EXPLANATORY STATEMENT

1 Important Notice

The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the business of the meeting and the resolutions proposed to be considered at the Annual General Meeting to be held on 25 November 2025 at 9:00 am (AEDT) and to assist Members in determining how they wish to vote on the resolutions.

2 Resolution 1 - Non-Binding Resolution to adopt Remuneration Report

The Remuneration Report of the Company for the financial year ended 30 June 2025 is included in the Directors' Report in the Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

Section 249L(2) of the Corporations Act requires a company to inform Shareholders that a resolution on the Remuneration Report will be put at the Annual General Meeting (AGM). Section 250R of the Corporations Act requires a resolution that the Remuneration Report be adopted be put to the vote. Resolution 1 seeks this approval.

In accordance with Section 250R(3) of the Corporation Act, Shareholders should note that Resolution 1 is "advisory only" and does not bind the Company. However, the Directors recognise the outcome of this Resolution as an indication of Shareholder sentiment in relation to the FY2025 Remuneration Report.

Shareholders have the ability to "spill" the Company's board if there are "two strikes" against the adoption of the Remuneration Report at two successive AGMs. Under Section 250SA of the Corporation Act, the Chairman will provide a reasonable opportunity for discussion of the Remuneration Report at the AGM.

Under the Corporations Act 2001, if 25% or more of votes that are cast at the Meeting are voted against the adoption of the Remuneration Report at two consecutive AGMs, Shareholders will be required to vote at the second of those AGMs on an additional resolution (a "**Spill Resolution**") that a future meeting be held within 90 days of the Spill Resolution. At that further meeting, all the Company's Directors (other than any Managing Director) must go up for re-election.

There will be no requirement at this AGM for a Spill Resolution.

Noting that each Director has a personal interest in their own remuneration as set out in the Remuneration Report, the Board recommends that Shareholders vote in favour of this Resolution.

The Chairman of the Meeting intends to vote all available proxies in favour on this Resolution.

3 Resolution 2 – Re- election of Mr Phillip Christopher as a director

Mr Phillip Christopher retires by rotation at this meeting and offers himself for re-election to the Board.

Details in relation to Mr Phillip Christopher are set out in the Directors' Report section of the Annual Report. Mr Phillip Christopher is not an independent director.

The Board (Mr Phillip Christopher abstaining) unanimously recommend that Shareholders vote in favour of Resolution 2. The Chairman of the Meeting intends to vote all available proxies in favour on this Resolution.

4 Resolution 3 – Appointment of Auditor

William Buck Audit (Vic) Pty Ltd is the current auditor of the Company. The Board is satisfied with the services provided by the current auditor, and thanks the auditor for their services rendered to the Company. Nevertheless, the company's size, scope and nature of operations have changed since the current auditor's initial appointment, and on that basis the current auditor has tendered a notice of resignation to the Australian Securities and Investments Commission (ASIC) under section 329(5) of the Corporations Act.

Subject to receiving the consent from ASIC to this resignation, and the change of auditor will take effect with the passing of this resolution at this shareholders' meeting.

The Company nominates Connect National Audit Pty Ltd ("Connect National Audit") as the new auditor of the Company. In accordance with section 328B of the Corporations Act 2001, a copy of this notice of nomination of Connect National Audit is attached to this Notice of Meeting.

Connect National Audit has provided their consent in writing to act as auditor of the Company.

Connect National Audit confirms that it does not currently provide any other services to the Company, and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act, in relation to the Company.

The Board has also noted that Connect National Audit is registered as an auditor under section 1280 of the Corporations Act and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. Consequently, subject to the Company receiving shareholder approval at this shareholders' meeting, Connect National Audit has been nominated and selected to become the new auditor of the Company.

Following ASIC's consent of the current auditor's resignation, the Directors unanimously recommend that shareholders vote in favour of this resolution to appoint Connect National Audit as the Company's new auditor.

5 Resolution 4 – Approval for Additional Placement Capacity

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index, and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 4 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval. If Resolution 4 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

The exact number of Equity Securities to be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2, (refer to section 6.2 below).

The Directors believes that Resolution 4 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution.

5.2 Listing Rule 7.1A

The ability to issue equity securities under Listing Rule 7.1A is subject to Shareholder approval by way of special resolution at the Annual General Meeting.

Approval cannot be sought at any other Shareholder's meeting and equity securities issued under the approval (if obtained) must be issued within 12 months after the date of the Annual General Meeting. No equity securities can be issued under Listing Rule 7.1A before the special resolution is passed.

The issue of securities under this rule cannot be subsequently approved by security holders and then be treated as if the issue had received prior approval.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities. The Company currently has only one class of quoted Equity Securities on issue, being Ordinary Shares.

The exact number of Equity Securities that the Company may issue under an approval pursuant to Listing Rule 7.1A will be calculated according to the following formula:

$(A \times D) - E$

Where:

A number of fully paid Ordinary Shares on issue at the commencement of the relevant period:

- plus, the number of fully paid Ordinary Shares issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,
- plus, the number of fully paid Ordinary Shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where;
- the convertible securities were issued or agreed to be issued before the commencement of relevant period, or
- the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4.
- plus, the number of fully paid Ordinary Shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
- the agreement was entered into before the commencement of the relevant period; or
- the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- plus, the number of fully paid Ordinary Shares issued in the relevant period with approval under rule 7.1 or rule 7.4,
- plus, the number of partly paid Ordinary Shares that became fully paid in the relevant period,
- less the number of fully paid Ordinary Shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating the Company's 15% placement capacity.

D means 10%.

E means the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Shares that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Shares in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to the formula above).

5.3 Technical Information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 4:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of the Company's Equity Securities, calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i), the date on which the Equity Securities are issued.

(b) Date of Issue (Additional Placement Period)

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Annual General Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting,
- (ii) the time and date of the entity's next annual general meeting and
- (iii) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking),

or such longer period if allowed by ASX.

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Ordinary Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Ordinary Shares would be as shown in the table below. There is a risk that:

- (i) the market price for the Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the AGM; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of Ordinary Shares as at XX October 2025 and the current number of Equity Securities on issue for variable “A” of the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (iii) an example where variable “A” has increased by 50% and 100%. Variable “A” is based on the number of Ordinary Shares the Company has on issue. The number of Ordinary Shares on issue may increase as a result of issues of Ordinary Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- (iv) an example of the result of the issue price of ordinary securities decreasing by 50% and increasing by 50% as against the current market price.

Variable “A” in Listing Rule 7.1A.2		Dilution		
		\$0.003 50% decrease in issue price	\$0.005 Issue Price	\$0.008 50% increase in issue price
Current Variable A 496,320,360 Shares	10% Voting Dilution	49,632,036 Shares	49,632,036 Shares	49,632,036 Shares
	Funds Raised	\$148,896	\$348,160	\$397,056
50% increase in Variable A 744,480,540 Shares	10% Voting Dilution	74,448,054 Shares	74,448,054 Shares	74,448,054 Shares
	Funds Raised	\$223,344	\$372,240	\$595,584
100% increase in Variable A 992,640,720 Shares	10% Voting Dilution	99,264,072 Shares	99,264,072 Shares	99,264,072 Shares
	Funds Raised	\$297,792	\$496,320	\$794,113

(v) The table above uses the following assumptions:

- The current shares on issue are the Ordinary Shares on issue as at the date of this notice.
- The issue price set out above is the closing price of the Ordinary Shares on the ASX on 16 October 2025.
- The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Annual General Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1 or under any of the exceptions to Listing Rule 7.1 and assumes Resolution 4 is approved.

(d) *Purpose of issue under 10% Placement Capacity*

(e) *Any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of Equity Securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue. As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A Additional Placement Period. However, if Shareholders approve this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company’s existing plans, the Company considers that the funds may be used for general working capital purposes.*

(f) Allocation under the 10% Placement Capacity

As at the date of the Notice the Company has not formed an intention to issue securities under a placement pursuant to Listing Rule 7.1A, and accordingly the allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue,
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate,
- (iii) the effect of the issue of the Equity Securities on the control of the Company,
- (iv) the Company's circumstances, including, but not limited to, its financial position and solvency,
- (v) prevailing market conditions, and
- (vi) advice from corporate, financial, and broking advisers (if applicable).

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 2.7 upon issue of any Equity Securities

(g) Previous Approval under Listing Rule 7.1A

The Company has not previously obtained approval under Listing Rule 7.1A.

(h) Previous issues of Equity Securities

For the purposes of Listing Rule 7.3A.6 the Company confirms that no securities were issued or agreed to be issued under LR 7.1A.2 in the 12 months since the last AGM held on 26 November 2024.

(i) Voting Exclusion

A voting exclusion statement is included in the Notice of Meeting. As at the date of this Explanatory Statement, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 4.

Directors Recommendation

The Directors believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders **vote in favour** of this Resolution 4.

The Chairman of the Meeting intends to vote all available proxies in favour on this Resolution.
