Offer will result in an issue of securities greater than 15% of the issued capital of the Company, the Company is seeking the approval of Shareholders for the issue of the Convertible Notes to the Investors on the terms set out below.

The Convertible Notes will have a term of 3 years from the date of issue, a coupon of [7%- 10% pa], and a conversion price calculated to be the lower of 80% of the 90-day VWAP of the Shares at the time of conversion. The Convertible Notes may only be converted after 12 months from the date of issue of the Convertible Notes.

The Shares issued upon conversion of the Convertible Notes will be fully paid ordinary Shares ranking equally with the Company's existing Shares at the time of issue.

The Company will apply to ASX for quotation of the Shares on the ASX.

8.2 Effect of the Offer

The principal effect of the Offer (assuming the maximum number of Convertible Notes are issued under the Offer) will be to:

- (a) increase the number of Convertible Notes on issue from 3,500,000 as at the date of this Notice to up to 13,500,000 Convertible Notes; and
- (b) increase cash reserves of the Company by up to \$10,000,000 (before expenses).

8.3 Purpose of the Offer and use of funds

It is intended that the funds raised by the issue of the Convertible Notes will be used for working capital and to invest in future growth opportunities available to the Company.

The above is a statement of current intentions as at the date of this Notice, and is subject to change at the discretion of the Board, taking intervening events or new circumstances into account.

8.4 Overview of regulatory approval requirements

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period (**15% Placement Capacity**) without Shareholder approval.

The Company does not have sufficient capacity under its 15% Placement Capacity to issue the Convertible Notes under the Offer. As such, approval under ASX Listing Rule 7.1 is being sought to enable the Company to issue the Convertible Notes under the Offer. If Shareholder approval is not granted for the issue of the Convertible Notes, the Company will not be able to proceed with the Offer, and will need to secure capital through some other form of raising.
