9.2 Sale of Shares

- (a) Subject to any relevant restrictions under the Securities Trading Policy, there will be no transfer restrictions on Shares issued under the Plan unless the sale, transfer or disposal by the Participant of the Shares would require the preparation of a disclosure document (as that term is defined in the Corporations Act).
- (b) If a disclosure document is required, the Participant agrees to enter into such arrangements with the Company as the Board considers appropriate to prevent the sale, transfer or disposal of the relevant Shares in a manner that would require a disclosure document to be prepared.

10 Disposal Restriction Attached to Shares

All Shares acquired by Participants or held by the trustee of the EST for the benefit of Participants as a consequence of the exercise of Rights, shall be subject to Overriding Disposal Restrictions.

Shares that are subject to an Overriding Disposal Restriction may not be disposed of or transferred or otherwise dealt with (including encumbered or made subject to any interest in favour of any other person) unless the transfer

is effected by operation of law on death or legal incapacity to the Participant's legal personal representative.

If Shares subject to disposal restrictions are held in the name of the Participant then the Company will impose a CHESS holding lock to ensure that the disposal restrictions are complied with, unless otherwise determined by the Board.
