If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 3, Resolution 4 or Resolution 5, by signing and returning the proxy form (including via an online voting facility) you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention, even though the Resolution is connected directly or indirectly with the remuneration of key management personnel.

4. Shareholder Approvals Required

Resolution 1: Re-election of Director – Ms Sue Murphy AO

In accordance with the Constitution, each Director (excluding the Managing Director) who will, at the conclusion of the meeting, have held office for three or more years must retire as a Director. Accordingly, Ms Susan Lee Murphy AO retires as a Director of the Company by rotation in accordance with clause 11.3 of the Company's Constitution and, being eligible, offers herself for re-election.

Ms Murphy was first appointed as a Director on 11 June 2019. She is a civil engineer with 46 years of experience in the resources and infrastructure industries. During her 25-year engineering career at Clough, she held a wide range of operational and leadership roles before being appointed to the Board of Clough in 1998. Ms Murphy joined the Water Corporation of Western Australia in 2004 as General Manager of Planning and Infrastructure, before being appointed as Chief Executive Officer in 2008, a role she held for over a decade. Ms Murphy holds a Bachelor of Civil Engineering and is an Honorary Fellow of the Institution of Engineers Australia. Ms Murphy has previously served as a Director of ASX listed entities, RemSense Technologies Limited (ASX: REM) and MMA Offshore Limited (ASX: MRM), and as Pro-Chancellor of The University of Western Australia. She also commenced as a non-executive director of Austal Limited (ASX: ASB) on 1 September 2025. Ms Murphy has confirmed to the Company that she will have sufficient time to fulfil her responsibilities as a Director.

Ms Murphy was last re-elected as a Director of the Company at the 2022 Annual General Meeting. She is the Deputy Chair / Lead Independent Non-Executive Director of the Board, is Chair of the Company's Remuneration Committee and is a member of its Audit and Nomination committees.

As at the date of this Notice, Ms Murphy has been a Director of the Company for approximately 6 years and 4 months. The Board considers Ms Murphy to be an independent Director.

The Board (other than Ms Murphy) has determined (after reference to, amongst other things, the Company's Board skills matrix, the past performance of Ms Murphy and the current and future needs of the Company) that Ms Murphy:

- has demonstrated commitment and dedication to her role;
- has made and continues to make a significant and valuable contribution to the Board and the quality of its decision making; and
- contributes to the mix of skills and other attributes required of the Board to effectively execute the Company's strategy.

The Board (other than Ms Murphy, who abstained) therefore unanimously recommends that Shareholders vote in favour of Ms Murphy's re-election.

Resolution 2: Re-election of Director – Ms Helen Gillies

In accordance with the Constitution, it is necessary for one-third of the Directors (rounded to the nearest whole number), excluding the Managing Director and any Director appointed since the last Annual General Meeting, to retire by rotation each year. Accordingly, Ms Helen Jane Gillies retires as a Director of the Company by rotation in accordance with clause 11.3 of the Company's Constitution and, being eligible, offers herself for re-election.

Ms Gillies was first appointed as a Director on 5 September 2016. She holds a Master of Business Administration and a Master of Construction Law, as well as degrees in commerce and law, and is a Fellow of the Australian Institute of Company Directors. Ms Gillies has a strong background in risk, law, governance and finance, as well as extensive experience in mergers and acquisitions, and has 29 years of experience in the construction and engineering services industry. She has previously served as a director of global engineering company Sinclair Knight Merz, the Australian Civil Aviation Safety Authority, Red Flag Group, and ASX listed entities, Yancoal Australia Limited (ASX: YAL) and Aurelia Metals Limited (ASX: AMI). She is also currently a non-executive director of unlisted entities, BAC Holdings Pty Ltd, the holding company for Bankstown and Camden Airport, and Lexon Insurance Pte Ltd, the captive insurer

for lawyers in Queensland. Ms Gillies has confirmed to the Company that she will have sufficient time to fulfil her responsibilities as a Director.

Ms Gillies was last re-elected as a Director of the Company at the 2023 Annual General Meeting. Ms Gillies is Chair of the Company's Audit Committee and a member of its Nomination and Remuneration committees.

As at the date of this Notice, Ms Gillies has been a Director of the Company for approximately 9 years and 1 month. The Board considers Ms Gillies to be an independent Director.

The Board (other than Ms Gillies) has determined (after reference to, amongst other things, the Company's Board skills matrix, the past performance of Ms Gillies and the current and future needs of the Company) that Ms Gillies:

- has demonstrated commitment and dedication to her role;
- has made and continues to make a significant and valuable contribution to the Board and the quality of its decision making; and
- contributes to the mix of skills and other attributes required of the Board to effectively execute the Company's strategy.

The Board (other than Ms Gillies, who abstained) therefore unanimously recommends that Shareholders vote in favour of Ms Gillies' re-election.

Resolution 3: Grant of Performance Rights to the Managing Director under the Company's Short-Term Incentive Plan for the year ended 30 June 2025

Under Resolution 3, the Company is proposing to grant and issue 18,647 Performance Rights to Mr Bebic (or his nominee) under the terms of the Combined Reward Plan (**Proposed CRP Issue**).

ASX Listing Rule 10.14 provides that a listed company must not permit a related party (such as a director) or certain other persons to acquire equity securities under an employee incentive scheme unless it first obtains the approval of its shareholders. The Proposed CRP Issue falls within ASX Listing Rule 10.14 and therefore requires Shareholder approval.

The Combined Reward Plan is a short-term incentive plan and its objectives are to recognise and reward the senior leaders of the business who contribute, and are key, to the Company's success. Under the Combined Reward Plan, the Board has the discretion to make awards on an annual basis subject to the performance of the Company and that of the individual. Awards may be delivered in the form of Performance Rights and/or cash (or a combination of both).

Issues of Performance Rights under the Combined Reward Plan are governed by the Rules, a summary of which is provided in Appendix B, and constitute a participant's short-term incentive for past performance during the last financial year. The inclusion of a deferred equity component in the short-term incentive award (subject to continued employment and disposal restrictions) encourages employee retention and the creation of Shareholder value through long-term Share ownership, with employee and Shareholders alike benefitting from the long-term growth in the Share price.

Based on the performance of the Company for the year ended 30 June 2025, the Board determined that an award would be made under the Combined Reward Plan, with approximately 230 employees eligible for an award comprising of a combination of Performance Rights and cash. Awards under the Combined Reward Plan for the year ended 30 June 2025 comprised a cash payment of 25% with the balance of 75% taking the form of an issue of Performance Rights. Further details of the Combined Reward Plan are contained in the Company's Remuneration Report.

The Board determined that the Company's Managing Director, Mr Zoran Bebic (or his nominee), be issued with 18,647 Performance Rights under the Combined Reward Plan in respect of the year ended 30 June 2025, subject to Shareholder approval at the Meeting. The value of Mr Bebic's Performance Rights component is \$400,725. The number of Performance Rights to be granted was then calculated by dividing this number by the arithmetic average of the ten-day daily volume weighted average market price (**VWAMP**) of the Company's Shares commencing on the second trading day after the record date in respect of the 2025 final dividend, which is \$21.49. The VWAMP calculation is the same as that used to determine the undiscounted Share price for the Company's dividend reinvestment plan.

Mr Bebic's ongoing contribution to the Company is important and, accordingly, the Performance Rights offered to Mr Bebic are subject to a vesting condition that Mr Bebic be continuously employed by (or hold office continually with) the Company and/or one or more of its subsidiaries during the period from grant date to the relevant vesting date.

One third of the Performance Rights will vest (in equal instalments, subject to rounding) on 1 July 2026, 1 July 2027 and 1 July 2028, subject to the satisfaction of the employment vesting condition noted above.

Any Shares acquired on vesting and exercise of Performance Rights will be restricted from disposal until the earlier of:

- a) the opening of the Share trading window, in accordance with the Company's Share Trading Policy, following the release of the 30 June 2028 financial results (in or around August 2028); and
- b) the date on which the participant ceases to be employed or engaged (as applicable) by the Company or its subsidiaries.

Any Shares acquired (and any disposal of them) will also be subject to the Company's Share Trading Policy and applicable laws.

The issue of Performance Rights to Mr Bebic (or his nominee) is designed to recognise and reward Mr Bebic's contribution to the success of the Company for the year ended 30 June 2025. Offering a reward with a deferred equity component, which is subject to continued employment and disposal restrictions, promotes long-term retention and encourages long-term Share ownership, with Mr Bebic and Shareholders alike benefitting from the long-term growth in the Share price.

The Board, having considered the Proposed CRP Issue (and taking into account the circumstances of the Company, the circumstances of the Directors, and the remuneration practices of other similar entities) considers that the financial benefits provided to Mr Bebic by way of the Performance Rights (together with the other elements of his remuneration package) constitute reasonable remuneration. Accordingly, Shareholder approval under Chapter 2E of the Corporations Act is not being sought.

If Resolution 3 is passed, the Company will be able to proceed with the Proposed CRP Issue and grant 18,647 Performance Rights to Mr Bebic or his nominee. If Resolution 3 is not passed, the Company will not be able to proceed with the Proposed CRP Issue and the Board will consider an alternative remuneration structure for Mr Bebic.

The following information is provided in accordance with ASX Listing Rule 10.15 (which sets out the information that must be provided to Shareholders in order to obtain Shareholder approval under ASX Listing Rule 10.14):

- a) The person for whom approval is being sought is Mr Zoran Bebic, the Managing Director of the Company (or his nominee).
- b) Mr Bebic, being a Director of the Company, falls within ASX Listing Rule 10.14.1. His nominee (if applicable) would fall within ASX Listing Rule 10.14.2 as an associate of Mr Bebic.
- c) It is proposed that 18,647 Performance Rights be issued to Mr Bebic (or his nominee).
- d) Mr Bebic's current total annual remuneration package is:
 - i. \$1,008,500 in salary and fees;
 - ii. \$19,470 in life and salary continuance insurance;
 - iii. \$30,000 in superannuation;
 - iv. the amortised yearly cost of the Proposed CRP Issue (under this Resolution 3); and
 - v. the amortised yearly cost of the Proposed LTPR Issue (under Resolution 4).
- e) Since the time of becoming a Director, Mr Bebic has previously been issued 46,754 Performance Rights (in aggregate) under the Combined Reward Plan. The Performance Rights were issued for nil consideration under the terms of the offers.
- f) A summary of the material terms of the Performance Rights to be issued to Mr Bebic under the Combined Reward Plan is set out above.
- g) The Performance Rights issued under the Combined Reward Plan are being used as a retention mechanism for Mr Bebic. Performance Rights provide greater alignment with Shareholders' interests by enabling Mr Bebic to acquire Shares subject to continuity of employment.
- h) The indicative total value of the Performance Rights to be issued to Mr Bebic is \$369,148 based on an independent fair market valuation (in accordance with the principles of AASB 2) undertaken by a global accounting firm at the time the Performance Rights were offered to Mr Bebic using a discounted cash flow calculation. The inputs and assumptions used in the valuation take into consideration the price of Shares on ASX at the time of the offer (of \$22.22), an expected dividend yield, an assumption that the holder will act in a manner that is financially optimal and an assumption that the holder will remain with the Company over the term of the Performance Rights. Any resulting Shares are subject to a disposal restriction.
- i) It is proposed that Mr Bebic (or his nominee) be issued the Performance Rights on or about 25 November 2025, but in any event no later than three (3) years after the date of the Meeting.
- j) The Performance Rights will be issued to Mr Bebic (or his nominee) for nil cash consideration (in line with the terms of the Combined Reward Plan) as part of his remuneration package.
- k) A summary of the material terms of the Rules (which govern the issue of Performance Rights under the Combined Reward Plan) is set out in Appendix B.
- l) No loan will be provided in relation to the acquisition of the Performance Rights.

- m) Details of any Performance Rights issued under the Combined Reward Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- n) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Combined Reward Plan after this Resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.
- o) A voting exclusion statement in respect of Resolution 3 is set out in the Notice.

The Board (with the exception of Mr Bebic who abstains, given his interest in the Resolution) acknowledges the outstanding contribution that Mr Bebic has made and will continue to make to the Company, and therefore recommends Shareholders vote in favour of Resolution 3.

Resolution 4: Grant of Performance Rights to the Managing Director under the Company's Long-Term Incentive Plan for 2025

Under Resolution 4, the Company is proposing to grant and issue 29,538 Performance Rights to Mr Bebic (or his nominee) under the Long-Term Senior Leadership Performance Reward Plan for 2025 (**Proposed 2025 Issue**).

ASX Listing Rule 10.14 provides that a listed company must not permit a related party (such as a director) or certain other persons to acquire equity securities under an employee incentive scheme unless it first obtains the approval of its shareholders. The Proposed LTPR Issue falls within ASX Listing Rule 10.14 and therefore requires Shareholder approval.

The objective of the Long-Term Senior Leadership Performance Reward Plan is to retain and reward members of the senior leadership team in a manner aligned with the creation of long-term Shareholder wealth. Awards under the Long-Term Senior Leadership Performance Reward Plan are in the form of Performance Rights issued pursuant to the Rules, a summary of which is provided in Appendix B. Awards are considered on an annual basis, with the timing of the awards and the vesting criteria determined by the Board. Participation is limited to the senior leadership of the Company, being those responsible for the development and management of the strategic direction of the business and those responsible for delivery and support to customers. The quantum of the awards under the Long-Term Senior Leadership Performance Reward Plan are 60% of fixed annual remuneration for the Managing Director and 50% of fixed annual remuneration for key management personnel. Further details of the Long-Term Senior Leadership Performance Reward Plan are contained in the Company's Remuneration Report.

Under the Long-Term Senior Leadership Performance Reward Plan, Performance Rights vest three years after grant, subject to the extent of satisfaction of an earnings per Share growth performance hurdle over the measurement period, and continued employment from the time of grant to vesting. The Board believes that earnings per Share growth over the measurement period is considered to be the most appropriate indicator of Company performance and is closely aligned with executive effectiveness. When the Company delivers long-term earnings per Share growth, improved Shareholder returns typically follow. In contrast, Shareholder return alone is not a reliable measure of executive impact, as it can be heavily influenced by external market forces beyond management's control.

No exercise price is payable at the time of grant or vesting, and one Share will be issued for each vested Performance Right. Performance is not re-tested and any Performance Rights which do not vest will lapse.

While Performance Rights under the Long-Term Senior Leadership Performance Reward Plan are issued under the Rules, additional terms are set out in the terms of the invitation made for the purpose of the Long-Term Senior Leadership Performance Reward Plan. A summary of the additional key terms of these Performance Rights, including the performance hurdles and vesting condition attached to those Performance Rights, is set out in Appendix C.

In October 2025, the Board determined that an award would be made under the Long-Term Senior Leadership Performance Reward Plan for 2025, with approximately 110 employees eligible for an award of Performance Rights.

The Board determined that the Company's Managing Director, Mr Zoran Bebic (or his nominee), be issued with 29,538 Performance Rights under the Long-Term Senior Leadership Performance Reward Plan for 2025, subject to Shareholder approval at the Meeting.

The issue of Performance Rights to Mr Bebic (or his nominee) is designed to retain, and reward Mr Bebic for his contribution to the success of the Company, in a manner aligned to the creation of long-term Shareholder wealth. The Performance Rights will vest based on performance of the Company over the period from 1 July 2025 to 30 June 2028.

The value of Mr Bebic's award under the Long-Term Senior Leadership Performance Reward Plan for 2025 (for the purposes of determining the number of Performance Rights to be issued) is \$634,782. The number of Performance Rights to be granted was then calculated by dividing this number by the arithmetic average of the ten-day daily VWAMP of the Company's Shares commencing on the second trading day after the record date in respect of the 2025 final dividend, which is \$21.49. This VWAMP calculation is the same as that used to determine the undiscounted Share price for the Company's dividend reinvestment plan.

The Board, having considered the Proposed LTPR Issue (and taking into account the circumstances of the Company, the circumstances of the Directors, and the remuneration practices of other similar entities) considers that the financial benefits provided to Mr Bebic by way of the Performance Rights (together with the other elements of his remuneration package) constitute reasonable remuneration. Accordingly, Shareholder approval under Chapter 2E of the Corporations Act is not being sought.

If Resolution 4 is passed, the Company will be able to proceed with the Proposed LTPR Issue and grant 29,538 Performance Rights to Mr Bebic or his nominee. If Resolution 4 is not passed, the Company will not be able to proceed with the Proposed LTPR Issue and the Board will consider an alternative remuneration structure for Mr Bebic.

The following information is provided in accordance with ASX Listing Rule 10.15 (which sets out the information that must be provided to Shareholders in order to obtain Shareholder approval under ASX Listing Rule 10.14):

- a) The person for whom approval is being sought is Mr Zoran Bebic, the Managing Director of the Company (or his nominee).
- b) Mr Bebic, being a Director of the Company, falls within ASX Listing Rule 10.14.1. His nominee (if applicable) would fall within ASX Listing Rule 10.14.2 as an associate of Mr Bebic.
- c) It is proposed that 29,538 Performance Rights be issued to Mr Bebic (or his nominee).
- d) Mr Bebic's current total annual remuneration package is:
 - i. \$1,008,500 in salary and fees;
 - ii. \$19,470 in life and salary continuance insurance;
 - iii. \$30,000 in superannuation;
 - iv. the amortised yearly cost of the Proposed CRP Issue (under Resolution 3); and
 - v. the amortised yearly cost of the Proposed LTPR Issue (under this Resolution 4).
- e) Mr Bebic has previously been issued 76,156 Performance Rights (in aggregate) under the Long-Term Senior Leadership Performance Reward Plan. The Performance Rights were issued for nil consideration under the terms of the offers.
- f) A summary of the key terms of the Performance Rights to be issued pursuant to this Resolution, including the performance hurdles and vesting condition attached to those Performance Rights, is set out in Appendix C.
- g) The Performance Rights are being used as an incentive and retention mechanism for Mr Bebic. Performance Rights provide greater alignment with Shareholders' interests by enabling Mr Bebic to acquire Shares subject to the performance of the Company and continuity of employment.
- h) The indicative total value of the Performance Rights to be issued to Mr Bebic is \$614,686 based on an independent fair market valuation (in accordance with the principles of AASB 2) undertaken by a global accounting firm at the time the Performance Rights were offered to Mr Bebic using a discounted cash flow calculation. The inputs and assumptions used in the valuation take into consideration the price of Shares on ASX at the time of the offer (of \$23.00), an expected dividend yield, an assumption that the holder will act in a manner that is financially optimal and an assumption that the holder will remain with the Company over the term of the Performance Rights.
- i) It is proposed that Mr Bebic (or his nominee) be issued the Performance Rights on or about 25 November 2025, but in any event no later than three (3) years after the date of the Meeting.
- j) The Performance Rights will be issued to Mr Bebic (or his nominee) for nil cash consideration (in line with the terms of the Long-Term Senior Leadership Performance Reward Plan) as part of his remuneration package.
- k) A summary of the material terms of the Rules (which govern the issue of Performance Rights under the Long-Term Senior Leadership Performance Reward Plan) is set out in Appendix B.
- l) No loan will be provided in relation to the acquisition of the Performance Rights.
- m) Details of any Performance Rights issued under the Long-Term Senior Leadership Performance Reward Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- n) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Long-Term Senior Leadership Performance Reward Plan after this Resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.
- o) A voting exclusion statement in respect of Resolution 4 is set out in the Notice.

The Board (with the exception of Mr Bebic who abstains, given his interest in the Resolution) acknowledges the outstanding contribution that Mr Bebic has made and will continue to make to the Company, and therefore recommends Shareholders vote in favour of Resolution 4.

Resolution 5: Adoption of Remuneration Report

Section 300A of the Corporations Act requires the Directors to include a Remuneration Report in the Directors' Report for a financial year. Section 250R(2) requires that the Remuneration Report be put to the vote at the Company's Annual General Meeting.

In accordance with the Corporations Act, the vote on Resolution 5 is advisory only and does not bind the Directors or the Company. However, under the "two strikes" rule, the Company will be required to put a resolution to Shareholders to hold new elections for Directors if, at two consecutive annual general meetings, more than 25% of the votes cast on a resolution to adopt the Remuneration Report (such as Resolution 5) are cast against that resolution. Accordingly, if 25% or more of the votes cast at the Meeting on Resolution 5 are against that Resolution and if, at the next annual general meeting in 2026, 25% or more of the votes are again cast against the resolution to adopt the Remuneration Report, then the Company will be required to propose a resolution to hold another general meeting within the following 90 days (a "**Spill Meeting**"). If more than 50% of Shareholders vote in favour of this resolution, then at the Spill Meeting all Directors (other than a Managing Director) will cease to hold office immediately before the end of the Spill Meeting, but may, if eligible, stand for re-election at the Spill Meeting. Following the Spill Meeting, those persons whose election or re-election as Directors is approved by Shareholders would be the Directors of the Company.

Key management personnel, details of whose remuneration are included in the Remuneration Report, and their closely related parties, are prohibited from voting on Resolution 5, except in the circumstances described in the voting exclusion statement set out in the Notice.

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that Shareholders vote in favour of the adoption of the Remuneration Report.

Appendix B – Summary of the Rules applying to awards of Performance Rights

Set out below is a summary of the Rules which apply to awards of Performance Rights under both the Combined Reward Plan and Long-Term Senior Leadership Performance Reward Plan.

Eligible Participants and Invitations	The Board may from time to time determine that an “Eligible Participant” may participate in the Combined Reward Plan and/or the Long-Term Senior Leadership Performance Reward Plan. Eligible Participants essentially comprise employees and contractors of the Company or an associated entity of the Company, provided those persons fit within the categories of persons prescribed by the definitions of “primary participant” under section 1100L of the Corporations Act. Following determination that an Eligible Participant may participate in the Combined Reward Plan and/or the Long-Term Senior Leadership Performance Reward Plan, the Board may make an invitation to the Eligible Participant on any number of occasions.
Nominated Person	The Eligible Participant may renounce their Performance Rights in favour of one of the following persons (Nominated Person): - a body corporate controlled by the Eligible Participant or the Eligible Participant’s spouse or child; or - a body corporate that is the trustee of a self-managed superannuation fund (within the meaning of the Superannuation Industry (Supervision) Act 1993 (Cth)) where the Eligible Participant is a director of the body corporate. In each case, the Company may refuse an election to renounce an offer to a Nominated Person at its sole and absolute discretion.
Nature of Performance Rights	Each Performance Right represents a right to receive one ordinary Share in the capital of the Company, subject to the terms and conditions of the Rules. Prior to a Performance Right vesting, a participant is not entitled to: - notice of, or to vote at or attend, a meeting of the Shareholders of the Company; - receive any dividends declared by the Company; - receive a return of capital from the Company, whether in a winding up, upon a reduction of capital or otherwise; or - participate in the surplus profits or assets of the Company upon a winding up of the Company, by virtue of holding a Performance Right.
No Fee	No fee is payable upon the grant of Performance Rights.
Exercise Price	No exercise price is payable upon the exercise of Performance Rights.
Automatic Exercise of Vested Performance Rights	A Performance Right may not be exercised unless and until that Performance Right has vested. Upon vesting, each Performance Right will be automatically exercised and will result in the issue (or transfer) of one Share.
Forfeiture of Performance Rights	Unless otherwise stated in the invitation or determined by the Board in its absolute discretion, if a participant ceases to be an Eligible Participant, then Performance Rights (whether vested but unexercised or unvested) will be forfeited. Unless the Board determines otherwise, Performance Rights will also be forfeited if: - the vesting conditions relevant to those Performance Rights are not satisfied; - the participant acts fraudulently or dishonestly; or - the participant becomes insolvent or bankrupt.
Employee Share Trust	Unless the Board determines otherwise, any Resulting Shares issued and/or transferred to the participant as a result of the vesting and automatic exercise of Performance Rights will be required to be held via the Monadelphous Group Limited Employee Share Trust (Trust) under the terms of the Monadelphous Group Limited Employee Share Trust Deed. The Board may determine that in certain circumstances the Board may require that any Resulting Shares be subject to an ASX Holding Lock pursuant to the terms of the Rules.

	The trustee of the Trust is a third party provider of trustee services, CPU Share Plans Pty Limited. Once Performance Rights have vested and Resulting Shares are being held by the trustee, the trustee will pass on dividends received to the underlying shareholder and the underlying shareholder can direct the trustee how to vote those Shares.
Change of Control Event	Notwithstanding any other provisions of the Rules, if a Change of Control Event occurs, or the Board determines that such an event is likely to occur, the Board may determine the manner in which Performance Rights will be dealt with, including, without limitation, in a manner that allows the participant to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event. A Change of Control Event means: a) a change in control of the Company; b) where Shareholders approve any compromise or arrangement for the purpose of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other body corporate or bodies corporate (other than a scheme that does not involve a change in the ultimate beneficial ownership of the Company), which will, upon becoming effective, result in any person (either alone or together with its associates) owning more than 50% of the issued capital of the Company; c) where a person becomes the legal or the beneficial owner of, or has a Relevant Interest in, more than 50% of the issued capital of the Company; d) where a person becomes entitled to acquire, hold or has an equitable interest in more than 50% of the issued capital of the Company; e) where a takeover bid is made to acquire more than 50% of the issued capital (or such lesser number of Shares that when combined with the Shares that the bidder (together with its associates) already owns will amount to more than 50% of the issued capital of the Company) and the takeover bid becomes unconditional and the bidder (together with its associates) has a Relevant Interest in more than 50% of the issued capital of the Company; f) a resolution is passed for the voluntary winding-up of the Company; g) an order is made for the compulsory winding up of the Company; or h) any other event determined by the Board in good faith to constitute a "Change of Control Event" for the purposes of the Rules, but, for the avoidance of doubt, does not include any internal reorganisation of the structure, business and/or assets of the Group.

Adjustment of Rights	Reorganisation If there is a reorganisation of the issued Share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital), the rights of a holder of Performance Rights (including the number of Performance Rights to which each participant is entitled or the exercise price (if any)), will be adjusted in the manner specified by the ASX Listing Rules to the extent necessary to comply with the ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation. Bonus Issue If Shares are issued by the Company pro rata to Shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Performance Rights is entitled, upon exercise of the Performance Rights, to receive, in addition to the Shares in respect of which the Performance Rights are exercised and without the payment of any further consideration, an issue of as many additional Shares as would have been issued to a Shareholder who, on the date for determining entitlements under the bonus issue, held Shares equal in number to the Shares in respect of which the Performance Rights are exercised. Rights Issue A holder of Performance Rights does not (in respect of their Performance Rights) have the right to participate in a pro rata issue of Shares made by the Company or to receive or sell renounceable rights. No Other Participation Subject to the above, during the currency of any Performance Rights and prior to their exercise, the holders of Performance Rights are not entitled to participate in any new issue of securities of the Company as a result of their holding of Performance Rights.
Clawback	The Board will have the discretion to clawback (i.e. to cause to be forfeited) unvested Performance Rights if the Board deems it inappropriate for the Performance Rights to vest including where: a) the participant acts fraudulently or dishonestly; b) the participant otherwise acts in a manner that causes damage to the Company's reputation; c) the Board becomes aware of a material and adverse misstatement or omission in the financial statements of the Group or any member of the Group; d) the Company suffers significant financial underperformance; or e) there is negligence, lack of compliance or significant personal underperformance on the participant's part.
Board Discretion and Administration	The Board is responsible for administering the Combined Reward Plan and the Long-Term Senior Leadership Performance Reward Plan and may amend any provisions of the Rules, including the terms and conditions upon which any Performance Rights have been granted and determine that any amendments to the Rules be given retrospective, immediate or future effect.
Duration	The Combined Reward Plan and Long-Term Senior Leadership Performance Reward Plan continue in operation until the Board determines otherwise. The Board may from time to time suspend the operation of the Combined Reward Plan or the Long-Term Senior Leadership Performance Reward Plan at its discretion.

Appendix C – Summary of the additional key terms of the Performance Rights (and the performance hurdles and vesting condition) applicable to the Long-Term Senior Leadership Performance Reward Plan only

Set out below is a summary of the additional key terms of those Performance Rights issued under the Long-Term Senior Leadership Performance Reward Plan, issued pursuant to the Rules (including the performance hurdles and vesting condition attached to those Performance Rights).

Vesting Determination Date	Subject to the satisfaction of the Performance Hurdles and Vesting Condition (see below), up to 100% of the Performance Rights may vest. The Board will determine whether the Performance Rights have vested three years following the Grant Date (Vesting Determination Date). If the Proposed LTPR Issue is approved by Shareholders (Resolution 4), the Vesting Determination Date is expected to be in or around November 2028. Performance Rights will expire 1 month after the Vesting Determination Date (Expiry Date) or such other date that the Board determines.
Performance Hurdles	Vesting of Performance Rights will be subject to satisfaction of the following performance hurdles: - no Performance Rights shall vest where, over the Measurement Period, the Company has experienced EPS Growth which is less than Base Growth; - all Performance Rights shall vest where, over the Measurement Period, the Company has experienced EPS Growth which is equal to, or greater than, the Target Growth; and - if the Company has experienced EPS Growth of at least Base Growth but less than Target Growth, then a portion of the Performance Rights shall vest on the following basis: - at EPS Growth equal to Base Growth, 50% of the Performance Rights shall vest; and - for EPS Growth higher than Base Growth but lower than Target Growth, a pro-rata proportion of Performance Rights shall vest which proportion between 50% and 100% is to be determined on a straight-line basis based on annualised compound EPS Growth (such that, by way of example, at an EPS Growth rate (on an annualised compound basis) equivalent to 6% per annum, 75% of the Performance Rights will vest). In other words, and for the purposes of clarification, it is the intention of the Company that Performance Rights only vest where the Company's EPS is growing at a rate of at least 4% per annum compounded on average over the Measurement Period (i.e. Base Growth). Any Performance Rights that do not vest as a result of the Performance Hurdles not being satisfied will (unless the Board otherwise determines) lapse. The following terms have the meanings ascribed to them below. "Base Growth" means growth of 4% per annum compounded over the Measurement Period. For example, a Measurement Period of 3 years would result in Base Growth of 12.49%. "Calculation Date" means the most recently passed 30 June (by reference to the Company's results for the year to that 30 June), immediately prior to the Vesting Determination Date (or such other date as the Board determines). "EPS" means undiluted earnings per Share, as determined by the Board (in its absolute discretion), on the basis of consolidated net profit of the Company after tax attributable to equity holders of the parent (excluding unusual or abnormal items) divided by the weighted average number of issued Shares for that relevant period.

	“EPS Growth” means the amount (expressed as a percentage, and rounded to two decimal places) by which EPS as at the Calculation Date exceeds EPS at the Start Date, as determined by the Board (in its absolute discretion). “Grant Date” means the date Performance Rights are issued to the first relevant participant in respect of a particular grant. This will usually be the date Performance Rights are issued to the participant. However, and to ensure consistency, the Grant Date will be applied uniformly for all participants in respect of a particular grant and will be deemed to be the date Performance Rights are issued to the first relevant participant in respect of a particular grant even if a participant’s Performance Rights were issued on a later date (for example, due to a shareholder approval requirement under the ASX Listing Rules for the issue of Performance Rights or if the participant is otherwise issued Performance Rights on a different date). “Measurement Period” means the period from the Start Date to the Calculation Date (or such other period as the Board determines). “Start Date” means the most recently passed 1 July (by reference to the Company’s results for the preceding year to 30 June), immediately prior to the Grant Date of the relevant Performance Rights (or such other date as the Board determines). “Target Growth” means growth of 8% per annum compounded over the Measurement Period. For example, a Measurement Period of 3 years would result in Target Growth of 25.97%.
Vesting Condition	Performance Rights will be subject to a Vesting Condition of the Eligible Participant being continuously employed or holding office continually by or with one or more members of the Group during the period from the Grant Date to the Vesting Determination Date. If the Vesting Condition is not satisfied, then all Performance Rights will lapse (unless the Board determines otherwise).
