EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.acdcmetals.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR ANDREW SHEARER

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

If this Resolution is passed, Mr Shearer will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Mr Shearer will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5. RESOLUTION 4 – RATIFICATION OF OPTIONS ISSUED TO QUAALUP INVESTMENTS PTY LTD

5.1 General

On 2 April 2025, the Company entered into a consultancy agreement with Quaalup Investments Pty Ltd (ACN 121 870 246) (**Quaalup**) pursuant to which Quaalup agreed to provide consultancy services involving a review and report of potential copper, gold and silver projects for possible acquisition or partnership by the Company (**Consultancy Agreement**).

In consideration for consultancy services provided by Quaalup, the Company agreed to:

- (a) pay Quaalup a rate of \$1,500 per day for services provided; and
- (b) issue to Quaalup 1,500,000 unlisted Options on the terms set out in Schedule 1.

The Consultancy Agreement was otherwise on terms considered standard for an agreement of its nature.

Resolution 4 seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 1,500,000 Options, exercisable at \$0.0675 on or before 7 April 2027, to Quaalup (or their nominee) on 8 April 2025 in consideration for consultancy services provided by Quaalup (**Consultant Options**).

5.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

6. RESOLUTIONS 5 TO 8 – APPROVAL TO ISSUE INCENTIVE OPTIONS TO DIRECTORS

6.1 General

Subject to the passing of Resolution 9, these Resolutions seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14 for the issue of up to an aggregate of 2,500,000 Options (**Incentive Options**) to Mr Andrew Shearer, Mr Mark Saxon, Mr Ivan Fairhill and Mr Richard Boyce (or their nominee(s)) pursuant to the Plan on the terms and conditions set out below.

Further details in respect of the Incentive Options proposed to be issued are set out in the table below.

750,000	Andrew Shearer	Resolution 5	\$0.12	The date that is 2 years from the date of issue.
750,000	Mark Saxon	Resolution 6	\$0.12	The date that is 2 years from the date of issue.

500,000	Richard Boyce	Resolution 8	\$0.12	The date that is 2 years from the date of issue.

6.2 Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Incentive Options should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

6.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

As Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

6.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue and may seek to remunerate the Directors via alternative means, which may include cash compensation.

6.6 Technical Information required by Listing Rule 10.15 and section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Securities will be issued	The proposed recipients of the Incentive Options are set out in Section 6.1.
Categorisation under Listing Rule 10.14	Each of the proposed recipients falls within the category set out in Listing Rule 10.14.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2.
Number of Securities and class to be issued	The maximum number of Incentive Options to be issued (being the nature of the financial benefit proposed to be given) is 2,500,000 which will be allocated as set out in the table included at Section 6.1 above.
Terms of Securities	The Incentive Options will be issued on the terms and conditions set out in Schedule 2.

REQUIRED INFORMATION	DETAILS
	permitted by any ASX waiver or modification of the Listing Rules).
Price or other consideration the Company will receive for the Securities	The Incentive Options will be issued at a nil issue price.
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide a performance linked incentive component in the remuneration package for the proposed recipients to align the interests of the proposed recipients with those of Shareholders, to motivate and reward the performance of the proposed recipients in their roles as Directors and to provide a cost effective way from the Company to remunerate the proposed recipients, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the proposed recipients.
Consideration of type of Security to be issued	The Company has agreed to issue the Incentive Options for the following reasons: (a) the issue of the Incentive Options has no immediate dilutionary impact on Shareholders; (b) the issue to the Directors will align the interests of the recipient with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors; (d) the deferred taxation benefit which is available to the recipient in respect of an issue of Options is also beneficial to the Company as it means the recipient is not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and (e) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.
Consideration of quantum of Securities to be issued	The number of Incentive Options to be issued has been determined based upon a consideration of: (a) current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company; (b) the remuneration of the proposed recipients; and (c) incentives to attract and retain the service of the proposed recipients who have appropriate knowledge and expertise, while maintaining the Company's cash reserves. The Company does not consider that there are any significant opportunity costs to the Company or benefits

	Notes: - Fully paid ordinary shares in the capital of the Company (ASX: ADC). - Unquoted Options exercisable at \$0.30 each on or before 9 January 2026.												
Dilution	If the Incentive Options issued under these Resolutions are exercised, a total of 2,500,000 Shares would be issued. This will increase the number of Shares on issue from 74,775,130 (being the total number of Shares on issue as at the date of this Notice) to 77,275,130 (assuming that no Shares are issued and no other convertible securities vest or are exercised) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 3.24%, comprising 0.97% by each of Mr Shearer and Mr Saxon, and 0.65% by each of Mr Fairhall and Mr Boyce.												
Market price	The market price for Shares during the term of the Options would normally determine whether or not the Options are exercised. If, at any time any of the Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Options, there may be a perceived cost to the Company.

7. RESOLUTION 9 – APPROVAL TO ISSUE SECURITIES TO UNRELATED PARTIES UNDER AN INCENTIVE PLAN

7.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 3,746,537 Securities under the employee incentive scheme titled “Employee Incentive Securities Plan” (**Plan**).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity’s ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity’s notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

7.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 7.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX’s opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company’s capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

7.3 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS
Terms of the Plan	A summary of the material terms and conditions of the Plan is set out in Schedule 4.
Number of Securities previously issued under the Plan	The Company has not issued any Securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Plan.
Maximum number of Securities proposed to be issued under the Plan	The maximum number of Securities proposed to be issued under the Plan in reliance on to Listing Rule 7.2 (Exception 13), following Shareholder approval, is 3,746,537 Securities. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately. The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX’s opinion, such that approval should be obtained.

8. RESOLUTION 10 – APPROVAL OF 7.1A MANDATE

8.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

A summary of Listing Rule 7.1 is set out in Section 5.2 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$7,268,283. The Company is therefore an Eligible Entity.

8.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

REQUIRED INFORMATION	DETAILS																																							
	(b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.																																							
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business and general working capital.																																							
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 16 October 2025. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate. <table><tr><th colspan="2" rowspan="4">Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)</th><th rowspan="4">Shares issued – 10% voting dilution</th><th colspan="3">DILUTION</th></tr><tr><th colspan="3">Issue Price</th></tr><tr><th>\$0.049</th><th>\$0.097</th><th>\$0.146</th></tr><tr><th>50% decrease</th><th>Issue Price</th><th>50% increase</th></tr><tr><th colspan="6">Funds Raised</th></tr><tr><td>Current</td><td>74,930,755 Shares</td><td>7,493,075 Shares</td><td>\$367,160</td><td>\$726,828</td><td>\$1,093,988</td></tr><tr><td>50% increase</td><td>112,396,133 Shares</td><td>11,239,613 Shares</td><td>\$550,741</td><td>\$1,090,242</td><td>\$1,640,983</td></tr><tr><td>100% increase</td><td>149,861,510 Shares</td><td>14,986,151 Shares</td><td>\$734,321</td><td>\$1,453,656</td><td>\$2,187,978</td></tr></table> *The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1. The table above uses the following assumptions: - There are currently 74,930,755 Shares on issue. - The issue price set out above is the closing market price of the Shares on the ASX on 16 October 2025 (being \$0.097) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. - The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. REQUIRED INFORMATION	DETAILS
	4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. 5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 19 November 2024 (Previous Approval). During the 12 month period preceding the date of the Meeting, being on and from 19 November 2024, the

REQUIRED INFORMATION	DETAILS
	Company has not issued any Equity Securities pursuant to the Previous Approval.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

- (i) Subject to compliance with applicable law, Options are freely transferable.
- (j) All Shares issued upon exercise of Options will rank pari passu in all respect with, and have the same terms as, the Company's then issued fully paid ordinary shares. The Company will apply for official quotation by ASX of all Shares issued upon exercise of Options, subject to any restriction obligations imposed by ASX and the Company being listed on ASX at the relevant time. The Options will not give any right to participate in dividends until shares are issued pursuant to the terms of the relevant Options.
- (k) There are no participation rights or entitlements inherent in the Options. Option holders are not entitled to participate in new issues of securities offers to shareholders without first exercising the Option. Prior to the Expiry Date and if required by the Listing Rules, the Company will send notices to option holders in accordance with the time limits required by the Listing Rules in respect of offers of securities made to shareholders.
- (l) In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the Expiry Date, the number of Options or the exercise price of the Options or both shall be reconstructed in accordance with the Listing Rules applying to a reorganisation of capital at the time of the reconstruction.
- (m) Options will otherwise have the terms as required by ASX and the Listing Rules.

SCHEDULE 2 – TERMS AND CONDITIONS OF INCENTIVE OPTIONS

1.	Entitlement	Each Option entitles the holder to subscribe for one Share upon exercise of the Option.
2.	Plan	The Options are granted under the Company's Employee Incentive Securities Plan (Plan). Defined terms in these terms and conditions have the same meaning as in the Plan. In the event of any inconsistency between the Plan and these terms and conditions, these terms and conditions will apply to the extent of the inconsistency.
3.	Consideration	Nil consideration is payable for the Options.
4.	Exercise Price	The amount payable upon exercise of each Option will be \$0.12 (Exercise Price).
5.	Expiry Date	Each Option whether vested or unvested will expire on the earlier to occur of: (a) the Option lapsing and being forfeited under the Plan; or (b) 5:00 pm (AEDT) on the date that is 2 years from the date of issue: (Expiry Date). For the avoidance of doubt, any unexercised Options will automatically lapse on the Expiry Date.
6.	Rights attaching to Options	Prior to an Option being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share which may be issued on exercise of Option other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (refer to section 16).
7.	Restrictions on dealing with Options	The Options cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to an Option that has been granted to them.
8.	Forfeiture Conditions	Options will be forfeited in the following circumstances: (a) in the case of unvested Options only, where the Participant ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group); (b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Options held by a Participant to have been forfeited;

		(c) where there is a failure to satisfy the Vesting Conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent or their Nominated Party (if applicable) becomes insolvent; or (e) on the Expiry Date, subject to the discretion of the Board.
9.	Exercise Period	The Options are exercisable at any time prior to the Expiry Date (Exercise Period).
10.	Exercise Notice	The Options may be exercised during the Exercise Period by: (a) delivery of a written notice of exercise of Options specifying the number of Options being exercised (Exercise Notice); and (b) payment by electronic funds transfer for the Exercise Price for the number of Options being exercised or the cashless exercise procedure set out in paragraph 11. An Exercise Notice is only effective on and from the later of the date of receipt of the Exercise Notice and, subject to the holder electing for Cashless Exercise, the date of receipt of the payment of the Exercise Price (for each Option being exercised in cleared funds).
11.	Cashless Exercise	Subject to Board approval, in lieu of paying the aggregate Exercise Price for the number of Options specified in the Exercise Notice, the holder of the Options may elect a cashless exercise (Cashless Exercise) whereby the Board will issue to the holder that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula: $S = O * \frac{(MVS - EP)}{MVS}$ Where: S = number of Shares to be issued on the exercise of the Options O = number of Options being exercised. MVS = market value of Shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise. EP = Exercise Price of the Options. For the avoidance of doubt, if the sum of the above calculation is zero or negative, then the holder will not be entitled to use Cashless Exercise.
12.	Timing of issue of Shares and quotation of Shares on exercise	Subject to Applicable Law, within five Business Days after the valid exercise of Options by the holder, the Company will: (a) issue, allocate or cause to be transferred to the holder the number of Shares to which the holder is entitled; and (b) if required, issue a substitute certificate for any remaining unexercised Options held by the holder. Additionally, the Company will do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the ASX Listing Rules and subject to the expiry of any restriction period that applies to the Shares under the Corporations Act or the ASX Listing Rules, as soon as reasonably practicable.
13.	Restrictions on transfer of Shares on exercise	Shares issued on exercise of the Options are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act,

		Shares issued on exercise of the Options may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Options are subject to restrictions imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Options are subject to the terms of the Company's Securities Trading Policy as set out on the Company's website.
14.	Rights attaching to Shares on exercise	Shares issued upon exercise of the Option will rank equally with the then issued Shares of the Company.
15.	Change of Control	Subject at all times to the Listing Rules, if a Change of Control Event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), the Board may in its discretion determine the manner in which any or all of the holder's Options will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event.
16.	Participation in new issues	Subject always to the rights under paragraphs 17 and 18, holders of Options will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
17.	Adjustment for bonus issue of Shares	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Options is entitled, upon exercise of the Options, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Options are exercised.
18.	Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each holder holding Options will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
19.	Change to exercise price	An Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option can be exercised.
20.	Buy-Back	Subject to applicable law, the Company may at any time buy-back the Options in accordance with the terms of the Plan.

SCHEDULE 4 – TERMS AND CONDITIONS OF EMPLOYEE INCENTIVE SECURITIES PLAN

A summary of the material terms of the Company's Employee Securities Incentive Plan (**Plan**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of a Plan Share, Option, Performance Right or other Convertible Security (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)) following Shareholder approval, is 3,738,756 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of

	Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group); (b) where a Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Participant to have been forfeited; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the Expiry Date, subject to the discretion of the Board.
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.

Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise (Exercise Notice) and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. In the case of Options, subject to the Board's approval, in lieu of paying the aggregate exercise price specified in the Exercise Notice, the Participant may elect a cashless exercise (Cashless Exercise) whereby the Board will issue to the Participant that number of Shares (rounded down to the nearest whole number) calculated in accordance with the following formula: $S = O * \frac{(MVS - EP)}{MVS}$ Where: S = number of Shares to be issued on the exercise of the Options. O = number of Options being exercised. MVS = market value of shares, being the volume weighted average price per Share traded on the ASX over the five trading days immediately preceding the date of exercise. EP = Exercise Price of the Options. For the avoidance of doubt, if the sum of the above calculation is zero or negative, then the holder will not be entitled to use Cashless Exercise. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.

Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event. The Board may specify in the Invitation how the Convertible Securities will be treated on a change of control event occurring, or the Board determining that such event is likely to occur, which may vary depending upon circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

**Income Tax
Assessment Act**

The Plan is a plan to which Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
