Platform net inflows and FUA

HUB24 delivered strong growth in Q1 FY26, with Platform FUA increasing 8% over the quarter to \$122.0 billion (up 33% on pc¹). This was driven by net inflows of \$5.2 billion (up 28% on pc¹) and positive market movements of \$4.1 billion.

During the quarter, 41 new distribution agreements were signed and the total number of advisers using the platform increased to 5,229 (up 11% on pc¹).

In the latest available Plan for Life data, HUB24 ranked first for quarterly and annual net inflows for a seventh consecutive quarter. HUB24 also achieved the largest quarterly and annual market share gains of all platform providers, increasing market share to 9.0% as at 30 June 2025 (up from 7.6% in the pc¹). Our consistent market share gains and FUA growth resulted in HUB24 ranking as the sixth largest platform by FUA (up from seventh in the prior quarter).²

The continued momentum in net inflows reflects the strength of our innovative platform solutions, service excellence, and strong adviser and licensee relationships. Demand from licensees and advisers continues to provide a solid pipeline of opportunities from both new and existing client relationships.

Business update

Our strong start to FY26 reflects the significant opportunities for growth which are underpinned by strong demand for professional advice and ongoing industry transformation. HUB24 is committed to continuing to invest in delivering our strategy to capture these opportunities and further enhance our market leading proposition. We look forward to providing an update in November at our Investor Strategy Day.

HUB24 Platform

The Adviser Ratings 2025 Australian Financial Advice Landscape Report was released during the quarter reflecting how advisers rate their experience with platform providers. In recognition of our continued investment in innovative product solutions and customer service excellence, HUB24 Platform ranked first for Overall Satisfaction with the highest NPS, and first in 9 out of 10 categories, including Best Client Experience, Best BDM Support, Best Adviser Support, Best Platform Functionality, Most Accurate Data Feeds, and Best Investment Options.

Engage, the next evolution of HUB24's market leading reporting was launched in September after previously being available to a select group of clients. Engage enables financial advisers to efficiently deliver transparent and engaging reporting for investments held both on and off platform, providing their clients with a complete view of wealth. Early adoption has been strong with nearly 3,000 users accessing Engage since its launch.

HUB24 Private Invest is resonating well with advisers since launching in Q4 FY25, providing a strong pipeline of opportunities. HUB Private Invest offers advised wholesale clients access to a comprehensive range of investments, including additional wholesale options, administration of on and off platform assets, and market-leading consolidated reporting powered by Engage.

During the quarter, HUB24 continued to deliver platform enhancements that drive productivity and efficiency for advisers. Notably, the process for establishing and managing SMSF Access accounts was streamlined to accelerate onboarding and reduce manual processes for advisers.

Class

In September, Class hosted its flagship industry conference, Ignite. The event attracted more than 400 delegates who networked and heard from industry experts on topics influencing the future of SMSFs as well as recent enhancements on Class and NowInfinity. Additionally, the Class Annual Benchmark Report was released, providing financial professionals with insights to the latest trends in the SMSF sector.

During the quarter, Class continued to deliver enhancements to simplify and scale compliance and administration. In an industry first, Class enhanced its market-leading share registry connection capability with the addition of a Direct-Connect document feed from Automic. The automated collection, tagging, and storage of tax, holding, and dividend statements streamlines audit requirements for accountants and administrators. Betashares was also added as a Direct-Connect document provider.

Class also introduced market-leading integrated commercial property valuations, providing accountants with comprehensive market valuation reports and rental assessments designed to meet compliance requirements.
