This Explanatory Memorandum has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

This Explanatory Memorandum should be read in conjunction with, and forms part of the accompanying Notice of Meeting. The purpose of this Explanatory Memorandum is to provide such information as is prescribed or otherwise material to Shareholders in deciding whether or not to pass the Resolutions set out in the Notice.

Chairman’s Address

Report on results and activities during the financial year ended 30 June 2025.

Financial statements and reports

Under section 317 of the Corporations Act, ARC is required to lay its annual financial report, directors’ report and remuneration report before its Shareholders at its Annual General Meeting. The annual financial report is submitted for Shareholders’ consideration and discussion at the Annual General Meeting as required. Meeting attendees are invited to direct questions to the Chairman in respect of any aspect of the report they wish to discuss. There is no requirement for Shareholders to approve the reports.

Shareholders can access a copy of the annual report from: <https://www.arcfunds.com.au/investors/>

Resolution 1 – Adoption of remuneration report

Resolution 1 provides Shareholders the opportunity to vote on ARC’s remuneration report. The remuneration report is contained in the Directors’ report. Under s250R (2) of the Corporations Act, ARC must put the adoption of its remuneration report to a vote at its annual general meeting.

This vote is advisory only and does not bind the Directors or ARC.

The Board will consider the outcome of the vote and comments made by Shareholders on the remuneration report at this Meeting when reviewing ARC’s remuneration policies. If 25% or more of the votes that are cast are voted against the adoption of the remuneration report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a **spill resolution**) that another meeting be held within 90 days at which all of ARC’s Directors other than the Managing Director must be offered up for election.

Board recommendation and undirected proxies. The Board recommends that Shareholders vote in **FAVOUR** of Resolution 1. The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of Resolution 1. If you wish to vote “against” or “abstain” you should mark the relevant box in the attached proxy form.

Resolution 2 – Re-election of Mr Harley Grosser as a Director

The ASX Listing Rules and the Constitution of the Company require each Director to be re-elected every three years and also that an election of Directors be held each year.

Mr Harley Grosser was originally appointed a Director of the Company on 1 July 2021. Under Clause 17.5 of ARC's Constitution, Harley Grosser, retires by rotation. Mr Grosser being eligible, offers himself for re-election by shareholders as a Director of the Company.

Resolution 2 therefore provides for the re-election of Harley Grosser as a Director of ARC in accordance with ARC's Constitution.

Short Professional Bio (Harley Grosser)

Mr Harley Grosser is the Co-Founder and Co-CIO of Sydney based funds management company HD Capital Partners. He brings extensive knowledge and skills in capital markets, financial analysis and valuation, building and operating an investment management business and investor relations. He holds a Bachelor of Commerce from the University of New South Wales and is also currently a Non-Executive Director of Motio Limited (ASX: MXO)

Board recommendation and undirected proxies. The Board (with Mr Grosser abstaining) recommends that Shareholders vote in **FAVOUR** of Resolution 2. The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of Resolution 2.

Resolution 3 – Change of Auditor

The Directors of the Company appointed Hall Chadwick (NSW) as the company's auditors, with effect from 1 August 2025, in accordance with sections 327C of Corporations Act. The appointment of Hall Chadwick (NSW) arises as a consequence of the resignation of Bentleys Brisbane (Audit) Pty Ltd as consented to by ASIC as announced by the Company on 4 August 2025. The change of auditor arose as part of a regular review of the Company's audit requirements; a tender was undertaken to assess the audit needs of the Company.

According to section 327C of the Corporations Act, an auditor appointed under that section holds office until the Company's next annual general meeting. Resolution 3 therefore seeks Shareholder approval for the appointment of Hall Chadwick as the auditor of the Company. In accordance with section 328B of the Corporations Act, James Jackson as a Shareholder nominated Hall Chadwick as the new auditor of the Company. A copy of the notice of nomination is set out in **Annexure A**. The Company confirms that Hall Chadwick has given and not withdrawn its consent to act as auditor as at the date of the Notice.

Board recommendation and undirected proxies. The Board recommends that Shareholders vote in **FAVOUR** of Resolution 3. The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of Resolution 3. If you wish to vote "against" or "abstain" you should mark the relevant box in the attached proxy form.

Resolution 4 – Ratification of prior issue of Placement Shares

As detailed in this Explanatory Memorandum, on 29 August 2025 (Issue Date), the Company issued 740,000 fully paid ordinary shares under the Placement at an issue price of \$0.10 per share (Placement Shares).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Placement shares were issued under the Company's existing capacity under Listing Rule 7.1. The issue of Placement Shares did not breach rule 7.1.

The issue of Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks shareholder approval to the issue of Placement Shares under and for the purposes of Listing Rule 7.4.

If this Resolution 4 is passed, the issue of Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution 4 is not passed, the issue of Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the Issue Date (unless ratified by Shareholders prior to 29 August 2026).

Technical information required by ASX Listing Rule 7.5

Board recommendation and undirected proxies. The Board recommends that Shareholders vote in **FAVOUR** of Resolution 4. The Chairman of the Meeting intends to vote undirected proxies in **FAVOUR** of Resolution 4. If you wish to vote “against” or “abstain” you should mark the relevant box in the attached proxy form.

Resolution 5 – Approval of 10% Placement Capacity

Placement capacity

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (10% Placement Facility).

An ‘eligible entity’ means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 5 seeks shareholder approval by way of special resolution for the Company to have the 10% Placement Facility provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If this Resolution 5 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If this Resolution 5 is not passed, the Company will not be able to access the 10% Placement Facility to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Description of Listing Rule 7.1A

Any equity securities issued under the 10% Placement Capacity (Placement Securities) must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue one class of quoted equity securities, being ordinary shares (**Shares**).

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Placement Securities calculated in accordance with the formula in Listing Rule 7.1A.2.

The effect of Resolution 5 will be to allow the Directors to issue the Placement Securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without using any of the Company's 15% placement capacity under Listing Rule 7.1.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

A. Period for which approval will be valid

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) Period for which approval will be valid

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (ii) the time and date of the Company's next annual general meeting; or

(10% Placement Period).

(b) Minimum issue price

If any Placement Securities are issued, the minimum price the Placement Securities will be issued for cash consideration which is not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Placement Securities are to be issued is agreed; or
- (ii) if the Placement Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Placement Securities are issued.

The actual number of Placement Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Placement Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(c) Maximum Number of Shares to be Issued:

Listing Rule 7.1A.2 provides that an eligible entity which has obtained a 7.1A mandate may, during the period of the mandate, issue or agree to issue a number of equity securities (**N**) equal to the 10% Placement Facility, calculated in accordance with the following formula prescribed in Listing Rule 7.1A.2:

$$N = (A \times D) - E$$

where:

A = is the number of shares on issue 12 months before the date of the issue or agreement:

- plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17,

- plus the number of any other fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4,
- plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- less the number of fully paid ordinary securities cancelled in the relevant period.

(Note: "A" has the same meaning as in Listing Rule 7.1 when calculating the 15% capacity);

D = 10%;

E = the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period (being the 12 month period immediately preceding the date of the issue or agreement), where the issue or agreement has not been subsequently approved by holders of ordinary securities under Listing Rule 7.4;

(d) Purposes for which Placement Securities may be issued

The Company may seek to issue the Placement Securities as cash consideration for the acquisition of new assets and or other investments, or as cash for general working capital purposes.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon issue of any Placement Securities.

(e) Effect on existing (non-participating) Shareholders

If Resolution 5 is approved by Shareholders and the Company issues Placement Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the Placement Securities than on the date of the Annual General Meeting; and
- (ii) the Placement Securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date.

The below table is included for illustrative purposes and shows the potential dilution of existing Shareholders on the basis of the current market price of the Shares as at 6 October 2025 and the current number of Shares for variable "A" (above) calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (iii) Two examples where variable 'A' has increased by 50% and 100%. Variable 'A' is based on the number of Shares the Company has on issue as at the date of this Notice of Meeting. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing rule 7.1 that are approved at a future shareholders' meeting; and
- (iv) Two examples where the issue price of the Shares has decreased by 50% and increased by 50% as against the current market price.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Placement Securities available under the 10% Placement Facility.
- (ii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- (iv) The table shows only the effect of issues of Placement Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (v) The issue of Placement Securities under the 10% Placement Facility consists only of Shares.
- (vi) The issue price is \$0.100 being the closing price of the Shares on ASX on 6 October 2025

Number of Shares on Issue (Variable 'A' in Listing Rule 7.1A.2)*		Shares issued – 10% voting dilution	Dilution		
			Issue Price (rounded down to nearest tenth of a cent)		
			\$0.050	\$ 0.100	\$0.150
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	57,792,171	5,779,217	\$288,961	\$577,922	\$ 866,883
50% increase	86,688,257	8,668,826	\$433,441	\$866,883	\$1,300,324
100% increase	115,584,342	11,558,434	\$577,922	\$ 1,155,843	\$1,733,765

**Funds raised price has been rounded to the nearest whole number*

(f) **Company's share allocation policy**

The Company's share allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, issues in which existing security holders can participate;
- (ii) the effect of the issue of the Placement Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(g) Information under ASX Listing Rule 7.3A.6

As at the date of this Notice the Company has issued a total of 5,227,661 fully paid ordinary shares under Listing Rule 7.1A.2 during the 12-month period prior to the meeting, representing 13.4% of the company's issued capital at the commencement of the 12 month period on 20 November 2024. Related Party Transactions Generally:

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefits falls within one of the nominated exceptions to the provision, which includes where the financial benefit given constitutes is reasonable remuneration in the circumstances of the Company under the exception in section 211 of the Corporations Act; or
- (b) Securityholder approval is obtained prior to the giving of the financial benefit, and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, Mr Scott Beeton is a related party of the Company. Resolutions 6 relates to the proposed grant of Performance Rights to Mr Scott Beeton.

The Board considers that the financial benefit given by the grant of Performance Rights constitutes reasonable remuneration for the purposes of the exception in the Corporations Act.

The Directors consider that the incentives represented by the grant of these Performance Rights are an efficient means for the Company to incentivise the executives to continue to the growth and development of the Company.

The proposed grant of Performance Rights to Mr Scott Beeton will be in accordance with the Company's Incentive Plan.

Listing Rules 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- a. a director of the Company;
- b. an associate of a director of the Company; or
- c. a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 (a. or b. above) is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Scott Beeton is a Managing Director of the Company, the proposed issue of performance Rights constitutes the acquisition of securities under the Company's Incentive Plan for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.1.

To this end, this Resolution seeks the required Shareholder approval to issue the Performance Rights to Mr Scott Beeton under and for the purposes of Listing Rule 10.14.

If approved, the Company is not required to obtain separate Shareholder approval under Listing Rule 7.1, and as a result the issue of Performance Rights will not count towards the Company's placement capacity.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Performance Rights.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue and this may impact the Company's cashflow as the Performance Rights form an integral part of Mr Beeton's remuneration structure and the Company's retention strategy.

Resolution 7 – Approval of proposed issue of 740,000 free attaching options

Subject to the receipt of Shareholder approval, the Company has also agreed to issue 740,000 free attaching Options associated with the Shares the subject of Resolutions 4.

The Options are proposed to be issued for nil cash consideration.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

To avoid using the limits allowed to it under Listing Rule 7., the Company wishes to receive shareholder approval under Listing Rule 7.1 to approve the issue of the 740,000 Options subject of Resolution 7.

If Resolution 7 is not passed, any issue of the 740,000 Options subject of Resolution 4 by the Company will be included in the Company's 15% limit in Listing Rule 7.1 effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue.

In accordance with the disclosure requirements for shareholder approval of issuing securities under Listing Rule 7.3, the Company provides the following additional information in relation to Resolution 7:
