8. GST

8.1 GST exclusive

Unless expressly stated otherwise in this agreement, any fees which the parties agree to be payable to the Lead Manager and any other amounts payable to the Lead Manager under this agreement are to be agreed and calculated to be exclusive of GST.

8.2 Reimbursements

If a party is required under this agreement to indemnify another party, or pay or reimburse costs of another party, that party agrees to pay the relevant amount less any input tax credits to which the other party (or to which the representative member for a GST group of which the other party is a member) is entitled.

8.3 Tax invoice

If any supply made under this agreement is a taxable supply, the entity making the taxable supply (Supplier) must issue a valid tax invoice to the party providing the consideration for that taxable supply (Recipient). The tax invoice issued by the Supplier must comply with GST law. The GST amount means, in relation to a taxable supply, the amount of GST for which the Supplier is liable in respect of the taxable supply (GST Amount).

8.4 Timing of payment

Subject to receipt of a valid tax invoice, if GST is payable on any supply made under this agreement for which the consideration is not expressly stated to include GST, the Recipient must pay an additional amount on account of the GST Amount in connection with a taxable supply made by the Supplier to the Recipient at the same time that the Recipient must provide the consideration for that taxable supply or the first part of the consideration for the supply (as the case may be) (under the other provisions of this agreement), or if later, within 5 business days of the Recipient receiving a tax invoice for that taxable supply.

8.5 Payment differences

If the GST payable by the Supplier in connection with the taxable supply differs from the GST Amount paid by the Recipient under this clause, the Supplier must repay any excess to the Recipient or the Recipient must pay any deficiency to the Supplier, as appropriate within 5 business days of the Supplier providing the Recipient with a written notification regarding the difference in the GST payable. Where the difference in the GST payable results from an adjustment event, the written document provided by the Supplier under this clause must include an adjustment note as required by the GST law.

8.6 Defined terms

Unless the context otherwise requires, the references to "GST" and other terms used in this agreement (except Supplier, Recipient and GST Amount) have the meaning given to those terms by the A New Tax System (Goods and Services Tax) Act 1999 (as amended from time to time). However, any part of a supply that is treated as a separate supply for GST purposes (including attributing GST payable to tax periods) will be treated as a separate supply for the purposes of this clause.

8.7 References

A reference to something done (including a supply made) by a party includes a reference to something done by any entity through which that party acts.

This agreement constitutes the entire agreement of the parties about its subject matter and supersedes all previous agreements, understandings and negotiations on that matter.
