Explanatory notes

These explanatory notes have been prepared for shareholders in connection with the business to be conducted at the Annual General Meeting (**Meeting**) to be held at 12:30pm (Adelaide time) on Monday, 24 November 2025 at Chrysos Corporation Headquarters, 2A Venture Road, Tonsley, Adelaide SA 5042.

These notes provide information which the Directors believe to be material to shareholders in deciding how to vote on the resolutions to be put to the Meeting.

If you are in any doubt about what to do in relation to this document or about how to vote on the resolutions to be put to the Meeting, you should seek advice from an accountant, solicitor or other professional advisor.

Item 1 – Financial report, Directors’ report and Auditor’s report

As required by the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the Director’s report, the Remuneration Report and the Auditor’s report. These reports are all included in the Company’s Annual Report, which was lodged with the ASX on 26 August 2025.

The Company is no longer required to send a copy of the Annual Report to shareholders unless shareholders specifically elect to receive a copy.

No resolution is required for this Item, but shareholders will be given the opportunity to ask questions and to make comments on the reports. In addition, the Company’s auditor, Paul Cenko of KPMG, will be present at the Meeting and shareholders will have an opportunity to ask questions of the auditor in relation to the conduct of the audit and the content of the annual financial report and Auditor’s report.

Item 2 – Adoption of Remuneration Report

Section 250R of the Corporations Act requires a listed company to put a resolution to shareholders to adopt its Remuneration Report for the relevant financial year. The Company’s Remuneration Report for the financial year ended 30 June 2025 can be found at pages 33 to 51 of the Company’s Annual Report.

The Remuneration Report explains the Board’s policies in relation to the nature and level of remuneration paid to the Company’s KMP (including the Company’s Chief Executive Officer and other senior executives, as well as the Company’s Non-Executive Directors).

The vote on the Remuneration Report is advisory only and does not bind the Directors or the Company. However, under the Corporations Act:

- if at least 25% of the votes cast at any AGM on a resolution to adopt the Remuneration Report are cast against the adoption of the Remuneration Report, the Company’s next remuneration report must explain the Board’s proposed action in response or explain why no action has been taken; and
- if, at the AGM in the following year, at least 25% of the votes cast on a resolution to adopt the Remuneration report are cast against the adoption of the Remuneration Report, a resolution must be put to the shareholders (**Spill Resolution**) that another meeting be held within 90 days at which all the Directors who were Directors when the resolution to approve the Directors’ report for that year was passed, excluding any Managing Director, would need to stand for re-election (**Spill Meeting**).

Board recommendation

The Board (except Ms Civil) recommends that shareholders vote **in favour** of this Item.

Item 4 - Re-election of Directors

Re-election of Directors retiring by rotation

The Company's constitution requires that an election of Directors, other than a Managing Director, must be held each year. In addition, the constitution specifies that a Director, other than a Managing Director, may not hold office for more than three years or beyond the third annual general meeting following the Director's appointment (whichever is the longer period) without submitting for re-election. Finally, the Company's constitution requires that, after excluding any Managing Director and Director required to retire under ASX Listing 14.4 (or the equivalent provision in the constitution) one-third (or the number nearest to but not exceed one-third) of the remaining Directors must retire and submit for re-election.

Greg Holt and Kerry Gleeson were last elected as Directors of the Company on 27 November 2023 and have served as Directors of the Company since that date. Greg Holt and Kerry Gleeson now retire and seek re-election at this Meeting in accordance with the Company's constitution under Items 4(a) and 4(b), respectively.

Information about Greg Holt

Mr Holt is a senior executive with an international career spanning over 40 years across the logistics, industrial services, mining contracting and engineering industries. He is also an experienced Company Director (GAICD) and Board member, having previously held Board positions with Brambles companies in the United Kingdom, and Swire companies in Australia and the United States. Mr Holt's strong track record includes driving and finalising successful global expansion and business optimisation projects.

Mr Holt is currently the CEO of Swire Water based in USA, which is a member of the Swire Group of Companies, a global business with which Mr Holt has held Managing Director or Chief Executive Officer positions since 2010. Prior to Swire, Mr Holt worked within Brambles in senior executive positions across several of its subsidiaries and helped lead the transition of Brambles into BIS as part of the KKR acquisition. Mr Holt is currently the Chair of the Audit, Finance and Risk Committee and serves as a member of the Remuneration and Nominations Committee. The Board considers Mr Holt to be an independent Non-Executive Director under the ASX Corporate Governance Principles and Recommendations.

Information about Kerry Gleeson

Ms Gleeson is an experienced Chair and Non-Executive Director in the industrial, mining and resources industries following a successful career as a senior executive in the chemical and explosives industry and as a lawyer in both the UK and Australia. She has significant experience in international governance, strategy, mergers and acquisitions, complex corporate finance transactions, as well as risk and crisis management.

In her executive career, Ms Gleeson was a member of the Group Executive at ASX-listed Incitec Pivot Limited (now Dyno Nobel) for 10 years until 2013, including as Company Secretary and General Counsel, with oversight over the Group's international operations in mining, explosives, chemicals, transport and logistics. Ms Gleeson led Incitec Pivot's Corporate Affairs function across government, media and regulatory affairs as well as leading international crises responses and major environmental remediation projects, and the Group's Culture & Values and Diversity programs.

Earlier in her career, Ms Gleeson practised as a corporate lawyer, with Blake Dawson Waldron (now Ashurst) in Melbourne after a 10 year legal career in the UK, including as a corporate finance and transactional partner in an English law firm, focusing on mergers and acquisitions and initial public offerings.

Board recommendation

The Board (except Greg Holt) recommends that shareholders vote **in favour** of Item 4(a).

The Board (except Kerry Gleeson) recommends that shareholders vote **in favour** of Item 4(b).

Item 5 – Approval of FY26 CEO LTI Award

Background

The Company is seeking shareholder approval for the grant of up to 239,919 Performance Rights under the Company's Employee Equity Plan to Mr Dirk Treasure, the Managing Director and Chief Executive Officer of the Company, for no cash consideration (**CEO FY26 LTI Award**).

The purpose of the grant of Performance Rights is to provide Mr Treasure, as the Managing Director and Chief Executive Officer of the Company, with a long-term incentive to participate in the Company's growth that is directly aligned with the creation of shareholder value.

The Directors (excluding of Mr Treasure) consider that the incentives represented by the grant of these Performance Rights are a cost-effective and efficient means of providing reward and incentive, compared to alternative forms of payment such as additional cash remuneration.

The number of Performance Rights to be granted has been determined having regard to:

- (a) Mr Treasure's remuneration package, and the Board's desire to ensure that overall remuneration remains competitive with market benchmarks;
- (b) Mr Treasure's extensive leadership experience and proven capability in guiding Company's global growth;
- (c) the 20-day volume-weighted average price (**VWAP**) of Company Shares immediately prior to the commencement of the performance period, which is used to determine the number of Performance Rights required to deliver the intended Long-Term Incentive (**LTI**) value; and
- (d) the Board's assessment that the issue of Performance Rights on the proposed terms will incentivise and support the retention of Mr Treasure, while preserving the Company's cash reserves.

Requirement to obtain shareholder approval

ASX Listing Rule 10.14.1 requires that the Company obtain shareholder approval to issue equity securities (including shares or rights to shares) to a Director under the Employee Equity Plan.

Under the Employee Equity Plan rules, the Board may satisfy Performance Rights upon vesting by, at the Board's election:

- (a) paying an amount of cash to the Eligible Employee equal to value of a specified number of Performance Shares (as determined by the Board in its sole discretion); or
- (b) issuing a specified number of Performance Shares under the Employee Equity Plan to the Eligible Employee.

The Performance Rights to be granted (subject to shareholder approval) under the CEO FY26 LTI Award will vest according to the following vesting schedule if, at the conclusion of the three-year period from 1 July 2025 to 30 June 2028 (the **Performance Period**), Mr Treasure remains an employee of the Company and the relevant performance target is met or exceeded.

Relevant performance measure = 100% weighting to absolute Total Shareholder Return ¹ (aTSR)	% vesting
< Threshold : less than 5% compound annual growth rate (CAGR) ² in aTSR over the Performance Period	0%
Threshold : 5% CAGR in aTSR over the Performance Period	25% ³
Target : 10% CAGR in aTSR over the Performance Period	50% ⁴
Stretch : 20% CAGR in aTSR over the Performance Period	100%

¹Total Shareholder Return is calculated as the change in the Company's quoted share price, plus dividends, assumed to be reinvested into Company shares following declaration, and adjusted for reorganisations of capital as necessary to neutralise them, calculated over a specified period and expressed as a percentage of the starting share price.

²For the purposes of these calculations, % CAGR will be rounded to the nearest whole number.

³Where the % CAGR in aTSR over the Performance Period is more than 5% CAGR in aTSR but less than 10% CAGR in aTSR over the Performance Period, % vesting will be determined pro rata so that for each 1% gain in CAGR there will be a 5% gain in % vesting.

⁴Where the % CAGR in aTSR over the Performance Period is more than 10% CAGR in aTSR but less than 20% CAGR in aTSR over the Performance Period, % vesting will be determined pro rata so that for each 1% gain in CAGR there will be a 5% gain in % vesting.

Rationale for choice of aTSR as sole performance measure

Since the Company's IPO in 2022, the Company has used a sole performance measure for its executive LTI scheme, namely, Index TSR (iTSR) measuring the Company's performance relative to the ASX Industrials Index.

As part of the Company's FY26 remuneration strategy review the measure used in the LTI was reviewed and for the FY26 LTI the Board resolved to continue to have one sole performance measure for the executive LTI scheme, namely, to set aTSR as the sole performance measure for the LTI 2026. This approach:

- (a) provides clear alignment between executive decisions and long-term shareholder value; and
- (b) rewards genuine, sustainable share price growth regardless of index movements.

Compared to a relative measure against the ASX Industrials Index, as previously adopted, aTSR directly represents the returns experienced by the Company's own shareholders and in that respect provides clear alignment between the interests of management and the interests of the shareholders. This alignment is a key element of the Company's remuneration strategy.

What approvals are being sought?

ASX Listing Rule 10.14 requires, among other things, that the Company obtain shareholder approval before allowing a director of the Company to acquire "equity securities" in the Company under an employee incentive scheme.

The Performance Rights could convert to Shares upon vesting and are therefore "equity securities" in the Company for the purposes of ASX Listing Rule 10.14.

Accordingly, the Company seeks shareholder approval for the grant of 239,919 Performance Rights to Mr Treasure to satisfy the CEO FY26 LTI Award in accordance with the Employee Equity Plan rules.

If this approval is granted, 239,919 Performance Rights will be issued to Mr Treasure on 25 November 2025 and should the vesting conditions be met, pursuant to the terms of the Employee Equity Plan rules, the Board may satisfy the CEO FY26 LTI Award by the issue of up to 239,919 new Shares or through making a cash payment equal to the value of the Shares otherwise to be issued.

If this approval is not granted, the Company will not be able to proceed with the issue of the CEO FY26 LTI to Mr Treasure (and/or his nominee(s)) and the Company and Mr Treasure may consider alternative forms of remuneration including by the payment of cash.

Recommendation

The Directors (except Dirk Treasure) recommend that shareholders vote **in favour** of Item 5.

Item 6 – Approval of LTI termination benefits for Dirk Treasure and Brett Coventry

Background

Dirk Treasure is the Company's Managing Director and Chief Executive Officer and Brett Coventry is the Chief Financial Officer and Company Secretary. The Board considers that each of these individuals holds a managerial or executive office with the Company in terms of section 200B of the Corporations Act.

The resolutions in Item 6 relate to potential LTI-related termination benefits that may be given to Mr Treasure and Mr Coventry respectively if either of their employment contracts is terminated.

The Company's remuneration arrangements with Mr Treasure and Mr Coventry include a LTI which is a performance-based executive remuneration component intended to align total remuneration outcomes for Mr Treasure and Mr Coventry with longer term group performance and shareholder values. LTI awards are at the discretion of the Board and, since the Company's admission to the official list of ASX, have involved the award of Performance Rights under the Company's Employee Equity Plan.

Under the Employee Equity Plan, if either Mr Treasure or Mr Coventry's employment is terminated in circumstances that fall within the 'Good Leaver' category, all the Performance Rights held by the relevant person that have not vested (due to non-satisfaction of the underlying performance-related vesting conditions attached to those Performance Rights) will be automatically forfeited and automatically lapse. Notwithstanding, the Board has discretion under the Employee Equity Plan to determine to treat any unvested Performance Rights other than in the manner set out above including, but not limited to:

- (a) accelerating the vesting of any unvested Performance Rights; and/or
- (b) waiving one or more performance conditions attached to the unvested Performance Rights (including continuous service requirements).

Under the Corporations Act, a company may not give a termination payment or benefit to Directors or senior managers which is above a certain amount (in general terms, equal to one year's salary) without shareholder approval.

In the event that:

- (c) Mr Treasure or Mr Coventry's employment is terminated in circumstances that fall within the 'Good Leaver' category; and
 - (d) the Board exercises its discretion under the Employee Equity Plan to vary the treatment of any unvested Performance Rights held by Mr Treasure or Mr Coventry at the time of termination,
- the Board may be providing termination benefits and the value of these benefits may exceed the cap of one year's salary. Accordingly, the purpose of this resolution is to seek shareholder approval for the potential exercise of this discretion and the associated potential termination benefits in respect of:
- (e) for Item 6(a), the 239,919 Performance Rights to be granted to Mr Treasure on 25 November 2025 as Mr Treasure's LTI for FY26 (subject to shareholder approval); and
 - (f) for Item 6(b), the 108,702 Performance Rights to be granted to Mr Coventry on 25 November 2025 as Mr Coventry's LTI for FY26.

Requirement to obtain shareholder approval

Under section 200B of the Corporations Act, the Company must not give a person a benefit in connection with the person's retirement from an office, or position of employment, in a company or related body corporate if:

- (a) the office or position is a managerial or executive office; or
- (b) the person has, at any time during the last three years before his or her retirement, held a managerial or executive office in the company or related body corporate,

unless shareholder approval is obtained under section 200E of the Corporations Act for the giving of the benefit (or unless a specified exception applies).

A 'benefit' is defined broadly in the Corporations Act to include a payment or other valuable consideration. It also includes the accelerated or automatic vesting of share-based payments on or as a result of retirement from an office or position.

There are exceptions for the provision of certain kinds of benefits, such as statutory entitlements to accrued annual and long service leave and certain benefits within a monetary cap. This monetary cap is, in broad terms, equivalent to one year's annual average base salary of the relevant person over the period during which that person held a managerial or executive office (up to a period of three years).

If a termination benefit is given in excess of what is permitted under the Corporations Act, a breach of the Corporations Act can occur even if the person receiving the benefit is entitled to the benefit under his or her contractual arrangements.

Value of termination benefits

The amount and value of the potential termination benefits and entitlements of Mr Treasure and Mr Coventry arising from the Board's exercise of its discretion to vary the treatment of the abovementioned unvested Performance Rights cannot be determined in advance. This is due to a number of factors that will, or are likely to, affect that value.

The value of the potential termination benefits will depend on factors such as the Company's share price at the time of vesting and the number of shares that will vest or otherwise be affected under the Employee Equity Plan. Furthermore, the following matters may also affect the potential benefits:

- (b) the number of unvested Performance Rights held by Mr Treasure or Mr Coventry (as applicable) that the Board determines to vest, lapse or leave on foot;
- (c) the Company's share price on the date any Shares are provided to Mr Treasure or Mr Coventry on exercise of any Performance Rights that have vested due to the Board's discretion; and
- (d) any changes in laws, regulations or market practice up until Mr Treasure or Mr Coventry (as applicable) ceases employment.

What approvals are being sought?

The Company is seeking Shareholder approval under the resolution in Item 6(a) to, on the termination or cessation of Mr Treasure's employment as a 'Good Leaver' within the meaning of Employee Equity Plan, exercise their discretion under the Employee Equity Plan to vary the treatment of the 239,919 unvested Performance Rights that are to be issued to Mr Treasure on 25 November 2025 (subject to shareholder approval).
